CAPS AND GOWNS

Academic caps and gowns represent a tradition which has come down from the universities of the Middle Ages. They were once common forms of clothing and were retained by the clergy when the laity adopted more modern dress. The early European universities were founded by the church; the students, being clerics, were obliged to wear prescribed gowns and caps at all times.

The usual color for gowns in America is black, though some universities are gradually adopting colors representative of their institution. Hoods are lined with the college colors and are trimmed with the color appropriate to the degree:

- Agriculture: Maize
- Arts, Letters, and Humanities: White
- Business: Drab
- Dental Medicine: Lilac
- Education: Light Blue
- Engineering: Orange
- Family Studies: Maroon
- Fine Arts: Brown
- Forestry: Russet
- Law: Purple
- Medicine: Green
- Music: Pink
- Nursing: Apricot
- Pharmacy: Olive Green
- Philosophy: Dark Blue
- Physical Education: Sage Green
- Public Health: Salmon Pink
- Science: Golden Yellow
- Social Work: Citron
- Theology: Scarlet

Caps are usually black. The tassel for the Bachelor of Arts, Science, and Engineering may be of the color distinctive of the degree, and the tassel for the Doctor of Philosophy may be made of gold thread.

At the University Commencement the University Marshal wears a ceremonial gown of blue and white. The School and College Marshals wear blue beefeater caps.

THE MACE

THE MACE, carried by Fred A. Cazel, Jr., Chairman of the Commencement Committee, is used at all occasions of academic ceremony. In medieval times maces were weapons of warfare, but today a mace is “a staff borne by, or carried before, a magistrate or other dignitary as an ensign of his authority.” It is the emblem and symbol of the President’s authority to administer the University.

This Mace was first used at the Inauguration of President Homer D. Babbidge, Jr., on October 20, 1962. Designed by Nathan Knobler, former head of the Department of Art, it is made of wood and carries the University seal on both faces, executed in beautiful carving. A penny dated 1881 is affixed to it.

THE BATON

THE BATON, carried by the University Marshal, Professor Thomas A. Suits, was specifically designed for ceremonial activities at The University of Connecticut and was first used at the Commencement in 1968. The Office of Marshal can be traced back to the medieval period, and the Baton is a symbol of the Marshal’s authority. He carries it as he leads the academic procession into and out of the place of ceremony.

This Baton has silver mountings and is surmounted by a representation of the University seal in enamel.

THE MEDALLION

THE SILVER MEDALLION, worn by John A. DiBiaggio, President, was first used at the time of the University’s Silver Anniversary. It hangs on a silver chain of special design, in which each link represents one of the University’s Schools or Colleges. Each link consists of a cloisonné circle engraved with a design appropriate for the particular school and enamelled with the traditional school or college colors.

The audience is requested to remain seated, so that all may see the procession. The Mace will be presented at the center of the stage while all those marching are taking their places.
