ALMA MATER

Once more as we gather today
We sing our Alma Mater's praise
And join in the fellowship strong
Which inspires our college days.
We're backing our men in the strife
Cheering them to Victory!
And pledge anew to Old Connecticut
Our steadfast spirit of loyalty.

When time shall have severed us far,
And the years their changes bring,
The thought of the college we love
In our memories will cling.
For friendships that ever remain
And associations dear,
We'll raise a song to Old Connecticut
And join our voices in one long cheer.

Chorus —

Connecticut, Connecticut,
Thy sons and daughters true
Unite to honor thy name,
Our fairest White and Blue.
