4. Vice-Chair Leonardi noted that the Health Center management will form a committee to examine the role of health affairs committees at successful academic health centers throughout the country. Dean Deckers will convene a committee this fall and will propose recommendations to the Board.

Trustee Napolitano raised procedural questions regarding a Health Center faculty member’s appeal to the Board. He asked the administration to address the Board’s role in the appeal process.
August 1, 2000

Chairman Gelfenbien responded that the Board will consider testimony from the faculty member and from Health Center administrators.

Vice-Chair Leonardi noted that she only had the opportunity to read the faculty member's letter to the Board in which he raised concerns about the process and the procedural responsibilities of the faculty review committees at the Health Center. She asked if the Health Center's policies and procedures were included in the informational packet that was provided to the Board. Dean Deckers assured the Board that Dr. Bruce Koeppen prepared a detailed report and will present it at the September Board meeting.

Trustee Martinez asked if the faculty member's personnel records could be made available to Board members. Dean Deckers agreed to provide any Board member with more specific information regarding this case.

Trustee Napolitano asked if Assistant Attorney General Shapiro has been consulted in this matter. President Austin responded that Assistant Attorney General Kleinman, who represents the Health Center, has been consulted and will be available at the September meeting.

Trustee Martinez asked if the deferral of the appeal to the September Board meeting will affect his termination date. Dr. Schurin responded that there is an agreement between the faculty member and the Health Center stating that his termination date would remain in effect. Chairman Gelfenbien noted that the faculty member would be reinstated if the Board overturned the administration's decision to terminate his employment.

Vice-Chair Leonardi announced that the next regular Board of Trustees meeting was scheduled for Tuesday, September 12 at 1:00 p.m. at the University of Connecticut at Avery Point, Groton, Connecticut.

There being no further business appearing, the Board meeting adjourned at 9:45 a.m.

Respectfully submitted
