C. Chairwoman Bailey’s Report for the Student Life Committee included the following items:

1. The Committee met on February 26 and March 25. On February 26, the Committee toured the Student Health Services facility and heard a presentation from the Director and senior staff members. A multi-disciplinary team is available twenty-four hours a day and provides high quality, cost-effective primary care, health promotion and educational outreach.

On March 25 the Committee heard a presentation on retention activities in the Division of Student Affairs and Services. An individual approach that emphasizes counseling has been successful in making the University more personal and responsive to student needs.

2. Chairwoman Bailey commended Vice President Wiggins, who is retiring on June 1, for her many years of service and dedication to and enhancement of student life on campus.

E. Chairwoman Leonardi’s Report for the Capital Budget and Facilities Committee and Chairwoman Berry’s Report for the Academic and Financial Affairs Committee were presented jointly and included the following:

1. The Committee met jointly with the Academic and Financial Affairs Committee this morning. Chancellor Emmert presented an overview of the Mission and Role of the Regional Campuses, Attachment W. Objective 8.5 of the Strategic Plan for the University approved by the Board of Trustees on February 10, 1995, reads “Evaluate and develop the use of the regional campuses as centers that meet the needs of traditional and non-traditional students, part-time students and the community for degree-oriented programs, continuing education and as centers for delivering University programs.” In response to that objective, the Strategic Planning Implementation Task Force on Regional Campuses developed a mission and role statement for the regional campuses that is presented today for Board approval.

On a motion by Mrs. Berry, seconded by Mr. Berkley, THE BOARD VOTED to endorse the statement of mission and role of the regional campuses. Background information on this agenda Attachment W is attached to the file copy of the Board minutes. Chairwoman Berry then continued the report that included the following items:

2. It was noted that Attachment X, (1) Official Statement of the University Respecting the University of Connecticut General Obligation Bonds, 1997 Series A had been amended in Committee. The amendment noted that in line 12 of Section 3, the word “Certificate” had been changed to “Act.” On a motion by Mrs. Berry, seconded by Ms. Leonardi, THE BOARD VOTED to approve
the amendment. Attachment X, also contained a second attachment (2) entitled "Revision of Certain UConn 2000 Bond Projects."

On a motion by Mrs. Berry, seconded by Ms. Leonardi, THE BOARD VOTED to approve the amended Attachment X (1) and Attachment X (2). Background information regarding this attachment is attached to the file copy of the Board minutes.

Also listed under Attachment X was Revised List of UConn 2000 Projects to be Financed by Securities Secured by the State Debt Service Commitment.

On a motion by Ms. Leonardi, seconded by Ms. Smith, THE BOARD VOTED to approve the Revised List of UConn 2000 Projects to be Financed by Securities Secured by the State Debt Service Commitment. Background information regarding this agenda item is also attached to the file copy of the Board minutes.

3. Trustee Berry reminded Trustees about the June Budget Workshop and stressed the importance of Trustee attendance.

D. Chairwoman Smith's Report for the Health Affairs Committee included the following items:

1. Overall results of operation indicate that the John Dempsey Hospital earned in excess of $4.5 million for the year ended September 30, 1996.

2. The Health Center has been replacing systems and upgrading in-house computer programs over the past few years. New programs purchased must now have vendor certification and an internal compliance check relative to the year 2000 changeover. The Health Center's year 2000 changeover plan has been recognized as a model for other state agencies.

3. The Health Center has made significant progress in creating a formal corporate compliance program consistent with the Health Insurance Portability and Accountability Act of 1996. A Corporate Compliance Committee has been formed and internal reviews have been conducted over the past year.

4. The Committee also had a general discussion of the budget and recent actions by the Appropriations Committee and noted that while there was a recommendation that the Health Center receive an add back to its budget, the Health Center is continuing forward with its planned $7 million reduction plan for the current year.

Additional efforts will also be made to improve efficiency and reduce administrative and other costs. The hospital is experiencing some budgetary
pressures due to the transfer of pediatrics to the Connecticut Children's Medical Center and the general increased penetration of managed care.

E. Chairman Treibick's Report for the Institutional Advancement Committee was presented by Trustee Heist and included the following:

1. A telephone conference meeting was held on Tuesday, April 2. At that time the Committee discussed responses to the University's request for proposals to retain professional services to develop a comprehensive public relations plan.

2. University officials have met with legislative leadership to discuss the continuation of the matching grant program. The proposal to continue the program over the life of the UConn program is a sound one and is consistent with the plans to begin a major capital campaign in the future.

3. Fundraising results indicate that the total giving for the eight-month period ending February 28, 1997 is $15M, a 70% increase over the same period last year. Giving to Storrs and the regional campuses is up 120%; to Athletics 8%, and to the Health Center 88%. Gifts to endowment are up 233%, and gifts to current operations are approximately level with last year. To date, sixty-nine donors contributed $25,000 or more totaling $8.5M during the period, which accounts for 57% of total gift receipts.

There was no Report from the Athletic Policy Committee

No further business appearing, the Board meeting was adjourned at 3:00 p.m.

It was noted that the June Budget Workshop is scheduled for Tuesday, June 24, 1997, from 9:00 a.m. to 5:00 p.m. at the Bishop Center, Room 7, Storrs, Connecticut. All Trustees are urged to attend.
