7. A Board of Trustees meeting has been scheduled for Wednesday, March 8, 1995 beginning at 11 a.m. at Champion International, One Champion Plaza, Stamford, Connecticut.

B. The President’s Report (Attachment M) highlighted the following:

1. President Hartley discussed the UConn 2000 initiative which was introduced to the State last week. Press conferences were held in Storrs, Hartford, Stamford and Avery Point. UConn 2000 proposes a public/private partnership to rebuild, renew, and enhance the University. It is a 10-year infrastructure renewal program, guided by the strategic planning process, to provide the critical resources needed to finance construction and renovations the University needs to improve its teaching, research and public service activities.

2. President Hartley is currently serving as Interim Provost, effective 1/1/95, and is being assisted by the three Associate Provosts and a Special Vice Provost who has responsibility for promotion, tenure, and reappointment review.

   The Provost search yielded four finalists who were interviewed in January. Of the four finalists, two were recommended to the President by the Search Committee. It is expected that the formal announcement of a new Provost will be made soon.

3. The President announced that Irene Conlon, who replaces Thomasina Clemons, has been named the new Director of Affirmative Action Programs effective January 1. Attorney Jane Scarpellino, who replaces Karen Molitor, has been appointed the new Assistant Attorney General effective January 23, 1995. In addition, Tony Atwater, who is currently on leave from his position as Department Head at Rutgers University, is working as an administrative intern in the Provost’s Office.

4. During the month of January UConn observed Martin Luther King, Jr. Day on January 16 by the closing of University offices. On January 31 a Chinese New Year Celebration was also held. During the month of February, the University will celebrate Black History Month beginning with Opening Ceremonies on February 1. Numerous other events celebrating Black History month have been scheduled for February.
5. President Hartley gave an overview of other activities during the month which included hosting a luncheon for international students, hosting the Advanced Technology Center for Precision Manufacturing Policy Advisory Board, the Economic Development Grant Competition Awards Program, and the New England Deans of Natural Resources.

In addition, President Hartley met with the President’s Commission on the Status of Women where he received a report on trends in representation of women at UConn. On January 11, he met with the new Commissioner of the Department of Public Works, Jim Sullivan, who visited the Storrs campus to discuss UConn’s capital projects and to tour works in progress.

6. During January, a 5-Year accreditation was granted to the Didactic Program in Dietetics. An accreditation was also granted for three new curricula in Fine Arts, viz. Masters degrees in Historical Musicology, Performance, and Music Education.

7. President Hartley noted that UConn favors and has voted for a single division within the Big East Conference. Starting in July there will be thirteen members. The Big East President originally favored the single division with the understanding that not every school will play each others’ opponents twice during the year. Over a four-year period every school will play all of its opponents at least six times.

Chairman Rome introduced Mr. David O’Leary, the representative of the Governor’s Office who entered the meeting at this time, and welcomed him to the Board meeting.

President Hartley called upon John Allen, Faculty Athletics Representative, to report on the 1994 NCAA Annual Convention. The report is attached to the file copy of the Board minutes. The President commended Professor Allen for his dedication and commitment to athletics and expressed his appreciation for Professor Allen’s excellent work on behalf of UConn.

C. Mr. Berkley’s report for the Strategic Planning Committee included the following:

1. On a motion by Mr. Berkley, seconded by Mrs. Carrozzella, THE BOARD VOTED to adopt the Strategic Plan dated January 17, 1995 with the following provisions:

   1. The President is directed to implement the Strategic Plan.
February 10, 1995

2. By July 14, 1995, the President will deliver to the Board for approval two reports:

   a. An implementation plan delineating the implementation process: structure, responsibility, timetable.

   b. An operational plan coupling the implementation to resources.

3. The Strategic Planning Committee of the Board of Trustees shall monitor the progress of implementation of the Strategic Plan and shall report regularly to the full Board.

4. The Strategic Planning Committee of the Board of Trustees will continue the strategic planning process and adapt the Strategic Plan as conditions change.

This agenda item is listed as agenda Attachment N which is attached to the file copy of the Board minutes.

Chairman Rome noted that with the adoption of the Strategic Plan, the Strategic Planning Management committee had completed its task and as an ad hoc committee was now discharged. Mr. Rome expressed the Board's appreciation to the committee for its commitment to the process, its many long hours and its dedicated service to the formulation of the strategic plan.

D. Chairwoman Carrozzella's report for the Student Life Committee included the following:

1. The focus of the most recent meeting held on February 6 was the relationship between the University and the student-run newspaper, The Daily Campus. Present at the meeting were the student publisher, Karru Martinson, the fiscal management officer for Student Activities and Union Programs, Milton Wrobleski, and Marcel Dufresne, a faculty member in the Department of Journalism and advisor to The Daily Campus.

Committee members learned about the nature of student activity funds and student initiated fees, the University's oversight of the paper's funds, the paper's editorial freedom, its Board of Directors and its officers. Of its five departments, two are headed by students of color. In addition, the editor, advertising director, and editorial page editor are women.

Questions were raised about the controversial column published last semester. Student publisher, Karru Martinson, spoke about both the first amendment rights of the paper and the fact that the column generated debate and discussion on campus which resulted in improved communication between The Daily Campus, students and student groups.
As a result of the publication of that article, members of the community have learned more about the paper and how to have their views expressed. The staff at The Daily Campus continue to work harder on reaching out to the community and on representing a wider range of viewpoints.

E. Mr. Treibick's report for the Institutional Advancement Committee included the following:

1. The Committee meeting held on January 24 focused on the UConn 2000 initiative. UConn 2000 is a ten-year program which would enable the University to plan and direct its infrastructure renewal and is a natural outgrowth of strategic planning.

The key components of UConn 2000 are: (1) long-term commitment by the State for 1.3 billion dollars for infrastructure renewal; (2) the flexibility to allow the University to plan and manage its own facility projects; and (3) the commitment by the State that it will encourage and not reduce its financial support of the University in response to successful private fund raising.

2. On a motion by Mr. Treibick, seconded by Mr. Saslow, THE BOARD VOTED to endorse UCONN 2000. Background information on this agenda item is listed as Attachment 0 and is attached to the file copy of the Board minutes.

3. Student Trustee Horton called upon Mary Jo Blanchard who reported on the students' grass roots activities surrounding UCONN 2000. Ms. Blanchard reported that student enthusiasm for UCONN 2000 is very high, and students are writing letters, forming work groups, and looking forward to the public hearing on March 3rd.

Several Trustees expressed their appreciation to Trustee Leonardi, Vice Presidents Allenby and Jones and Mr. Brohinsky for their excellent work in formulating the UCONN 2000 initiative.

F. There was no report from the Academic and Research Affairs Committee.

G. The Health Affairs Committee report was presented by Dr. Len Jacobs for Chairwoman Smith and included the following:

1. A very favorable report was received on the John Dempsey Hospital from The Joint Commission on Accreditation of Health Care Facilities.
2. Doctors Jacobs and Lawrence called upon Andria Martin, Director of the John Dempsey Hospital, who reported on the extraordinary fiscal changes that are being implemented at the Health Center. Major cost savings are projected over the next two years, and have already begun under the University’s own initiative to do this while improving patient care and becoming more competitive.

At this time Chairman Rome opened the floor to public participation regarding items before the Budget and Finance Committee, and members of the public addressed the Board on the topic of the Lease of Space in the Commercial Block for a Restaurant, Husky Blues. They were:

Audrey Barberet          Bruce Silva
Harvey D. Luce           Allison Hilding

H. Mr. Leone's report for the Budget and Finance Committee included the following items:

1. Considerable discussion by Trustees regarding the pros and cons of approval of a lease of space to Husky Blues preceded the vote on the following item.

2. Mr. Leone introduced a motion, seconded by Mr. Berkley, to approve the Lease of Space in the Commercial Block for a Restaurant, Husky Blues, as amended by the Budget and Finance Committee.

After additional Board discussion, the original amended lease was further amended by Mr. Leone, and seconded by Mr. Treibick, to add the following language: "serving alcoholic beverages from a service bar in conjunction with the service of meals to customers."

On a motion by Mr. Leone, seconded by Mr. Treibick, THE BOARD VOTED to approve the Lease of Space in the Commercial Block for a Restaurant, Husky Blues, with the proviso that the following language, "serving alcoholic beverages from a service bar in conjunction with the service of meals to customers" be included in the lease.

The following Trustees voted in opposition to the motion: Canzonetti, Jacobs, Lawrence, Leonardi and Saslow.

The original agenda item, listed as Attachment J, and its subsequent amendments are attached to the file copy of the Board minutes.

It was noted that the next meeting of the Board of Trustees is scheduled for Wednesday, March 8, 1995 at Champion International, One Champion Plaza, Stamford, Connecticut, beginning at 11 a.m.
On a motion by Mrs. Carrozzella, seconded by Mr. Rome, THE BOARD VOTED to go into executive session at 12:31 p.m. for the purpose of discussing matters of personnel, litigation, and collective bargaining. The Chairman noted that on the advice of counsel only the staff members whose presence was necessary to provide their opinion would be permitted to attend executive session.

In addition to Mr. O'Leary, all members of the Board noted above were present for executive session.

1. Pending litigation was discussed. President Hartley, Vice Presidents Wiggins, Jones, Allenby, Attorneys Shapiro and Scarpellino, and Mr. McFadden were present for this discussion.

2. Collective bargaining was discussed. President Hartley, Vice Presidents Wiggins, Jones, Allenby, Attorneys Shapiro and Scarpellino, Mr. McFadden, Mmes. Miller and Martin were also present for this discussion.

Respectfully submitted,

Louise B. Carrozzella
