MINUTES OF THE MEETING
OF THE
BOARD OF TRUSTEES
UNIVERSITY OF CONNECTICUT

Held at University of Connecticut at Storrs September 10, 1993
Bishop Center, Room 7 Storrs, Connecticut

The meeting was called to order at 10:35 a.m. by Chairman Lew Rome. Trustees present were: Mesdames Berry, Carrozzella, Leonardi and Smith, and Messrs. Berkley, Blum, Canzonetti, Lawrence, Leone, Mika, Saslow, Taylor, and Treibick.

Trustees absent were: Messrs. Carter, Dowling, Ferrandino, and Kleban.

University staff present were: President Hartley, Vice President and Provost Tighe, Vice President for Health Affairs and Provost Cutler, Vice Presidents Wiggins and Jones, Attorneys Shapiro and Molitor, and Mr. McFadden.

All actions taken were by unanimous vote of the Trustees present, except as otherwise noted.

The following individuals addressed the Board on the noted topics:

II.A. The Report of the Chairman included the following items:

1. Chairman Rome welcomed new Board members Claire Leonardi, Jennifer Smith, Louise Berry and William Berkley to the Board.
2. Chairman Rome gave an overview of the progress of the Nutmeg Scholarship Program. He noted that a student with the highest scholastic score in Connecticut had been recruited into the program. Mr. Rome congratulated the Development Office on the success of the program as well as other development efforts.
3. Chairman Rome presented an in depth explanation of the potential benefits to UConn and of the circumstances surrounding the proposed establishment of a stadium in downtown Hartford and of his rationale for support of such an endeavor as part of the State economic development package.

Board members received a list of committee assignments, listed as agenda Attachment (M) for their review and comment.

Chairman Rome reported that he had appointed Trustee Lawrence to chair a committee that will study the

advisability of upgrading UConn's football program to Division I-A status and joining the Big East football conference. Dr. Lawrence was selected because of his leadership and contribution to the athletics task force that he previously co-chaired. All UConn constituencies will have an opportunity to provide input into the decision.

4. Mr. Rome announced that he had appointed Trustee Berkley to chair the Strategic Planning Committee of the Board and also to chair the Strategic Planning Management Committee which will include representation of board members, university personnel and citizens. When the plan is complete, a draft of the plan will be circulated to Trustees for information and comment. Professor David Jordan will serve as vice-chairman of the Management Committee.
5. Chairman Rome noted that the Board had recently received the Stamford Partnership plan for the development of a downtown campus in Stamford. The multifaceted plan preliminarily answered questions about who we are and what we want to be in a small state. There is a constituency in the Stamford area which strongly supports the downtown initiative.

However, the initiative still requires an identification of the programs which would be offered at the Stamford campus and the funds necessary to initiate such a program. A public hearing will be held at Storrs to present the plan and to receive input from the academic community. The Stamford Partnership has identified two physical sites of interest for the relocation of the campus. A \$10M bond issue was appropriated for the acquisition of a site for the campus through the Department of Public Works.

Dr. Canzonetti expressed his concern about budgetary restraints which might restrict the University's leadership role in recruiting faculty lost through retirement at a time when we are trying to establish a downtown campus. He noted that he supported the concept of the Stamford initiative with the recognition that the Board will continue to be aggressive in its competition in the Legislature for finances to support the University.

6. Executive Secretary of the Board, Peter McFadden, reported that the Board had been surveyed, and no duality or conflict of interest was reported among Trustees.

10. The Board Meeting Schedule (Attachment L) was discussed. Several Trustees expressed their concern with having only six Board meeting dates. Dr. Canzonetti requested that an additional meeting be added to the schedule and held in Stamford, possibly in June. Mrs. Carrozzella also requested that the July meeting be held at the Avery Point campus rather than in Storrs to show Trustee support for the regional campuses.

Chairman Rome noted that he would attend in person any meetings conducted by telephone from Storrs. Trustees may participate by attending the meetings in person or by telephone for those meetings designated as telephone meetings. Mr. Berkley requested that telephones be available to those Trustees unable to be physically present so that they may hear the Board discussions.

Trustee Saslow questioned the rationale for telephone meetings. Chairman Rome responded that telephone meetings were necessary to allow those Trustees who could not be physically present to hear the Board discussions. He also reminded the Board that emergency meetings could be convened if necessary.

After much discussion, and on a motion by Mr. Treibick, seconded by Mr. Leone, **THE BOARD VOTED** to approve the Board Meeting Schedule for 1993-94 as amended to include a June meeting in Stamford and a July meeting at Avery Point. This item as presented is agenda Attachment (L) and is attached to the file copy of the Board minutes. 1866 L
