MINUTES OF THE MEETING
OF THE
BOARD OF TRUSTEES
THE UNIVERSITY OF CONNECTICUT

Held at the Merlin D. Bishop Center, Storrs September 10, 1976

The meeting was called to order at 11:05 by Chairman Gordon W. Tasker. Trustees present were: Mesdames Briscoe and Kronholm, Ms. Micocci, and Messrs. Canzonetti, Carlson, Cunningham, Jacobs, Kleban, Nielsen, Rich, Stewart, Stroh, Tasker, Wiggins, and Wilber. Ms. Mary Heslin, Commissioner of Consumer Protection, was also present during the open session.

Trustees absent were: Governor Grasso and Messrs. Brown, Kozloski, and Shedd.

University staff present included: President Ferguson, Vice Presidents Adams, DiBiaggio, Hartley, and Wilson, and Attorney Hill, General Counsel for the University.

All actions taken were by unanimous vote, except as otherwise noted.

1. On a motion by Mr. Cunningham, seconded by Mr. Carlson, THE BOARD VOTED to go into executive session for the purpose of considering matters concerning personnel and collective bargaining. The Chairman stated that since the matters to be considered will require staff information, the minutes should reflect that Vice Presidents Adams, DiBiaggio, Hartley, and Wilson, Mr. Bailey, Mr. McGowan, and Attorney Hill were in attendance. Members of the Board present at this time were: Mesdames Briscoe and Kronholm, Ms. Micocci, and Messrs. Canzonetti, Carlson, Cunningham, Jacobs, Kleban, Nielsen, Rich, Stewart, Stroh, Tasker, Wiggins, and Wilber. While in executive session, the Board took the following actions:

(A) Members of the administration were excused and the Trustees met in limited executive session for a discussion of personnel matters.
(B) After returning to regular executive session at 12:05 p.m., on a motion by Mr. Jacobs, seconded by Mr. Rich, THE BOARD VOTED to approve for purposes of the State Auditors a formal list of actions already taken on reassignments, appointments, salary increases, and leaves of absence without pay. The lists were authorized to be signed by the Secretary of the Board of Trustees. A copy of the lists is attached to the file copy of the minutes.

(C) On a motion by Mr. Nielsen, seconded by Mr. Jacobs, THE BOARD VOTED to approve promotions to assistant professor for the following faculty members who have completed all requirements for the doctorate since the March meeting of the Board:

Chairman Tasker welcomed Vice President DiBiaggio to his initial Board meeting.

Vice President Wilson reported briefly on the latest developments in the area of collective bargaining.

Acting on a recommendation by Vice President Wilson, on Dr. Canzonetti's motion, seconded by Mrs. Kronholm, THE BOARD VOTED to adopt the following:

The Board of Trustees authorizes the University Administration to represent the Board in negotiations with the American Association of University Professors and with any future certified employee organizations, to keep the Board informed of the progress of negotiations, and to reach agreement on a proposed contract that protects the Board's rights and responsibilities under the General Statutes.

Attorney Hill commented briefly on litigation matters of interest to the Board.

2. Chairman Tasker declared a recess for lunch at 12:45 p.m. The meeting was reconvened at 2:10 p.m. in open session.

Chairman Tasker expressed the pleasure of the Board in noting the presence of Commissioner Mary Heslin, who was representing Governor Grasso.

3. On a motion by Mr. Jacobs, seconded by Mr. Kleban, THE BOARD VOTED to approve the minutes of the meeting of July 9, 1976.
4. During his report on goals for this academic year, President Ferguson referred to the concerns about inadequate finances to accomplish the University's commitments. He stated that the greatest challenge will be to secure dollars from nongeneral funds. The President said that we've got to be prepared to develop the private dollars and the federal dollars to support the quality of existing programs.

He also reminded the Trustees that they will receive, at the May - June meeting in 1977, a definitive long term academic plan for consideration. He indicated that the administration is building on the Mission Statement which the Board approved last spring.

The President also made reference to the creation and role of the Coordinating Council for the Boards of Trustees of the University and the Connecticut State Colleges. He spoke of the Council's efforts to avoid the duplication of existing programs, planning for the future by acknowledging sources available to each constituent element and better articulation of the academic offerings at the upper division and graduate levels in this State.

At the request of the President, Vice President Adams spoke of the happenings scheduled to take place on September 25th -- "A Day of Pride."

In his concluding remarks, the President indicated that the administration will not come to the Board this year with any initiative with regard to an increase in tuition. He expressed the hope that the State will be able to support the legitimate needs to maintain quality at the University of Connecticut through the General Fund. He stated that we feel that we can make solid arguments for the support of the University's budget without a tuition increase.

5. Chairman Tasker also commented on present and future cooperative considerations by the Coordinating Council and the nature of some of the reports that the Trustees may expect to receive in the future.

The Chairman underscored the development of a more detailed long-range plan for the University of Connecticut as an important objective for this current year. He also spoke of the need to make full utilization of the University's newly developed "program budget" in order to spend the limited available dollars.
Mr. Tasker regretfully noted that he continues to find that the national recognition of the University's Health Center far outshadows the appreciation and the recognition of the accomplishments of the Health Center within the State. Hopefully, this attitude will be altered in the coming year.

6. Mrs. Briscoe, reporting on the meeting of the Institutional Policy Committee, called attention to the Committee recommended items for action by the full Board.

(1) On a motion by Mrs. Briscoe, seconded by Mr. Carlson, THE BOARD VOTED to approve the following resolution:

That the Board of Trustees of the University of Connecticut has no objection to a proposed modification of the New England Regional Student Program whose effect would be to limit the availability of degree programs to those programs for which no equivalent is available at any publicly-supported institution in the state of which the student is a resident.

(2) On a motion by Mrs. Briscoe, seconded by Mr. Cunningham, THE BOARD VOTED to receive the report of the University Administration on the establishment of a Center for East European and Slavic Studies.

(3) On a motion by Mrs. Briscoe, seconded by Mrs. Kronholm, THE BOARD VOTED to receive the Board of Representatives' report on Faculty Personnel Policies for the Edwin O. Smith School faculty members, acknowledging that the report is consistent with University policy as set by the Board of Trustees and represents current understanding of the matters described therein.

Mrs. Briscoe also reported that the Committee had discussed two other matters; establishing a School of Architecture since the University does offer various courses at the undergraduate level in the architectural field, and the establishment of a School of Veterinary Medicine and Surgery. Mrs. Briscoe reminded the Trustees that the Board is to report to the Joint Committee on Education on or before January 5, 1977, relative to the School of Veterinary Medicine and Surgery.

7. Mr. Rich, reporting as Chairman of the Health Affairs Committee on items of interest, indicated that the administration would be meeting with the Commission for Higher Education next week for a discussion of the operation of the Health Center and Dempsey Hospital. Vice President DiBiaggio has asked Mr. Danielson of the Consortium to accompany the Health Center people to this session.
Mr. Rich reminded the Trustees that the agenda material made reference to the plans for the Health Center dedication in May, 1977. An extensive set of seminars are planned to acquaint citizens of the State with the objectives and goals of the Health Center.

Mr. Rich informed the Board that the Blue Ribbon Commission did not schedule any meetings in August, however, he anticipates that a final report will be issued within the next few months.

After reminding the Trustees of the helpful role of the Health Center Advisory Council, Mr. Rich reported that the Council will be holding its first meeting of the year on September 15th. All Trustees are invited to attend the session.

Mr. Rich called attention to an affiliation between the Department of Laboratory Medicine and the Institute of Materials Science. He noted that the cooperative agreement will strengthen the educational bonds between the Health Center and the main campus and also work toward increasing knowledge of metal induced diseases. Funding for this arrangement will be sought from outside sources.

As an item of information, Mr. Rich reported the Health Center's intent to construct a maintenance shed which will provide shelter for the trucks, tractors, mowers, and other groundskeeping equipment.

Mr. Rich reported the Health Center Committee's favorable reaction to the proposed construction of a building at the Health Center to be used for the Psychiatry's Day Care Treatment Program.

During the discussion of the proposed project, Vice President DiBiaggio explained that the facility would be used for psychiatric patients who had been hospitalized and still need some therapy. This facility would provide therapy in a reasonably pleasant environment without too great an expense in terms of space utilization. The location of the building would not interfere whatsoever with any future site planning.

Mr. Tasker suggested that the Health Affairs Committee at its next meeting be presented with a proposed schedule of income, source of patients, and proposed expenditures in order to be satisfied that the program is self-supporting. In response to the cost concerns, Vice President DiBiaggio stated that during the past year the income for the month of June amounted to $13,500 for day care and psychiatry.
The nine months gross income over the period of time through June was $80,000. Projections call for 25 patients a day at $15 to $20 per day which will provide an income of $120,000 to $130,000. The fixed personnel costs amount to $60,000. The remaining $60,000 or $70,000 would be used for maintenance of the building and utilities and presumably would more than cover the cost of operations.

After a lengthy discussion, on Mr. Rich's motion, seconded by Mr. Nielsen, THE BOARD VOTED to approve the following resolution:

Provisional approval is requested of the Department of Public Works to proceed with the design and construction of a two floor frame dwelling, valued at less than $50,000, for the use of the Day Care Treatment Program for patients in the Department of Psychiatry at the University of Connecticut Health Center. The materials and the labor for this facility will be donated; this will be done at no expense to the State.

Upon receipt of provisional approval from the Department of Public Works, the plan will be resubmitted to the Board of Trustees of the University of Connecticut for their approval.

Mr. Carlson registered in opposition to the action.

9. The Chairman noted that there was no report to be presented on the Capitol Area Health Consortium since there was no Consortium Board meeting this month.

10. Mr. Rich, in his report on the August and September meetings of the Health Affairs-Hospital Committee, stated that the Hospital census for the month of June was 98.4. It was a milestone month with regard to financial operations in that, after the payment of the subsidy, a so-called profit was generated for the first time. During July the census fell to 91.5. This was expected since July and August are usually two low census months for hospitals. The census for August was 97.5 which means that as the Hospital gets closer to the 100 census the chances of generating a so-called profit are enhanced.

Mr. Rich again reminded the Trustees that they serve as the Board of Trustees for Dempsey Hospital. He also reported that the Joint Conference Committee, which consists of representatives from the Hospital and the Board of Trustees, at the
meeting in August toured the entire facility and were acquainted with the operations in various areas by the department heads.

At the September meeting, the Committee members heard a detailed report by Miss O'Neil on the activities of the Department of Nursing. The references to the patient care rendered by the nursing staff were most impressive.

11. Mr. Rich reported that the proposed staff appointments were reviewed and approved by the Medical Board in accord with the existing Hospital Bylaws. Acting on Mr. Rich's motion, seconded by Dr. Canzonetti, THE BOARD VOTED to approve the current list of staff appointments. A copy of the approved list is attached to the file copy of the Board minutes.

12. Mr. Rich informed the Trustees that the proposed contracts and agreements were discussed in some detail and approved at the recent Hospital Committee meeting. On Mr. Rich's motion, seconded by Dr. Canzonetti, THE BOARD VOTED to approve the list of contracts and agreements and authorized the President, Vice Presidents and Assistant Vice Presidents to sign the necessary documents on behalf of the University. A copy of the approved list of contracts and agreements is attached to the file copy of the Board minutes.

13. At this point, Chairman Tasker proposed an expansion in the membership of the Health Affairs-Hospital Committee. He suggested that the Chairperson of the Health Center Advisory Council and the Chairperson of the Volunteers for the University of Connecticut Health Center Association be added to the Hospital Committee. In addition, he suggested the Committee appointment of a person from the Greater Farmington community to insure community participation in a hospital group wherein the hospital is located. On a motion by Mr. Nielsen, seconded by Dr. Canzonetti, THE BOARD VOTED to authorize the appointments of the above persons to membership on the Hospital Committee.

14. The Chairman introduced Mr. Robert Stewart, the newest member of the Board of Trustees, and reiterated earlier words of welcome to the Board.

15. Mr. Nielsen, reporting as Chairman of the Budget and Finance Committee, stated that all the proposed contracts had been reviewed by the Committee and were recommended for Board approval. In two separate actions, on motions by Mr. Nielsen, seconded by Mrs. Kronholm, THE BOARD VOTED to approve the contracts and agreements and authorized the President, Vice Presidents and Assistant Vice Presidents to sign the necessary documents on behalf of the University. A copy of the approved lists of contracts and agreements is attached to the file copy of the Board minutes.
16. Acting on Mr. Nielsen's motion, seconded by Mrs. Kronholm, THE BOARD VOTED to transfer easement rights to two small parcels of State property on Dog Lane to the Town of Mansfield with the understanding that the final contracting for the easement will be done by the Public Works Commissioner in accordance with Public Act 75-425, Section 19. A description of the two parcels of property follows:

Parcel "A"

Beginning at concrete monument marking the intersection of the northeasterly boundary of Connecticut Highway Route 195 also known as Storrs Road and the southeasterly boundary of Dog Lane; thence N 49°17'05" E for a distance of 104.21' to a point. Said point being 53.10' distant from an iron pin lying on the prolongation of said course to the northeast. Thence S 47°04'03" W for a distance of 105.20' to a point in the northeasterly boundary of Connecticut Route 195; thence in the northeasterly boundary of Connecticut Route 195, N 28°08'40" W for a distance of 4.17' to the point of beginning.

This parcel contains 0.005 Acres.

Parcel "B"

Beginning at a point in the northeasterly boundary of Connecticut Route 195 marked by an iron pipe in the roadway, said point being N 28°08'40" W a distance of 33.25' from a concrete monument marking the intersection of the northeasterly boundary of Connecticut Highway Route 195 also known as Storrs Road and the southeasterly boundary of Dog Lane. Thence N 28°08'40" W for a distance of 13.82' along the northeasterly boundary of Connecticut Route 195 to a point; thence along a nontangent curve for a distance of 6.88'. The Radius of the curve is 30.00' about a point lying to the north. The long chord of the curve lies S 88°50'52" E for a distance of 6.86' to a point at the end of the curve. Thence along a nontangent line N 44°03'30" E for a distance of 115.09' to a point, thence N 52°38'38" E for a distance of 66.25' to a monument lying in the northwesterly boundary of Dog Lane marking the southeast end of a boundary between land of the State of Connecticut and land now or formerly of the Storrs Realty Corporation. Said monument if 61.69' distant from an iron pin on the southeasterly side of Dog Lane which pin marks the northwest end of the boundary between land now or formerly of University Commercials, Inc. and land of Philomon A. and Esther Warzocha. Thence from said monument S 44°35'20" W for a distance of 189.50' in the northwesterly boundary of Dog Lane to the point of beginning.

This parcel contains 0.032 Acres.
Noting that the general public has the impression that the cost is substantially less expensive than it actually is, Mr. Kleban observed that this kind of information should be disseminated to the general public.

19. Mrs. Kronholm, reporting on the August meeting of the Commission for Higher Education, stated that the session dealt mainly with a review of the budgets of the constituent units.

20. On a motion by Mr. Nielsen, seconded by Mrs. Briscoe, THE BOARD VOTED to accept and/or approve the list of awards and donations. A copy of the list is attached to the file copy of the Board minutes.

During the discussion of the total grant dollars, Mr. Rich remarked that he would like to have some report, perhaps next time, on the status of capitation grants.

Mr. Kleban spoke of the conceivable external funds that would be made possible through the appointment of a senior person in the field of development. He suggested that if a cost benefit analysis warrants the appointment approach, the filling of that position should be pursued as quickly as possible.

21. Chairman Tasker called attention to the revised list of locations and data for the Board meetings this year.

22. On a motion by Mr. Rich, seconded by Ms. Micocci, THE BOARD VOTED to approve the list of Trustee Committee appointments as shown in the agenda material.

23. Mr. Wiggins, referring to the Health Center's recent role in the detection of the so-called "legionnaires disease," moved that a letter of commendation be sent to those persons at the Health Center who have been diligently pursuing this matter. The motion was seconded by Mr. Kleban and THE BOARD VOTED to approve Mr. Wiggins' motion.

24. Mr. Kleban said that he wanted to report to the Board that the Public Utilities Control Authority was very fortunate during the course of this past summer in having the help of Professor Thomas Nelson, Professor Wendy Susco, and Professor Richard Kay from the University's School of Law. Mr. Kleban added that they made a very substantial contribution to the people of the State of Connecticut. After working with them, everyone in the Public Utilities Control Authority is exceptionally proud of the Law School of the University.
25. No further business appearing, the meeting was adjourned at 4:10 p.m.

Respectfully submitted,

/Carl W. Nielsen
