COLORFUL FORMAL DANCE TO CLIMAX CO-ED ACTIVITIES NEXT WEEK

GIRLS' SOCIAL COMMITTEE TAKES COMMAND

Campus will be unique in co-ed Board—Males Relinquish Wheel of Activities to Fairer Sex for Week—Musical by Girls Glee Club on Saturday Night.

SCHOOL OF AG GRADUATION NEXT FRIDAY

CLASS DAY ON FRIDAY

Class Reception Friday Evening—H. W. Collingwood, Commencement Speaker—Pres. Beach to Award Diplomas.

The 1925 Class of the School of Ag. will hold their graduation exercises on Friday and Saturday, April 3 and 4, beginning with Class Day Exercises at 4:30 on the afternoon of the 3rd. Friday evening there will be a reception for the class and their friends in the church parlors.

On the 4th, at 11 a.m., Mr. H. W. Collingwood, editor of the Rural New Yorker, will give the graduation address that will be shown by the announce-ment. The course of study of the class will be in short wave telegraphy. Almost all the courses are in connection with short wave telegraphy. Almost all the courses are in connection with short wave telegraphy. Almost all the courses are in connection with short wave telegraphy. Almost all the courses are in connection with short wave telegraphy. Almost all the courses are in connection with short wave telegraphy.

HONOR LIST CONTAINS SEVENTY-FOUR NAMES

Seniors Lead in Highest Class Percentage—List Divided into first and Second Honor Grades—Freshman Rank Third in Percentage

The Honor List for the second semester released by the Secretary's office contains a total of seventy-four names. The seniors head the list with 25 percent of their class represented. The sophomores follow with 15 percent; the freshmen are third with 11 percent; and the juniors foot the line.

On Friday, April 3, the colorful climax to the second annual co-ed week will come in the form of the Co-ed Formal, the music for which will be supplied by John Cavallerio, and his seven syncopated note tappers. Subdued lighting for the eighteen dance program will be a mere incidental to the many features promised for this unique dance. The Girls' Social Committee, under whose direction the event is given, will transform the interior of Haskell Armory into a scene of novel color scheme of yellow and orange. This will be extended to the boxes, to the stage occupied by the orchestra, to the toy backgrounds and to the boxes. The dance will be held on the 3rd and the 4th.

The Girls' Social Committee will lead the grand march to start at 8:00 o'clock. They will be followed by the upper and lower classes in their order of rank. The classes will join the march as it passes the two long boxes in which they are sitting. The program will be a well-organized one, and the freshmen and juniors from one side, and the seniors and seniors from the other side.

The patroonesses for the occasion will be members of the Home Economics faculty. They will greet the line of march as it passes the sopho-moresenior box, in which they are sitting. The patroonesses for the occasion will be members of the Home Economics faculty. They will greet the line of march as it passes the sophomore-senior box, in which they are sitting. The patroonesses for the occasion will be members of the Home Economics faculty. They will greet the line of march as it passes the sophomore-senior box, in which they are sitting. The patroonesses for the occasion will be members of the Home Economics faculty. They will greet the line of march as it passes the sophomore-senior box, in which they are sitting. The patroonesses for the occasion will be members of the Home Economics faculty. They will greet the line of march as it passes the sophomore-senior box, in which they are sitting.

Four moonlights made pale by the aid of a varied-colored spotlight, will add a romantic touch to the program. The dance itself will last un-till two o'clock, following closely the custom of all formal dances on the Hill.

On Saturday night the Glee Club will close the gala week with a musical. This will take the place of the usual play. A dance will follow the musical, the music for which will be supplied by a well-known and popular orchestra. Tickets for the concert are now on sale, and an early reservation of space is recommended. The concert as arranged includes a soloist, an old-fashioned dance, and a unique rendition of some of the popular songs. To add to the effectiveness of the concert, the stage is to be pleasingly decorated in colors to harmonize with those used on the previous night.

THE COMMUNITY HOUSE AND CHURCH CAMPAIGN

The Student Senate recently asked Reverend Alling what the students could do to cooperate in the campaign for funds which will be used to build a Community House and Church. We have a dire need of both these build-

ings and the student body, who feel that these two buildings will be the friends, are anxious to find a way in which student help might be used. The meeting between the trustees, Rev. Alling, President Beach, and others, on Thursday night will bring forth, we hope, some practical plan for rousing student aid. The need of both these buildings is obvious, therefore, who should give and whole-hearted support in this worthy purpose is also obvious.

REGISTRAR ANNOUNCES HICKS PRIZE TOPICS

Choice of Forty-one Subjects Varied and Interesting-Prize Established to Aid English Composition-Awards Given Out at Commencement

The Registrar has issued this week the topics and the rules governing the Ratcliffe Hicks Prize Essay Contest. The list of forty-one topics, ranging from "The Feeding of the Children" to "Cross-word Puzzles as a Pædathic Revelation," gives a wide choice of varied and interesting subjects, which cover practically every field of interest to the student.

This contest, established in memory of Ratcliffe Hicks, who in 1894 left the sum of $1,000, the income of which, if stipulated was to be used to establish a prize for excellent in English composition.

Fourteen following rules for the contest will be in force this year:

1. Three prizes of $30, $20, and $10 respectively will be awarded, to be announced on Commencement Day, June 3, 1925.

2. Essays on the subjects posted below.

3. Each essay must be typewritten.

4. Each paper submitted must be enclosed in a sealed envelope large enough to receive the unfolded manu-

script, on the outside of which is to be written an assumed name.

5. Attached to the sealed envelope containing the manuscript must be a small envelope, sealed, with the writer's full name inside. This also is to be superscribed with the assumed name.

6. The length of each essay is to be from 2000 to 2500 words.

7. Essays will be judged by a com-

CAMPUS PHILOSOPHER

Greater love for a college hath no man than this: that he give unselfish service without material reward.

The acme of an Agg aeous existence to some may be to have no sight of o' clock classes, but our idea of a per-

fect four years is to fall in love with a good-looking and congenial co-ed in our freshman year.

"What's this about passengers refus-

ing to pay their nickel on Rip Park's Stone Boat Line?"

U.S. MacDonald's description of the educated man is as follows:

"A man with certain subtle spiritual qualities which make him calm in adversity, happy when alone, just think of his friend, rational understanding of the fullest meaning of that word in all the affairs of his life.

Such a man may be named a Romantic or he may have difficulty in signing his own name. He may be back in the country somewhere, singing old folksongs, or talking about his sheep and his dogs, or quoting Burns.

"There is a custom here I like very much. When one falls in love (as one often does), he immediately purch-

"Let's go!"

The C.P. had it wrong about the "jalling" part. He still believes that the society should have it for those fellows who are so prone to in-

and the younger pil<• up .

**BASEBALL CANDIDATES WORKOUT ON DIAMOND**

**SCRAMBLE FOR POSITIONS**

Practice Game Between Varsity and Frosh Squads Sees Many Shifts—

Baseball candidates received their first outdoor workout last Saturday, when Coach Dole held practice for the entire squad on Gardner Dow Field. The condition of the diamond has improved considerably with the good weather of the past two weeks, and the squad will work out of doors from now on.

A short practice game was held between two pick-up teams of varsity and freshman candidates Saturday afternoon. Coaches Dole and Alexander made numerous shifts in their respective lineups, giving all the candidates an opportunity to display their wares.

With less than a month remaining before the opening contest with Brown at Providence, Coach Dole will work his men at top speed from now on to have them ready for the Bruins. His squad is large at the present time, but it is expected that a cut will be made within the next week or ten days, after which the drill will be conducted on a more intensive plan.

In Saturday's workout Dole used Makofski and Radomski in the box, with Gilbert on the receiving end. Although Makofski has never done any pitching in the past for Connecticut, his work to date gives promise, and it is hoped that he may make a valuable addition to Coach Dole's none too plentiful corps of twirlers. He has plenty of steam, and the fact that Dole will be able to use him as a fielder will add to his value to the team. Kramer played first base, Yardley covered second, Swen held down the hot corner, and O'Brien played short. Ajjello and Tierman and Seymour played the outfield positions. Coach Dole made several shifts in the lineup, but this was the one that was used the most.

In practice this week, Dole has used Wells and Radomski, in addition to the two pitchers already mentioned. Bierck and Wardle have been used to do some of the catching. Other changes from the line-up used Saturday placed Schofield at first base, Kramer in the outfield, Makofski in the outfield, and Swen at second base. Captain Ahearn will fill his old position at third base.

The position at first base is going to see a merry scramble, for Kramer, Schofield and Saymon are all fighting hard to land the berth. The same might be said for all positions, however, as Dole has a number of candidates for every berth on the team.

Captain-elect Makofski and William Schofield, members of the 1925 quintet, were selected as guard and forward respectively on the first team of the Springfield Union's All Western New England Basketball Team, which was recently published by that paper.

The All Western New England selections embrace the teams of Wesleyan, Trinity, Connecticut Aggies, Massachusetts Aggies, Springfield, Williams and Amherst. Coaches of these teams were requested to pick two all star quintets, as the fairest method of evaluating the worth of the men playing in western New England.

Connecticut's representatives on the star team were commended for their play during the past season by the various coaches making the selection.

"Kid" Gore, Mass. Aggies mentor, in speaking of Makofski said, "He is a big boy, has a fast dribble, very good at taking the ball off the backboard, and bringing it up the floor, and he scored heavily in every game." Speaking further, he said, "Schofield, while inclined to be rough, has one of the best eyes of anyone we played and is a clever, shifty floor man." Coach Dale Lash of Wesleyan said, "Connecticut Aggies possess a real forward in Schofield, his floor work and shooting being good. Makofski at guard proved to be a consistent scorer from out on the floor, and covered the back court in fine style at the same time."

**MAINE GIRLS DEFEAT CONNECTICUT CO-EDS**

Last Game of Season for Aggie Girls

Connecticut's co-ed team closed their season last Saturday with defeat, when they lost to the Maine University girls on the Hawley Armory surface by a score of 25-16. Taking an early lead, the girls from the Pine Tree State managed to keep it out in front the entire distance. At half time Maine was leading 12-9. For Connecticut, Helen Grant looked the best, scoring all of the 16 points made. Crckett and Dinsmore showed up best for Maine, making 12 and 13 points respectively.

**CLASS LEAGUE AGAIN DEADLOCKED**

Juniors and Sophs Tie

The completion Monday night of the regular schedule of games in the interclass basketball league saw the Juniors and Sophomores tied for first place, which will necessitate the playing of another game to decide the class championship. Each team has a record of 7 victories and but 1 defeat in the 8 games played.

Next Monday night the Juniors and Seniors by a score of 22-14, while the Sophomores downs the School of Ag. with a 28-18 count. The Junior quintet did not play, as they had completed their schedule of 8 games last week.

Next Monday night the Juniors and Sophomores will meet on the Hawley Armory surface in a game that will decide the class championship, and it is a game that is certain to be hard fought the entire distance. There is much natural rivalry between the two classes anyway, and a close battle is expected.

**BASEBALL CANDIDATES NOW OUT DOORS**

Practice Game Between Varsity and Frosh Squads Sees Many Shifts—

Baseball candidates received their first outdoor workout last Saturday, when Coach Dole held practice for the entire squad on Gardner Dow Field. The condition of the diamond has improved considerably with the good weather of the past two weeks, and the squad will work out of doors from now on.

CO-ED NOTES

SECOND ANNUAL CO-ED CAMPUS NEXT WEEK

Co-ed Board Announced—Miss Irene M. Cook, '25, Co-ed Editor—Inter-
esting Issue Promised.

The Second Annual Co-ed Issue of the Campus will be published next week. Miss Irene M. Cooks, '25, the editor-in-chief, assures that it will be a "humble". You will be un-
able to refrain from laughing at the Kampus Klips; you are going to be-
hold the superiority of Co-ed philo-

sophy; you are going to consider your-

self fortunate that you have a bid to that Formal that you will read about; and you are going to realize that the Co-ed can put out a fine paper.

The Co-ed board will do its best to amuse and please everyone. Paul-

ine Graf, '25, will assist as associate editor and Phyllis Smith, '26, as man-

aging editor. The following girls will complete the staff:

News Editors
Margaret Hutton 26
Carrie Main '26
Helen Loubenberger 27
Mildred Brooket 27
Frances Schrieber 27
Rosalie Finesilver 27
Associate Board
Hannah Jensen 25
Evelyn Draga 28
Margaret Root 28
Katherine Welch 28
Beatrice Ahleman 28
Estelle Greenhut 28

W. H. HASLIEUR MONTEITH GUEST AT INFORMAL TEA

Painting to be Presented—Talk on Art and Painting a Feature.

Mr. W. H. Hasleur of the Solomon Grundy Club of New York, will be

entertained at an informal tea under the auspices of the Montehit Art Society on Saturday, March 28, from 3 to 8 o'clock. Dr. H. K. Denlinger's keen interest in the society, as well as his friendship with the noted painter made it possible for the girls to enjoy this treat.

Mr. Hasleur will talk on art and painting, and to illustrate some of his points, he will paint a picture. Because of his interest in the Mon-
tehit Art Society and his sympathy for the purpose it is trying to accom-

plish, he will present the girls with one of his own pictures. This picture will be an important step toward what the society hopes to do and it will be highly valued by the girls.

Miss Sarrah Croll, as chairman of the committee, with Miss Irene Ellis and Miss Mary Cooper assisting her, has completed her arrangements for the tea.

This Co-ed Week is getting to be some stunt—and most agreeable to the men students too.
THE STORY

--- of ---

The College Dairy Milk
No. 3

The latest and most approved equipment for production and handling are used throughout the dairy plant.

The facilities for STERILIZATION of utensils are dependable. This insures against contamination and gives our customers the assurance at all times of the healthfulness of our products.

The REFRIGERATION facilities are also of the best. The milk is cooled rapidly to 40 degrees F. shortly after it is produced, and it is held below this temperature until delivered. It arrives on your doorstep clean and cold and will keep well if properly cared for in the home.

A bottle of milk is a bottle of health

Under the leadership of the County
Y.M.C.A., Director for Tolland County, the older boys of our neighboring towns will hold an all-day con­ ference at the College on Saturday, May 16. This is the first time that this annual event has been held in this section of the country, and with the new road connections, a large gathering is expected.

(Cont. from page 1 col. 2)
The radio department is earnestly working on the problem of dance mu­ sic at the Armory. Dan Noble and others at work on the project realize that the present situation could be improved upon, and they have under consideration a ten tube super-hetro­ dyne used with a special power am­ plifier. Along with this they will have a static reducer, which is a new de­ velopment and then they plan to fur­ nish music direct by radio. It will be possible to tune in on any orches­ tra in the country and so provide the best radio music available. A pro­ blem of this kind is very difficult of solution on account of the amplifica­ tion necessary. An ordinary set would be lost in the Armory; hence to make the music loud enough several horse­ power will be used to send it over to the Armory from the station. At the same time the good qualities of the music must be maintained and the noises minimized as much as possi­ ble. So it is that this work must be very gradual, and nothing can be promised until next fall. However, with the opening of the next school year, it is expected that the new project will be perfected and ready for use.
