The meeting was called to order at 9:05 a.m. by Chairman Gordon W. Tasker. Trustees present were: Mesdames Jorgensen and Kronholm and Messrs. Futtner, Kleban, Kozloski, Lupton, McCormick, Nielsen, Ross, Stroh and Tasker. Mr. Taylor arrived a few minutes later. Trustees absent were: Governor Meskill, Reverend Battles and Mr. Bishop.

University staff members present included: President Ferguson, Provost Gant, Vice Presidents DeHaan, Patterson, Wilson, and Attorney Hill, General Counsel for the University.

All actions were by unanimous vote of the Trustees present except as otherwise noted.

1. After adding "THE BOARD VOTED" to the motion with reference to Terminal appointments (P. 5466), correcting the resignation date of Mary Hamel to read 1975 (P. 5466), correctly noting that Trustee Kozloski was reelected President of the Polish American Congress, District of Connecticut (P. 5464), and noting that Attorney Hill was present at the March meeting, on a motion by Mr. Lupton, seconded by Mr. Kozloski, THE BOARD VOTED to approve the minutes of the meeting of March 15, 1974.

2. In action on the proposed addition to By-Laws which had been tabled at the meeting of March 15, 1974, on a motion by Mr. Futtner, seconded by Mr. Stroh, THE BOARD VOTED to adopt the following By-Law:

   An ombudsman shall be appointed by the president. He or she shall hear and, if such action is warranted, shall investigate complaints of discrimination or insult based on race, sex, religion, or national origin. Where no satisfactory accommodation can be reached, the ombudsman shall make a recommendation to the president concerning appropriate action arising from the incidents under investigation.

3. In further considerations of By-Law changes which had been tabled at the March 15, 1974 meeting, on a motion by Mr. Futtner, seconded by Mr. Stroh, THE BOARD VOTED to adopt the following:
Grievance Procedure for Non-Faculty Professional Staff

If a member of the non-faculty professional staff believes he has cause for a grievance that cannot be adjusted by informal means, he may present a formal grievance under the following procedure:

1. The employee, with or without his representative, shall first present his grievance to his immediate supervisor. The immediate supervisor shall give his answer in writing to the employee within seven calendar days from the date the grievance is submitted to him.

2. When the answer is not satisfactory to the employee, the employee, with or without his representative, shall present his grievance to the dean of the school or college, or the director of the division in which the aggrieved staff member is employed. The dean or director shall give his answer in writing to the employee within seven calendar days thereafter.

3. When the employee is still aggrieved, he may appeal the grievance to the Appeal Board.

Members of the Appeal Board shall be appointed by the President and shall include at least four members of the non-faculty professional staff. The Appeal Board shall consist of seven members, who shall serve for three-year terms. Initially, however, two members shall be appointed for a one-year term, two members for a two-year term, and three members for a three-year term. The Appeal Board may establish rules for its own procedures, including rules which will permit hearings and other activities of the Board to be conducted by fewer than all seven members. The complainant may be represented in matters before the Appeal Board. The decision of the Appeal Board shall be in writing and shall be in the form of a recommendation to the President. Copies of the Appeal Board's recommendation shall be forwarded to the employee.

In further action on the tabled By-Law change pertaining to Article X, Section K16, on a motion by Mr. Stroh, seconded by Mrs. Jorgensen, THE BOARD VOTED to adopt the following revision:

ARTICLE X, SECTION K16 (a replacement)

The existence of a close family relationship to a staff member does not affect the eligibility of any person for employment by the University. To avoid potential conflict between personal and institutional
interests, no staff member may be assigned responsibility for supervising the work of a close family member without the consent of the provost. Where a potential conflict of interest exists, the provost shall designate a surrogate to make recommendations concerning appointment, salary, promotion, or tenure.

4. THE BOARD VOTED to approve the awarding of degrees to persons who are certified by the Registrar and the appropriate Deans as having fulfilled the requirements on Commencement Day. A list of those qualifying will appear in the Commencement Program, copies of which will be distributed at that time.

HEALTH CENTER AND HOSPITAL MATTERS

HCH1. Mr. Taylor also reported that a Health Center food service proposal would be presented at the May meeting of the Board.

HCH2. Mr. Taylor reminded the Trustees that copies of the latest monthly report on Health Center accounts receivable had been distributed. The Finance Committee continues its press for the write-off of the large long standing debts.

HCH3. Chairman Tasker commented briefly on the recent meeting of the Health Center Advisory Council. The session had been held at the Dental School and was geared to a discussion of dental practice in today's environment.

HCH4. Mr. Kozloski distributed copies of the Capitol Area Health Consortium By-Laws and the Certification of Incorporation. He informed the Trustees that enactment ceremonies would take place in May and upon reminding the Board that it has recorded its favor of the concept, Mr. Kozloski presented the following resolution:

That the University of Connecticut Health Center become a member of the Capitol Area Health Consortium Inc. in accordance with its Certificate of Incorporation and By-Laws upon enactment of legislation by the State of Connecticut authorizing the University Hospital such participation.

After further discussion, on Mr. Kozloski's motion, seconded by Mr. Nielsen, THE BOARD VOTED to approve the above resolution. Mr. McCormick commended Mr. Kozloski for efforts in representing the University on this important development.

HCH5. Chairman Tasker, referring to a segment of Board action at its last meeting of March 15th, informed the Trustees that he had appointed a Committee to review the matter of a Health Center Group Practice Plan and asked the Committee to recommend a plan with underlying details to the Board. The Committee members are: Trustees Kleban (Chairman), Kozloski, Lupton and Stroh.
Mr. Kleban said that the initial meeting of the Committee was scheduled for April 24th and that hopefully a report will be presented at the Board meeting in June.

OTHER UNIVERSITY ITEMS

9. Chairman Tasker acknowledged the presence of Mr. DeHaan upon his initial attendance at a Board meeting.

10. Mrs. Jorgensen, reporting on the latest meeting of the Commission for Higher Education, indicated that most of the discussion had been devoted to the implementation of the Master Plan. Mrs. Jorgensen, noting that 27 of the recommendations involved the University, spoke of the need to examine carefully the University's obligations and to meet its share of responsibilities during the initial year of implementation.

11. Further discussion of the Commission for Higher Education meeting was deferred since the 10:30 time had been reserved for a review of the special Task Force Report on the Book Store. (A copy of the report is attached as an item of record.) President Ferguson, after commenting on the details of the report, stated that he personally endorsed the presentation. He recommended termination of contract with the Follett Corporation and requested authorization to implement the establishment of a cooperative bookstore.

Acting on Mr. Nielsen's motion, seconded by Mrs. Kronholm, THE BOARD VOTED to approve the following:

(1) Arrange with the Follett Corporation for a termination date (not later than June 30, 1975) for the existing contract between the University and the Follett Corporation.

(2) Prepare recommendations for the Board of Trustees regarding the structure and form of a governing body, for the operation of book stores on the Storrs campus and at the branches, including proposed by-laws for the governing body and proposed methods of financing the operations of the book stores.

(3) Take such other actions as are required to expedite the establishment of a cooperative book store.

Mr. Taylor commended Mr. Ivry and members of the Task Force Committee for their efforts in resolving a complex situation.

12. Chairman Tasker declared a recess at 10:55 a.m. When the meeting was reconvened at 11:05 a.m., Chairman Tasker informed the Trustees that in response to a request he had agreed to
recognize one student for further comments pertaining to future book store operations.

The student spokesman, Mr. Carl Conetta, a graduate student in psychology, expressed the group's concern that a ninety day termination notice had not been implemented. He also questioned the source of the initial capital investment noting that it originally came from State funds.* He stressed the State's responsibility to underwrite job security for the workers, and suggested a democratic selection of a book store advisory group. In response to Chairman Tasker's request at a later point in time, Mr. Conetta's remarks were presented in written form. *Footnote by Secretary: Auxiliary Services Fund

13. Upon returning to the prior discussion of the Master Plan, Mrs. Kronholm underscored the need for constant attention and review of the charges which may require additional University staff time. President Ferguson, responding to the query, stated that it presented no problem initially, however, at a later time it may require additional staff services.

14. Mr. Nielsen, in an updating report on the Associated Student Commissaries, reminded the Trustees that in the summer of 1972 the Board had voted a probationary approval of the ASC's Constitution and By-laws. The operating experience of the student organization suggests permanent approval of the revised By-laws and Constitution. Mr. Nielsen noted that most of the changes were technical; however, to satisfy the question of audit procedure he recommended retention of the provision calling for audit by a certified public accountant or a registered public accountant. Subject to this understanding, Mr. Nielsen moved permanent approval of the Constitution and By-laws. Following Mr. McCormick's second, THE BOARD VOTED to grant such approval.

15. Mrs. Jorgensen, in an interim Committee report on admissions and enrollment, presented the following:

On behalf of the Committee studying recommendations concerning admissions and enrollment, I move that the University of Connecticut adopt an undergraduate early decision plan, to be implemented when administratively feasible.

Mr. McCormick seconded the motion and THE BOARD VOTED to adopt the early decision plan.

16. Chairman Tasker informed the Trustees that at his request the agenda included a reaffirmation of Board policies on academic freedom and responsibility. Copies of the recent report of the Senate Executive Committee pertaining to the commitment of the University to academic freedom were distributed. After further discussion of the need for all individuals to recognize their responsibilities and the need
for penalty actions when violations occur, on Mr. Taylor's motion, seconded by Mr. Lupton, THE BOARD VOTED to reaffirm its policies on academic freedom and responsibility as described in Article X, Section K1-7 of the University's Law and By-Laws.

During the discussion it was suggested that a report on the language of the By-Laws with specific reference to penalties should be presented to the Board at a later date.

17. On Mr. Nielsen's motion, seconded by Mr. McCormick, THE BOARD VOTED to accept the following scholarships, financial aids and gifts and asked the administration to write appropriate letters of appreciation:

(D) Further consideration was given to four cases involving either promotion, the awarding of academic tenure, or notice of terminal reappointment.

(1) Anthony S. Kroch, Instructor in Anthropology (Reappointment) No action was taken, pending further review by the administration.

(2) Claire M. Berg, Associate Professor of Biology (Tenure) On Mr. Taylor's motion, seconded by Mr. McCormick, THE BOARD VOTED to grant academic tenure to Miss Berg.

(3) Robert L. Bard, Associate Professor of Law (Promotion) Chairman Tasker called the Trustees' attention to a letter from Mrs. Bard pertaining to the matter of promotion for her husband and Mr. Gant reported on a communication from faculty members of the School of Law with regard to promotion of Mr. Bard. During the discussion President Ferguson recommended promotion to professor for Mr. Bard.

Mrs. Kronholm's motion calling for promotion of Mr. Bard, seconded by Mr. Ross was lost. Trustees Jorgensen, Kronholm, Ross and Tasker voted in favor of the motion, Trustees Kleban, Kozloski, Lupton, Nielsen, Stroh and Taylor voted in opposition and Trustee McCormick abstained.

After the decision had been reached, Mr. Kleban requested that the minutes reflect his comment:

"I don't know the candidate personally. I think the decision ought to be delayed until we know more about the man's qualifications and the new Dean of the Law School is appointed so that we can have his input in the evaluation of the candidate's qualifications."

(At this point in time, Mr. Lupton had to leave)

(4) Jack L. Roach, Associate Professor of Sociology (Promotion) The administration recommended promotion of
Mr. Roach to professor. Mrs. Jorgensen's motion to promote Mr. Roach, seconded by Mrs. Kronholm, was lost. Trustees Jorgensen, Kozloski, Kronholm and Ross registered in favor of the motion. Trustees Kleban, McCormick, Nielsen, Stroh, Tasker and Taylor registered in opposition.

Noting that the Trustees had received copies of the guideline material, Mr. Kleban moved that the Guidelines for the Operation of the School of Medicine together with Appendices A through E be approved by the Board of Trustees upon eliminating therefrom the following statement in Section III, paragraph A of the Guidelines, "The School of Medicine Council shall have as a non-voting ex officio member the President of the Connecticut State Medical Society," and further eliminating from Appendix C of the By-Laws of the School of Medicine Council the following from paragraph 2H: "and the President of the State Medical Society or his designate."

Mr. McCormick seconded Mr. Kleban's motion.

The Trustees discussed at length the proposed elimination of the State Medical Society. Mr. Taylor, expressing his concern that the University have the best possible medical school, emphasized the importance of having valuable input from the major hospitals and from the practicing doctors representative of the state at large. Mr. Taylor pointed out the continuous need for channels of communication and stressed that the contributions to be made by the Society could be a valuable asset to the Health Center. Mr. Taylor's amending motion to restore the eliminated references pertaining to the Medical Society was lost. Trustees Jorgensen, Kozloski and Taylor voted in favor of the proposed amendment, whereas Trustees Kleban, Kronholm, Nielsen, Stroh and Tasker voted to the contrary.

In action on Mr. Kleban's original motion, THE BOARD VOTED unanimously to approve the guidelines as described above. (A copy of the approved guidelines for the operation of the School of Medicine is attached as an item of record.)

Mr. Taylor informed the Board that the increased cost of utilities necessitated the transfer of funds to cover anticipated costs to the University for
the balance of this fiscal year. On Mr. Stroh's motion, seconded by Mr. Nielsen, THE BOARD VOTED to authorize the transfer of $230,000 to Other Expenses from Personal Services and Work Study.

(G) On Mr. Taylor's motion, seconded by Mr. Nielsen, THE BOARD VOTED to approve, in principle, a change of housing occupancy for Mr. Ralph Walker from the present Walker property to housing located on what is known as the Irving G. Davis property.
