ANNUAL COMMENCEMENT EXERCISES TOMORROW
CLASS OF 1925 GRADUATES

President James L. McConaughy to Deliver Address—Approximately Seventy-Five to Receive Degrees

The Forty-second Commencement Exercises of the College will be held in the Armory tomorrow morning at 10:00. Presentations point to one of the best ever held, when one of the largest classes to graduate from Connecticut will receive their degrees. Approximately seventy-one students will be granted their degrees at the exercises, which will mark the close of the undergraduate days of the class of 1925. Among those receiving degrees will be five graduate students who will be awarded the degree of Master of Science.

The Armory will be fittedly decorated with flowers, and a well known orchestra will play from four to six o'clock and it is expected that a large number will attend. A special invitation is extended to all the Alumni who have returned to the Hill this week.

ANNUAL TEA DANCE SATURDAY AFTERNOON

As has been customary in former years, Hawley Armory will be the scene of the Senior Tea Dance Saturday afternoon.

The Armory will be fittingly decorated with ferns and flowers. Cookies and punch will be served, with the Junior girls pouring. A well known orchestra will play from four to six o'clock and it is expected that a large number will attend. A special invitation is extended to all the Alumni who have returned to the Hill this week.

COMMENCEMENT PROGRAM
(Standard Time)

The Student, Faculty and Alumni Committees have worked hard to arrange an interesting program and will doubt make the occasion a successful one. The speaker for the Commencement Exercises is J. L. McConaughy, President of Wesleyan University, a man well known and respected in educational circles. The detailed program for Commencement Day follows:

Commencement, Saturday, June 13
10:15 a.m. Formation of Academic Procession at Main Building.
10:30 a.m. Commencement Exercises at Hawley Armory. Address by Pres. J. L. McConaughy of Wesleyan University. Award of Prizes and Degrees.
12:30 m. Alumni Luncheon-College Dining Hall.
1:00 p.m. Alumni Meeting-Hawley Armory.
3:30 p.m. Unveiling of President Beach Portrait.
4:00 p.m. Senior Tea Dance and Socials.
8:00 p.m. Senior-Alumni Entertainment and Dance.

CLASS DAY EXERCISES TO BE HELD FRIDAY

OUTDOOR PROGRAM

New College Song a Feature—Freshman Class to Receive Colors.

The Class Day Exercises of the Senior Class will take place at two o'clock on Friday afternoon. If the weather permits, the exercises will be held on the campus in front of the Main Building, but if the weather is inclement they will be held in Hawley Armory at the same hour.

One of the features of Class Day will be the introduction of a new college song. The words are by George R. Warre, the music by Oscar D'Esopo, and it has been arranged by Alice Sawin Davis.

The seniors will assemble in the Main Building at 1:45, standard time, and will then march in a body to the place where the exercises are going to be held. The class is inaugurating a new feature this year by holding it on the campus if the weather permits.

The class history will be given by John R. Jacoby, the class poem by Irene M. Cooke, and the class will be William J. O'Brien. Oscar D'Esopo will render some "Jestings" and the speakers of the day will be President Beach and Mr. Manchester.

Mr. Diemand will give his farewell address to the class and the senior quartet, composed of Messrs D'Esopo, Jacoby, O'Brien and Weiss, will entertain with a pleasing bit of harmony. The class of '28 will then receive the colors of the present senior class which are purple and gold.

The program decided upon by the class day committee, of which Raymond M. Keeler is chairman, is as follows:

Orchestra
Class History—Mr. Jacoby
Class Poem—Miss Cooke
Class Will—Mr. O'Brien
Song by the Class
Address by Class Advisor—Prof. Manchester
Orchestra
Jestings—Mr. D'Esopo
Presentation of Emblems to Senior Athletes—President Beach
Address by President Beach
Orchestra
President's Farewell Address
Mr. Diemand
Senior Quartet—Messrs D'Esopo, Jacoby, O'Brien, Weiss
Presentation of Class Colors—Mr. Diemand
Alma Mater

REGISTRATION DAY
According to an announcement given out at the Registrar's office, Friday, September 25, will be registration day next fall. Classes are to begin Monday morning, September 28, almost a week later than last year. Upperclassmen should bear in mind that they should report Friday, September 25, to register. Freshmen will take their intelligence examination on Registration Day. As is the usual custom, freshmen initiations usually come the first two nights of the college year, but on account of a football game with Wesleyan in Middletown, Saturday, September 26, the initiations have been postponed until Monday and Tuesday, September 28 and 29.

COMMENCEMENT
Tomorrow at the forty-second annual graduation exercises, seventy-one seniors, the largest graduating class in the history of the college, will receive degrees as a reward for the four years of student effort. To some this effort has been a hard grind to attain the end sought, to others an easier task. To all it has been an experience of self-mastery, for the honors won, the friendships made, and the problems and disappointments endured, have all had to be accomplished before the senior year. Yet who would want to lose such an experience? The future holds honors, problems, and yes, disappointments of far greater magnitude than those experienced during this short college life.

Not only has college been full of tasks and experiences, but it has also been full of friendships and associations that will continue into the future. They are the kind of friendships that will overlook the petty difficulties which have appeared in the past four years of college life. They are the kind which bring back to the Hill each year, different classes for reunions such as will be held tomorrow. So to our departing senior class we bid farewell and God speed. May your pathway be filled with the success of life, and may Connecticut lie deep in your heart, not only in the pleasant memories it brings to you, but for the friendships which you have made and which will always bid you welcome back.

DISCOURAGED
This room with the end of final examinations marks a period of decided importance in the educational policy of Connecticut. This is especially true of this year's freshman class.
The first year of college life is hardly a fair trial of a student's ability to make a success of a college career. During the year there have been continual interruptions of study. Demands from labor committees, initiations, both college and fraternity, athletic team requirements, to say nothing of the abrupt transition from high school to college, have all added an important part on scholarship concentration. Then too, living conditions have not been such as to make one's present status as a student satisfy one's ambitions. It may be that some have not been satisfied, but it is the place that will make later life more satisfying. The true satisfaction in sticking to a job until it is superseded is to be found in discovering that you have conquered an obstacle.

NEW FRATERNITY APPEARS
On May 25, the petition of a group of non-fraternity men to form a local fraternity was granted at a Faculty meeting, called by President C. L. Beach. The group has since organized under the name of Phi Alpha Pi, and the statement to this effect has been presented to the President of the Mediator.

NOVEL ENTERTAINMENT AT PRACTICE HOUSE
Thursday morning marked a unique group gathering for the senior girls. At seven-thirty the Practice House entertained at breakfast the Home Economics Faculty and all the girls of the Home Economics class. Katherine Manchester acted as hostess. To start the day right a delightful menu of strawberries, cereals, bacon, eggs, muffins and coffee was served. As this was the last co-ed function for the girls, the program included with an open confession of each one's present status as regards marriage or its prospects.

BACCALLAREATE ADDRESS BY REV. DORCHESTER
Commencement Officially Opened on Sunday—Speaker Draws Capacity Audience.

The Commencement Week exercises started Sunday with the Baccalaureate sermon in the church. Rev. L. H. Dorchester of Hartford delivered a most interesting and inspiring address to the seniors and their friends who filled the church in spite of the extremely hot weather.

In a very impressive manner, Rev. Dorchester likened the progress of man to the progress of sailing boats; how each new boat a designer so as to contain the good points of the old, but that it is to supersede and at the same time contain as few of its weak points as possible. Thus, as Rev. Mr. Dorchester pointed out, it is with man. Each age and generation stands as it were upon the shoulders of all those who have gone before, and thru their sufferings, failings and sacrifices we are able to enjoy our present surroundings.

The final advice of Rev. Dorchester to the senior class, when they should be called to take their place in life, was that they hold to old things that have proved to be good and to take up new ideas that offer possibility of progress.

DR. VALERIA PARKER LECTURES TO GIRLS
Lecturer Returns for Second Year Prominent as Hartford Physician

The Assembly Room of Holcomb Hall was jammed to overflowing by interested co-eds and members of the Home Economics faculty when Dr. Valeria Parker of Hartford lectured there last Monday afternoon at 12:30. Dr. Parker is a prominent physician and her lectures have made her known to people all over the state. This is the second time she has appeared before a Sorras audience, having given an interesting talk here last year.

The girls were heartily enthusiastic about the lecture and many expressed the hope that Dr. Parker might be persuaded to make a yearly trip to C. A. C.

GIRLS OF '25 GUESTS AT DINNER PARTY
On Thursday, May 28, at six o'clock, Miss Sprague and Miss Rose gave a formal dinner party in the faculty dining room to the senior girls. The room was prettily decorated with green and pink and the tables were attractively arranged. It is customary for Miss Sprague to give this dinner to the seniors and Home Economics faculty but as Miss Sprague leaving college, the affair was given jointly. Sally Croll, '27, and Louise Skelly, '27, acted as waitresses. Following the dinner a card party was held in the living room of Holcomb Hall.

No matter how low a thermometer falls it's never vulgar.

KAMPUS KLIPS

BY DR. B. L. BREITWEISER

"This bump on your head shows that you are very curious." Patient: "You are right. I got that by sticking my head into the shaft so I could see if the dumb waiter was coming up."

"When you get a good third, treat it right," advises a Coca-Cola ad. We do when we can, but fail to see how it benefits the Coca-Cola Co.

Prof.: "The ancient Greeks often committed suicide."
Stude: "Then was the 'happy' days. You can only do it once now."

Editors may work and toil, Till finger tips are sore, But there remains some fish to say, "I've heard that joke before."

He: "I'm too tired to take you to the theatre tonight, dear."
She: "But after I've played bridge hard all the afternoon I think I'm entitled to a little fun in the evening."

Hash has always been "the substance of things hoped for, the evidence of things not seen."

There goes a whole trainload of Climax Tobacco. Oh, that's one of those Chew-chew trains.

"Where are you going with that gun?"
"I'm looking for the little bird that tells my girl everything."

The class of 1927 at the United States Military Academy, West Point, New York, has just been granted a two-thousand dollar gift by Furlough, beginning on June 12. The class will return to duty on August 28. This is the first opportunity the class has had to leave the Academy for an extensive period since its entrance two years ago.

Cadet Maurice F. Daly, a member of the furlough class, appointed from the First Connecticut Congressional District, Hartford, Conn., will spend his leave of absence in Maryland. He is the son of Mr. Michael J. Daly, 47 Green St., Hartford, Conn. Cadet Daly has been a member of the football squad for two years, playing center. He was also a member of the basketball and lacrosse squads in 1924 and of the hockey and lacrosse squads in 1925.

(Cont. from page 1 col. 1) Accommodate the large number of Alumni, parents and friends, who are expected to attend the exercises. The seating capacity of Hawley Armory will be considerably increased by the addition of a large number of chairs which have been obtained for the occasion.
SPORTS

TRINITY AGAIN DEFEATED BY AGGIES

O'BRIEN AND AHERN HARD FOR CONN.
TIERNAN STOPS TRINITY RALLY IN NINTH

The Aggie baseball team won a close game with Trinity in Hartford last week by a score of 6-5.

Both teams slipped up a few times, thus marring an otherwise great game to watch. The Aggies garnered one more hit off the shots of Whittaker than the Hill-toppers were able to get off Wells, but the Aggies committed one more error afield.

The Trinity team looked good and indications point to a good Wesleyan game.

Aggies Register Twice

In the first inning the Aggies gathered two runs on a single by Ahern, a triple by O'Brien that got away from Loefler, and Cronin's wild throw to Newsholme. However the Blue and Gold hitters started right out after Wells, and evened up the count in its half. Cronin reached second when O'Brien threw over Makofski's head, Thom singled, advanced on Newsholme's infield out, and scored when Meirs hit a long fly to center. Eberle sent Thom across when he singled to right.

The Aggies' guns were silent in the second but Trinity added one more when Riley and Whittaker hit. The third found both teams scoreless. In the fourth the Farmers added two more to the collection when three hits flew off their bats in rapid succession.

In the sixth the Aggies got busy again and garnered two more when three hits and an error allowed two runs to trickle across. This proved enough to win the ball game. Trinity picked up one more in its half when Eberle doubled, was sacrificed and scored on Pellett's drive.

Eberle opened the eighth inning by reaching first on Ahern's error, was sacrificed and scored on Pryor's long fly. In the ninth Trinity had a great chance to even the count when Cronin got his second hit, stole second, Thom walked and was out at second when Newsholme hit to short, placing Cronin on third, but Meirs flied out to center.

The Aggies had a much harder struggle annexing the game than it expected. Thom and Cronin played great ball for the local pitchers, gathering two hits apiece, and but for a poor throw by Cronin, this clever combination would have had a perfect day afield. O'Brien and Ahern hit hard for the Aggies, while Makofski contributed a nice triple to the afternoon's entertainment.

(Cont. on page 4 col. 2)

FROSH CLOSE SEASON WITH A WIN

Salad, Watson and Emerson Hit Hard

In the final baseball game of the season the Conn. Aggie Freshmen whitewashed Rhode Island's first year men 14-0 at Storrs on May 30. The game was a hectic affair, as the Aggies completely outclassed Rhode Island in all departments of the game.

"Little Cheese" Eddy pitched a masterful game for the Aggies, allowing only three hits to Rhode Island.

Salad, Watson and Emerson were effective with the willow, each getting three hits apiece.

_PARKS & OCEANS_ WINS INTER-CLASS BASEBALL

The annual baseball series between the class teams and a team representing the faculty came to a close this week. The sophomores carried off the honors of being undefeated. Yardeslay pitched for the sophos during the entire series and he displayed wonderful control. Vickers was on the receiving end.

The juniors finished in second place. Johnson and Ahern displayed their wares on the mound, while Ahern (Cont. on page 4 col. 1)

27 AGAIN CAPTURES
INTERCLASS A. A. CUP

Sophs Pile up Highest Score—Helen Brown Chairman of A. A. Council—
Peg Hutton Manager of Basketball

The second series of interclass contests were completed on Wednesday, June 3. The spoils again went to the class of ’27. At the A. A. meeting of the Athletic Council and the Freshman class, presented the cup to Grace Holcomb, president of the sophomore class.

The results of the elections for the next year were: Helen Brown, ’27, chairman; Margaret Hutton, ’26, basketball manager; Dorothy Hughes ’27, assistant manager. At the beginning of the new school term the other members of the A. A. Council will be elected by their respective classes.

The outcome of the interclass contests were: Tennis, Sophs; Hockey, Frosh; Swimming, Juniors; Bowling, Sophs; Basketball, Frosh; Baseball, Sophs.

The highest number of points received were 10 by the sophomores. The freshmen followed with 7, the juniors 4 and the seniors 1.

If This College Man
Can Make It Pay Big
So Can You

He worked his way through college.

The girl he married was a school teacher.

Long before he graduated, they decided that they would build a flower shop with a greenhouse attached. Build it right along the State road, where they could catch the auto trade.

So we designed for them the entire outfit.

From the very start it started paying.

Each has their part to do.

Each are having the time of their lives.

It’s a wonderful business for a man and his wife.

Can’t you just see that girl of yours, buzzing around in a charming flower shop like this, arranging the flowers, and humming one of your college songs the while?

Say man, here is living!

Healthful, joy-filled, money yielding, living.

Write us. Ask all the questions you want. Keep right on asking them.

Somewhere we’ll get together and design a flower shop and greenhouse for you, and that wonderful girl.

If interested write to the Manager of our Service Department, Ulmer Building, Cleveland, Ohio, who will give your letter his personal attention.

The common mosquito, magnified 24 times, is a truly fearsome object!

But this electric pumping station affected a remedy.

Do what Toledo did

Once Toledo had a nuisance—a tract of swamp land near the lake, a breeder of mosquitoes, foul odors and fogs.

But an automatic pumping station, equipped with motors made by the General Electric Company, turned the swamp into dry land—and abolished the menace to the city.

This is one example of what electricity can do. As you meet life’s problems, think of electricity as a valiant and ever-ready ally.

If You’re A Senior,
graduating this month, you’re already beginning to think of how you can cut down expenses on your dairy farm.

Cutting the expense of feeding — for one thing — is a matter of buying the feeds that give you the most milk-making nutrients per dollar’s worth. In one ton of

Diamond Corn Gluten Meal

you get 1680 lbs. of digestible nutrients and about 39 or 40% digestible protein. Compare these figures with the protein analysis and digestibility ratio of any other high protein feed. Add bran, ground oats and a little oilmeal for a productive and economical mixture.
