ANNUAL COMMENCEMENT EXERCISES TOMORROW
CLASS OF 1925 GRADUATES
President James L. McConaughty to Deliver Address—Approximately Seventy-Five to Receive Degrees

The Forty-second Commencement Exercises of the College will be held in the Armory tomorrow morning at 10:30. Presentations point to one of the best ever held, when one of the largest classes to graduate from Connecticut will receive their sheepskins. Approximately seventy-one students will be granted their degrees at the exercises, which will mark the close of the undergraduate days of the class of 1925. Among those receiving degrees will be five graduate students who will be awarded the degree of Master of Science. All graduating members of the class of 1925 will receive the degree of Bachelor of Science, which will be divided among the various courses as follows: Agriculture, twenty-three; Science, twenty-three; Mechanical Engineering, three; Teaching of Agriculture, four; Teaching of Home Economics, fourteen; Home Economics three. The degrees will be awarded by President Charles Lewis Beach. The Commencement Address will be delivered by President James L. McConaughty, who was recently installed at the head of Wesleyan University. Following the address of President McConaughty, the awarding of prizes will be held, which will include the announcement of Senior honors that are awarded to those members of the graduating class for excellence in scholarship. The winners of the Hicks prizes will also be announced at this time. The Hicks prizes will be awarded to three students, who may be members of any of the four classes and who are enrolled in a course leading to a degree, for excellence in English Composition. Arrangements have been made to

(Cont. on page 2 col. 4)

ANNUAL TEA DANCE SATURDAY AFTERNOON
As has been customary in former years, Hawley Armory will be the scene of the Senior Tea Dance Saturday afternoon. The Armory will be fittingly decorated with ferns and flowers. Cookies and punch will be served, with the Junior girls pouring. A well known orchestra will play from four to six o'clock and it is expected that a large number will attend. A special invitation is extended to all the Alumni who have returned to the Hill this week.

SEVENTY-ONE DEGREES TO BE GRANTED AT COMMENCEMENT

FIVE GRADUATE STUDENTS TO RECEIVE MASTER'S DEGREES

COMMENCEMENT PROGRAM
(Standard Time)

The Student, Faculty and Alumni Committees have worked hard to arrange an interesting program and will without doubt make the occasion a successful one. The speaker for the Commencement Exercises is J. L. McConaughty, President of Wesleyan University, a man well known and respected in educational circles. The detailed program for Commencement Day follows:

Commencement, Saturday, June 13
10:15 a.m. Formation of Academic Procession at Main Building
10:30 a.m. Commencement Exercises at Hawley Armory. Address by Pres. J. L. McConaughty of Wesleyan University. Award of Prizes and Degrees
12:30 m. Alumni Luncheon—College Dining Hall
2:00 p.m. Alumni Meeting—Hawley Armory
3:30 p.m. Unveiling of President Beach Portrait
4:00 p.m. Senior Tea Dance and Social
8:00 p.m. Senior-Alumni Entertainment and Dance

CLASS DAY EXERCISES TO BE HELD FRIDAY
OUTDOOR PROGRAM

New College Song a Feature—Freshman Class to Receive Colors.

The Class Day Exercises of the Senior Class will take place at two o'clock on Friday afternoon. If the weather permits, the exercises will be held on the campus in front of the Main Building, but if the weather is inclement they will be held in Hawley Armory at the same hour.

One of the features of Class Day will be the introduction of a new college song. The words are by George R. Warrek, the music by Oscar D'Esopo, and it has been arranged by Alice Savin Davis.

The seniors will assemble in the Main Building at 1:45, standard time, and will then march in a body to the place where the exercises are going to be held. The class is inaugurating a new feature this year by holding it on the campus if the weather permits. The class history will be given by John R. Jacoby, the class poem by Irene M. Cooke, and the class will be William J. O'Brien. Oscar D'Esopo will render some "jestings" and the speakers of the day will be President Beach and Mr. Manchester.

Mr. Diemand will give his farewell address to the class and the senior quartet, composed of Messrs D'Esopo, Jacoby, O'Brien and Weiss, will entertain with a pleasing bit of harmony. The class of '25 will then receive the colors of the present senior class which are purple and gold.

The program decided upon by the class day committee, of which Raymon M. Keeler is chairman, is as follows:

Orchestra
Class History—Mr. Jacoby
Class Poem—Miss Cooke
Class Will—Mr. O'Brien
Song by the Class
Address by Class Advisor—Prof. Manchester
Orchestra
Jestings—Mr. D'Esopo
Presentation of Emblems to Senior Athletes—President Beach
Address by President Beach
Orchestra
President's Farewell Address
Mr. Diemand
Senior Quartet—Messrs D'Esopo, Jacoby, O'Brien, Weiss
Presentation of Class Colors
Mr. Diemand
Alma Mater

REGISTRATION DAY

According to an announcement given out at the Registrar's office, Friday, September 25, will be registration day next fall. Classes are to begin Monday morning, September 28, almost a week later than last year. Upperclassmen should bear in mind that they should report Friday, September 25, to report. Freshmen will take their intelligence examination on Registration Day. As is the usual custom, Freshmen initiations usually come the first two nights of the college year, but on account of a football game with Wesleyan in Middletown, Saturday, September 26, the initiations have been postponed until Monday and Tuesday nights, September 28 and 29.

COMMENCEMENT

Tomorrow at the forty-second annual graduation exercises, seventy-one seniors, the largest graduating class in the history of the college, will receive degrees. It is a reward for the four years of student effort. To some this effort has been a hard grind to attain the end sought, to others an easier task. To all it has been an experience of self-mastery, for the honors won, the friendships made, and the problems and disappointments endured, have all had to be accomplished without help. Yet who would want to lose such an experience? The future holds honors, problems, and yes, disappointments of far greater magnitude than those experienced during this short college life.

Not only has college been full of tasks and experiences, but it has also been full of friendships and associations that will continue into the future. They are the kind of friendships that will overlook the petty differences which have appeared during four years of college life. They are the kind which bring back to the Hill each year, different classes for reunions such as will be held tomorrow.

So to our departing seniors class we bid farewell and God speed. May your pathway be filled with the success of life, and may Connecticut lie deep in your heart, not only for the pleasant memories it brings to you, but for the friendships which you have made and which will always bid you welcome back.

DISCOURAGED

This room with the end of final examinations marks a period of decided importance in the educational policy of Connecticut. This is especially true of this year's freshman class.

The first year of college life is fairly a hard trial of a student's ability to make a success of a college career. During the year there have been continual interruptions of study. Demands from labor committees, initiations, both college and fraternity, athletic team requirements, to say nothing of the abrupt transition from high school to college, have all added to the constant worry of a student's mind. The first year's record will make or break his career.

It is not possible to say whether the first year's record will make or break us, but to say that it is to supercede the one at the same time contain as few of its weak points as possible. Thus, as Rev. Mr. Dorchester pointed out, it is with man. Each age and generation stands as it were upon the shoulders of all those who have gone before, and thus their sufferings, failings and sacrifices are able to enjoy our present surroundings.

The final advice of Rev. Dorchester to the senior class, when they should be called to take their place in life, is that they hold to old things that have proved to be good and to take up new ideas that offer possibility of progress.

DR. VALERIA PARKER
LECTURES TO GIRLS

Lecturer Returns for Second Year
Prominent as Hartford Physician

The Assembly Room of Holcomb Hall was jammed to overflowing by interested co-eds and members of the Home Economics faculty when Dr. Valeria Parker of Hartford lectured there last Monday afternoon at 12:30. Dr. Parker is a prominent physician and her lectures have made her known to people all over the state. This is the second time she has appeared before a Storrs audience, having given an interesting talk here last year.

The girls were heartily enthusiastic about the lecture and many expressed the hope that Dr. Parker might be persuaded to make a yearly trip to C. A. C.

GIRLS OF '25 GUESTS AT DINNER PARTY

On Thursday, May 28, at six o'clock, Miss Sprague and Miss Rose gave a formal dinner party in the dining room to the senior girls. The room was prettily decorated with green and pink and the tables were attractively arranged. It is customary for Miss Sprague to give this dinner to the seniors and Home Economics faculty but as Miss Sprague has left college, the affair was given jointly. Sally Croll, '27, and Louise Skelley, '27, acted as waitresses. Following the dinner a card party was held in the living room of Holcomb Hall.

No matter how low a thermometer falls it's never vulgar.

KAMPUS KLIPS

Dr.: "This bump on your head shows that you are very curious." Patient: "You are right. I got that by sticking my head into the shaft to see if the dumb waiter was coming up."

"When you get a good third, treat it right," advises a Coca-Cola ad. We do when we can, but fail to see how it benefits the Coca-Cola Co.

Prof.: "The ancient Greeks often committed suicide.

Stude: "Then was the 'happy' days.

You can only do it once now."

Editors may work and toll,

Till finger tips are sore,

But there remains some fish to say,

"I've heard that joke before."

He: "I'm too tired to take you to the theatre tonight, dear."

She: "But after I've played bridge hard all the afternoon I think I'm entitled to a little fun in the evening."

Hash has always been "the substance of things hoped for, the evidence of things not seen."

There goes a whole trainload of Climax Tobacco.

Oh, that's one of those Chew-chew trains.

"Where are you going with that gun?"

"I'm looking for the little bird that tells my girl everything."

The class of 1927 at the United States Military Academy, West Point, New York, has just been granted a two day furlough, beginning on June 12. The class will return to duty on August 28. This is the first opportunity the class has had to leave the Academy for an extensive period since its entrance two years ago.

Cadet Maurice F. Daly, a member of the furlough class, appointed from the First Connecticut Congressional District, Hartford, Conn., will spend his leave of absence in Maryland. He is the son of Mr. Michael J. Daly, 47 Green St., Hartford, Conn. Cadet Daly has been a member of the football squad for two years, playing center. He was also a member of the basketball and lacrosse squads in 1924 and of the hockey and lacrosse squads in 1925.

(Cont. from page 1 col. 1)

accommodate the large number of Alumni, parents and friends, who are expected to attend the exercises. The seating capacity of Hawley Armory will be considerably increased by the addition of a large number of chairs which have been obtained for the occasion.
FROSH CLOSE SEASON WITH A WIN
Salad, Watson and Emerson Hit Hard

In the final baseball game of the season the Conn. Aggie Freshmen whitewashed Rhode Island's first year men 14-0 at Storrs on May 30. The game was a hectic affair, as the Aggies completely outclassed Rhode Island in all departments of the game.

"Little Cheese" Eddy pitched a masterful game for the Aggies, allowing only three hits to Rhode Island.

Salad, Watson and Emerson were effective with the willow, each getting three hits apiece.

The summary:

QUIGLEY ELECTED TRACK CAPTAIN

At a meeting of the men making their letters in track this year, Lewis J. Quigley was elected track captain for 1926. Quigley has made his letter for three years and has been a member of the football squad for two years.

He holds the college record in the 220 yard dash with a time of 23 2 5 seconds.

AGGIES HANDED SET-BACK BY ENGINEERS
Errors by Conn. Men Costly

On an afternoon that was better suited for a swimming meet than a baseball game the Aggie nine was defeated by the Rhode Island baseball team by a score of 6-5 at Kingston, last Saturday. This was rather unexpected as the Aggies had trounced the Engineers earlier in the season.

The Rhode Island team started the scoring in the first inning putting one man across the plate. The Aggies evened things up at the next time at bat when Wadling singled, followed by a hit by a Tyrian. Then with two out, men on second and third, Wells singled scoring Wadling, Tyrian being caught at the plate. Rhode Island again went into the lead in the third inning and held it throughout the game.

Connecticut scored two more runs in the third and their final run in the seventh.

Wells of Connecticut hit well, while Pinto and Erickson were the big guns for Rhode Island. The Aggies pulled off a double play in the first inning when Wells threw to Makofski who relayed it to Wadling.

The score:

CONNECTICUT
ab r bb po a =
Ahern 3 0 1 0 0
Schofield 3 1 0 0 0
Makofski 4 0 1 0 0
O'Brien 2 1 0 0 0
Yardsley 4 0 1 0 0
Wadling 4 0 1 0 0
Tyrian 3 1 0 0 0
Seymour 6 0 0 0 0
Gilbert 4 1 2 0 0
Wells 3 1 2 0 0

RHODE ISLAND
ab r bb po a =
Nye 3 1 2 0 0
Printo 4 1 2 0 0
Griga 4 1 0 0 0
Patterson 4 0 1 0 0
McKenzie 4 0 0 0 0
Edickson 4 0 3 0 0
LaChappell 4 0 0 0 0
Mycrook 4 2 0 0 0
Makin 3 1 0 0 0

The annual baseball series between the class teams and a team representing the faculty came to a close this week. The sophomores carried off the honors of being undefeated. Yardsley pitched for the sophos during the entire series and he displayed wonderful control. Vickers was on the receiving end.

The juniors finished in second place. Johnson and Ahern displayed their wares on the mound, while All.

(Sports. (Cont. on page 4 col. 1)

SOPHOMORES WIN INTER-CLASS BASEBALL

The Aggie baseball team won a close game with Trinity in Hartford last week by a score of 6-5.

Both teams slipped up a few times after, thus marring an otherwise great game to watch. The Aggies garnered one more hit off the shots of Whitaker than the Hill-toppers, and the Blue and Gold hitters started right out after Wells, and evened up the count in the first. Cronin reached second when O'Brien threw over Makofski's head, Thomas singled, advanced on Newsholme's infield out, and scored when Meir hit a long fly to center. Eberle sent Thomas across when he singled to right.

The Aggies' guns were silent in the second but Trinity added one more when Riley and Whitaker hit. The third third found both teams scoreless. In the fourth the Aggies added three more to the collection when their hits flew off their bats in rapid succession.

In the sixth the Aggies got busy again and garnered two more when three hits and an error allowed two runs to trickle across. This proved enough to win the ball game. Trinity picked up one more in its half, but for Eberle doubled, was sacrificed and scored on Pellett's drive.

Eberle opened the eighth inning by reaching first on Ahern's error, was sacrificed and scored on Pryor's long fly. In the ninth Trinity had a great chance to even the count when Cronin got his second hit, stole second, and Meir walked and was out at second when Newsholme hit to short, placing Cronin on third, but Meir flied out to center.

The Aggies had a much harder struggle annexing the game than it expected. Thomas and Cronin played great ball for the local pitchers, gathering two hits apiece, and for a poor throw by Cronin, this clever combination would have had a perfect day afiel. O'Brien and Ahern hit hard for the Aggies, while Makofski contributed a nice triple to the afternoon's entertainment.

(Top. cont. on page 4 col. 2)

TRINITY AGAIN DEFEATED BY AGGIES

O'BRIEN AND AHERN HARD FOR CONN.
TIERNAN STOPS TRINITY RALLY IN NINTH

The Aggie track team handed the Trinity cinder trekkers a bad beating yesterday on the home field, 87 1-3 to 4 1-2.

The Trinity boys were able to finish ahead of the Aggies in only two events, the high jump and pole vault.

The much heralded race between Jacoby and Birch did not prove as eventful, for Jacoby romped home easily the winner. Mulligan and Jacoby ran a pretty race in the two mile event with the Aggie captain taking a second place.

The summary:

High hurdles—Johnson (Aggies), Goodrich (Aggies), Judge (Trinity), time 17.
100 yard dash—Quigley (Aggies), Burr (Triune), Kane (Aggies), time 10.2.
Mile run—Jacoby (Aggies) Birch (Trinity), Ferris (Trinity) time, 4 36.1.
440 yard dash—Smith (Aggies), Cahill (Trinity), Atwood (Aggies), time 54.4.
Two mile—Mulligan (Aggies), Jacoby (Aggies), Johnson (Trinity), time 10.41.
220 yard dash—Kane (Aggies), Quigley (Aggies), Griswold (Trinity) time 23.4.
880 yard dash—Gallant (Aggies), Smith (Aggies), Brown (Trinity) time 2.8.
Low hurdles—Johnson (Aggies), Pellett (Trinity), Griswold (Trinity) time 28.
Shot put—Longo (Aggies) McNally (Trinity), Terrell (Trinity), time 2.8.
Distance 37 10 1.2.
High jump—Solmes (Trinity), McBurney (Trinity), Evans (Aggies), height 5.2.
Pole vault—Anderson (Trinity), Chase (Aggies), Fine (Aggies), height 9.0.
Javelin—Eddy (Aggies) Orrick (Trinity) McBurney (Trinity), Distance 150.10 1-2.

What is it when your souls go back and back—and back! That's fallen arches.

(Good luck captain Ahern.)

**If This College Man Can Make It Pay Big So Can You**

He worked his way through college.

The girl he married was a school teacher.

Long before he graduated, they decided that they would build a flower shop with a greenhouse attached.

Build it right along the State road, where they could catch the auto trade.

So we designed for them the entire outfit.

From the very start it started paying.

Each has their part to do.

Each are having the time of their lives.

It's a wonderful business for a man and his wife.

Can't you just see that girl of yours, buzzing around in a charming flower shop like this, arranging the flowers, and humming one of your college songs while the whole.

Say man, here is living!

Healthful, joy-filled, money yielding, living.

Write us. Ask all the questions you want. Keep right on asking them.

Some day we'll get together and design a flower shop and greenhouse for you, and that wonderful girl.

If interested write to the Manager of our Service Department, Ulmer Building, Cleveland, Ohio, who will give your letter his personal attention.

The common mosquito, magnified 24 times, is a truly fearsome object!

But this electric pumping station affected a remedy.

Do what Toledo did

Once Toledo had a nuisance, a tract of swamp land near the lake, a breeder of mosquitoes, foul odors and fogs.

But an automatic pumping station, equipped with motors made by the General Electric Company, turned the swamp into dry land—and abolished the menace to the city.

This is one example of what electricity can do. As you meet life's problems, think of electricity as a valiant and ever-ready ally.

GENERAL ELECTRIC

Study what electricity is doing to make a better and happier America; remember that you will live in an electrical age, full of surprises, and full of new services to humanity. The monogram “G-E” which you see above is placed on the epoch-making products of the General Electric Company.

If you are interested to learn more about what electricity is doing, write for Reprint No. AR391 containing a complete set of these advertisements.
If You’re A Senior,

graduating this month, you’re already beginning to think of how you can cut down expenses on your dairy farm.

Cutting the expense of feeding — for one thing — is a matter of buying the feeds that give you the most milk-making nutrients per dollar’s worth. In one ton of

Diamond Corn Gluten Meal

you get 1680 lbs. of digestible nutrients and about 30 or 40% digestible protein. Compare these figures with the protein analysis and digestibility ratio of any other high protein feed. Add bran, ground oats and a little oilmeal for a productive and economical mixture.
