MINUTES OF THE MEETING
OF THE
BOARD OF TRUSTEES
THE UNIVERSITY OF CONNECTICUT

Held at the Merlin Bishop Center, Storrs March 14, 1975

When the meeting was informally called to order at 9:45 a.m.,
by Vice Chairman, Joseph R. McCormick, Trustees present were:
Mrs. Jorgensen and Messrs. Kozloski, McCormick, Nielsen, Rich,
Stroh, and Wilber. When Mr. Tasker arrived at 11:10 a.m., the
meeting was officially called to order. Mrs. Kronholm and
Mr. Taylor joined the meeting at later points in time. Also
present was Deputy Secretary of the State, Harry Hammer.

Trustees absent were: Governor Grasso, and Messrs. Bishop,
Carlson, Kleban, and Shedd.

University staff present included: President Ferguson,
Vice Presidents Patterson and Wilson, Assistant Vice President
Hanna, and Attorney Hill, General Counsel for the University.

All actions taken were by unanimous vote of the Trustees
present except as otherwise noted.

While awaiting a quorum for the transaction of business,
the Trustees discussed the following:

1. Mr. McCormick called attention to a communication
that Chairman Tasker had received from Mr. Richard
Noyes, Chairman of the Health Center Advisory
Council, enclosing a report of the Council's Com-
mittee on Purpose and an adopted resolution with
respect to family medicine. It was noted that
both items had been referred to the Board's Health
Center Committee for further consideration.

2. Mr. Kozloski, commenting on the recent meeting of
the Trustees of the Capitol Area Health Consortium,
noted that New Britain General Hospital expects to
obtain television equipment previously located at
McCook and join the TV link with the Veterans Administration Hospital and the Health Center. Other hospitals are considering such a move but have not reached a decision. There was some discussion of the Newington Veterans Administration Hospital application for a TV link between Northampton, Newington, and West Haven.

The Committee on Human Resources had recommended adoption of a policy which would bring house staff salaries and fringe benefits to similar levels in each of the member hospitals. A short-term problem may exist dependent upon which action the State Legislature takes with regard to increases for State employees.

Considerable discussion was devoted to federal legislation and the effect on the future of graduate medical education. Further attention will be given to this issue with regard to local needs and capabilities.

Mrs. Jorgensen called attention to a letter from Mr. Henry Parker to Mr. Bokelman indicating that the State Treasurer's office has discontinued the practice of redistributing General Fund Short Term Investment Fund income to the educational agencies.

In a status report on the Central Naugatuck Higher Educational Complex, the economic and financial aspects have been reviewed. It was suggested that the University's Waterbury Branch assets could be liquidated to advantage and would permit final design and construction progress at the new Center.

Mrs. Jorgensen also commented on the administrative structure and governing policies that are being considered in connection with the control and operation of the Naugatuck Complex. Legal clarification on certain aspects may be required at a later time.

4. Vice President Wilson distributed a membership listing of the Committee on Change and Innovation, the Committee on Planning Coordination, and the Committee on Program Review. The Committee on Planning Coordination is preparing a preliminary document that may be brought before the Board next month. The initial report by the Committee on Program Review will be presented to Mr. Wilson some time next week. The Committee on Change and Innovation will hold its first meeting within the next few days.
5. Mr. Rich informed the Trustees that the University Hospital Health Center Committee had met last February 26th. One item of particular concern was the progress on the Hospital and Clinic modifications. Dr. Patterson had met with the new Commissioner of Public Works on March 10th to acquaint him with these matters and was reassured of the cooperation of the Public Works Department.

Mr. Rich, noting that the Health Center Committee has received the resolution from the Health Center Advisory Council regarding the Family Medicine Program, stated that the resolution will be considered at the next Committee meeting. The Trustees may expect a further report on the matter.

6. Mr. McCormick congratulated Mr. George Wilber upon his recent appointment as the new Commissioner of Agriculture and also welcomed Mr. Wilber to his initial meeting as a member of the Board of Trustees.

7. During the preliminary review of the new format listing of gifts, scholarships, fellowships and research related programs, the reallocation of funds and aid from the federal government and the effects were discussed in considerable detail. It was suggested that it would be helpful to have the new format continue to separate Health Center monies.

8. Vice Chairman McCormick officially called the meeting to order at 11:10 a.m. declaring the first item of business was the approval of the minutes of the last Board meeting. On Mrs. Jorgensen's motion, seconded by Mr. Kozloski, THE BOARD VOTED to approve the minutes of February 14, 1975.

9. On a motion by Mr. Nielsen, seconded by Mr. Tasker, THE BOARD VOTED to approve the following statement of purpose for the William Benton Museum of Art:

   The William Benton Museum of Art, the University of Connecticut, has been established for the collection, preservation, research, and interpretation of works of art. The Museum exists for the University of Connecticut academic community, for the citizens of the State of Connecticut and for the general public, to add through its educational and other programs to the greater understanding and appreciation of art.
10. On a motion by Mr. Nielsen, seconded by Mrs. Jorgensen, THE BOARD VOTED to approve the naming of the Chemistry Building Reading Room in recognition of the American Cyanamid Company.

11. Mr. Tasker assumed the chair and called upon Mrs. Jorgensen for the Finance Committee's report. After a few brief comments on the proposed agreements, acting on Mrs. Jorgensen's motion, seconded by Mr. Nielsen, THE BOARD VOTED to approve the attached list of agreements and authorized the President, Vice Presidents or Assistant Vice Presidents to sign the necessary documents on behalf of the University - Exhibit A.

12. Mrs. Jorgensen reminded the Trustees that copies of the basic contract proposed by the University of Connecticut Cooperative Corporation had been mailed previously to all members of the Board. Modifications had been suggested at the Finance Committee meeting of March 10th and copies of the recommended contract changes were distributed at this time for the Board's consideration.

During the discussion Trustees commented on the following:

1. The possibility that net assets could be depleted in the event the Co-op should cease to operate

2. The broad statement regarding the sale of other merchandise

3. The initial term of agreement for two years and thereafter on a year to year basis

4. Permitting the University to examine the financial record at any time

5. The exclusion of three additional categories of students, i.e., students in Credit Extension, in the School of Insurance, and the School of Law

6. The stipulations concerning the amount of money to be provided to the University for financial aid during the first, second, and third year of bookstore operations.
The Trustees also heard Mr. Ivry remark on alternatives recently suggested by the Co-op Board concerning financial aid contributions during the second and third year of operations.

After further discussion of the proposed contract, Mr. Nielsen moved the approval of the basic contract together with the changes as submitted and discussed at this meeting. Mrs. Kronholm seconded Mr. Nielsen's motion.

Mr. Stroh proposed an amendment to Mr. Nielsen's motion. Referring to the financial aid stipulation that- "(3) during the third year of operation the Co-op will pay to the University the sum of $100,000 for financial aid purposes." Mr. Stroh moved the substitution - "(3) for the third year, the Co-op will make a full effort to meet the $100,000 financial aid contribution." The amendment was seconded by Mrs. Jorgensen. THE BOARD VOTED to approve the amendment. Trustees Jorgensen, Kozloski, McCormick, Rich, Stroh, and Tasker voted in favor of the amendment. Trustees Kronholm and Nielsen registered in opposition.

In subsequent action, THE BOARD VOTED to approve Mr. Nielsen's original motion as amended. A copy of the revised contract is attached - Exhibit B.

13. Mrs. Jorgensen, calling the Trustees' attention to the Cost of Food Services memorandum that had been distributed at this meeting, noted that the cost material was informational only and required no Board action.

14. Acting on Mrs. Jorgensen's motion, seconded by Mr. Kozloski, THE BOARD VOTED to grant the administration permission to effect the transfer of the following monies:

Formal advice from the Attorney General's office has been requested on the matter of a salary supplementation by means of the Faculty Practice Plan. Attorney Hill advised the Board that until there is a definitive ruling by the Attorney General, the 5% additional compensation to clinical faculty should not be made. In his judgment, Sections 10-14e, f, and g provide sufficient statutory authority to implement the general features of the Plan, with the understanding that records will be maintained to ensure compliance with whatever the Attorney General finds appropriate.
