PROMINENT MEN AID CAMPAIGN

State Wide Recognition Given to Project of Storrs Church

Henry S. Graves, Dean of the Yale School of Forestry and Provost of the university, has sent a letter to the Storrs church and Community House committee expressing his appreciation for the work that our college is doing for the community at large. The letter reads as follows:

YALE UNIVERSITY
School of Forestry
New Haven, Connecticut

February 17, 1926.

I am deeply interested in the educational work at Storrs. The College is doing admirable work. I come into constant contact with it, for I have several students at the Forest School whose work shows the excellence of their previous training.

The College is properly taking a broad view of its educational task. It is not only offering a good technical training in agriculture but is preparing its students to participate in the building up of the communities in which they live.

The influence in character building at the College are considerations of great importance at Storrs as at every educational institution. In this the

RADIO STATION W. C. A. C. CELEBRATES FOURTH ANNIVERSARY NEXT WEEK

College Broadcasting Station Makes Rapid Development Since 1922

Agricultural Information Broadcast Each Week—Athletic Games May Be Sent Out by WCAC

The history of the radio station dates back to March 1922 when the station was placed under operation with the call letters WABL. The power used was 100 watts with a wave length of 284.8 meters. The transmitter was designed and assembled in the college laboratory by Daniel E. Noble who is now in charge of the station and has been responsible for no small part of the development of the station.

With the power and equipment used at the time the station was opened, it was heard in North Dakota, Kansas, southern Idaho, northern Montana, and South Carolina and Virginia.

In the fall of 1925, the power of the station was increased to 500 watts and a wave length of 275 meters was arranged by the Department of Commerce under the call letters of WCAC. Ever since the opening of the station it has been used to broadcast educational information, musical programs, and, recently athletic games into courses. These courses are prepared by the members of the Extension and College staffs and are given every Monday, Wednesday, and Friday evenings at 7:30 o'clock. Monday evenings the Extension Service offers a course in Dairy Farming over the air. Wednesday evenings Prof. A. T. Stevens tells the radio audience how to care for the vegetable garden. Every Friday the Poultry Department fills the ether with valuable information on poultry culture.

Every Monday, Wednesday, and Friday at 7:20 o'clock the State Market Report prepared by Mr. Healey of the U. S. Department of Agriculture Marketing Bureau is broadcast to farmers. Every Monday evening at 7:27, the report of the Egg-laying Contest is transmitted. Each Monday evening the C. A. C. Collegian is broadcast over the air.

MARDI GRAS HELD BY WOMAN'S CLUB

Faculty Blossoms Forth In Multi-Colored Costumes—Wild Men Found to Inhabit Armory.

Mardi Gras, as staged at the Armory by the Women's Club of Storrs last Monday night, proved to be the most colorful entertainment seen locally for some time. Elaborate costumes were the rule and masks made the task of identification difficult in many cases.

In opening the entertainment feature, the royal procession marched into the Armory and to the stage. First came Mrs. Dole, as herald, preceding all announcements with a blast from a trumpet. Next came the royal coach, drawn by little girls in paper dresses. Lient. Bottling as king and Mildred Annan as queen made an imposing appearance. Following came the lords and ladies of the court. Arrived on the stage, old-fashioned dances were called for. Frank M. Hall of Mansfield Hollow "fiddled" for the dance in true Henry Ford style. As the court attendants had practiced to piano accompaniment and had no opportunity to adapt their steps to the tempo of the Maktai Hollow fiddler, the change made somewhat of a mess of the first dance, a polka. The dancers soon lost their swing, however, and performed a schottische in excellent style. The old

CAMPAIGN FOURTH ANNIVERSARY

FEIGHT BUSINESS SINCCE 1922

Agricultural Information Broadcast Each Week—Athletic Games May Be Sent Out by WCAC

This year there has been an attempt to coordinate the agricultural lecture into courses. These courses are prepared by the members of the Extension and College staffs and are given every Monday, Wednesday, and Friday evenings at 7:30 o'clock. Monday evenings the Extension Service offers a course in Dairy Farming over the air. Wednesday evenings Prof. A. T. Stevens tells the radio audience how to care for the vegetable garden. Every Friday the Poultry Department fills the ether with valuable information on poultry culture.

Every Monday, Wednesday, and Friday at 7:20 o'clock the State Market Report prepared by Mr. Healey of the U. S. Department of Agriculture Marketing Bureau is broadcast to farmers. Every Monday evening at 7:27, the report of the Egg-laying Contest is transmitted. Each Monday evening the C. A. C. Collegian is broadcast over the air.
After the poor showing against the Trinity Junior Varsity the night be- fore, the Connecticut Aggie Fresh- men simply vindicated themselves by grabbing a 31 to 19 victory from the strong Holy Cross Freshmen last Sat- urday evening at Hawley Armory. The Aggie yearlings led through- out and showed a smooth working passing game as well as accurate shooting, something that was sadly lacking in the Trinity game. At half 17 the Aggies were in the van by a 7 to 7 score and during the final period the lead was sustained.

White was the high scorer for the yearlings with six field goals and three foul goals for a total of fifteen points. Hewitt and Crosse also got in the scoring column. Dall and Fassette at the guard positions both played strong games.

Morris, right guard on the Holy Cross five, seemed to be the only visit- ing performer able to register with any degree of consistency. The Holy Cross five did not break through the Connecticut five man defense and all their goals were of the long shot type.

The summary:

Aggies: Holy Cross Fresh Cross, Anderson, lf E, McGarigan White (Capt.), rf Morris, Hewitt, Callahan, c Walker Dall, Tartling, lg D, McGarigan, Lashenske Fassette, Sabagian, rg McGarigan, Murphy, Qian

Starting for Massachusetts will be Captain Triplett and Larurafier in the forefront, both members of the mythical All New England team. Jones will jump center. Smilely will play one guard position, while Griffin or Thomas will occupy the other. Four of these men played against Connecticut last year at Amherst, when the Bay States won by a 20-18 score.

Connecticut's lineup will remain un- changed. Captain Makofski will jump center, with Schofield and Eddy in the forefront. Allard and Bigwood will play the guard positions. Eddy is the only man on the starting lineup who did not play against Massachusetts last year.

The varsity game will get under way at 8 p.m., with James Young of North Adams, Mass., refereeing. Prior to the varsity contest, the Manchester Community Girls will play the Regal Girls of New Haven, their game starting at 7 p.m.

Coach Dole declined to make any statement on the approaching game.

MANCHESTER SCENE OF FRAY

Bay States Undeceived.—Aggies Lineup Unchanged.—Connecticut Promised—Dole Noncommittal.

What promises to be most interesting court game of the year will be played next Monday night, when the rival fives of the Connecticut and Massachusetts Agricultural Colleges will meet at the new state armory in South Manchester.

Massachusetts Aggies, with a string of nine victories and two defeats, is bringing to Connecticut the best quin- tet that institution ever possessed. Connecticut Aggies, with a record of seven victories and two defeats, is putting on the floor a team that ranks with the greatest of Aggies five, and the only needs is to turn back their Bay State rivals Monday to be ranked in the minds of many as the greatest five ever developed at Storrs.

The nine teams defeated by Massa- chusetts Aggies, with the scores of the games, are as follows: Norwich, 85-35; Holy Cross, 31-20; Clark, 23-22; Worcester Tech, 25-14; Middlebury, 16-14; Wil- liams, 34-31; Brown, 20-12; and Wes- tern Reserve, 33-21.

Starting for Massachusetts will be Captain Triplett and Larurafier in the forefront, both members of the mythical All New England team. Jones will jump center. Smilely will play one guard position, while Griffin or Thomas will occupy the other. Four of these men played against Connecticut last year at Amherst, when the Bay States won by a 20-18 score.

Connecticut’s lineup will remain un- changed. Captain Makofski will jump center, with Schofield and Eddy in the forefront. Allard and Bigwood will play the guard positions. Eddy is the only man on the starting lineup who did not play against Massachusetts last year.

The varsity game will get under way at 8 p.m., with James Young of North Adams, Mass., refereeing. Prior to the varsity contest, the Manchester Community Girls will play the Regal Girls of New Haven, their game starting at 7 p.m.

Coach Dole declined to make any statement on the approaching game.

The Connecticut Aggie freshman- five was defeated by the Trinity Junior Varsity in Hartford last Friday, 12 to 7. The game was very slow and poorly played. It marked the first time that a Trinity team has beaten a team from the Aggies in some time.

The yearling five were way off form and sent down a poor exhibition of basketball. Time and again the Ag- gie five would bring the ball down the floor only to lose the ball by faulty passing. Only two field goals were made by the Ag- gie yearlings. The freshmen couldn't see the basket as many easy shots were missed. Dall played a strong game for the yearlings at guard.

The summary:

Aggies: Fresh Trinity Junior Varsity Weatherford, lf Jackson, Bond Hewitt, c Eberdahl, Burton Sabagian, Fassette, rg Leiber Dall, Elliot

Score: Field goals: Connecticut White 6, Jackson 1, Hewitt 1; Holy Cross, Weatherford 2, Leiber 1, Elliott 1.

The New State Armory at South Manchester will be a place of lively interest next Monday evening when the Mass. Aggie and Conn. Aggix quintets clash for their annual battle on the chalked court. Both claim to have the boys teams that ever rep- resented their institutions.

Up to date Mass. Aggie has played nine games this season in meeting defeat while Connecticut has won seven of its nine games. In the comparison of schedules, however, it is noted that the Connecticut quintet has not stronger opponents than their rivals.

In addition it is found that six of Mass. Aggie’s games were played on her home court, while Connecticut played all but four of her contests away from home.

Both teams have met Norwich, New Hampshire, and Wesleyan. Conn. de- feated the first two, 48-36 and 13-39 respectively, while the Bay States were only able to score 36-26 and 20-13 victories over them. Wesleyan however, proved to be a stumbling block for the Nutmeg quintet. Wesleyan played Mass. Aggie at Am- herst, went down to defeat by the score of 32-19.

Scenes of the contest are shown on this page. The Fast Offense and Accurate Shooting Counts Heavily for Connecticut—Aggies Lead 22-18 at Half Time.

The Connecticut Aggie basket ball team defeated Maine University in a stirring encounter at Orono, Maine Saturday by the score of 34-26. The game proved to be one of the fast- est and closest basket ball games seen on the Maine floor and so evenly matched were the two teams that no more than six points separated the two teams up to the last few minutes of play.

Connecticut displayed a fast off- ensive throughout the game and forg- ed ahead with some accurate shoot- ing in the closing minutes of the game. The Maine quintet put up a stubborn battle throughout the forty minutes of play and continually threatened to make the lead from the Aggies.

Maine scored first when Lake dropped two free throws through the hoop. Here the Aggies were not forced to play the defensive that netted three field goals making the score 6-2 in favor of Con- necticut. Maine dropped a field goal through the net for two points. The Aggies kept the lead over Maine for the rest of the first half and the score stood 22-18 at interruption in Connecticut’s favor.

The second half was featured by close guarding by both teams. Maine managed to keep close to the Aggies but were unable to wrest the lead from Connecticut. Field goals by Makofski, Eddy and Schofield in the second half of the Aggies lead on the Fine THREE State College team so that Connecticut was way ahead when the final whistle blew. The final score was 34-26.

Eddy was high scorer for the Ag- gies and Captain Makofski and Scho- field were close seconds in the scoring column. Schofield contributed two its nine games. In the comparison of schedules, however, it is noted that the Connecticut quintet has not stronger opponents than their rivals.

In addition it is found that six of Mass. Aggie’s games were played on her home court, while Connecticut played all but four of her contests away from home.

Both teams have met Norwich, New Hampshire, and Wesleyan. Conn. de- feated the first two, 48-36 and 13-39 respectively, while the Bay States were only able to score 36-26 and 20-13 victories over them. Wesleyan however, proved to be a stumbling block for the Nutmeg quintet. Wesleyan played Mass. Aggie at Am- herst, went down to defeat by the score of 32-19.

Scenes of the contest are shown on this page. The Fast Offense and Accurate Shooting Counts Heavily for Connecticut—Aggies Lead 22-18 at Half Time.
HERE AND THERE

Baylor students spend over one million dollars annually with Waco merchants, it is estimated. The co-eds contribute more than male students, according to statistics compiled by Homer Bouldin, advertising manager of the Baylor annual, "The Round Up.”

Students of Wooster College are not allowed to own or drive automobiles without the written consent of their parents and the college dean.

Massachusetts Agricultural College, through its Extension Department, is offering a course for washer women. This is to foster the Florida spirit and tradition. What is said to be the oldest journalistic school in the United States has been revived at Washington and Lee University. It was abandoned during the time that Robert E. Lee was president of the institution.

After having appeared on the campus of the University of Colorado with 30 inch "Oxford bags," a student there was found shortly afterwards in an unconscious condition, and his "bags" were seen decorating a nearby tree branch.

Only 35 per cent of the 680 men at Syracuse University are physically fit. Flat feet and defective eyesight are the most common imperfections shown that the University has realized.

Cecil B. DeMille, the movie director, is acting as judge for the beauty contest which the women of Kansas State College are participating in.

Three students who crashed the gate at the University of Illinois Junior Prom were barred for the offense from being admitted to any university dances for the remainder of the year.

A social club, "The Baronets," has been founded at the University of Florida. The formation of this club shows that the University has realized and is meeting the need, evolved from the tendency toward fraternity isolation. The object of this club is to promote cordial relations between the respective member fraternities which belong to the organization and through this to foster the Florida spirit and tradition.

The Money Making Secret of J. W. Davis' Success

He came back with a new vision. Sold out to his brother, interested in a man with some money, and built one of our big iron frame houses for growing cucumbers. That was about 18 years ago.

Now, although still a young man, he owns four big ranges of greenhouses in different parts of the country. He, too, spends his winters in Florida and all that sort of thing.

There's money in growing greenhouses cucumbers. If J. W. Davis can become a millionaire at it, why can't you? Start small. Grow big.

Here's something to get right into after graduation. Start making money the first year.

Write us asking all the questions you want to. You can't ask too many for us. Tell your Dad about it.

Get Mother interested. Let's put this thing over together.

If interested write to the Manager of our Service Department, Unum Building, Cleveland, Ohio, who will give it his personal attention.

CAMPUS MAKES PROFIT

The financial report of The Campus for the first semester, as submitted by Business Manager E. W. Nelson, is printed in this issue. The predica
situation has made last month that a profit would be made for the first semester has been realized, and the report shows a net return of $184.88 for the first half year. This amount would have been almost doubled but for the necessity of expending $178.62 as the final payment on the 1924-25 printing bill.

Any profit, however small, comes to the Campus Board as a welcome change in the usual order of things. The paper had struggled so long under a heavy debt that the likelihood of making a profit seemed very remote. Last year the student body contribu
ted several pages of dollars to pay the greater part of a debt that had been steadily growing since 1922. That debt was completely wiped out last semester, and with the beginning of the new term, The Campus is free of debt, and has a slight surplus ahead.

WE STAND CORRECTED!

Mr. M. A. McCarron, former Campus editor, in his statement in the January 15 issue to the effect peanut vendor; George White, Robin Hood; L. B. Tenney, clown; Prescott Thornton, pirate; "Pay" Creeden, cap and gown, were Prof. Garriggs, Dan Noble and Henry T. Covell.

taking the lead from New Hampshire, and was never headed during the remainder of the game. Connecticut maintained a slight lead over the Granite Staters and the game turned into a fast encounter that became rougher as the game progressed. The shooting of Schofield, Eddy and Makofski was responsible for the Aggies rolling up a comfortable lead in the remainder of the game.

The turn of the game was only by the superior guarding of New Hampshire's forwards by Allard and Bitgood that the score of the Granite Staters was kept down. Intermission found the Aggies in front leading by the score of 18-7.

The shooting of Schofield, Eddy and Makofski (Capt.), Allard and Bitgood featured. Captain Cotton and Taylor were the leading performers for New Hampshire, the former getting six field goals.

A. A. TO HAVE ATHLETIC NIGHT

A new feature is being sponsored by the Athletic Association for the purpose of awarding certificates to varsity men who have won letters in major sports. The certificates will be awarded in the dining hall on March 14 during the regular evening meal.

An interesting program for the evening has been arranged by the committee in charge. It will consist of a light banquet, short talks by members of the faculty, and speeches by men of athletic prominence. The college "Syncopaters" will furnish the music for the occasion.

String Orchestra plays before the microphone. The Trinity-Collin cut basket ball game was broad cast, with Captain Capers Crim as sports announcer, was quite success ful and several requests have been received asking that other home games be broadcast. The manager of the station is considering broadcast ing the summer baseball games.

To determine the range of the station, dance music played by Caval ier's Orchestra at the Mid-Year For mal was broadcast Friday evening from 8:30 to 9:30 and from 11 o'clock until two.

At present the college station uses the same power as WTIC, Hartford but the low wave length used by the Storrs Station proves unreliable for communication within Connecticut although it is received with good sig nal strength in Vermont, New Hamp shire and other distant points. Such a condition is due to an absorption of

plated for a longer wave length but so far the attempt has been unsuccessful.

If it is not possible to eventually gain the use of a more favorable wave length, the Radio Staff hopes to reduce the wave length to the thirty or forty meter relay class and make some arrangement with a nearby super-power station to re-broadcast our agricultural talks on the higher wave length of the super-station.

RIFLE TEAM WINS THREE OF FIVE

The Rifle Team made a clean sweep during the week of January 23, winning matches from West Maryland College, University of Maine, and the University of South Dakota. They scored 3522, 3537, and 3488 respectively, while the Aggie Team shot a total of 3674 out of a possible 4000.

This week, however, the team did not fare so well. Of the four matches shot this week, two have been reported as lost. The best our team could do was 3501 out of a possible 4000, while North Carolina State College and the University of Delaware won with scores of 3644 and 3545 respectively.

The best our team could do was 3501 out of a possible 4000, while North Carolina State College and the University of Delaware were the only teams that can claim victories over the Aggies.

Last Monday night at the armory the Sophomores went into first place in the class league by defeating the Seniors and the Juniors by trouncing the School of Ag. went into a tie with the Freshmen for third place.

The Sophomore five were the winners over the Seniors, the final score being 14 to 10. It was a torrid contest that was marked by rough playing on both sides. At no time during the contest did either team have a comfortable lead and it was not until the final whistle that the outcome was decided. Krayeski and Kennedy scored a long. Hampshire. The Simsbury boy connected for six baskets in each game, he did more than make baskets however; his all-around playing was of high order throughout.

THROUGH THE HOOP

It takes a good quintet to defeat Maine and New Hampshire on their own courts in two successive nights. And our team did just that! Coach Dole says the New Hampshire game was the best any Aggie five has ever played for him since he came to Storrs in 1923.

From all reports, Eddy was the scoring star at both Maine and New Hampshire. The Simsbury boy connected for six baskets in each game, making him the high scorer of both encounters. He did more than make baskets however; his all-around playing was of high order throughout.

What Coach Dole describes as the best play of the season effectively checked a New Hampshire rally in the second half. A tricky backhand pass from Schofield to Makofski, followed by a bullet-like throw to Eddy for a basket—all occurring with speed that completely baffled the New Hampshire defense—shattered the morale of the Granite State five. Their rally was stopped and Connecticut was master of the situation from then on.

Schofield connected for a beautiful long shot from mid-court as the whistle brought the Maine game to a close. The ball was in the air as the whistle blew, and two more points were added to the Nutmeg total.

And Maine beat Dartmouth!

Makofski played his usual star game, giving the Northerners an exhibition of court play that they are still talking about. Allard played his best game of the year at Maine, connecting for two baskets and generally breaking Maine offensive moves. We can usually count on either Allard or Biggott slipping down the floor to register a few points in the scoring column. It's your turn in the Vermont game, "Routie"!

While at the University of Maine, the boys visited Old Town, which is located a few miles north of the college. It is the site of a government Indian reservation, and the redoubt of the large supply of souvenirs for sale. Proof of this is Greeer's knitted cap with the baby blue markings, "Pop" Williams' hand-knitted socks purchased to celebrate his removal from the "pro" list, and other oddities of wearing apparel which our hoopers are now sporting.

APPOINT ARCHITECT FOR STORRS CHURCH

New Britain Man Selected For Drawing Plans of New Building

Dalbert K. Perry of New Britain has been appointed architect of the new Storrs church by the board of trustees. Mr. Perry was the architect for the Dining Hall, Armory, Holcomb Hall, and is the architect for the new dormitory which is now under construction. Mr. Perry will have his plans and specifications ready in about three months and they will be submitted to the Board of Trustees for approval.

A committee consisting of Professor A. G. Skinner, chairman; Mrs. H. A. Seckerson, Mrs. C. G. Hendrickson, Dr. H. D. Newton, and D. K. Perry have been appointed to provide for the furnishing of the community house.

C. A. Wheeler, S. P. Hollister, and A. G. Brundage will take charge of the disposal of the old church. It is very probable that the church will not be destroyed, but will be removed to another site. However, specific plans have not as yet been made.

There will be a committee on administration for the community house. This committee will provide for seven members. There will be the representatives, a man and a woman from the student body; one member from the college staff; one from the community at large; one from the Storrs Women’s Club; one from the ladies’ circle of the church; and one from the Board of Trustees of the church. These representatives will be appointed by their respective groups. The purpose of this committee is to determine the general policies and uses of the buildings, and to provide the building with an executive director who will have full charge of carrying out the plans of the committee.

W. S. G. A. TO PUBLISH HANDBOOK FOR CO-EDS

The faculty and the Women’s Student Government Association have arranged to publish a handbook similar to that distributed each year to the freshman class.

Included in this handbook will be the constitution of the Women’s Student Government Association, the constitution of the Women’s Executive Council, rules and regulations governing women students residing in Holcomb Hall, short descriptive sketches of the Monticelli Arts Society, the Women’s Glee Club, Women’s Student Government Association, and Women’s Executive Council. In addition, activities of the social committee will be described.

In the past, women students received this information on mimeographed forms, an arrangement that was not altogether satisfactory. With the publication of the new handbook in the near future, however, it is expected that the difficulty will be overcome.
