MINUTES OF THE MEETING
OF THE
BOARD OF TRUSTEES
THE UNIVERSITY OF CONNECTICUT

Held at the Merlin Bishop Center, Storrs May 9, 1975

The meeting was called to order at 9:35 a.m. by Chairman Gordon W. Tasker. Trustees present were: Messrs. Brown, Carlson, Kleban, Kozloski, McCormick, Rich, and Tasker. Mrs. Kronholm and Messrs. Nielsen, Shedd, Stroh, and Wilber arrived at later points in time. Also present was Commissioner of Public Works, Robert A. Weinerman.

Trustees absent were: Governor Grasso, Mrs. Jorgensen, and Mr. Taylor.

University staff present included: President Ferguson, Vice Presidents Adams, Hartley, Patterson, and Wilson.

Actions taken were by unanimous vote of the Trustees present except as otherwise noted.

1. Chairman Tasker welcomed Mr. Otha N. Brown, Jr. to his initial meeting as a member of the Board of Trustees. The Chairman also noted the presence of Mr. Weinerman, Commissioner of Public Works who was attending as a representative of Governor Grasso and the presence of Acting Vice President for Finance and Administration, Dean Harry J. Hartley.

2. On a motion by Mr. McCormick, seconded by Mr. Kozloski, THE BOARD VOTED to approve the minutes of the meeting of April 11, 1975.

3. The Board of Trustees received a communication from Mr. Gordon Mochel, Chairman of the Board of Representatives of the E. O. Smith School. Mr. Mochel's letter of transmittal stated that the Board of Representatives has recently approved a method of operation and interpretation of the original Sanders' subcommittee recommendations for the Board of Representatives into a structure for "implementing improvements in E. O. Smith School operation."
The Board of Trustees referred the matter to the University administration for discussion with the Board of Representatives with the understanding that the Board of Trustees would expect a report from the administration at a later date.

4. President Ferguson commented briefly on the recent budget allocations and related considerations that will be taken into account when the planning report is submitted to the Board for a full discussion at the June meeting.

5. Mr. Kleban, reporting on the recent meeting of the University Hospital/Health Center Committee, stated that although the completion of Phase A of the Hospital adaptations is not anticipated before June 1st, patient care activities are progressing satisfactorily. The average census has grown from 30.8 to 44.6 for the first three months of operation at the hospital. The next installment of dental clinics and additional requirements for the Medical Center will be partially completed by August 1st.

The Medical Group is in the midst of a study to determine the geographical distribution of its patients. Preliminary results indicate that patients seen during the first two months have come from seven states and over half the towns in Connecticut. Approximately 40% of the patients come from nearby towns, about 30% come from Hartford and some 30% come from the remaining 86 towns.

Energy saving efforts at the Health Center are proving to be fruitful. There was a 10% reduction in net kilowatt hours consumed from November 1974 - April 1975 over last year.

6. Mr. Kozloski, reporting on the recent meeting of the Consortium Board, stated that Mr. Ralph Pollock, Executive Director of the Health Planning Council had discussed the new Federal Health Planning Act (PL93-641) and the role of health service agencies. HSA (Health System Agencies) and SHCC (Statewide Health Coordinating Council) are new alphabetical terms to be learned. At this time, the Governor has forwarded to the regional director of H.E.W. the State plan which establishes five areas for the development of various health services.

The Saint Francis Hospital proposal to buy the Security Insurance Building to allow the hospital to move its ambulatory facilities to more appropriate quarters was approved.

Hartford Hospital's proposal to rebuild the Jefferson House as a 100-bed facility, 70 beds being rest homes and 30 beds being extended care beds, was also approved by the Consortium Board.
The Consortium voted to authorize the Executive Director to complete negotiations with the Veterans Administration Hospital in Newington to have that hospital become a member of the Consortium. Appropriate Bylaw changes will be considered when negotiations are completed.

7. Mr. Tasker, reporting for the Finance Committee, indicated that the Committee had favorably considered the proposed contracts and agreements. During the discussion of the agreements, Mr. Brown commented on the varying rental costs for classroom spaces prescribed by the different towns. On Mr. Nielsen's motion, seconded by Mrs. Kronholm, THE BOARD VOTED to approve the attached list of contracts and agreements and authorized the President, Vice Presidents or Assistant Vice Presidents to sign the necessary documents on behalf of the University - Exhibit A. (Mr. Shedd abstained from voting on contracts #5, #6, #7, #8, #17, and #18.)

8. On a motion by Mr. McCormick, seconded by Mrs. Kronholm, THE BOARD VOTED to authorize the granting of an easement to the Department of Transportation to permit the enclosure of an open ditch across the road from University House #H-40 on Route 195.

9. Mr. Tasker, reminding the Board that the administration had been asked to review the rental housing rates, reported that the Finance Committee had reviewed the proposed increases in rates for all the rental property categories and recommended favorable consideration by the Board. After a brief discussion of the procedures followed in arriving at the proposed rates, on a motion by Mr. Nielsen, seconded by Mr. Kozloski, THE BOARD VOTED to approve the following rental charges for 1975-76, effective July 1, 1975:

<table>
<thead>
<tr>
<th>Rental Charges for 1975-76</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Northwood Apartments</td>
<td>$128.00</td>
</tr>
<tr>
<td>Mansfield Apartments</td>
<td>$175.00</td>
</tr>
<tr>
<td>House rentals</td>
<td>$55.00 - $385.00</td>
</tr>
<tr>
<td>Commercial rentals</td>
<td>An increase of 5% over 1974-75 rates</td>
</tr>
</tbody>
</table>

It was suggested that in future rental presentations to the Board, it would be helpful to include the rate history covering the last two or three years as a matter of information.

10. Mrs. Kronholm, reporting on the recent meeting of the Commission for Higher Education, indicated that the Commission had approved the University's plans to offer the new Bachelor of General Studies degree.
The Commission had also approved a fee increase for extension courses offered by the State Colleges from $35 to $40 per credit for graduate courses. (University extension fees are $35 per credit).

A brief report on Master Plan activity was received, reminding the Commission that resource groups and staff are at work on the first revision of the Master Plan, scheduled for submission to the Governor in January 1976.

11. Mr. Tasker, calling attention to the forthcoming election of an Alumni Trustee, reminded the Board that under the provisions of the State Statutes the Board designates one member of the Canvassing Board for the supervision of the election of Alumni Trustees.

On a motion by Mr. Nielsen, seconded by Mr. Kozloski, THE BOARD VOTED to designate Clark Bailey as the representative of the Board of Trustees. Mr. McCormick abstained from voting on this action.

12. After a brief discussion of the comparative data reported in the monthly report on awards and donations, on a motion by Mr. Nielsen, seconded by Mr. Shedd, THE BOARD VOTED to accept and/or approve the attached list of awards and donations - Exhibit B.

13. On a motion by Mr. McCormick, seconded by Mr. Kleban, THE BOARD VOTED to go into executive session. While in executive session, the Board took the following actions:

The lists were authorized to be signed by the Secretary of the Board of Trustees.

(B) While reviewing the list of resignations, Trustees noted with considerable concern that the salary offerings at the University are no longer competitive and that increasing numbers of faculty are leaving to accept similar positions at other institutions for straight economic considerations. The administration will present comparative salary data and related items of information for further consideration at the next meeting of the Board.
