Gamma Chi Elects Four

Four Juniors Presented Membership Certificates to Honorary Scholaric Fraternity.

Four members of the junior class were honored at President's Hour last Wednesday, when they were presented membership certificates in Gamma Chi Epsilon, honorary scholaric fraternity. They were John Leonard Breitweiser of Westport, Charles Andrew Clark of Cos Cob, John Joseph Daly of Hartford, and Charles Worthington Phelps of Andover.

Professor E. W. Sinnott, an honorary member of Gamma Chi Epsilon, presented the certificates on behalf of the fraternity. He outlined the purposes of Gamma Chi Epsilon, pointing out that to become eligible a student must rank high scholarshiply, he must participate in student activities, and he must be of high character. In case of the dances are moonlight waltzes. It is felt that this will give the seniors a chance to meet the students of the other classes, and the freshmen a chance to meet the seniors.

The program which will be:

1. Fox-trot—Sweet and Low Down.
2. Fox-trot—Sweet Child.
3. Fox-trot—Lula Belle.

Hawley will be transformed into an old fashioned garden for the Co-ed Formal tonight. The hollyhocks and wisteria, against a jade green background, will make a brilliant setting for the multi-colored dresses and the black tuxes of the co-eds and their guests.

Cavalero's Cinderella Ballroom Orchestra will give a concert between eight-thirty and nine. The grand march will start promptly at nine. It will be led by Margaret Hutton, chairman of the social committee, and Ernest Speers. Dancing will continue until two-thirty. There will be sixteen dances and two extras. Four of the dances are moonlight waltzes.

The patrons will be the members of the Home Economics faculty.

The program will be:

1. Fox-trot—Sweet and Low Down.
2. Fox-trot—I Love My Baby.
3. Fox-trot—Bargandy.
4. Waltz—Blue Italian Skies (moonlight).
5. Waltz—Song of the Flame.
6. Waltz—In Your Green Hair.
8. Waltz—Just a Sailer's Sweetheart.

Intermission

10. Fox-trot—Song of the Vagabond.
11. Waltz—What Do We Care? (moonlight).
12. Fox-trot—Monkey Doodle Do.
13. Fox-trot—Thanks For the Fuggy Ride.
14. Waltz—Middle of the Night (moonlight).

C. A. C.—Brown Baseball Game.
### BASEBALL NINE OPENS WITH BROWN

First Game of Season to Be Played at Brown Wednesday—Hard Contest Loomed For.

The Connecticut Aggies baseball team will make its initial bow of the season next Wednesday afternoon when they journey to Providence, R. I., to play Brown University. The varsity baseball squad has been previewed from working out of doors as early as Coach Dole wished because of the inclement weather, but during the past week the Aggie ball tossers have been rounding into shape on Gardner Dow field.

Coach Summer A. Dole has been try ing several different baseball combi nations during the practice sessions in order to develop a smooth working nine to represent Connecticut on the diamond. Only five letter men are available this year and practically a new club will have to be built up. The varsity men are Ahern, who has held down the center for two seasons; Gilbert, catcher and outfield, who has been behind the bat for one season; Makofski, regular first baseman, and who has done some twirling for the Aggies; and Schofield, who played second last year.

Captain Marshall L. Seymour of Suffield will not be able to play ball during the first part of the spring due to an illness of his own. Several practice games have been played with the Freshmen nine and the varsity B team which have given Dole a line on his men.

Gilbert and Williams have been used behind the bat; Nasfeld, Makofski, Eddy, Brooks, Speers have taken turns in the pitching box; Makofski and Kennedy have been tried out at first base; with Allard, Horn, and Yardley at second; Schofield and Allard at short; and Ahern at third base. As far as the coaches have used Ajello, Allard, Kennedy, Makofski, Watson and Williams. A definite lineup for the Brown game has not been decided upon and no doubt the Aggie coach will shift his men around during the game. The probable lineup for the opening game of the season will find Eddy pitching and Gilbert receiving; Makofski at the initial bag; Allard or Horn at second base; Quigley or Rabinowitz and Schofield at short field. Ajello, Kennedy and Horn will be in the outfield. Nasfeld and Makofski will be up called upon to pitch the part of the game.

The Brown baseball nine has the jump on the Aggies in that they have already played several games. They have crossed bats with Providence of the Eastern league and are scheduled to play before Saturday. Reports indicate that they have a worthy team and will give the Aggies stiff opposition.

By defeating the Sophomores 18 to 10, after both teams had been defeated for first place, the Seniors won the Inter Class Basketball League which gives them their fourth straight championship. During the past two years, the Seniors have won the championship every year since, the Class of 1926 have held the championship. With both teams tied for first place at the end of the regular season, the two fives met in one of the hardest games of the season. The Seniors started off fast and throughout the first half they kept the Sophomores in check. At half time the Seniors were in front, 8 to 0, and the Sophomores were unable to overcome the small lead. The Seniors were out in front at the whistle, 18 to 14. Putnam, Donovan, and Moreland led the offensive of the Seniors to their fourth successive championship. For the Sophomores, Hummings and Dorrance proved to be the only men who could keep the Southerners in the game. The Senior class team, as a result of turning back the Sophomore five in the championship game, have hung up a record that few class teams have equalled in the history of the college.

In their freshman year the Seniors won the laurels with ease but the next three years found the class tied more evenly matched and the 1926 class team won the championship only after some hard contested encounters.

Last year the champions defeated the Sophomore quintet in the championship game by the score of 57 to 22, and were one of the best class teams ever played on the New London Armory court. Despite the fact that the 1925 class team members of their team all over the country, these demonstration are very representative of the freshman class and are always put a aggressive edge on the floor.

Members of the Senior class who have played on class teams during their college career are Bigelow, Al tard, Moreland, Brink, Donovan, Greer, Evans, Putnam, Seym our, Speers, Filmer, Fieneman, Stanley, Jackson, and Rabinowitz.

## CONN. PLACES TWO ON STAR TEAM

| Captain Makofski and Schofield Chosen on Western New England Basketball Team.—Mass. Aggies Also Place Two on Team. |
|---|---|
| Two Connecticut Aggie basket ball players, Schofield and Makofski, two from Massachusetts Aggie, Temple, and Jones, and "Bob" Berry, formerly of Connecticut but now attending Springfield, were chosen by a group of coaches for a mythical all-star western New England team. This team is the consensus of the choices of the respective coaches of Conn. Aggies, Mass. Aggies, Springfield Amherst, Trinity and Wesleyan. The team as selected is Temple and Schofield, forwards, Jones, Center, Berry, and Makofski, backs. Five workers picked Capt. Tempa of M. A. C. as a forward, bringing out the contention of many that he was the outstanding forward among the players of the season. Tempa was also chosen forward on an all-star collegiate team selected by a Syracuse newspaper.

Schofield of Connecticut had three votes as forward and one as a back. He was unanimously elected as captain of Springfield by one vote, while Urple, of Wesleyan and Kyle of Amherst each received one vote. Larry Jones received three votes, four votes for Makofski one, and Marvin of Mont. one. The other vote went to C. Burt of Tufts. Makofski received three votes as a back as did B. Bertelenheimer, captain elect of M. A. C., received two votes, Schofield of C. A. C., Smiley of M. A. C., Captain Dick Crowley of Springfield and Dan Jack, captain of Wesleyan each received one vote. The coaches making the selections were "Kid" Gore of M. A. C., "Dave" McLaughry of Amherst, Summer Dole of C. A. C., Doe Lloyd of Wesleyan, Leslie Mann of Springfield, and Ray Oesting of Trinity McLaughry and Ella choose only players that had played on the respective teams during the past season.

Some of the comments that follow the selections are interesting. Dole said, "Schofield is the best man playing college basketball in New England. He can do everything well and this year played forward regularly, guard and center in emergencies. Berry and Makofski are the outstanding guards. They are fast and clever ball handlers, dribble well, and play excellently."

Cozy, Oesting of Trinity wrote, "I consider Schofield the best all-around player in the group. He has fast on the floor, a fine dribbler, very deceptive, five, and a dead shot for the basket. None of M. A. C. is a fine man for center as he is tall, aggressive, a good team man, and a consistent scorer."

Watch out Juniors! There is to be a "dark horse" in the Freshman class. He is being kept under cover by his coach and is seen as a strong between the Freshmen and Juniors. This young man has made very good time in dashes.

The Juniors defeated the Freshmen 500-0 in a slow game, 14 to 7. The Juniors by winning went into a tie for third place with the Freshmen.

## The Co-eds were given a shocking surprise last Thursday.

They were guided by Miss Tapley and Miss Con tello, heads of the Woman's Science Department, up yonder to Poultry Hill, where they witnessed a cold-blooded murder. Mr. Warner killed and dressed one of the princes of the Hill for the benefit of their education. Next week they will see the finish of this act. Madame Hummings will be boned. These demonstrations are very helpful and instructive, and are certainly appreciated by the Domestic Science students.

Following the exhibition drill held recently, came the battalion parade with the awarding of the annual Gold Medals, Warrants, and Medals. This is something new at C. A. C.

C. A. C. has been invited to one of the student bodies represented on the New Intercolligate Paper. It is in the position to do this in connection to the issue of college publications, and because it is a comic sheet it has been christened "Imp." The object of the paper is to supply the students with a funny and humorous paper, where the limited number of students would make such a paper a financial impossibility.

The paper must be impartial. "Imp" will not be under the control of any faculty on The Campus and he will be responsible only to the editorial board.

This board will be made up of one member from each of the important colleges of the country. All member classes, hundreds of colleges are contributing their best so we are sure "Imp" will sit up and make the public take notice.

The Cadet Battalion left the armory at eight-thirty on Wednesday morning, April eighteenth. All the boys were wearing olive drab uniforms and carried haversacks, canteens, rifles, and side arms. Their goal was Williamsport.

They made three rests on the way.

The last was in the form of a broad line, for our soldiers must eat before quitting the population of Williamsport.

The parade started about eleven-thirty and the line of march was down Main St. and Main St. down Main to the old ball grounds. The Battalion Parade and Butts Manual were given. A twenty minute sham battle took place at the end of the ceremony, after which the battalion marched to the railroad station and were dismisse d.

HUTTON ENGAGED

Mr. and Mrs. John Spellman of Somers have announced the engagement of their daughter Dorothy to William A. Hutton '25 of Southington, Connecticut. Mr. Hutton is instructor of agriculture in the Enfield High School.

"Pete" is a former Aggie student, graduating with the Class of 1925. While in college he took an active part in class athletics, and also was a member of the Varsity track squad for four years. He was a member of the Debating Club, and in his Senior year was president. As an R. O. T. C. man he received the highest honors. His address is 43 Church St., Willimantic.

RECEPTION TO FOLLOW CONCERT

A reception given by the G Clef Club will be held in Holcomb Hall immediately following the Glee Club concert on Saturday night. The patrons and patronsesses, all members of both Glee Clubs, and their escorts are invited.

All arrangements are in charge of the club president. The purpose of the reception is to permit the members of both clubs to meet the patrons andpatronesses and enable those from out of town to reorganize their parties before leaving.

NEW FAMILY IN PRACTICE HOUSE

Monday, April 26, the girls who are now in Practice House will return to the dormitory and a new group will join Miss Landberg. As the House is not large enough to accommodate the entire Senior group, the class is divided into two small sections, each spending six weeks in practice. The new group consists of the following: Elizabeth Service, Irene Ellis, Margaret Demander, Helen Grant and Hillard Scholander.
THE CONNECTICUT CAMPUS

One thing for which former co-eds were envied and longed for, and which the last obtained, was a Co-ed section of The Campus. This allowed space for what news the girls had, and could be easily found without searching through the whole paper for various Co-ed articles. Allowing for the fact that the college is continuous growing and activities diversifying, however, it caused some indignation when in the last month or two the Co-ed section was taken away and news placed in as before. As the Co-eds make up more than one-fifth of the student body it seems almost as if they might be allowed to keep a small section of The Campus for their activities.

Probably one of the greatest contributions to The Nutmeg and Campus is that the girls have supported them with their subscriptions nearly one hundred percent.

EVERYBODY OUT

Religion is the one progressive force in the world—so follow the right course. The Co-Eds' next Co-Ed week end couples will be found on the "hill" Sunday morning. The Co-eds have so handled the week's affairs that all they attempted proved very successful. Why not have each co-ed individually handle her escort in the same way Sunday morning.

Every man is knocked down at least once. It is the getting up that tests him—so co-eds, get him up Sunday morning. Yes, it does take a long time for an idea to sink through some yards.

The responsibility of entertaining rests on the co-eds, and surely all the escorts, whether dragged or not, will receive much cheer from the preachers. Religious feelings give to man the power that he is above all, Ralph Waldo Emerson, did at his death with Wilfrid Croze, '29, Hartford; Julia Sklarinsky with Ray Harrington, Killingly; Evelyn Dragut with Barton Abelman, Dartmouth; Nellie Cohen with Irving Froman, Dartmouth; Marilyn Wells with Raymond Ames, '26, Westbrook; Ruth C. Clark with Clifford Moll, '28, Norwich; Henrietta Castle with Arthur Lorenstein, '27, Naugatuck; Beatrice Healy with Randolph Whaples, '27, Newington; Martha Koster with Robert S. Child, '11, T. H. B. extrehe, '27, Westport; Margaret Root with Donald Gaylord, '27, Hartford; Katherine Charters with Arthur Pollack, '26. Hellen Shanochian with John Sullivant, '29, East Hartford; Wally Moore with Alfred Stalp; Beulah Bowers with Dwight Beckwith, Niantic; Anna Shanahan with John Hooper, '23, Meriden.

"SHAKESPEARE" PARTY HELD APRIL 6

On the evening of April sixth the annual "Shakespeare" Party was held at the Theta Sigma Chi House. Forty-eight couples attended, including several alumni who were back on the Hill for the dance. The fraternity rooms were attractively decorated with flowers and banners. Dainty little bonnets and tiaras bearing the fraternity seal were given as favors. At midnight refreshments of ice-cream and wafers were served. The "Peppy Cry Babbits" of Hartford furnished music for dancing until two-thirty.

The patrons and patronesses for the evening were Mr. and Mrs. George H. Lamsen, Dr. and Mrs. Newton, Mr. and Mrs. Moss, and Mr. and Mrs. Brunot.

J. EUGENE AYER

J. Eugene Ayer, age 27, died at his home in Ayer's Gap, Franklin, Massachusetts, on Saturday, March 27, 1926. He had been ill for several days with influenza and pneumonia. Mr. Ayer was a graduate of the School of Agriculture, Connecticut Agricultural College, in the class of 1917. He is survived by a wife and two small sons.

Sprague, Mr. and Mrs. G. Safford Tayor, and Mr. and Mrs. Clarence I. Hendrickson.

The club members are: Hildar E. Condron and Mrs. Claude D. F. Reiley, Mrs. H. Bray, Dorothy Caes, Charlotte Woolley, Bernice Gustafson, Ruby M. Polk, Grace E. Keene, Bertha P. Swan, Frances Madden, Rose Mishkin, Rosemary M. Broughal, Frances B. Hopkins, Irene Saxton, Marion A. Milla, Rena Cohen, Elizabeth M. Kennedy, Flora A. Kaplan, Ruth A. Sours, Julia E. Sklarinsky, Ethel F. Thomas, and Live Chipman, by Grace Preston Neylon, contralto; Lillian B. Newton, pianist, and Margaret Demander, pianist.

Students acting as hosts at the concert are: Hugh Greer, Philip Dodge, Willard Eddy, Ernest Spear, and Ralph Pollack, from the Yale Club. By profession he is a civil engineer, and for the present his work will keep him in the South.

Connecticut people present at the wedding included Prof. and Mrs. Charles A. Wheeler of Storrs, parents of the groom. Mr. Wheeler is professor of mathematics at Connecticut Agricultural College. Professor William F. Kirkpatrick of Storrs, uncle of the bride; Misses Minnie and Dorothy Wheeler of Storrs, sisters of the groom; and Charles Gory of New Haven.

WHEELE-R-MATTHEWS

Storrs, April 9.

Announcements of the marriage of William H. Wheeler of Storrs, son of Professor and Mrs. Claude D. F. Reiley, to Miss Ruth Gertrude Matthews of Marion, South Carolina, have been received here this week. The wedding took place March 30, in the First Methodist church at Marion.

Mr. Wheeler is a graduate of Yale in the class of 1923, where he was a member of Franklin Hall and Theta Chi. He is a member of the New York Yale Club. By profession he is a civil engineer, and for the present his work will keep him in the South.

Connecticut people present at the wedding included Prof. and Mrs. Charles A. Wheeler of Storrs, parents of the groom. Mr. Wheeler is professor of mathematics at Connecticut Agricultural College. Professor William F. Kirkpatrick of Storrs, uncle of the bride; Misses Minnie and Dorothy Wheeler of Storrs, sisters of the groom; and Charles Gory of New Haven.

Among the Alumni returning to the Hill for the Co-Ed from are Emelyn Dillon, a member of the class of 23, who is teaching HomE Ec in Wilby High School, Waterbury; Marion Morris, also a member of the class of 23, who is head of the Domestic Economics Department of Meriden High School; Christine McMenemy, of the class of 25, who is teaching Business Economics at Bacon Academy, Co- chester; and Mrs. Louis Alexander, '22, of Storrs.
TAURUS BOARD
MAKE DONATION

Prof. H. A. Seckerson to Make Choice of Books

Professor Howard A. Seckerson of the English Department received the sum of twenty dollars from the Taurus Board to be expended on books for the library.

It was the feeling of the members of the Board that since the money represented the profit of a literary endeavor, it should most fittingly be used for the buying of books for the English Department.

The first issue of Taurus, semi-annual co-ed publication, appeared in January. It represented the initial attempts on the part of the women students to publish a magazine.

Having succeeded in its purpose "Taurus" has become established as a regular semi-annual publication of the college. The next issue will be published in June.

VICTOR BIART
INTERPRETS SCHUBERT

Victor Biart, introduced by Dr. Deinemeyer as a member, ex officio, of the faculty because of his many welcome visits here, entertained in Assembly Wednesday. Franz Schubert was the subject of his interpretation.

After a brief biographical introduction Mr. Biart interpreted, very ably, four of Schubert's pieces. The first number was an "Impromptus in E flat" which was characteristic of Schubert in its variety. This was followed by a set of waltzes, a series containing expressions of a variety of emotions.

An "Impromptus in A flat" concluded the program but Mr. Biart gave an encore the "Spinning Song" from the great opera, "The Flying Dutchman."

The Ox Woman

On an East Indian farm, where the crop is tea, a wooden plow turns up the rich black soil. A woman drives, another woman pulls—and a black ox pulls beside her.

Six hours under a tropical sun, a bowl of cold rice—and six hours more. Then the woman goes to her bed of rushes, and the beast to his mud stall. Tomorrow will be the same.

The American home has many conveniences. But many American women often work as hard as their Oriental sisters. They toil at the washtub, they carry water, they churn by hand—all tasks which electricity can do for them at small cost, in half the time.

The labor-saving possibilities of electricity are constantly becoming more widely recognized. And the social significance of the release of the American woman from physical drudgery, through the increasing use of electricity in and about the home, will appeal instantly to every college man and woman.

football. He played regularly on the varsity team for the past two years and the year before he was a member of the freshman eleven. He was also a member of the varsity basketball squad.

Daly was not present to receive his certificate, as he withdrew from college at the beginning of the second semester to work on the poultry farm of Fellows Brothers in Norwichtown. He was able to do this, because he has through his excellent class work already made credits enough to be classified in the registrar's office as a senior. When the call for football practice is sounded next September however, Daly will return to Storrs once more.

Daly is a younger brother of Maurice Daly '23, regular center on the 1925 West Point football team, and who captained the Connecticut eleven on his squad of thirty-five: horses, three of beef, three of sheep, and three of swine.

It is interesting to note that the older brother was also a member of Gamma Chi Epsilon while at Connecticut, and that both captains were girls from Mass. Aggies visited here. They were training for fall judging teams and were accompanied by Prof. Rice. It is from the group that judging teams in Dairy and General Live Stock will be selected.

We have another example of woman stepping over the threshold of home life. In a judging contest at Chicago University, the high man turned out to be a girl who took first place among 120 contestants.

**FRESHMAN HAVE FIRST WORKOUT**

Last Saturday afternoon Coach Alexander's nine had their first real workout of the season. Playing against the regular Varsity nine for a few innings gave Coach Alexander a good chance to see how his yearlings acted in a game.

The Frosh pitching staff, consisting of Hooper and Metcalf, looks very promising. E. Watson on the receiving end showed exceptional ability in handling both pitchers.

Havercraft playing second base and Callahan at left field showed good form and their handling of the ball was of high order. Both of these men loom up as heavy hitters.

Coach Alexander used the following men from his squad of thirty-five:

- E. Watson, c; Parson, c; Hooper, p; Metcalf, p; Hewitt, first base; Haver- net, second base; Metcalf and Hooper, third base; Spencer and Rathman, shortstop; Callahan, left field; Bushnell, centerfield; Usher, right field.

**AMHERST JUDGING TEAM VISITS AGGIES**

On Saturday, April 10, ten Animal Husbandry students, four of whom were girls, from Mass. Aggies visited here. They were training for fall judging teams and were accompanied by Prof. Rice. It is from the group that judging teams in Dairy and General Live Stock will be selected.

It is interesting to note that they considered the stock here sufficiently important to spend a day here. Twelve classes of stock were judged: three of horses, three of beef, three of sheep, and three of swine.

Here we have another example of woman stepping over the threshold of home life. In a judging contest at Chicago University, the high man turned out to be a girl who took first place among 120 contestants.

gave the stiffest of competition to its opponents. Coach Martin of the Middletown team reports that his men in the track events are rapidly reaching their stride in readiness for the coming season. This means that the Connecticut tracksters will have a top form next Saturday in order to lower the colors of the Cardinal and Black.

The meet with Wesleyan will be held at Middletown, and many students at Connecticut plan to be present to cheer the Aggies to victory. This is the first time in the history of the college that the Connecticut Aggies and Wesleyan will meet in track competition and a hard battle is forecasted for April 24. After the Wesleyan meet the remainder of the schedule is:

May 1 Rhode Island at Storrs.
May 8 New Hampshire at Durham, N. H.
May 29 Trinity at Storrs.

PICTURES ADDED TO BEACH COLLECTION

A group of pictures, presented to the college by President Charles L. Beach as an addition to the Louise Crombie Memorial Collection, will be hung in Holcomb Hall Friday, April 16. The group consists of the following pieces: "Mantle of Winter," by Guy Wigghin; "Drying Sails," by Oscar Anderson; "Venice by Moonlight," by George Borgan; "Path of the Axe," by Albertus E. Jones; "When Winter Waives," by John E. Costigan.

There are in the collection at present two landscapes: "Winter Evening," by Daniel F. Wentworth, and "Swiss Landscape," by James Wills Champspey, and one marine scene, "Rockport Harbor," by Edith Stevens. There are also two portraits by Ellen Emmet Rand, one of President Beach, presented by the Alumni, and one of Mrs. Beach presented by him.

HEALTH LECTURES DISCONTINUED

The Public Health Lectures which have been held on Wednesday evenings are to be discontinued for the remainder of the semester. This has been found necessary since the room, Main seven, in which they were held is no longer safe to accommodate large gatherings; and the next largest room which would be in anyway possible is up in the Poultry Building, but is considered to be at too great a distance to warrant a large attendance.

Many people will be disappointed because of this, but it is hoped that another such opportunity will be afforded next year.

Twenty-five freshmen are candidates for the 1925 Connecticut Aggie yearling track team and are practicing daily. Coach Daly says that the freshman track squad has the best natural ability of any class that has ever entered the college. The prospects are brighter than ever before, and the men are rapidly hitting their stride preparing for the coming meets with Dean Academy May 13, and with Rhode Island State May 20.
W. S. G. A. APPOINTS TWO DELEGATES

Conference to Be Held at Bates College

Three years ago the W. S. G. A. of C. A. C. became a member of the Conference of Woman Student Government Associations of the Co-Educational Colleges of New England. Every year a three-day conference is held at one of the member colleges. This year it is to be at Bates College, in Lewiston, Maine, on April twenty-second, third, and fourth.

Miss Elizabeth Service, president of the Connecticut Association, and Miss Barbara Case, president-elect, will represent Aggie Co-eda.

An interesting program of lectures on organization and honor systems, and of discussions of disciplinary problems has been arranged. Much benefit to the individual associations is derived by the interchange of ideas.

ALPHA PHI DANCE

On April sixth, the night before the close of Easter vacation, the Alpha Phi Fraternity held its spring dance at the Yacht Club in Hartford. About twenty-four couples attended, among them being several alumni.

Patrons and patronesses for the affair were Mr. and Mrs. Walter Stemm and Mr. and Mrs. Michael Farrel.

CLASSROOMS IN MAIN CONDEMNED

During Easter Recess the second and third floors of the Main Building were condemned for use as class rooms for classes with more than ten or twelve members. This is because of the weakness of the building due to the removal of the original supports in the basement from time to time. The South wing and the center of the building have been affected. The North end is still safe for use as class rooms. The defects found were sagging of floors and pulling away of the South wall of the South Wing. This wing is particularly insecure since the main wall has moved away from its proper place. Pulling away of these walls has caused the roof to sag since there are no collar beams in the framing. The floors and the two upper stories are all out of level. The plaster on the ceilings is cracking, particularly in the large class room, and is considered unsafe.

It is thought that steel beams and lally columns may be used to reinforce the upper floors and a brace put against the South wall. If such is the case, classes will again be held in "Main." Fire exits for the upper floors are also recommended.

The Main Building was built in 1890. The North End was used as a chapel and later a floor was built into the basement so that there might be a second floor in the wing. This is at present a Chemistry Laboratory. The remainder of the building served the needs of the student body of one hundred and fifty.

At present the building house the library, department offices, offices of the President, Registrar, and Treasurer, laboratories for Chemistry and Zoology, Book Store, Post Office, Mail Room, Museum, and storage rooms for College Supplies.

NEW OFFICERS OF

W. E. C. ELECTED

Frances Hopkins '27 was elected president of the Women's Executive Council, and Mildred Carlson '28 secretary-treasurer at the meeting on April 8. These girls will not take office until next September, but will sit in at the rest of the meetings this year.

The Executive Council is a body which consists of a president, a secretary-treasurer, and chairman of all organized groups for a consistent regulation of affairs at Holcomb Hall.
