AGGIES OUTFIT
LOSE OPENER

The Connecticut Aggies baseball team lost the opening game of the season at Brown on Wednesday by the score of 10 to 7. Brown outpitched Connecticut getting thirteen hits off Eddy’s delivery while Coach Dole’s men collected eight safe hits. The Aggies fielded better than Brown having but three errors to their opponents six.

PROF. SECKERSON

Head of English Department Among Those Chosen to Unite College Dramatic Organizations.

Professor H. A. Seckerson was recently elected to the organizing committee of the College Theatre Association. His election comes as a recognition of his singular success with college dramatics.

Professor Seckerson is responsible for the remarkable advance of dramatics at C. A. C. Through his leadership and zeal a dramatic organization of the highest order has been built up at the college. The State College Players, as it is known, poss...
Early Practices Indicate Alexander Will Have Best Ball Club In Recent Years.—Metcall Is Real FInd.

Despite the prevailing cold weather Coach Alexander’s yearlings are shaping up exceptionally well, and give promise of rounding out into one of the best frosh baseball teams to represent the college in recent years. With many high school stars from which to form the nucleus of his team the coach ought not to have any difficulty in filling the positions with good men.

In Metcalf, a Hartford product is a pitcher of the highest caliber, and it appears as if he will be called on to do the bulk of the pitching. He is the best twirling prospect seen at Storrs for several years, and has worried many of the veteran teams in recent practice sessions.

E. Watson, backstopping Young, has been showing up good at second, Breitweiser, 53 feet; third, Clark. Hooper looks good for Metcalf, has been showing up well despite this loss. In the short distances Capt. Quigley, Ellery Atwood, and Cecil Smith have shown that they can provide ample opposition to the best of tracksters, Quigley being the record holder at the 60 yard run.

The infield is working smoothly with Hewitt at first, Haversat at second, and Tarling at the dizzy third, and Tarling at the dizzy corner. Metcalf, when not doing sumptuous duties, has been used frequently with the regulars at short, and Turling at the dizzy corner. Metcalf, when not doing mound duty, has been used at third, and Covers at position that position, Rortman has been used at short, and looks good at that position. Callahan, Bushnell and Usber appear to be the pick of the outfielders, and cover the field well.

Batting and sliding practices are being held daily and the team looks better every day.

NEW BLEACHERS MOVED AND PAINTED

With the painting of the new bleachers and the care being taken of the track and diamond, the A. A. Field is presenting a very good appearance for the coming baseball and track seasons.

The familiar cry, "All freshmen on the A. A. Field immediately after dinner," is again being heard, and the track and diamond are now receiving their daily care. As soon as weather conditions permit, the tennis courts are to be rolled and marked, so that they may be put in use as soon as possible.

There are several changes to be noted from the new A. A. Field, the nature of which have not yet been determined.

FRESHMAN TEAM APPEARS STRONG

JUNIORS WIN SWIMMING MATCH

Easily Defeat Frosh In First Contest For Interclass Championship

The Freshmen were badly defeated by the Juniors by the score of 42-22 in the first of the Interclass Swimming Meets of the season held in Dunham Pool last Monday. The Junior team was composed of Breitweiser, Clark, Gray, Fine, Lundberg and Young, while Monstrom, Stone, Wheeler, Lustig, Johnson and Marino represented the Frosh.

The events were as follows: 220 Yard Dash—Time, 3 minutes, 23 seconds. First, Breitweiser; second, Stone; third, Gray (disqualified). 40 Yard Dash—Time, 24 seconds. First, Clark; second, Monstrom third, Young.

100 Yard Dash—Time, 1 minute, 6 seconds. First, Breitweiser; second, Clark; third, Stone.

Diving—First, Gray; second, Monstrom; third, Clark.

Relay—Time, 1 minute, 43 seconds. First, Juniors (Breitweiser, Clark, Young, Fine); second, Freshmen (Stone, Wheeler, Lustig, Monstrom).

Summary: Juniors, 5, 5, 1, 3, 5, 3, 1, 3, 8, 2; Freshmen, 3, 1, 3, 3, 5, 3, 1, 2, 0, 0.

Officials—Starters, Whipple; timer, Wheeler; scorer, Way; judges, Evans, Way, Kaplan.

PLAY TRINITY NEXT THURSDAY

Aggie Hope to Register Victory Over Hilltoppers.—Hartford Team Better Than Last Year.

The Connecticut Aggie Baseball nine will encounter Trinity at Gardner Dow field next Thursday at 3:45 o’clock. Last year Connecticut won two games from Trinity, the scores being 9 to 1 and 6 to 5. Trinity opened their present season with a 9 to 8 victory over Lowell Textile. Coach Dole has been putting his squad through some stiff work-outs in order to register a victory. The probable lineup will be as follows:

TRINITY
Whitaker, p, Eddy
Thomson, e, Williams
Eberle, 1b, Makofske
Solma, 2b
Bond, 3b
Newholme, ss, Schofield
Wright, rf, Gilbert
Ebersold, cf
Mastronarde, cf

First Dual Meet of Season.—Aggies Promise Cardinal and Black Plenty of Opposition.—Capt. Quigley In Best Of Form For Dashes.

After two weeks of hard work or the outdoor track, the varsity track squad has rounded into shape in preparation for their dual track meet with Wesleyan tomorrow at Middletown.

This is the first meet of the season and stiff competition is expected from the Cardinal and Black aggregation which boasts of a well-balanced team.

The loss of Jacoby and Johnson by graduation last year, has handicapped the team this year as these men were holders of five records at the college in the field events.

The team to date has shaped up well despite this loss. In the short distances Capt. Quigley, Ellery Atwood, and Cecil Smith have shown that they can provide ample opposition to the best of tracksters, Quigley being the record holder at the college in the 220 yard run.

"Pat" Mulligan has shown that he is ready to fill the shoes left vacant by graduation last year, has handicapped the team this year as these men were holders of five records at the college in the field events.

In the discus throw both Bigood and Hohn will be entered. Both of these men have won their letters in this event and will be dependent upon to add to Connecticut's points.

Finding men to take Johnson's place in the hurdles has been a hard task, but Coach Daly has been developing Rowe, Fine, Listro and Evans for the hurdle events.

Entrees in the broad jump are Bigood, Evans and Brink.

If men are needed for the high jump, the long jump or the pole vault, keep the program given:

Good Record

A corking good game is booked for Friday when Tufts heavy hitting team opposes Connecticut on Gardner Dow Field.

The boys from Medford make a classy combination of ball players and should offer plenty of opposition to the Aggies. To date Tufts has won three games and lost one.

Coach Dole will probably start the same line-up that was used against Brown with the exception of the pitching assignment. The line-up of the two teams are as follows:

Tufts
Aherne, 3b, cf, Liston
Horn, rf
Kennedy, 1b, c, Bagley
Gilbert, e, Brothers
Schofield, rf, Brothers
Makofske, c, McClosky
Ajllo, 2b, Stratthede
Smith, 1b, McNelis
Nanfeld, p, Schuman

Girls' P. E. Class Give Exhibition

Freshmen and Sophomores In Gymnastic Competition

The Girls' gym classes gave an exhibition of their work in the Armory last Tuesday evening under the direction of Mr. Guyer. The following was the program given:

1. Competition Marching by Freshmen.

2. Competition Marching by Sophomores.

3. Competition Indian Club Drill by Freshmen.

4. Competition Indian Club Drill by Sophomores.

5. Dance entitled "Reap the Flax" by Freshmen.

7. Mass Drill, both classes.

8. Polka, Sophomores.

9. Irish Lilt by both classes.

10. Dumb Bell Drill by Freshmen.

11. Advance Indian Club Drill by Sophomores.

12. Waltz Relay Race, Frosh vs. Sophs.

Event won by Frosh.

5. Dance entitled "Reap the Flax" by Freshmen.

7. Mass Drill, both classes.

8. Polka, Sophomores.

9. Irish Lilt by both classes.

10. Dumb Bell Drill by Freshmen.

11. Advance Indian Club Drill by Sophomores.

12. Waltz Relay Race, Frosh vs. Sophs.

Event won by Sophs.

Event won by Sophs.

Event won by Sophs.

15. Calesthenic Marching, both classes.

The different events were led by the members in the class of Advance Physical Education, under the supervision of Mr. Guyer. The judges for the contest were Coach Alexander and Captain Crim.
Storrs 9 Years Ago

Connecticut opened its baseball season on Saturday, April 14th, by playing Worcester Tech. on the grounds and defeating the visitors 8 to 7. This was one of the most sensational games ever played on Storrs field, as the Aggies won it on a grand ninth inning rally.

Connecticut played the second game of the season at home on Saturday, April 28, when she met Wentworth Institute. The game was fast and pretty and it looked like a victory for the home boys until the sixth inning. Then the Aggies blew up and the Boston aggregation whaled in ten runs; the final score was 14 to 7 in the town refused the building for a use by the state. These trees will have to be selected by the Extension Agent for the use of the Boarding Club. Public Invited to attend. Plans for the coming year in amount sufficient to supply the winter needs of the Club.

1. Instructions have been given to the Farm and Market Garden Departments of the College to increase the planting of potatoes and vegetables for the use of the Boarding Club for the coming year in amount sufficient to supply the winter needs of the Club.

2. Land is being provided for members of the Faculty for Home Garden purposes.

3. The hours given to military instruction have been increased. One full day each week is given over to military manoeuvres.

4. The board of the college has voted to promote or graduate students who may be called on to work as military officers.

5. The faculty has voted to promote or graduate students who may be selected by the Extension Department for leadership in Boys' and Girls' clubs.

6. The baseball schedule has been canceled.

7. The male faculty have voted to organize a Home Guard. An application has been made for a Recruiting Office.

8. In so far as possible, the Station in its investigational work will cultivate staple crops that may add to the supply of food products.

9. The landscape department will curtail the planting of ornamental shrubs and flowers on the campus.

PHI EPSILON PI HOLDS BANQUET

Phi Epsilon Pi Fraternity held their 10th annual banquet and alumni reunion at the City Club, Hartford, Sunday evening, April 11. Including the alumni of the local chapter and a number of delegates from the chapters at Penn State, Syracuse, Tufts, N. Y. U. and others there were about seventy-five in attendance.

PLAN TO CONVERT OLD CHURCH INTO COLLEGE THEATRE

State College Players Hope to Raise Funds for Moving and Remodeling Old Structure.

Plans for converting the old church into a college theatre have been undertaken by Mr. Secker, with the cooperation of the State College Players. These plans include the raising of $5,000 to move and remodel the building, making it adaptable for a theatre. The disposal of the church has offered a problem as the new church is to be built on the same site; the town refused the building for a school, and the cost of turning it into an apartment house was deemed too great to be undertaken. It has been estimated that the cost of moving the building and making the necessary alterations will be $4,000-$5,000, while the cost of a new structure is estimated at $25,000.

At present there is a nation-wide movement to have a college theatre as a part of each college unit, and the acquisition of the old church as a theatre would place C. A. C. in line with this movement.

ENGLISH 17 CLASS TO PRESENT PLAYS

Public Invited to Presentations by Class in Play Production

Three one-act plays will be given April 29, in the Armory, under the direction of members of the English 17 class; admission of twenty-five cents will be charged. The proceeds will be used to improve the lighting of the theatre.

The plays to be presented are: "Judge Lynch," a story of the south and the negro; "Dickie Bird," depicting the result of a divorce and of a marriage which followed, and "Saved," a play similar to "Neighbours," given last year. Carrie Main is directing "Dickie Bird," Priscilla Swan "Saved," and Naramore "Judge Lynch." The lighting, costumes, and settings will also be in charge of the members of the class. The complete cast for "Saved" has not been chosen yet; the casts for the others are: "Dickie Bird"—Mrs. Griffiths, Miss Hutton; Richard Bowen, Mr. Gatchell; Emily, his wife, Miss Graf; Hedwig, a maid, Miss Koster; "Judge Lynch"—Mrs. Joplin, Miss Koster; Emma, daughter-in-law, Miss Stryer; Ed, her son, Lawrence Smith; a stranger, Nelson Smith.

S. C. P. PRESENT PLAYS AT WINDHAM

Three one-act plays were presented by the State College Players in Windham Wednesday, April 21, under the auspices of the Windham Players. The plays given were "The Girl," "The Robbery," and "The Clod." Those who made the trip were Misses Main and Koster, and Gatchell, Sullivan, Tyler; Ahern, Billipp, Tilley and Secker.

COLLEGE TO AID IN REFORESTATION

The Forestry Department of the college, in taking advantage of an appropriation passed in 1925 by the legislature, has adopted a reforestation project, which calls for the planting of ten acres of young trees yearly on waste land and cut-over college property. Up to last year one hundred and thirty acres had been reforested. With the recent purchase of land around the Pinten River a change of plans, calling for twelve to fifteen acres of transplanting, may be necessary.

The college has been designated as a sub-state nursery by the State Forester for the transplanting of trees for use by the state. These trees will be used in reforestation of state owned lands to replace forests which have been burned over or cut down, and to start forests on virgin land unsuited for agricultural purposes, for the conservation of water. Sixty thousand seedlings will be planted with the supervision of Professor Moss and his assistants.

HERE AND THERE

Abolition of active football captains was legislated at Stanford University by the executive committee of the student body. Hereafter the position will be honorary and only awarded at the end of the season. An active field captain will be appointed for each contest by the coaches.

In a questionnaire recently held for Yale seniors 199 answered no to the question, Do you believe in prohibition? Fifty answered yes.

Business men of the city of Topka recently attempted to prevent Paul Blanchard, a free speech crusader, from speaking at Washburn College. The faculty and students resisted, the president saying, "As long as this college exists it will stand for freedom of speech." Washburn, however, is not a state college.

Free transportation to and from Europe will be had by thirty-two Dartmouth undergraduates who have positions on cattle boats.

The Y. M. C. A. at Western Reserve means Young Married Couples Association.

Overlooked for the Good Issue

The reason why college men and women marry less frequently than other people has been discovered by Professor Schull of the University of Michigan. "Women in general choose to marry men who are their superiors but for college women there are no such men; hence they rarely marry." The case for men is almost the same for men, as a class, choose to marry women somewhat inferior to them selves, but as college men can find such women they do not often marry.

Roller skating is the latest fad at the Oregon Agricultural College. With so many classes in the Poultry Building the fad is expected to start here.

EDITORIAL NOTES

Decorations for the "Formal" drew favorable comment, one enthusiastic "Aggoye" going so far as to declare that the men should have at least one co-ed on the decorating committees of their dances. Not a bad idea at that.

Our idea of ingratidude is the group who during intermission of a dance eats their refreshments in the Campus office, and then leaves the plates and spoons scattered about the floor when through. Yes, it happens now and then.

From all accounts, the team threw a real score into Brown at Providence Wednesday. Too bad the boys couldn't have brought back Brute's hide back to Storrs, but it was a good beginning for all that.

We hear rumors to the effect that the Student Senate is in the near future going to hold a "pond party" for yearlings who cut freshman labor back last November and December. All of which goes to prove the old saying that "great bodies move slow!"

Speaking of "great bodies," we wonder when the Mediator is going to take some action on rushing rules for next year. That is a matter which should receive attention now, rather than waiting until later when they will have to be rushed through.

THE CO-ED ISSUE

The Campus takes this opportunity to congratulate the women students who published the third annual "Co-Ed Issue" of this paper. Their work was well done, and done on time, as a study of the splendid issue of last week shows.

All available space was filled with live material to fill space was unnecessary. As a matter of fact, there was more than two columns of copy held over for lack of room.

mention of which is made at this time to show that the young women are doing as well the rule: "Get the News."

Because it gives the college an opportunity to know how well the women students can assume and carry through an activity, The Campus welcomes Co-Ed Week, and with it the annual "Co-Ed Issue." All too many here carry the impression that aside from making the social life of the college more pleasant, co-eds add little to other activities of the institution. Not only last week's Campus but the entire co-ed program, proves positively that such an impression is the wrong one.

So far as The Campus is concerned support from our friends across the road has always been strong, not only from the standpoint of subscriptions but in representation on the editorial board. And no doubt a study of other activities in which the women students participate would show a like result. Bearing this in mind, it is indeed well that Co-Ed Week is now an annual institution at Connecticut.

The program last week, as in other years, demonstrated the women students' opportunity to manage a number of activities as they saw fit. The success attained is proof enough that co-eds are just as capable in handling affairs as "mere men," and in some instances, even more so.

And in congratulating the co-ed editors of last week, The Campus wants to acknowledge the assistance they have loyally rendered during the present college year. Their interest and work have been an important contribution in whatever results may have been obtained.

THE VARSITY CLUB DANCE

The Varsity Club, which is made up of all "C" men in the college, will hold its annual dance in Hawley Armory the night of April 30. The dance is being held to make money, which will be used to purchase gold emblems for the graduating athletes. It is one of the few occasions when both the Varsity Club committees, the student body for support, and the call in this instance should not be overlooked.

Plans for the affair are well under way, and John R. Kuhl '26 is chair- man of the live committee in charge of arrangements. The dance will run from eight-thirty to twelve o'clock.

Check the date, April 30, and plan to be present at the Varsity Club dance.

1929'S OPPORTUNITY

Attention of the class of 1929 is drawn to the new Community House which is now under construction, and which will probably be completed before the close of the present college year.

A gift of Connecticut people through a state-wide campaign conducted by the Connecticut Federation of Churches, this structure will complete do much to improve the social facilities of the students and community.

Sufficient funds have already been raised to pay costs of building the Community House, and by the first of June it is expected that two-thirds of the $500,000 goal necessary for the new Church and Community House, and the endowment fund, will have been raised.

Last year the Rev. Morris E. Alling pastor of the Storrs Church and director of the church campaign, outlined during a Wednesday assembly the plans by which it was hoped the religious and social facilities of the college might be improved. Sufficient to say that he "sold" the idea, with news that approximately three hundred students immediately pledged $1,615 as their contribution to the project.

The suggestion has already been made that the students of the college provide the $2,000 necessary for the furnishing of the social room of the Community House. This suggestion seems particularly appropriate, as students will make a greater use of this room than any other group, and the amount necessary is not too great to expect from five classes.

And it is in the mention of five classes that the freshmen may take their opportunity. Members of the class of 1929 will have an opportunity to contribute towards the $2,500 goal for the building of the student body, and if they pledge liberally as the students a year ago did, their contribution should go a long way towards obtaining the desired amount.

Attention should also be made at this time of the upperclassmen who are not pledged to the campaign. They too, have an opportunity, and they should make the most of it. All will benefit when the new structure is complete, and all should have a share if but a small one, in the costs involved.

Freshmen—and upperclassmen who have not pledged—what is your answer?

STORRS POPULAR FOR CONFERENCES

Each summer the Hill is becoming more and more popular to the people as an excellent place to hold conferences. Already sixteen organizations have secured dates for meetings at Storrs next summer, and these run all the way from one-day sessions to conferences that cover two weeks. The new Community House will be ready and open for the use of the summer visitors.

Several religious organizations will be attended this summer by young people of the Congregational churches of Connecticut will hold their meeting from June 25 to July 8. The Baptists from July 7 to 14, and the World Wide Guild of Young Women from September 10 to 12. Week is scheduled for August 3-6. Junior short courses for members of Connecticut's 4-H clubs will be held July 21-25. The Smiths, a group of teachers of Home Economics will meet July 21-25, and an extension conference for women will be held at Storrs from July 16 to 18.

Two summer encampments of military organizations have been scheduled:

SAFETY VALVE

THE CONDUCT OF THE STUDENTS AT ASSEMBLY

It behooves me, after seeing the way that the students acted at assembly last week, to express my thoughts to the town.

When a speaker from out of town comes to Storrs to speak at assembly he returns to his town with impressions—good or bad that he has received while at Storrs. If the student body behaves in assembly the impressions that the speaker carries away will be good ones but if they misbehave the impressions are inclined to be bad.

When a speaker is greeted in assembly with the rustling of newspapers, crumpling of books, and bits of orange peel flying through the air, it is no wonder that he carries away impressions that are most unfavorable.

By the time people are old enough to go to college they are also old enough to know how to behave. A perfect assembly inspires the belief that the blame of the misbehavior can be put on any class in particular but I do believe that in every class there is room for improvement.

If no better way can be found to promote good behavior at assembly let each fraternity take it upon itself to see that their members conduct themselves in a gentlemanly way.

FAIR PLAY

To the Editor of The Campus:

The grove of trees around the Infirmary and the one on the north side of the Duck Pond are two pretty spots on the campus. These groves are made up of Pitch Pine (Pinus rigida). The trees now forming these groves are young and will not become mature until next year. If these two beauty spots are to be maintained, seedlings should be planted now so that they may become established and get a start in the take the place of those trees which in a few years will all be gone.

OBSERVER

VENTILATION IN THE COLLEGE BUILDINGS

To the Editor:

In nearly all of the college buildings about the campus, there is a decided lack of ventilation; in fact there is no system of ventilation at all. Go into any of the buildings at any time, and you will see that this is true. All the doors are equipped with automatic closers which keep them closed except for the brief interval when persons are passing in or out. Thus, only the minimum of fresh air is allowed to enter in this manner.

Most of the rooms in all the buildings are over-abundantly supplied with heat at all times, a fact which makes the ventilation problem more acute. Many of the classrooms are small in proportion to the number of students which they must accommodate. Go into the Main Building. In the basement the air is dry, dusty.
and stale; in other parts of the building there is the same shut-up atmosphere with a very apparent effect of an over-supply of heat. In the proximity of the chemical laboratory the air is flavored with offensive fumes which linger and disperse to other parts of the building. Go to Gulley Hall and a similar dry, foul air is encountered. Only this time there is a musty flavor from the fruit and vegetables kept in the basement. Go to the Dairy Building and likewise a very pungent atmosphere of air that is rarely changed with that from the outside but is frequently impregnated with the scent of cigar smoke is found. Thus is found much the same vicinity of the chemical laboratory the atmosphere with a very

days of the year the effect is very

while in any of the buildings. It is brought into sufficient prominence to roundings, it seems that some step should be made to relieve the situation temporarily at least. What is there that is more important to a student's time in the pursuit of knowledge? Cool, airy, class rooms would do much toward increasing this efficiency.

FRIENDS

To grasp a friendly hand in mine, And hear a real "hello," Gives just the grandest thrill on earth That one could ever know.
The thrill I speak of only comes When we can grasp a hand Of one we know and really feel Can truly understand.

P. A. throws pipe-peeves for a loss

AND the bigger they are, the harder they fall, as Shakespeare or somebody said. You can prove this beyond question with a jimmy-pipe and a tidy red tin of Prince Albert. Any time. Anywhere. As a matter of fact, tackling pipe-peeves is P. A.'s regular business.

Cool and sweet and fragrant, P. A.'s wonderful smoke comes curling up the pipe-stem, filling your system with a new brand of pipe-pleasure. You smoke—and smile! For the first time in your life, you've found the one tobacco that scales to your blueprint of bliss.

Slow or fast, no matter how you feed it, P. A. never bites your tongue or parches your throat. Those important items were taken care of in the original plans by the Prince Albert process. Get yourself a tidy red tin of this friendly tobacco today.

PRINCE ALBERT

—no other tobacco is like it!
AGGIE REFEREES IN DEMAND

High Schools Well Pleased With the Work of Student Officials in Inter-
scholastic Games.

The basketball officiating done by
students of C. A. C., has lately
attracting much attention and
favor.

The work of the Aggie officials
is treated. I did not hear a word but
the officials were paid
free of charge. Annual Dance Given by Girls

The annual Co-ed Formal held in
Putting at the Connecticut Campus on

The Animal Husbandry 13 class, under
the leadership of Assistant Pro-
sessor Skinner, made a field trip by
motor to Boston, Mass., on April 13
and 14 to visit some of the large cat-
tails and exchanges, packing
plants and horse auctions of the east-
ern states. Several large cattle farms
were also visited. Mr. Terrill, the col-
lege sheep specialist, acted as guide.

The New England Marblehead, and the New England
Dressed Meat and Wool Co., were
visited the first day. The latter plant
was inspected again the following
morning in order to follow the pack-
ing process from the live animal to the
dressed product. In the afternoon,
Brighton Markets, the oldest of its kind
in the east, and Keith's large auction
stables were visited. On the home-
ward journey the class stopped in at
Henry Ford's "Wayside Inn," at Suds-
bury, Mass., where some of the most
valuable Pilgrim antiques are to be
found. At Pomfret Center, Cush-
man's stock and sheep farm was in-
spected.

Hog killing at the rate of 7,000
head per day was the center of attrac-
tion for the majority of the class.
Sausage-filling, at the rate of 16 miles
day, was as highly amusing as it
was interesting. Much interest was
derived from the trip, due to the choice
of plants visited and the information
earned from their staffs.

CO-ED FORMAL IS SUCCESSFUL

Annual Dance Given by Girls is Color-
ful Event

The annual Co-Ed Formal held in
Hawley Armory, last Friday, was ful-
ly as successful as was expected. Over
one hundred couples attended. Music
was furnished by Cavallaro's Cinder-
ella Ballroom Orchestra. The grand
march preceded the third dance and
was led by Margaret Hutton '26, chair-
man of the Social Committee, with Er-
nest Speers '26. The following were
on the receiving line: Miss Land-
berg, President Beach, Mr. and Mrs.
Hendrickson, Miss Keyes, Mr. Dixon,
Miss Peck, Mr. Griffen.

E. F. KIMBALL TO
ADDRESS ASSEMBLY

Elwell F. Kimball, a Connecticut
man, and superintendent of schools at
Thompson, will address the assembly
ALY 28. His subject will be "Lead-
ers."

Many Interesting Places Around Bos-
ton Visited on Field Trip

The "Hayfield Follies" Under the Di-
rection of Prof. Tilley and Joe
Rahb Will Be Given Night After
Prom.

Plans are rapidly going forward to-
ward the production of the "Hayfield
Follies," which will be presented the
following night after the Junior Prom. The
book for the production was written
by Leroy Begley, Joseph Rabinowitz
and W. Tandolph Tilley of the Eng-
lish Department. Sidney Fig is re-
ponsible for the lyrics and music.

The entire production is under the
general direction of Mr. Tilley, and
the dances are being worked out un-
der the personal supervision of Joe
Rahb.

It is the belief of those connected
with the review that the "Follies" will
succeed where former productions
have failed to make the Junior Prom.
Entertainments presentations of gen-
une interest and vitality.

SOPHOMORE CO-EDS WIN CHAMPIONSHIP

The Girls' Interclass Basketball season is closed with the Sophomores leading as to the number of games won. They were victorious in three out of the four games in which they played, the Juniors, following with two, and the Freshmen one.

Healey was high scorer for the Sophomores. Cooper for the Juniors and Bronson scored the greatest number of points for the Freshmen.

The Girls' Athletic Association is planning to have the teams meet next week, then baseball and track, which will be the last contests of the season.

The Sophomores now lead in the number of points for the Interclass Cup with nine points, the Juniors second with five points, and Freshmen with three points.

DR. ALLEN SPEAKS ON VOCATIONAL GUIDANCE

Dr. Richard D. Allen, Director of Vocational Guidance in Public Schools, and lecturer of Vocational Guidance in Harvard Summer School, lectured Monday night, April 12, to a large group of Faculty and Experiment and Extension Service workers on the topic, "The Point of View of Vocational Guidance." A discussion followed, Dr. Allen answering such questions as those especially interested cared to ask.

It is interesting to note that interclass basketball games which were sent were: Naugatuck, Lorentzen and Schildgren; Weaver, E. Watson and H. Watson; Torrington, Brooks and Wadhams; West Hartford, Osterling and Metcalf; Hartford, Lewis and Dauley; Middletown, Anderson and Donovan; Meriden, G. Brigham and T. Brigham; Norwich, Gilman; Seymour, Ajello and Haversat; Killingly, Biltgood and Williams; Chapman Tech, Hewitt and Noonan; Woodstock, Safford; Manchester, Murphy and Powers; Revere, Hooper and Ryan.

DELEGATES FORM DEBATING LEAGUE

During the Easter vacation representatives of six New England colleges met in Cambridge, Massachusetts, to discuss the formation of a College Debating League. Wright Gifford of Conn. Aggies was chosen secretary of the meeting. It was decided that the league be formed. The conference proceeded to construct plans concerning the activities of this Debating League. It was voted that in 1926-27 the colleges of the Northern States, Maine, New Hampshire, Vermont, should debate against the Southern States, Massachusetts, Rhode Island, Connecticut, and that in the following year the eastern and western states should debate against each other. At the end of the year the contest between the winning sectional teams will decide the championship.

ENGINEERS TAKE OVER FIRE DEPT

The Engineering Department, under the instruction of Mr. Earl Moore, has been made responsible for the functioning of the Fire Department at the college. Charles Phipps '27 has been appointed Chief of the Fire Department, and Arthur Zollin '27 has been appointed deputy chief. The department has been organized so as to have someone responsible for the working of the fire apparatus. The engineering department has given special instructions in regard to fighting fires, and a false alarm will be sounded some day in the near future when a demonstration of fighting fire will be given.
