STUDENT SENATE ELECTIONS HELD

Juniors Elect Two More Members.
Sophs Elect Four Men

At a recent meeting of the Junior class L. Richard Belden and Clinton Yardley were elected senior members of the Student Senate for next year. With the four juniors in the Senate this year the two newly elected men will comprise the senior members of next year's Senate. They are Arthur L. Lorentzen, president; Arthur E. Meffre, Randolph W. Whaples, John L. Breitweiser, L. Richard Belden, and Clinton T. Yardley.

The Sophomore class also recently elected men to represent the class in the Student Senate next year. Four men were elected: Francis Ryan, William Bendix, Harold Cleveland, and Willard Eddy. All four men are prominent in student activities.

COMMUNITY HOUSE DEDICATION

Dr. Dorchester Presides.—Reverend Gallaudet Is Main Speaker

Rev. Herbert Gallaudet of Waterbury, who addressed the gathering at the dedication services of the Community House last Sunday, stressed the great need for religious training which the Storrs Church and Community House project will help fill. He emphasized the fact that the greatest need of our life today is religious training to offset the moral breakdown and "spiritual bankruptcy" which is facing the world. Mr. Gallaudet stated that character is not being developed as it should and the best means for filling this lack in the development of the younger generation is religious training.

The four essential propositions to which the Community House and Storrs Church were dedicated were outlined by Mr. Gallaudet. He outlined how the old church could not accommodate the various functions which were vital. To point out the need for religious and social facilities, Mr. Gallaudet said, "I visited Storrs and found the only church in the place an old-fashioned twenty-four cross-roads Congregational church built somewhere back in the eighteen forties or fifties. The new community house and the thriving college have grown up quite suddenly all around it and they were trying to do a 1925 business, religiously, with an 1845 plant—something up-and-coming Connecticut set of folks would dream of attempting to do in anything except religion."

The House passed into the hands of the community when President L. L. Beach accepted the keys from Professor George E. Hale, chairman of the board of trustees of Storrs church. Rev. Dr. L. H. Dorchester, president of the Connecticut Federation of Churches, which raised the funds for the erection of the Community House, was chairman of the exercises.

MISS SPRAGUE, DEAN OF WOMEN, RESIGNS

Dean Since 1914.—New Dean Not Yet Named

Miss Estelle M. Sprague, Dean of Women at C. A. C. since 1914, has filed her resignation from that position, an account of mental ill health. Her resignation has been accepted and will become effective September 15, 1926. Besides holding the deanship Miss Sprague has been an active worker in the Extension Service, being the State Home Demonstration Agent leader. Her successor for the position of Women has not yet been selected since the new dean will not be named until September 15th.
The Athletic Council recently voted letters in track to ten members of the team. Those awarded were: Captain Quigley, Longo, Atwood, Mulligan, Gallant, Farwell, Rowe, Listro, Evans, Kane, and Manager Gaylord. The lettermen elected Mulligan by a unanimous vote to be captain for the 1927 season. Mulligan has been a consistent performer in all the meets this season and holds the college record for the mile run.

As far as numbers of victories this year is concerned the team felt a little short of previous years. This is partly explained, however, by the harder competition encountered in anticipated.

The Connecticut Aggies overall record this season is 9-7. In a dual meet on May 29th, placing first in all but one of fourteen events, to win by a score of 9-7. Mulligan was Connecticut's high scorer, placing first in the 220 yard dash and the half mile, and third in the century, for a total of 11 points. Rowe won both the high and low hurdles, scoring ten points for the Aggies. Captain-elect Mulligan won the two-mile run easily.

Trinity's only first place came in the pole vault. Trinity failed to show its expected strength in track events and the meet was not as close as anticipated.

The Connecticut Aggies, in a close, with the Faculty taking first place. They had four victories and no second; L. Evans, Connecticut, third. Time, 10-5-5 sec.

JACOBY WINS RACE

John R. Jacoby, captain of the 1925 track team, carried off the large silver trophy offered by the city of Norwich to the winner of the five mile cross-country race held at Norwich on Memorial Day. Jacoby led a field of some of the best long distance runners in the Eset over which the course was laid. He was 45 minutes, 50 seconds, which can be considered fast under the adverse weather and track conditions that prevailed. Jacoby expects to continue his career as a long distance runner under the colors of a New York club while he is pursuing a summer course at Columbia.

The annual banquet of the State College Players was held at the Stonington Manor Inn, June 6. Mr. Tilley acted as toastmaster. The speakers were Mr. Moore, Mr. Gatchell, Mr. Sullivan, Mr. Ahern, and Mr. Seckerson. Pink was used as the foundation of the color scheme carried out in the favors, place cards, flowers and candles. In recognition of the work which they have done in the production of the plays Miss Tiffany and Miss Service were elected members of the State College Players.

SENIOR CO-EDS DINNER GUESTS OF E. M. SPRAGUE

Miss Sprague, Dean of Women, gave a dinner for the girls of the senior class, in the Faculty Tea Room, last week. Pink and white sweet peas were used in decorating and candlelight added to the attractiveness of the room. Girls from the sophomore class served.

After the dinner the party adjourned to the living room in Holcomb Hall where cards and music furnished entertainment.

PRACTICE HOUSE WILL BE USED BOTH SEMESTERS

The Practice House will be used first semester as well as second next year by the Senior girls, owing to the large class membership. Formerly the classes were small enough to be divided into two groups, but this was found to be impossible for the class of '27; consequently four groups have been formed, the first to move directly into Practice House in September.

The Campus needs your support. In the past year our list of alumni subscribers has numbered less than one hundred. Our circulation has been greatly improved during the past year. Complaints from outside subscribers regarding our circulation have been few; instead, we have received letters from alumni subscribers congratulating us on our new method of circulation. COLLEGES PLAN
CAMP MEMORIAL

Institutions Throughout Country Will Honor Name of Outstanding Athlete and Coach.

The committee appointed by the National Collegiate Athletic Association to represent that body in the erection of a memorial to Walter Camp has completed plans for the active participation of 458 colleges in raising half of the $300,000 needed for the memorial. Alumni as well as undergraduates are to contribute to the fund.

As a preliminary to the campaign which will get under full headway early in the fall, the country has been divided into nine sections, with a member of the committee acting as chairmen of each district. The actual plans for raising the money will be worked out by each district chairman, aided by his own local committee. Some of the suggestions already submitted are:

1. That a subscription be secured from every college athletic association in each district, with local chairmen and committees to determine the use of these subscriptions and the best methods of raising the fund.

2. That individual subscriptions be secured from the alumni of each college through appeals in alumni and undergraduate publications, and through personal appeals from the secretaries of alumni associations.

3. Arranging to add a small sum to the price of each football ticket to be sold for a regularly scheduled game to be played upon a Saturday which will be designated in each district as "Walter Camp Day.

Each district committee will determine upon its own method, so that various plans will be in force in different sections of the country.

In announcing these plans, E. K. Hall of Dartmouth, chairman of the Football Rules Committee, and also of the Walter Camp Memorial Committee said:

"Walter Camp was an outstanding figure in American life. He was not alone a great football player and coach. He stood for all that is finest and best in clean sportsmanship. He was a hero to every boy who ever played or saw a football game. His name was held in deep affection on every college campus. It is for that reason that all American colleges have instil-
If a girl is truly beautiful, it doesn't need a second look to tell you so. If a cigarette is really pleasing, it doesn't take a second package to register the fact. Superior quality makes itself felt in a hurry.

So it is with OLD GOLD Cigarettes. No long courtship is needed to satisfy you that OLD GOLDS are perfectly mated to your taste. It's love at first light. When the match is struck, the match is made.

With the first puff of this exquisitely fine blend, you will know you have found the mellowest, smoothest, most fragrant and gratifying smoke you've ever set your lips to.

When you try one ... you're won!

It is a COOLER cigarette. The heavier and coarser leaf has been discarded for hand-selected lighter and finer leaf—requiring less draught and bringing less heat to the lips.

It is a SMOOTHER and MILDER cigarette. A new-day method takes out all harshness in the tobacco, tempering the balance to gentle perfection.

It is a more FRAGRANT and PLEASINGLY GRATIFYING cigarette. Only the pick of the choicest Turkish and domestic tobaccos is used in OLD GOLD, blended by old masters to bring out the utmost in aromatic smoking quality. . . . P. Lorillard Co.

The Varsity baseball team was defeated by Wentworth Institute by the score of 11 to 5. The game was played here in Storrs, and was witnessed by an unusually large crowd which included the many visitors who attended the Junior Prom on the previous evening.

Arrangements were made with the manager of the Rhode Island State College team for a track meet to be held in Kingston.

At the interclass outdoor track meet, held at the athletic field, the Seniors were awarded first place, scoring 36 points, and the Freshmen second with 29 points.

The first home Glee Club concert of the year was given in Hasley Armory. The concert was given in connection with the Junior Week festivities and was under the auspices of the Junior class.

The commencement exercises of the class of 1928 were held in the Hasley Armory, Tuesday forenoon, June 13. It was probably the greatest event the College had ever seen. Long before the time for the exercises to begin, people were seen going into the Armory, and when the orchestra began its opening number, every chair in the large hall was occupied.

The final game of the season was played at Storrs on Decoration Day and the Varsity's opponents were our rivals, Rhode Island State College. Rhode Island managed to register a victory by a score of three to two.

The twenty-third annual supper and reunion of the College Shakespearean Club was held in the chapel, on Monday night, June 12, after the anniversary exercises. Mr. H. L. Garrius acted as toastmaster.

The seventh annual banquet of Sigma Alpha Pi was held on Tuesday night, June 13, at the Hotel Bond, Hartford. Thirty members, active and alumnae, were present. L. B. Sanford acted as toastmaster.

It now seems as if the students at Connecticut would be able to enjoy movies in the near future without taking long and dangerous trips to "Willy." As nearly every one knows, a machine booth has been placed in the Armory and the screen has been put in place.

Wishing to continue the custom originated by the seniors of last year of having a smoker for the college classes and to make it an annual event, the class of 1916 gave a smoker to the three lower classes in College Hall.

The marriage of Mildred, daughter of Mrs. H. V. Beebe, to Rudolph M. Seymour '24, took place in the Storrs Community Church on June first. Rev. Morris E. Alling officiated at the ceremony which was witnessed by a large number of friends. The couple departed immediately after the ritual for a short honeymoon trip to Point Pleasant, Rhode Island. Mr. and Mrs. Seymour will soon take up their residence at Farmingdale Long Island, where the groom is an instructor at the New York State College of Agriculture.

PLAN FOR NEW MEN'S GLEE CLUB

Plans are being made to organize a male glee club at Connecticut next fall, the nucleus of which will consist of the College Male Quartet. Candidates will have an opportunity to try out immediately following the opening of the fall term. Any one who can sing and is interested in the formation of a glee club should prepare for the try-outs.

If the success of the glee club is assured next semester, a concert will probably be arranged for some time during the winter months.
