MINUTES OF THE MEETING
OF THE
BOARD OF TRUSTEES
THE UNIVERSITY OF CONNECTICUT

Held at Storrs	April 15, 1970

In the absence of the Chairman, Mr. Budds, and Vice Chairman, Mr. Maxcy, the meeting was called to order at 10:05 a.m. by the Secretary of the Board, Mr. Merlin D. Bishop. Those present were: Mrs. Bailey, Messrs. Bishop, Gill, Holt, Marcus, McCormick, Nielsen, and Tasker.

Also present were President Babbidge, Mr. Gant, Academic Vice President and Mr. Evans, Vice President for Financial Affairs.

All actions taken at the meeting were by unanimous vote of the Trustees.

1. THE BOARD VOTED to approve the minutes of the meeting of March 18, 1970.

2. Acting on Mr. Holt's recommendation as Chairman of the Finance Committee, THE BOARD VOTED to approve the following contracts and agreements and to authorize the President, the Academic Vice President, the Vice President for Financial Affairs, or Assistant Vice Presidents to sign the necessary documents on behalf of the University:

**STORRS CAMPUS**

(1) Agreement with Mary Ross and Jay Lerman, authors, and Stanwix House, Inc., Publishers.

**Purpose:** Prepare and publish a book intended for professional use concerning the testing of speech discrimination in hearing-impaired children. The publisher will pay to the University royalties at the rate of 7% based upon net monies received from the sale of the work, "WORD INTELLIGIBILITY BY PICTURE IDENTIFICATION TEST."

(2) Agreement with South Arsenal Neighborhood Development Corporation

**Amount:** $6,000 additional

**Effective Dates:** Work to be completed by September 15, 1970

**Purpose:** Alterations to the premises leased by the University at 43-45 Canton Street in Hartford.
Agreement with South Arsenal Neighborhood Development Corporation
Amount: $550 per month for janitorial and snow removal services
not to exceed $1,000
Effective Dates: May 16, 1970 to May 15, 1971
Purpose: To provide janitorial services at 43-45 Canton Street in Hartford and snow removal services.

HEALTH CENTER

Amendment No. 1 to the agreement with Donald D. Sagarino
Amount: $3,000 (change from $3,200)
Effective Dates: July 1, 1969 to June 30, 1970
Purpose: To pick up and deliver cadavers and to use Mr. Sagarino's embalming facilities.

Amendment No. 1 to the agreement with Vincent G. Kling and Associates providing for interior design services.
Amount: $31,500 (change from $24,500)
Effective Dates: July 1, 1969 to June 30, 1970 (no change)
Purpose: To prepare and furnish a mock-up of a department head's suite.

TRANSFER OF FUNDS

From: 0-7302-111, University of Connecticut Health Center
Personal Services $130,000

To:
0-7302-000, Other Expenses $25,000
0-7302-290, Equipment $105,000

Reason: Funds are available for transfer from Personal Services because of authorized positions that have been held unfilled during the fiscal year. Requirements in Other Expenses and Equipment are to meet the need to provide 10,000 square feet of trailer office and laboratory space for the School of Dental Medicine in order to be prepared for dental clinical operations for the 1970-71 academic year. The funds in Equipment will be used to purchase trailers; in Other Expenses funds will be used to provide for utility and related work necessary to make the trailers operational.

Hartford Inter-Hospital Ambulatory Care
The purpose of this proposal is to receive representation and support from the four hospitals in Hartford, the Task Force on Neighborhood Services of the Community Renewal Team, and the Hartford County Medical Association to form a non-profit corporation.
This corporation shall apply for, receive, and administer governmental or private research planning grants:

1) To investigate and define problems of the ambulatory health care system in Hartford;
2) To propose specific solutions to these problems - such efforts to encompass the areas of consumer needs, providers' responsibilities, financing of care, and reimbursement of professionals and institutions, and such other subjects as seem relevant to the issues in question;
3) To develop methods for evaluation of those solutions that are implemented;
4) To attempt to bring about the implementation of its proposals but will be specifically excluded as an implementing agency.

The voting members of the corporation shall consist of:

1) Three representatives selected from Hartford Hospital
2) Three - Mount Sinai
3) Three - Saint Francis
4) Three - University-McCook
   (At least one representative from each hospital shall be a member of the active medical staff.)
5) Two representatives selected by the Hartford County Medical Association from its membership who are engaged in private practice in the City of Hartford
6) Seven representatives of the community who shall be residents of Hartford - to be selected by the Community Renewal Team Task Force on Neighborhood Services.

3. President Babbidge informed the Board that the University has been reviewing the question of rates and rentals for staff-occupied housing for the past several months. The President distributed material identifying the current University rental properties and occupants: 166 apartments @ $90 per month occupied by 121 professional staff members, 17 graduate assistants, 25 classified employees, including 3 vacancies as of this date; 89 houses, 29 occupied for convenience of the University (including 15 agricultural employees), 22 transient accommodations (less than three years), 14 occupied under life tenancies, 8 used for storage,
7 special accommodations, 5 assigned to dining hall employees, and 4 for academic use.

The President further informed the Board that outside real estate appraisers would be consulted to advise the University on current rental rates for comparable properties in this area. This information will be reported to the Board for subsequent rental policy considerations.

4. President Babbidge distributed copies of the recent report by the Academy for Educational Development on the administrative and academic organization of the University. Provost Gant reminded the Board that the Academy was asked to undertake the study about a year ago. He noted that the report will be discussed with various groups in the University and that consideration by the Board may be deferred pending further study of the Academy's recommendations.

5. Mr. Evans called the Board's attention to Public Act 812, Section II, and his recent discussions with Mr. Leo V. Donohue, Commissioner of Finance and Control, regarding the possibility of refunds for out-of-state tuition to certain needy students. Mr. Evans pointed out that the new $300 out-of-state tuition fee levied by the 1969 Legislature reverts to the State General Fund and not to the University. After a lengthy discussion, THE BOARD VOTED to authorize the administration to request funds from the State Finance Advisory Committee under the provisions of Public Act 812 to provide for refunds of out-of-state tuition in accordance with the Board's general policies concerning needy students.

6. President Babbidge, in commenting on the increasingly difficult problem of funding in the area of financial aid for graduate and undergraduate students, noted that the University has relied mainly on federal assistance and the University's scholarship allocation from general fee income. Since the University has received no significant State scholarship support and federal aid is declining the University must dig more deeply into its auxiliary service reserves. After further discussion, THE BOARD VOTED to authorize the President, under the surveillance of the Board's Finance Committee, to dig deeper into the auxiliary services reserves to meet current needs for financial assistance.

7. Acting on the recommendation of President Babbidge and Dr. John Patterson, Director of the University's Health Center, relative to certain requests from the Commission on Medicolegal Investigations, THE BOARD VOTED to approve the following:

Space: The Commission will develop, at its own expense and with permission of the City of Hartford, a trailer facility at McCook Hospital as Phase I of its building plans.
Following the transfer of classes for medical and dental students to the main building in Farmington, the University agrees to make temporary building 5 or 6 available for the headquarters of the Chief Medical Examiner on an interim basis. It is understood that the renovations will be subject to approval by the University and that the costs will be paid by the Commission. A charge will be made to the Commission for operating expenses incurred by the University.

The University supports the concept of developing a permanent facility for the Chief Medical Examiner on the Farmington campus. It is assumed that a more detailed proposal will evolve and be presented to the Board for consideration at a later time. The Trustees are interested in the overall aesthetics of the Farmington campus and, therefore, would want to have the selection of the architect for a permanent facility subject to its approval. It is understood that the Commission on Medicolegal Investigation will be responsible for obtaining funds to meet the costs of developing and building a permanent facility.

**Business Administration:** The Board appreciates the difficulties that are associated with obtaining adequate accounting, personnel, purchasing, and plant maintenance support for the operation of a new and initially small endeavor. Therefore, it is willing to contract with the Commission, through the University of Connecticut Health Center, to provide these services on a year-by-year basis.

**Faculty Appointments:** In recognition of the close ties in education and research which are expected to develop between the Office of the Chief Medical Examiner and the Health Center of the University, the future location of the headquarters of the Chief Medical Examiner on the Farmington campus, and the participation of the Dean of Medicine in the nomination of full professors of Pathology to the Governor for appointment to the Commission, the Board supports the concept of having an affiliation with the Office of the Chief Medical Examiner with faculty appointments evolving for qualified professional individuals on terms similar to those in effect between the School of Medicine and affiliated community hospitals.

8. THE BOARD VOTED to place on the table, for consideration at a future meeting, three proposed changes in the Constitution of the Student Union Board of Governors.

9. President Babbidge informed the Board that numerous members of the senior class and the Student Bar Association at the School of Law have requested a separate law school commencement. After a brief discussion, THE BOARD VOTED to empower the President to meet with the Dean of the School of Law to work out a satisfactory plan, bearing in mind that the current budget makes no provision for an off-campus commencement.
10. THE BOARD VOTED to accept the following scholarships, financial aids and gifts and requested the President to write appropriate letters of appreciation.
