The meeting was called to order at 10:15 a.m. by Chairman John J. Budds. Board members present were: Mesdames Bailey and Sterling, and Messrs. Bishop, Budds, Gill, Holt, McCormick, Nielsen and Waller.

Also present were: President Babbidge, Mr. Gant, Provost and Academic Vice President and Mr. Evans, Vice President for Financial Affairs.

All actions taken at the meeting were by unanimous vote of Trustees present.

1. THE BOARD VOTED to approve the minutes of the meeting of April 17, 1968.

2. Acting on Mr. Holt's recommendation as Chairman of the Finance Committee, THE BOARD VOTED to approve the following contracts and fund transfers at the Health Center and to authorize the President, Vice Presidents for Financial Affairs, Assistant Vice Presidents; or the University Controller to sign the necessary documents on behalf of the University:

   Health Center

   Continuation of the contract between the Health Center and Larson Livery Service. This contract provides for the rendering of pickup and delivery service of cadavers. Reimbursement will be at the rate of $15 each cadaver, not to exceed $600. In addition, mileage will be reimbursed at the rate of 25 cents per mile, not to exceed a total of $1,500. The period of this contract will be from July 1, 1968 to June 30, 1969.
Storrs Campus

1. Application to the Urban Renewal Administration, Department of Housing and Urban Development, submitted by the College of Agriculture. The purpose is to develop certain land known as the Bartlett Arboretum in order to increase and improve visitor use and capacity. The amount of the grant is estimated at $23,200.

2. Lease by the University of a warehouse in North Hartford from Clayton Jensen for one year at the annual rental of $9,336.36, payable in monthly installments of $778.03. The building contains 10,000 square feet, 6,000 of which will be available for the University and other educational institutions in the area to provide service programs in this depressed area. The remaining 4,000 square feet will be made available to the South Arsenal Neighborhood Development Company (SAND) for their own social and education programs including a day care center, Scouting meetings, adult social groups, etc. This lease represents a portion of the University's commitment to aid in resolving modern urban problems.

Fund Transfers at the Health Center

1. From 0-7301-0-33 Library, Other Expenses, to 0-7301-293 Equipment, $35,000. This transfer is to provide for funds earmarked for the purchase of binding and subscriptions to be expended out of the Equipment Account in order to make accounting for this type expense consistent with University campus procedures.

2. From 0-7301-III-38 Physical Plant Personal Services to 0-7301-III-33 Library Personal Services, $4,500. To provide funds to meet the payroll for the remainder of the fiscal year.

3. From 0-7301-III-32 Organized Activities related to Educational Departments, Personal Services, to 0-7301-III-31 Instruction and Departmental Research, Personal Services, $15,000. To provide funds to meet the payroll for individuals who are employed during this fiscal year. Estimates of expenditures in Instruction and Departmental Research were not sufficient to take care of the program requirements.

4. From 0-7301-0-39 General Expense, Other Expenses, to 0-7301-0-31 Instruction and Departmental Research, Other Expenses, $5,000. To provide for the purchase of medical and laboratory supplies required for the July 1 occupancy of Farmington prefabricated buildings. Cost of these supplies is in excess of original estimates.

3. Chairman Budds called the Board's attention to a letter from Mr. Francis W. Looney, President of the Society of Gerontology suggesting reactivation of the Institute of Gerontology at the University. President Babbidge underscored the University's interest in enlarging its program as evidenced by efforts to obtain additional funds.

Mr. Budds also read a communication from Mr. Robert H. Brown, Chairman of the CAPSS Committee on Higher Education expressing concern over the shortage of public school teachers in the State of Connecticut. Comments by the members of the Board reflected a mutual concern.
4. President Babbidge informed the Board that the University would present some 3,200 candidates for degrees at Commencement next month. THE BOARD VOTED to approve the award of degrees to persons who are certified by the Registrar and the appropriate Deans as having fulfilled the requirements on Commencement Day, June 3, 1968. A list of those qualifying will appear in the Commencement program, copies of which will be distributed to the Board of Trustees.

5. THE BOARD VOTED to accept the following scholarships, financial aids and gifts and requested the President to write appropriate letters of appreciation:

7. Chairman Budds commended President Babbidge and Provost Gant on their method of handling recent student situations. President Babbidge noted that some of the so-called demands were, in effect, constructive suggestions worthy of further consideration.

8. On the recommendation of President Babbidge, THE BOARD VOTED to authorize the Finance Committee to finalize the 1969-71 general fund operating budget request for submission to the Commission for Higher Education. President Babbidge indicated that the new budget request would reflect a 30-35 percent increase over the current level of operation. Additional professorial positions would receive top priority in the sequence of fund requests. Other areas identified would include supporting staff, library operations and improvements, organized research, general plant maintenance and remodeling, and equipment for teaching and research.

9. President Babbidge proposed the following modifications to the 1969-71 capital budget proposals presented at the Board meeting on January 17, 1968, (see Page 3857 of the Minutes of the meeting of January 17, 1968):

a. Institute of Materials Science, increase estimated cost by $200,000 from $800,000 to $1 million.

b. $250,000 for temporary research facilities to accommodate laboratories until permanent facilities are completed.

c. A $2 million bond request for library acquisitions.

THE BOARD VOTED to approve the above amendment to the capital budget request for the 1969-71 biennium.

10. President Babbidge identified, with brief comments, the following new programs to be presented in detail to the Board for response at the next meeting:

a. A master's program in the School of Nursing.

b. An environmental sciences program to be funded with federal assistance.

c. A natural science program.

d. A Department of Architecture.

e. The School of Veterinary Medicine.

f. Programs in human rights and opportunities.
1. Upon introduction by Mr. Bishop, THE BOARD VOTED to adopt the following resolution regarding Mr. Paul J. Driscoll's services as a member of the Board of Trustees:

The Board of Trustees of the University of Connecticut at this, its May 1968 meeting, wishes to record its gratitude to Paul J. Driscoll for his dedicated service as a member of the University's Board of Trustees during the past seven years.

In reserving the privilege of calling upon Paul Driscoll for his wisdom and counsel in future years, the members of the Board herewith express their warm regard for him and extend to him their best wishes for the future.

Mr. Bailey was requested to forward a copy of the resolution to Mr. Driscoll.

12. Mr. Evans distributed a detailed progress report on capital projects previously authorized. The following total costs reflect State funds, self-liquidating funds and federal funds:

a. Buildings and projects under construction $8,707,000
b. Construction to start this year $19,076,000
c. Projects in planning/design stage $32,448,000
d. Projects funded/architects to be appointed $15,500,000

13. Acting upon the recommendation of Provost Gant, THE BOARD VOTED to approve the new Constitution for the Student Union Board of Governors. Mr. Gant also informed the Board that Emily Mercer, Martin Gehner, and Gerard Rowe had been named as the faculty representatives to the Board of Governors.

14. THE BOARD VOTED to approve the following extensions and revisions of graduate programs:

a. A master's degree in Linguistics. It was noted that there is already a doctoral program in Linguistics and the master's program will make it possible for students to obtain the master's degree, whether or not they go on for the doctorate.

b. A doctoral program in Anatomy and Cell Biology, providing a clinical orientation to conventional doctoral work in the biological sciences with special emphasis on physiology, developmental biology, and the correlation of organ system structure with functions in higher organisms. It was noted that doctoral work in the separate fundamental biological science fields is currently offered in the University.
c. A doctoral program in Immunology which will provide a clinical orientation to conventional doctoral work in the biological sciences with special emphasis on microbiology, biochemistry, pathology, pharmacology, developmental biology, and physiology. It was noted that doctoral work in the separate fundamental biological and pharmaceutical science fields is currently offered in the University.

15. Mr. Nielsen's motion to go into executive session, seconded by Mr. Bishop, was approved unanimously by Trustees present. While in executive session, the Board took the following actions:

(A) THE BOARD VOTED to approve for purposes of State Auditors, a formal list of actions already taken on matters of reassignments, appointments and salary increases. The lists were authorized to be signed by the Secretary of the Board, Mr. Bishop.
