In the absence of Chairman John Budds, the meeting was called to order at 10:00 a.m. by Vice Chairman Ellis Maxcy. Board members present were: Mesdames Jones and Kronholm, and Messrs. Banton, Bishop, Holt, Macdonald, Marcus, Maxcy, McCormick, Nielsen, Tasker, and Waller.

Also present were: President Babbidge, Provost Gant, Vice Presidents Evans, Wilson and Patterson.

All actions taken at the meeting were by unanimous vote of the Trustees present except as noted in Item 12, Page 4586.

1. The Board voted to approve the minutes of the meeting of April 21, 1971.

2. On Mr. Tasker's recommendation as Chairman of the Finance Committee, THE BOARD VOTED to approve the following contracts and agreements and authorized the President, the Provost, the Vice Presidents or the Assistant Vice Presidents to sign the necessary documents on behalf of the University:

   STORRS CAMPUS

   (1) To authorize Colvin Ross to issue and draw checks on behalf of the University of Connecticut for the Keswick Hall Summer Program in England. Barclays, our depository in Norwich, England, requires the following resolution authorizing them:

   (a) To honor and comply with all checks, drafts, bills, promissory notes, acceptances, negotiable instruments and orders expressed to be drawn, accepted, made or given on behalf of this Company at any time or times whether the banking account or accounts of this company are overdrawn by any payment thereof or in relation thereto, or are in credit or otherwise:
(b) To honor and comply with all instructions to deliver or dispose of any securities or documents or property held by the Bank on behalf of the Company.

Provided any such checks, drafts, bills, promissory notes, acceptances, negotiable instruments, orders and instructions are signed by the persons holding the undermentioned offices for the time being: The Director of the Program in England, Vice President for Financial Affairs, Assistant Vice President for Financial Affairs and Controller, and Assistant Controller.

(c) To treat all checks, drafts, bills, promissory notes, acceptances, negotiable instruments and orders, as being endorsed on behalf of the Company and to discount or otherwise deal with them provided such endorsements purport to be signed by the Director of the Program in England, Vice President for Financial Affairs, Assistant Vice President for Financial Affairs and Controller and Assistant Controller.

(2) Agreement with Rocky Mountain Hydraulic Laboratory, Allenspark, Colorado

Amount: $2,400 (to be paid to Rocky Mountain Hydraulic Laboratory)

Effective Dates: July 1, 1971 to August 31, 1971

Purpose: To construct equipment for evaluating the effect of rock sausages in preventing erosion and to develop criteria describing stability under varying conditions. Federal funds are available under an Institute of Water Resources project entitled "Stability Criteria for Bound-Rock Erosion-Proofing" under the direction of Chesley J. Posey of our Civil Engineering Department.

(3) Extension agreement with the State of Connecticut Department of Agriculture and Natural Resources, Board of Fisheries and Game

Amount: $24,800 (paid to University)

Effective Dates: July 1, 1971 to June 30, 1972

Purpose: To continue work on the population structure of Long Island lobsters. Sonic tags will be used to determine the daily movement of lobsters. This work was started in 1966 and is under the direction of Mr. William Lund of our Marine Research Laboratory.

(4) Extension agreement with the State of Connecticut Department of Agriculture and Natural Resources, Board of Fisheries and Game

Amount: $16,000 (paid to University)

Effective Dates: July 1, 1971 to June 30, 1972
Purpose: To continue work on determining numbers of herrings available for a commercial fishery under Fisheries Research Project entitled, "Potential Fishery of River Herrings in Connecticut." This research started in 1966 and is under the direction of Mr. William Lund of our Marine Research Laboratory.

HEALTH CENTER

(1) Contractual agreement with Bristol Hospital, Inc.
   Amount: No cost to the University
   Effective Dates: June 1, 1971 through May 31, 1976
   Purpose: To provide for the Health Center to furnish pathology services to Bristol Hospital through provision of faculty to be paid for by the hospital. There will also be opportunity to provide for residency training as a part of the overall agreement.

(2) Contractual agreement with Systems Maintenance Facilities, Inc.
   Amount: $250,000 (to be paid by the University)
   Effective Dates: June 1, 1971 through June 30, 1972
   Purpose: To implement the agreement for provision of specialized staffing in operational services relative to the mechanical and electrical systems of the main facility in Farmington. This agreement was approved in principle by the Board at the February 1971 meeting; however, at that time it was anticipated there would be occupancy of the facility and implementation of the contract on March 1, 1971. It is now expected that occupancy will take place in June, and the period of the agreement has been established through the full following fiscal year. Resubmission at this point is in conformance with information passed on to the Board at the February meeting.

3. Provost Gant, calling attention to recent accreditation letters, informed the Board that the National League for Nursing has granted continuing accreditation to the School of Nursing, the Animal Diseases Diagnostic Laboratory has received provisional accreditation by the American Association of Veterinary Laboratory Diagnosticians and the University's Master of Business Administration program has been accredited by the American Association of Collegiate Schools of Business.

4. Provost Gant informed the Board that the University would present a record 3970 candidates for degrees at Commencement next month. THE BOARD VOTED to approve the awarding of degrees to persons who are certified by the Registrar and the appropriate Deans as having fulfilled the requirements on Commencement Day, June 7, 1971. A list of those qualifying will appear in the Commencement program, copies of which will be distributed to the Board of Trustees.
5. Acting on the recommendation by Dr. Patterson, THE BOARD VOTED to approve the following School of Medicine proposals:

   (1) Allied agreement with Johnson Memorial Hospital, Stafford Springs
   (2) Allied agreement with Day Kimball Hospital, Putnam
   (3) Allied agreement with Windham Community Memorial Hospital, Willimantic
   (4) Affiliation agreement with Bristol Hospital

6. Provost Gant recommended the following new titles for positions not leading to tenure:

   (1) Clinical Instructor through Clinical Professor
   (2) Instructor (in residence) through Professor (in residence)

   The Provost explained that the clinical titles in many cases would be non-salaried positions to be used primarily by the Health Center and possibly in the School of Pharmacy. The in residence titles would apply to positions financed through grants or other non-general fund sources. It was noted that the new titles would conform with the regular payroll salary schedules. Neither series of titles would lead to tenure. After further discussion, THE BOARD VOTED to approve the Provost's recommendations.

7. Acting on Provost Gant's recommendation, THE BOARD VOTED to approve the establishment of a master of science program in Medical Technology. The Provost, noting the existence of an undergraduate program in this field and staff and facilities in the Health Center, assured the Board that the advanced program would not require additional staff or facilities.

8. THE BOARD VOTED to lay on the table until the June meeting the proposed deletion of Article XL12b of the Board's Laws, By-Laws, and Rules:

   Student organizations adjudged by the University to be social fraternities or sororities shall be subject to additional requirements and regulations, as established in the constitution and/or by-laws of the Interfraternity Council, and of the Pan Hellenic Council, respectively, both of which constitutions shall be subject to the approval of the Board of Trustees.

9. It was agreed to table until the June meeting Board consideration of the statement on Government of Colleges and Universities, jointly formulated by the American Association of University Professors, the American Council on Education, and the Association of Governing Boards of Universities and Colleges.
10. President Babbidge, calling the Board's attention to the recent dinner for Mr. Joseph Gill, reported that he had received a check in the amount of $1,550 from Mr. Frank Atwood, Chairman of the Appreciation Dinner Committee to establish the Joseph N. Gill Scholarship Fund. THE BOARD VOTED to approve the most generous proposal and requested that a letter of appreciation be sent to the Committee.

11. President Babbidge, as a matter of interest to the Board, reported that Alumni giving and contributions to the Parents and Friends Fund were running ahead of last year's amounts at this time.

12. President Babbidge reminded the Board that under the 1967 Revision to the State Statutes one member of the Canvassing Board for supervising the election of Alumni Trustees is appointed by the University's Board of Trustees. THE BOARD VOTED to appoint Clark Bailey as its appointee to the Canvassing Board. On this motion, Mr. McCormick asked to be recorded as not voting.

13. President Babbidge called the Trustees' attention to the recent retirement resolutions adopted by the faculty of the College of Liberal Arts and Sciences honoring Professors Edward G. Boettiger, Weston A. Bousfield, Ruth Hunter, and Hans Albert Maier.

14. Provost Gant, as a matter of information, acquainted the Board with the major revisions in the University's 1972-73 calendar.

15. President Babbidge distributed copies of fact sheets comparing salaries of the University faculty with those at five private and four public target institutions. The President reminded the Board that the nine target institutions were selected in 1964 because of their similarities in size and range of programs. The institutions named at that time were Washington University, Brown, Duke, Northwestern, Vanderbilt, North Carolina, Virginia, Colorado, and the University of Washington. In 1964 the University's salaries were lower than the target institutions, however, as of 1970-71, the University reflects the highest salary ranking.

Senator Benton stated that salaries were the measure of a front-line university and placed an institution in a competitive position in attracting highly qualified faculty. The Senator referred to the current grants received by the University as an indicator of this quality and recognition.

Provost Gant noted that all faculty salary increases were authorized by the General Assembly and that funds in no instance had been transferred from other areas of the University's budget.

The President, also distributed fact sheets comparing key general administrator's salaries at The University of Connecticut with sixty-four other universities with annual budgets of $23.8 million to $154.3 million. The comparison, the President noted, doesn't seem to indicate that the University's administrative salaries are out of line.
16. Mr. Macdonald expressed his strong concern because the information he had requested at the April meeting of the Board had not been presented. He referred to Miss Goodwin's presentation last month and his request for a report on the number of students who can afford to pay tuition. Mr. Macdonald asserted that Miss Goodwin's report presented only one side of the ability to pay and that he wanted equal factual information on both sides of students ability to pay.

Further discussion was resolved when it was agreed that as much of the information requested by Mr. Macdonald as possible would be sent in memo form to the Trustees.

17. THE BOARD VOTED to accept the following scholarships, financial aids and gifts and requested the President to write appropriate letters of appreciation:

   (1) $200 The Fafnir Bearing Company, representing an unrestricted gift of $100 each for two Elisa H. Cooper Memorial Scholars.

   (2) $10 Geraldine Garrison Scholarship fund, to be credited to the proper account.

He also informed the Board that the State Auditor's report on the Associated Student Government had been received and would receive further attention from the administration. Mr. Tasker reminded the Trustees that all members of the Board are invited to attend the meetings scheduled by the Finance Committee.

(I) President Babbidge referring to the Center for the Environment and Man, noted as an alerting item of information, that the Center appears to be having financial difficulties.

(J) Provost Gant reported briefly on The University of Connecticut Radio and Television Centers' plans to expand the closed circuit television distribution system. Negotiations to expand the system have been completed with Burns Electronic Security Services, Inc. on the basis of a $9,930 yearly lease with the option to purchase at the end of ten years for the consideration of $1.

(K) In a follow-up report on the School of Social Work's Commencement plans, Provost Gant informed the Board that exercises, including the School of Social Work, would be held at Storrs on June 7, 1971.

20. No further business appearing, the meeting was adjourned at 1:05 p.m.

Respectfully submitted,

Merlin D. Bishop
Secretary
