The meeting on Friday was called to order at 9:35 a.m. by Chairman Gordon Tasker. Trustees present were: Mrs. Kronholm and Messrs. Bishop, Kleban, Kozloski, Futtner, McCormick, Ross, Stroh, Tasker, and Taylor. Mr. Nielsen arrived a few minutes later. Trustees absent were: Governor Meskill, Mrs. Jorgensen, and Messrs. Battles and Lupton.

Administrative officials present were: President Ferguson, Provost Gant, and Vice Presidents Wilson and Patterson.

Actions taken at the meeting were by unanimous vote of the Trustees present except as otherwise noted.

1. Chairman Tasker extended a warm welcome to Commissioner Futtner as he assumes his new role as a member of the Board of Trustees.

2. Mr. Ross noted that the minutes of the last meeting omitted his comments pertaining to the possibility of offering the Conn PIRG program as a matter of credit. He also suggested that the minutes reflect the departure of any Trustee during the meeting to be sure that the presence of Board members during voting on Board actions is accurately recorded. After accepting these modifications, THE BOARD VOTED to approve the minutes of the meeting of October 12, 1973.

3. President Ferguson called the Board’s attention to the testimonials in honor of Professors Lawrence H. Amundsen and Philip E. Taylor, retired members of the faculty of the College of Liberal Arts and Sciences. The President indicated that the testimonials were read at the meeting of the College on October 2, 1973 and spread upon the minutes of the meeting. THE BOARD VOTED to record its appreciation for the many years of service rendered by Professor Amundsen and Professor Taylor.
4. President Ferguson informed the Trustees that the State's Finance and Control office has released $250,000 of the $650,000 budget reserve fund. This money, now available, will be used as follows:

The President indicated that the administration does not expect to ask for another release of restricted funds.

5. President Ferguson called attention to the proposal for a change in the Trustees LAWS, BY-LAWS and RULES (Article X, Section L 7a) in regard to naming of major academic buildings. At present the buildings may bear the names of deceased members of the faculty or staff of the University. The proposed change would substitute former for deceased, therefore, that "major academic buildings may bear the names of former members of the faculty or staff."

The President also noted that this proposal had been brought before the Board at the meeting of December 15, 1972 and further consideration had been deferred.

Acting on Mr. Taylor’s motion, seconded by Mr. Futtner, THE BOARD VOTED to continue the present policy, "major academic buildings may bear the names of deceased members of the faculty or staff of the University."

6. President Ferguson called upon Provost Gant to elaborate upon the intent of the proposed By-Law changes pertaining to Article X, Section K 2e and Article X, Section K 17, which had been tabled at the meeting of December 15, 1972. Provost Gant explained that the changes recommended by the University Senate were intended to clarify the wording of faculty grievance procedures. After a lengthy discussion, on Mr. Stroh’s motion, seconded by Mr. Bishop, THE BOARD VOTED to adopt the following By-Law change:

**Article X, Section K 17 (a replacement)**

If a member of the faculty believes there is cause for grievance which cannot be resolved by ordinary means, the complainant may request the Committee of Three (Section 6c) to appoint a grievance committee to evaluate the grievance and to make appropriate recommendations concerning its resolution. If, after consultation with the complainant, the Committee of Three believes that there may be such substance to the grievance as to justify further investigation, it shall appoint an ad hoc grievance
committee of three to five faculty members.

The ad hoc grievance committee shall receive from the Committee of Three a statement of the grievance and be empowered to have access to pertinent information, to hold hearings and interviews, and to seek informal resolution of the issues raised. The proceedings will be conducted in confidence, and either party, if he so chooses, may be represented. It is incumbent upon all parties to refrain from aggravation of the issues during the course of grievance proceedings.

If the grievance committee is unable to resolve the matter, it may, with the knowledge of the complainant, make a recommendation or statement of findings to appropriate persons or groups in the University.

1 This procedure applies to individual grievances not covered by Article X.K.6 and 7.

In further consideration of this grievance item, the Board requested that a review of the grievance procedures be conducted and reported to the Board at the meeting in November 1974. On Mr. Stroh's motion, seconded by Mr. Bishop, THE BOARD VOTED to amend the previous action with the request that a report be brought before the Board at its meeting in November 1974.

Action on Mr. Nielsen's motion, seconded by Mr. McCormick, THE BOARD VOTED to approve the following addition to the By-Laws:

**Article X, Section K 2e (a new subsection)**

The University, in fulfilling an essential function as a forum for the free expression of ideas, shall endeavor to preserve and facilitate the full enjoyment of constitutionally protected civil liberties.

Members of the professional staff shall have equal opportunity in their employment regardless of sex, race, religion, and national origin. The highest standards shall be sought in the protection of all forms of freedom of thought, expression, association, and peaceful assembly. In the exercise of these civil liberties the members of the professional staff are obliged to protect the same rights of others and to bear in mind their respective obligations to their profession and to the University.
7. Provost Gant informed the Trustees that the University will be negotiating for a new #6 oil contract at the end of this month. In an effort to conserve energy, the Provost reported that building temperatures have been reduced and campus lighting has been cut down.

President Ferguson added that the administration was not contemplating any changes in schedule at the University in the current year.

8. Mr. Kleban, as Chairman of the Board's special committee reviewing guidelines for the operation of the Health Center, reported on a meeting with members of the faculty at the Health Center. The faculty is reconsidering and amending the guidelines at the present time. Mr. Kleban's committee will be meeting with the faculty group for further discussion and expects to present a report to the Trustees at the December Board meeting.

9. Mr. Taylor, in his report on behalf of the Finance Committee, reminded the Trustees that all members of the Board are welcome to attend the Finance Committee meetings. Henceforth, the Committee will be meeting at the noon hour on the Friday preceding the Board meeting date.

On Mr. Taylor's motion, seconded by Mr. Nielsen, THE BOARD VOTED to approve the following agreements and authorized the President, Provost, Vice Presidents or Assistant Vice Presidents to sign the necessary documents on behalf of the University:

10. Mr. Taylor informed the Trustees that the Finance Committee, after reviewing the recent report by the CONNECTICUT DAILY CAMPUS Board of Finance concerning the financial independence of the student newspaper, suggested that the report be referred to the administration for further consideration and subsequent recommendations to the Board. On his motion, seconded by Mr. Nielsen, THE BOARD VOTED to refer this matter to the administration.
11. At Mr. Taylor's request, Vice President Wilson presented the following supplementary budget proposal relative to the proposed Phase II Expansion of the Stamford Branch:

**STAMFORD BRANCH EXPANSION**

Proposed Phase II (1974-75) Supplementary Budget Requests.

1. Proposed Supplementary Operating Budget:

   **All Functions**
   
   **Personal Services**
   
   Professional (12) $255,145
   Classified (23) $179,127
   Other Personal Services (35) $23,439
   
   **$457,711**
   
   Other Expense 34,956
   Fixed Charges 29,000
   Equipment 63,200
   
   **Grand Total - All Functions $584,867**

2. Proposed Supplementary Capital Construction Budget (Planning):

   Planning Funds Appropriation $650,000*

   *Based on 5% of the $13,000,000 estimated cost of totally new plant required at new site.

During the discussion, Mr. Taylor observed that expansion of the Stamford Branch is a legislative mandate to be accomplished if the General Assembly provide the necessary funds. On Mr. Taylor's motion, seconded by Mr. Stroh, THE BOARD VOTED to authorize the administration to present these operating and construction financial requirements as a supplement to the University's 1974-75 budget request.

12. The Board discussed in considerable detail the following agreement:

Amount: $23,000 to be paid from General Funds
Effective Dates: November 12, 1973 to April 30, 1974
Purpose: The support systems of the hospital and ambulatory services were designed to meet standards of medical practice and safety codes that were prevalent in 1968. These standards change as new developments are introduced. It is customary practice to introduce appropriate changes involving patient safety as soon as possible. The community hospitals in Hartford have or are in the process of making these changes in their new buildings.
Generalists in the construction field are not familiar with highly specialized hospital code and patient care requirements. Therefore, specialists with knowledge and experience are required as consultants to test and analyze existing systems to determine changes and additions that are required, and to estimate the cost of modifications that are recommended. This contract provides for the provision of these services. The Public Works Department has been consulted and has indicated that it has no objection to the University retaining this consultant.

Provost Gant reported that all hospitals in this general vicinity are in process of redesign to meet the latest code changes. He noted that this initial agreement reflected an initial review and diagnosis of the scope of the correction required, to be followed by a second phase of design for correction which would require additional monies.

Mr. Taylor underscored the necessity of having as an item of record assurances that the University has no recourse, either with the architect or the supervisor of construction, other than to proceed with this survey by a special consultant.

Mr. Stroh also requested assurance and clarification relative to the obligations of the Kilpatrick consulting firm and to be reassured that the survey will cover the 1974 code changes.

On Mr. Taylor's motion, seconded by Mr. Nielsen, THE BOARD VOTED to authorize the above agreement with Kilpatrick Associates, Inc. of Bala Cynwyd, Pa.

13. President Ferguson, in the absence of Mrs. Jorgensen and Mr. Lupton, presented a report by Mr. Orr on the latest meeting of the Commission for Higher Education.

Chairman McGannon reported generally poor attendance at the public meetings which were held on the Master Plan. Three topics receiving the most frequent criticism: (1) tuition, (2) the "mission" concept vs. "goals and scope", (3) eventually combining all 2-year institutions under one board.

The deadline for CUE to receive further input on the Master Plan is November 19, 1973.

In reviewing the status of various studies in progress, it was noted that no action has yet been taken under Special Act 73-115, which calls for the Governor to appoint a committee to study the question of establishing the Health Center as a private non-profit corporation. (A report is specified by February 15, 1974.)
CHE confirmed its earlier request to the Bond Commission to release $1.99 M for the Waterbury higher education center.

14. In other items of consideration and interest to the Board, Chairman Tasker congratulated Trustee Nielsen upon his recent selection as President of the New England Bar Association.

Chairman Tasker also informed the Trustees that they will be receiving future issues of the AAUP Bulletins with the compliments of the local University of Connecticut chapter.

Mr. Taylor requested that the minutes of this meeting reflect the pleasure of the Board in noting the recent news releases with reference to the very favorable rating of the University's Law School. He suggested that a note of congratulations be forwarded to Acting Dean Cady by Chairman Tasker on behalf of the Board.

15. On Chairman Tasker's motion, seconded by Mr. McCormick, THE BOARD VOTED to accept the following scholarships, financial aids and gifts and requested the administration to write appropriate letters of appreciation:

Provost Gant indicated that at the December meeting the Trustees will be presented with an analysis detailing the marked decrease in the total amount of scholarships when compared with last year.

17. Chairman Tasker declared a recess at 11:30 a.m. The meeting was reconvened at 11:45 a.m. at which time, on Mr. McCormick's motion, seconded by Mr. Bishop, THE BOARD VOTED to go into executive session. While in executive session, the Board took the following actions:

(A) The Board heard a report by Provost Gant relative to his previous efforts to have the Yankee Conference declared a University Division Conference. Mr. Taylor, deploring the lack of decisive Conference action, urged the appointment of a committee to conduct a study and subsequently report to the Board on this matter. Discussion terminated temporarily when the Board agreed to recess for lunch at 12:35 p.m. (Mr. Ross had to leave the meeting at this point in time.)

Shortly after Chairman Tasker had reconvened the meeting at 1:30 p.m., Mr. Taylor moved: That the Chairman appoint a sub-committee of the Board which, awaiting the results of the Yankee Conference meeting November 19, would confer with the President and carry on an investigation, an analysis for evaluation and report back to the full Board. Mr. Stroh seconded the motion and THE BOARD VOTED to approve the appointment of a special study committee.

Trustees Futtner, Kleban, Kozloski, McCormick, Nielsen, Tasker, Taylor, and Stroh registered in favor of the action.

Mrs. Kronholm registered in opposition and Mr. Bishop abstained.
(B) President Ferguson gave a brief report on various items relating to affirmative action plans.

(C) Provost Gant acquainted the Board with the University's plans to provide additional space in Building #19 at the Southeastern Branch to accommodate the pre-employment and apprentice training programs of the State Department of Education.

(D) President Ferguson spoke favorably of his recent meetings with several leaders of the General Assembly.

(E) The President called the Board's attention to a recommendation by Dean Hartley of the School of Education that the privilege of applying for a sabbatical leave be extended to the key teachers at the E. O. Smith School. After further discussion, the proposal was denied when acting on a motion by Mr. Taylor, seconded by Mr. Stroh. THE BOARD VOTED to maintain the present policy on sabbatical leave.

Mr. Bishop registered in opposition to the action.

(F) Chairman Tasker declared a recess at 3:30 p.m. After the meeting had reconvened at 3:45 p.m., Dr. Patterson presented a request for funds to develop more parking at the Health Center. He explained that consideration by the Finance Committee had been postponed pending the President's review of the parking proposal. The review, prepared by Mr. Rohrbach for the President, suggested a formula that the number of parking spaces should be equal to 60% of the number of individuals on the site. This ratio would require only 526 additional spaces to be built immediately at a cost that would approximate $300,000.

After some discussion on the motion by Mr. Stroh which was seconded by Mr. Taylor, THE BOARD VOTED to approve a request for self-liquidating bonds by the 1974 legislature in the amount of $300,000 for around 526 additional parking spaces at the Health Center.

(G) Mr. Taylor, reporting for the Finance Committee, noted that the salary material in the hands of the Trustees shows in essence the need to adjust salary scales to remain competitive in retaining and recruiting faculty. He explained further that it did not mean an immediate change in salary for the faculty.

After a lengthy discussion, on the Taylor motion seconded by Mr. Stroh, THE BOARD VOTED to adopt the new salary
scales with the specific understanding that any employment above the old maxima will be brought before the Board prior to an offer of employment or any increase in present salary is proposed. (A copy of the new salary scales is attached as an item of record.)

Provost Gant reminded the Trustees that the change in salary scales will be submitted to the Commission for Higher Education for further consideration.

Mr. Taylor had to leave for another appointment at this point in time.

(H) Mr. Kozloski, reporting on recent Consortium discussion, alerted the Board to a proposed membership revision under consideration which would limit University representation to three members:

- One member of the Board of Trustees
- One member of the administration
- One member of the medical staff

During the discussion, acting on Mr. McCormick's motion seconded by Mr. Stroh, THE BOARD VOTED to request that University representation on the Consortium consist of four members and to reiterate the Board's action of October 12, 1973.

(I) Mr. Kozloski suggested that the members of the Health Center Advisory Council be informed of the role of the Council. Mrs. Kronholm also stressed the need for further clarification of this matter. It was agreed that this advisory group should consider those items presented by the Board or initiated by the Council.

The Trustees noted with regret the great loss of a member of the Advisory Council, Mrs. Sylvia Dragat.

(J) On Mr. McCormick's motion, seconded by Mr. Bishop, THE BOARD VOTED to approve for purposes of the State Auditors, the attached lists of actions already taken on matters of re-assignments, appointments, salaries, and leaves of absence without pay.

18. The Board agreed to recess for dinner at President Ferguson's residence on Oak Hill Road at 5:30 p.m. Mr. Stroh expressed his regrets that he could not stay with the Trustees for the evening presentations.

19. After reconvening at 7:15 p.m., the Board heard a report on the health services provided for University students on the Storrs campus. Dr. Julian S. Kaiser, Director of the Division of Health Service, with the assistance of Dr. Frank Bruch, Chief of Clinical Staff, and Ms. Constance Lee, Director of Nursing, described in detail the range, responsibilities and services offered through the University's Health Service.

During the second half of the evening's program, the Board heard reports on the food services on the Storrs campus. Mr. Sumner M. Cohen, Director of Housing and Food Services, commented at length on the dining hall, snack bar, and catering services provided by the University Food Services Department.

Mr. Kent Banning, Coordinator of Associated Student Commissaries, assisted by Mr. Steven Krpata, Chairman of the Board of Directors of the Associated Student Commissaries, elaborated upon the food operations for the students housed in individually managed dormitories.

All presentations were followed with a question and answer period. The Friday portion of the two-day Board meeting was recessed at 9:30 p.m.

20. Chairman Tasker reconvened the meeting on Saturday, November 10, at 9:15 a.m. Trustees present for the Saturday presentations were: Mrs. Kronholm and Messrs. Bishop, Kleban, Kozloski, Nielsen, Stroh, Tasker, and Taylor.

President Ferguson called upon Mr. Robert E. Hewes, Dean of Students for an interpretation of the Scope and responsibilities of the Division of Student Personnel. Following a summary report by Dean Hewes, presentations were made by the following:

Mr. John W. Vlandis, Director of Admissions, reviewed admission data, past, present and future.

Mr. John W. Rapp, Director of Student Aid, described the various sources for financial assistance to full-time students.

Ms. Leigh Phillips, Coordinator of Special Student Services, reported on the University's efforts to meet the needs of students with physical disabilities.
Mr. John J. Manning, Associate Dean of Students, with the assistance of Ms. Martha C. Hinkel, Assistant Dean of Resident Student Affairs, commented on several other phases of Student Affairs not reported upon previously.

Following the general question and answer discussion, Chairman Tasker thanked the staff participants for their time and most helpful presentations.

21. No further business appearing, the meeting was adjourned at 12:00 noon.

Respectfully submitted,

Carl W. Nielsen
Secretary
