The meeting was called to order at 9:20 a.m. by Chairman Gordon W. Tasker. Trustees present were: Mesdames Jorgensen and Kronholm and Messrs. Bishop, Kozloski, Lupton, Macdonald, McCormick, Nielsen, Sanders, Stroh, Tasker, Taylor and Waller.

Also present were: Acting President Gant and Vice Presidents Evans, Patterson, and Wilson. All actions taken at the meeting were by unanimous vote of Trustees present.

1. Chairman Tasker reported to the Board that he had met with Governor Meskill and Commissioner Carlson on the matter of administrative flexibility and certain State fiscal constraints. Mr. Tasker described the session as beneficial to the University and noted that the differences alleged to exist were not as great or as far apart as he had been lead to believe earlier. The meeting had concluded with the understanding that Commissioner Carlson and his aides would be in touch with Acting President Gant on this matter. President Gant informed the Trustees that he would be meeting with Commissioner Carlson early next week.

2. Chairman Tasker informed the Trustees that the subject of food service was not on the agenda and would not be discussed at this Board meeting. He added that when the matter is reviewed, it will be discussed in open session. Mr. Tasker, recognizing the strong concern of the food service employees, urged the subcommittee to avail itself to all parties concerned to ensure that a final decision is founded on complete information that includes the consideration of the question of the disposition of the employees' jobs.
3. **THE BOARD VOTED to approve the minutes of the meeting of September 15 & 16, 1972.**

4. Acting President Gant reported that he had received a letter from the Commission for Higher Education calling his attention to the Commission's favorable comments on the changes in the University's salary scale reflecting the $300 cost of living increment.

5. Acting President Gant noted that copies of resolutions by the faculty of the College of Liberal Arts and Sciences, the Council of Department Heads, The Organization of Faculty and Professional Women and the University Senate, all relating to fiscal matters had been distributed to the Trustees.

6. Acting President Gant, calling attention to the last December 15th action of the Board which permitted freshmen to compete at the varsity level in all sports except football and basketball, proposed that the Trustees rescind their action of December 15, 1971, with the understanding that the following administrative policy would apply:

   1. That freshmen be allowed to compete at the varsity level in all intercollegiate sports.

   2. That The University of Connecticut, a member of the Yankee Conference, The Eastern College Athletic Conference, and the National Collegiate Athletic Association, use as its official playing rules for intercollegiate athletics the playing rules imposed by these three conferences.

      a. Whenever conferences differ in playing rules, the most restrictive rule shall apply.

   After a brief discussion, **THE BOARD VOTED to rescind the Board action of December 15, 1971.**

7. Acting President Gant, noting that there are fewer than 500 minors among the students at the present time, proposed the following By-Law change to bring University regulations into conformity with State law. After considerable discussion including the suggestion that the revised By-Law would be prefaced with the reference "in accordance with State statutes," **THE BOARD VOTED to lay on the table until the November meeting the following revision of Article XL13 of the Board's LAWS, BY-LAWS AND RULES:**
The use of intoxicating liquor by minors is not permitted in any of the dormitories, educational facilities, and public premises of the University in accordance with existing University regulations.

8. Vice President Wilson presented a progress report on the University's study of unmet higher educational needs in the Groton area. About 40 adults had responded to an invitation to discuss their personal educational goals. Mr. Wilson reported no evidence of large-scale demands for the so-called "general studies" program. Further program needs may be identified when the Master Plan Task Force makes its report on this subject. Meanwhile the credit extension offerings by the University will attempt to meet the present program demands.

Mr. McCormick, referring to the educational program needs in the Hartford area, suggested an expansion of the University extension offerings in that area at the graduate level might be considered.

9. Acting President Gant called the Trustees attention to the establishment of a new scholarship fund honoring Trustee Merlin D. Bishop. President Gant informed the Board that he had received the initial check for the new scholarship at the time of the UAW Testimonial Dinner last month and additional monies are expected shortly.

10. In response to Mr. Taylor's request at the last meeting for detailed information on research grant procedures, President Gant distributed material describing the University's current procedures. Mr. Stuart Wilson, Coordinator of Research Services, and Dr. Hugh Clark, Associate Dean of the Graduate School for Research Development, described in detail the eight grant steps followed by the research office prior to the final acceptance of the award by the Board of Trustees. Mr. Wilson noted that his office had processed more than 600 grant applications last year.

Dean Clark stated that 80% of the faculty members who seek federal or private support are successful in their efforts. During the discussion he emphasized that it would be impossible to run a graduate program without such soft money coming in to attract outstanding faculty.

Dean Clark, in response to a question by Mr. Lupton, indicated that most of the research projects receive continuing grant support but in any event all research staff are fully informed on the matter of employment termination when the grant expires and is not to be refunded.

At the conclusion of the discussion, Mr. Taylor expressed his interest in a future presentation showing how grant money is expended.
11. Acting President Gant, as an item of interest, called the Trustees attention to the current exhibition - "The American Earls," at the William Benton Museum of Art.

12. Mr. Taylor, as Chairman of the Finance Committee, reminded the Trustees of the standing invitation to all members to attend the Finance Committee meetings. In his report Mr. Taylor indicated that the Finance Committee had reviewed the Capital Building Program of the University and in this connection was prepared to recommend that the Board of Trustees request of the appropriate State authorities the release of the following utility projects to construction:

   (a) New water supply system, Project BI-D-311  
   (b) Sewage treatment plant expansion, Project BI-D-360  
   (c) Steam line renovation, Project BI-D-407

THE BOARD VOTED to approve the above recommendation.

Noting that two other projects, an Animal Diseases facility and a Fine Arts facility, had been reviewed by the Board at its September meeting, Mr. Taylor recommended on behalf of the Finance Committee that the Board of Trustees again request the appropriate State authorities to release the Animal Diseases project to bid as the University's first priority and further that the appropriate State authorities be requested to release the Fine Arts facility in order that architectural plans may be completed.

THE BOARD VOTED to approve Mr. Taylor's recommendation.

13. Mr. Taylor, reporting for the Finance Committee, recommended favorable action on the following agreements:

STORRS CAMPUS

(1) Contractual agreement with the Masque Sound and Recording Corporation, New York, New York.
   Amount: $3800 payable to Masque Sound from 6.4 Auditorium Fund
   Effective Dates: November 1, 1972 to April 2, 1973
   Purpose: Masque Sound will provide the University with adequate sound equipment and a sound technician in the Jorgensen Inner Auditorium for the following four touring theatre performances:
November 13, 1972
December 23, 1972
February 25, 1973
April 2, 1973

The above services will increase the salable seating capacity by 1000 seats each performance (present seating capacity with University sound equipment is 600; with this special equipment the seating capacity will be 1600).

(2) Publishing agreement between George Braziller, Inc., One Park Avenue, New York, Robert W. Stallman, Department of English, and the University of Connecticut.
Amount: $5000 payable to George Braziller, Inc.
Effective Dates: November 1, 1972 to April 30, 1973
Purpose: To supplement the publishing of a paperback edition of R. W. Stallman's biography of Stephen Crane. Approximately 10,000 copies will be published on or about March 31, 1973. Braziller will pay the University royalties at 8% of the selling price of each book sold. Funding of this agreement will be from a Research Foundation grant under the directorship of R. W. Stallman, Department of English.

(3) Agreement with Yale University, New Haven, Connecticut
Amount: $6,798 payable to Yale University
Effective Dates: November 1, 1972 to June 30, 1973
Purpose: Yale will assist the University by performing certain tests associated with the project titled "Search of Toci of Eastern Equine Encephalomyelitis (EEE) Virus in Wildlife in The Northeastern United States," funded by Sara Mellon Scaife Foundation, under the directorship of S. W. Nielsen, Department of Pathobiology.

(4) Amendment to agreement dated March 1, 1972 with the New England Center, University of New Hampshire, Durham, New Hampshire
Amount: $11,006.02 payable to New England Center (increased by $1250)
Effective Dates: March 15, 1972 to December 1, 1972 (extension of 60 days)
Purpose: To provide funds to allow additional reprints of the four films produced under the original agreement. Funded by a DHEW grant through the State of Rhode Island, Department of Education, under the University's directorship of E. J. O'Connor, Assistant Dean of the School of Fine Arts.
Third amendment to agreement dated April 29, 1970 between
the State of Connecticut Labor Department and the Univer-
sity of Connecticut as approved and funded by the U. S.
Department of Labor. The University has undertaken this
project to conduct a "Feasibility Study for Extending
Unemployment Insurance Coverage to Agriculture Workers
in 13 Northeast States and the States of Florida and
Texas," under the directorship of Raymond Farrish, Depart-
ment Head, Agricultural Economics.

Amount: No additional funds involved. $1,636,051
payable to the University of Connecticut.
Effective Dates: February 1, 1970 to June 30, 1973
(extension of nine months)
Purpose: To provide the University with a realistic
time schedule through a nine-month extension for the
preparation, filing, and publishing of Regional (2)
and State (30) reports.

The above Prime Contract amendment will enable the Univer-
sity to provide the same amendment to the following
eleven sub-contractors cooperating with the University
in this study: Universities of Vermont, New Hampshire,
Delaware, Massachusetts, Florida and Maryland, Cornell,
Pennsylvania State University, Rutgers, Texas A & M,
Ohio Agricultural Research & Development Center.

Lease with Connecticut Daily Campus
Amount: Rent-free for first year, then $3,836 per year
payable to the University.
Effective Date: July 1, 1972
Purpose: To provide space for the purpose of publish-
ing the Connecticut Daily Campus.

Amount: $7,697.76 per year, payable to Mansfield
Investment Company from NASA grant.
Effective Dates: December 20, 1972 to June 30, 1973
Purpose: To extend lease for the space used by NERAC.

Lease with Connecticut Housing Investment Fund, Inc.
Amount: $4,800 payable to Connecticut Housing
Investment Fund from 6.4 account.
Effective Dates: September 16, 1972 to September 16, 1973
Purpose: To extend lease for two four-room apartments
used by the Urban Semester Program located at 280 Enfield
Street in Hartford.
(10) Amendment dated May 1, 1972 to the contract between the Department of Environmental Protection and the University of Connecticut. This contract is for services related to Wetland Delineation to be performed by the University's Department of Biological Sciences.

Amount: The amount of $90,500 payable to the University remains unchanged.

Effective Dates: Paragraph three concerning the effective date is changed to read: The work specified herein shall be completed by July 1, 1974.

Purpose: The contract previously ran to August 1, 1973. This provides an additional 11 months in order to complete the study.

HEALTH CENTER

The five agreements (1 through 5) listed below all pertain to the rotation of interns and residents between the University McCook Hospital and area hospitals. These agreements have all been approved by the Board of Trustees earlier in 1972. These agreements are being resubmitted to the Board because the Attorney General's office at Storrs feels that the language of approval by the Board is not identical in substance with the substantive provisions of the contract.

(1) Agreement with Mt. Sinai Hospital

Amount: The net effect of reimbursements for the rotation of interns and residents will not result in a net payment by the University. The maximum amount to be paid to the University by Mt. Sinai Hospital will not exceed $57,316.67.

Purpose: Rotation of interns and residents.

(2) Agreement with New Britain General Hospital

Amount: The net effect of reimbursements for the rotation of interns and residents will not result in a net payment by the University. The maximum amount to be paid to the University by New Britain General Hospital will not exceed $85,062.51.

Purpose: Rotation of interns and residents.

(3) Agreement with St. Francis Hospital

Amount: The net effect of reimbursements for the rotation of interns and residents will not result in a net payment by the University. The maximum amount to be paid to the University by St. Francis Hospital will not exceed $27,000.

Purpose: Rotation of interns and residents.
(4) Agreement with Hartford Hospital
   Amount: The net effect of reimbursements for the rotation of interns and residents will not result in a net payment by the University. The maximum amount to be paid to the University by Hartford Hospital will not exceed $135,933.47.
   Purpose: Rotation of interns and residents.

(5) Agreement with New Britain General Hospital
   Amount: The net effect of reimbursements for the rotation of interns and residents will not result in a net payment by the University. The maximum amount to be paid to the University by New Britain General Hospital will not exceed $56,000.
   Effective Dates: July 1, 1971 to June 30, 1972.
   Purpose: Rotation of interns and residents.

THE BOARD VOTED to approve the above contracts and agreements and authorized the President, Provost, the Vice Presidents or the Assistants Vice Presidents to sign the necessary documents on behalf of the University.

14. Dr. William Orr, Associate Provost, reviewed the intent of the proposed By-Law changes in Section K2e, K9, and K10 of Article X. No final action was taken and the item was carried over to the November meeting of the Board.

15. Mrs. Jorgensen, reporting on the latest meeting of the Commission for Higher Education, stated that the session was devoted to a presentation of the Plan for the Central Naugatuck Valley Region Higher Education Center. Described as an exciting educational and community service concept, the master plan shows how the educational institutions eventually will share the campus facilities. Dr. Orr, during the discussion, noted that the final phases of construction have yet to be funded and may be affected by later considerations of the State's Master Plan.

16. Mr. Sanders, as Chairman of the Special Study Committee, commented on the report concerning the Edwin O. Smith School which had been mailed to the Trustees. Commissioner Sanders noted that the Study Committee believes that the objectives (goals) of the school have been met. The Committee agreed that a modification of school governance would clarify and strengthen the ties between the University and the towns it serves. Mr. Sanders called the Board's attention to the following proposed Board of Representatives:

   1. A seven-member Board should be chosen as follows:
(a) One member appointed by the University Board of Trustees. The appointee shall be a resident of Mansfield or Ashford.

(b) The Dean of the School of Education or his representative.

(c) Two members shall be appointed by the Ashford Board of Education, at least one representing the Board.

(d) Three members shall be appointed by the Mansfield Board of Education, at least one representing the Board.

Mr. Sanders noted that the above proposal would not delegate or alter the legal responsibilities of the University Board of Trustees.

The Committee's final recommendation proposed the assignment of new administrative responsibilities to the schools present administrators. Mr. Sanders also commented briefly on the guidelines to be followed in making a reassignment of the administrative structure.

After further discussion, Mr. Sanders recommended:

(1) Acceptance of the report by the Board of Trustees.

(2) To authorize the implementation of the recommendations with the understanding that the newly proposed Board of Representations would be reporting through President Gant to the University's Board of Trustees.

THE BOARD VOTED to approve the above recommendations.

Mr. Taylor expressed the appreciation of the Board to the members of the Committee for their study efforts.

17. THE BOARD VOTED to accept the following scholarships, financial aids and gifts and requested the administration to write appropriate letters of appreciation:
(1) $138.38 The Stanley Works, New Britain, representing a matching gift under their matching gifts program.

(H) THE BOARD VOTED to recess for lunch at 12:30 p.m.

(I) After reconvening at 1:25 p.m., a one and one-half hour discussion of presidential considerations took place wherein various names were discussed and the decision was made to process these names through the Advisory Presidential Search Committee for their investigating review and report back to the Board.

(J) As an item of consideration at the next meeting, the Trustees will be provided with a list of the present recipients of the minutes of the Board meeting.

(K) Mr. Lupton, referring to his suggestion of several months ago, underscored the Board's need for constant legislative liaison. After considerable discussion, Chairman Tasker appointed, with the concurrence of the Board, Trustees Jorgensen, Kronholm, Lupton and Nielsen; Mr. Daniel Blume, President of the Alumni Association and Acting President Gant, to serve as a committee to study and report at the next meeting on the best way and means to accomplish this objective. No chairman was named but Mr. Lupton was asked by Chairman Tasker to call the committee together. Mr. McCormick, while declining committee appointment, expressed his willingness to assist the committee.

(L) Acting President Gant reported on discussions being held with the Presidents of the other New England State Universities on possible cooperative programs. The notion of a consortium of the six State Universities is being explored.

(M) Mr. Taylor, noting that the New England Presidents will be meeting this month to discuss the matter of the need factor in athletics scholarships, requested Board involvement in considerations before any final policy decisions are reached. Mr. Gant stated that since the Yankee Conference meeting was scheduled for November 19, he would report further on this matter at the Board's November 15 meeting.

(N) As an item of information, Acting President Gant commented in some detail on the current rash of bomb threats on the Storrs campus.

(O) Vice President Wilson reported briefly on the status of the Stamford Branch expansion.
(P) Acting President Gant informed the Board that he would have a recommendation to present at the November meeting relative to the deanship of the School of Business Administration.

(Q) After being informed that the Finance Committee had agreed that the Bracken property was of no economical use to the University, it was agreed to check with the Public Works officials relative to their interest in the property. Mr. Evans indicated that the State officials planned to look at the property on Friday of this week. In the event there is no further interest an appropriate letter of appreciation, declining the opportunity to purchase, will be forwarded to Counsellors at Law Reid and Riege.

(R) On the recommendation of Chairman Tasker, THE BOARD VOTED to appoint Mrs. Delphine Theroux to membership on the Health Center Advisory Council replacing Mrs. Gertrude Russell.

Mr. Taylor suggested that the Trustees be informed of future vacancies with sufficient time in case some members of the Board may have replacement names to suggest.

(S) Mrs. Jorgensen, upon informing the Board that she would not be present at the next meeting of the Commission for Higher Education, suggested that guideline comments would be helpful to Mr. Lupton, the Board's alternate representative. It was noted that the University's position with regard to the regional plan was presented in a previous communication. Mr. Taylor suggested that Mr. Lupton present this previous letter as a part of the considerations.

(T) Prior to the presentation of a proposal to establish medical group practice at the Health Center, Mr. Taylor informed the Board that he had appointed Trustee Stroh to serve as the Finance Committee's representative to work with the Health Center people in studying the matter further.

(U) Dr. Robert Massey, Dean of Medicine, and Dr. J. Richard Gaintner, Director of Medical Services, reported jointly to the Board on the proposal to establish a medical group practice at the Health Center in Farmington. They outlined the purpose and educational objectives of the program, the advantages of the program, the need for administrative flexibility, and possible problems to be encountered. Copies of the outline presentation were distributed to the Trustees. Discussions by the Board followed and assurance was given to Drs. Massey and Gaintner that the Trustees would give the matter further consideration.
Chairman Tasker asked Dr. Patterson to convey the Board's appreciation to the appropriate members of his staff for the time and effort devoted to the preparation and presentation of the group practice proposal.

No further business appearing the meeting was adjourned at 5:35 p.m.

Respectfully submitted,

Carl W. Nielsen
Secretary
