7. The President advised the Board that property now owned by Mrs. Earl R. Moore, adjoining University property, is for sale and at a price of $19,500. This property includes a residence, garage and 24 acres of land. THE BOARD VOTED to approve the President's recommendation that this matter be referred to Mr. Evans, Fiscal Vice President, and that appraisals, according to State procedure, be secured if the property is needed to protect the long-range development of the University.

The President also advised the Board that property now owned by Miss Annie O'Sullivan, adjoining University property, is for sale and at a price estimated at $30,000 to $35,000. This property includes a residence, several barns and about 54 acres of land. THE BOARD VOTED to approve the President's recommendation that this matter be referred to Mr. Evans and that appraisals, according to State procedure, be secured if the property is needed to protect the long-range development of the University.

8. Mr. Budds discussed with the Board of Trustees a communication received from Professor Elliott S. Wolk, President of the Federation of University Teachers. Each Trustee received a copy of the communication addressed to Mr. Budds by Mr. Wolk.

THE BOARD VOTED to approve of Mr. Budds writing to the members of the Faculty Senate Salary Committee and to Mr. Wolk, President of the Federation of University Teachers, and to William C. Orr, President of the American Association of University Professors, inviting them to meet with representatives of the Board of Trustees for the purpose of discussing salary, teaching load and promotion policies. In the statement of invitation, it was to be made clear that in the future all recommendations and suggestions from individual members of the faculty or from groups of faculty members should be channeled through regularly established faculty committees and the administration.
9. The President discussed with the Trustees the nominations for the 1961-62 Student Union Board of Governors. The constitution of the Union Board states that the nominating committee shall submit at least twenty-four candidates and the President shall make appointments from the names submitted by the nominating committee and such other persons as the President of the University deems desirable. The President advised the Board that he has appointed the first thirteen names as submitted by the nominating committee.

THE BOARD VOTED to approve the President's recommendations.

10. Mr. Budds reported on the present status of the Law School site problem. After considerable discussion, THE BOARD VOTED to request the President to address a communication to the Commissioner of Public Works asking him to proceed with negotiations for the Phoenix Mutual property in West Hartford and within the figure submitted by the appraisers.

THE BOARD VOTED further to empower the Finance Committee of the Board to negotiate for the West Hartford property or for any alternative site should the West Hartford property be unavailable.

THE BOARD VOTED FURTHER to request the President to address a communication to Carlton Sharpe, City Manager of Hartford, and to Gladden Baker, Vice President of the Travelers Insurance Company, to arrange a meeting to discuss the Hartford location as related to Hartford redevelopment, this meeting to be attended by Mr. Budds, Mr. Holt, President Jorgensen, and Messrs. Sharpe and Baker.

11. The President distributed copies of legislative statements that were prepared in connection with hearings on bills of concern to the University.

12. THE BOARD VOTED to approve the list of appointments and salary increases as presented for the signature of J. Ray Ryan, Secretary of the Board. This is in accordance with the request of the State Auditors.

13. THE BOARD VOTED to change the date of the May meeting of the Board from May 17 to May 18, the meeting to start at ten o'clock, in order to allow for attendance at the Military Day exercises.

14. The President presented to the Trustees a communication from John M. Trail, Comptroller, indicating that from stock dividends recently received and from available funds in our Investment Portfolio Account, the following shares of stock have been purchased: Nine (9) additional shares of American Tel. & Tel. Co.; one (1) share in the Chase Manhattan Bank; one (1) share in the First National City Bank of New York. Approval for this action was received prior to the purchase of these securities from Mr. Holt, as Chairman of the Investment Committee.

THE BOARD VOTED to approve purchase of these securities.
15. The President advised the Board of Trustees that Governor Dempsey had signed the Stamford Branch construction bill and that the bids were being mailed out this week, with bid openings scheduled in approximately four weeks.

16. The President advised the Board that the amount of money in the Torrington bequest for the construction of the Torrington Branch is now estimated to be about $750,000.

17. The following items of information were distributed to the Board:

   (1) University Concert Series.
   
   (2) University Chamber Music Series.
   
   
   

18. Mr. Budds read to the Board of Trustees a communication he had received from David Wignall requesting an opportunity to meet with representatives of the Board to discuss the constitution of the Associated Student Government recently ratified by student referendum. The communication was read and accepted with an expression of appreciation.

   THE BOARD VOTED to request Mr. Waugh to address a communication to David Wignall scheduling a meeting for the purpose of discussing the proposed new constitution, the meeting to be attended by Mr. Waugh, Mr. Northby, and Messrs. Ryan and Watson of the Board of Trustees. Mr. Waugh is to determine the date for such a meeting and to notify those who are to attend.

19. It was decided at the meeting to formalize an invitation to the Fiscal Vice President and the Academic Vice President to attend the meetings of the Board of Trustees.

20. The Trustees discussed at great length the articles which recently appeared in the Hartford Courant which had been preceded by an article by Professor Stallman in the Hartford Times. All of these articles were described as "shocking" as to inaccuracies, distortions and exaggerations.

   THE BOARD VOTED to adopt the following statement:

   "The Trustees of the University of Connecticut today expressed their full confidence in the administration of University President Albert N. Jorgensen. His twenty-six years of devoted and successful service are well known to the people of this state and throughout the
country. Senator William Benton, a member of the Board of Trustees, remarked, 'I know of no State university in the country which can show more significant progress than we have seen at the University of Connecticut under President Jorgensen.'

"The Trustees studied reports indicating that recent articles had given a highly distorted picture of the actual situation at the institution. Chairman of the Board, John J. Budds of West Hartford, speaking on behalf of the Board, said, 'The people of the state have every right to be proud of their state university. It is a completely accredited, highly regarded institution contributing immeasurably to our state and to the nation. It has a dedicated faculty of unusually high quality. It is quite true that we have some serious problems, most of which we share with our sister colleges and universities. Faculty salaries are inadequate, and the Board will continue its energetic efforts to raise them. We are also keenly aware of other problems within the institution, including teaching loads and communications between faculty, administration, and trustees. Steps are underway to improve this situation. We wish, however, to reassure the public, whose sympathetic and informed support is so essential to a public institution, that their state university holds a deservedly high reputation in academic circles, and that there is no cause for alarm concerning its standards nor its accomplishments.'

"The Board received a report from the University Provost documenting some of the inaccuracies in recent reports concerning the University, and also a strong statement from the University's Administrative Council giving a summary of evidences concerning the qualitative aspects of the University's programs. This latter statement traces the recent development of research and scholarship at the University, the rapid and successful development of its programs of advanced and graduate study, the searching inspections to which the University has been subjected by governmental and private agencies, the success of recent graduates in post-graduate and professional study, and an expression of confidence on the part of the members of the Administrative Council."

THE BOARD VOTED FURTHER to release to the press, to the members of the Legislature, and to the faculty copies of the above statement and two supporting statements -- one prepared by Mr. Waugh and the other prepared by the Administrative Council. Copies of these two statements are made matters of record in the files of the Board.

21. The President discussed with the Trustees the need for reviewing channels of communication and for opening these channels for free movement of information, advice, counsel and criticism.

The Trustees indicated approval of the following suggestions made
April 19, 1961

21. Continued

by the President:

(1) To continue the tri-part Ad Hoc Committee, this Committee to hold three meetings per year.

(2) To ratify the President's recommendation that the faculty membership of the Ad Hoc Committee be considered as a faculty-presidential advisory committee, this committee to hold about six monthly luncheon meetings.

(3) To activate the Administrative Council which is an advisory group to the President, composed of all deans, directors, and heads of Institutes, -- this group to hold about six monthly luncheon meetings. An agenda committee of three from this group would prepare an agenda for each meeting.

(4) To suspend, temporarily, the Provost's Council since it largely overlaps the membership of the Administrative Council.

(5) To establish a Deans' Council made up entirely of academic deans who will meet and organize themselves and prepare their own agenda items for discussion.

(6) To increase the autonomy of school and college faculties and to firm up the office of "Dean", each Dean to provide the leadership for his or her specific faculty. The President and/or the Provost would not be expected to attend all meetings but would be available to attend, as requested, or to drop in on each faculty meeting as their time schedules and work loads would permit.

(7) The Provost to continue to preside over the meetings of the Faculty Senate.

Respectfully submitted,

-s- J. Ray Ryan,
Secretary
