Hartford, Conn.,

March 17, 1915.

The meeting of the Board of Trustees of the Connecticut Agricultural College was called to order at the Governor's office by His Excellency at 11 o'clock A.M. Also present, Messrs. Henry, Hopson, Hubbard, Jarvis, Stoddard, Manchester, Storrs and King.

Voted: That this Board recommends that the Experiment Station at Storrs and the Experiment Station at New Haven be brought under one Board of Control.

Voted: That Mr. Hubbard be instructed to attend the annual meeting of the Gilbert Bennett Manufacturing Company.

Mr. Hubbard, as Chairman of the Committee appointed by the Board of Directors to investigate the advisability of granting the Societies at the Connecticut Agricultural College, permission to build Chapter Houses on the campus, reported briefly as follows:

Mr. President, you will remember that as Chairman of the Board of Directors consisting of Colonel Charles M. Jarvis, Mr. George A. Hopson, and Mr. C. E. Manchester, the writer with Mr. Hopson, visited the College and spent the day looking into the requests of the Secret Societies for permission to build Chapter Houses on the campus. Your Committee beg to report favorably regarding this petition, and beg to add that we believe the vote as passed by the Board of Directors two or three years

ago, should be again active, and that the Societies be allowed to erect these buildings under the restrictions of the President and Board of Trustees, in conformity with the originally granted vote.

Voted: To accept the above report.

Voted: That this Board appear before the Legislative Committee on Consolidation of Commissions to present our resolution regarding the matter of consolidation of the Board of Control of the Experiment Station.

Adjourned at 12:05.

O. F. King
