7. THE BOARD VOTED to approve the following changes in the By-Laws, these proposed changes having been carried over from the last meeting in accordance with Article XI, Section 2, requiring that amendments be submitted in writing at a previous meeting and furnished each member at the beginning of such meeting:

(1) Amend Article I by changing the second sentence to read: "The Board shall determine the general policy of the University, including the establishment of new schools and colleges; make laws for its government; manage its investments; and direct the expenditure of its funds."

(2) Rescind the approval of Item 2 of the Minutes of the meeting of January 26, 1960 amending Article V by adding Section 3.

8. The President discussed at great length the following resolutions and recommendations:

(a) Concerning administration-trustee-faculty resolution adopted at the January 11, 1960 meeting of the University Senate;

(b) Concerning limitation of new students admitted in 1960, adopted by the faculty of the College of Arts and Sciences on December 1, 1959;

(c) Recommendations of a special committee on Employment on the professional staff, adopted by the University Senate on December 14, 1959;
8. Continued

(d) Recommendation for a new standing committee (Faculty Advisory Committee) adopted at the January 18, 1960 adjourned meeting of the University Senate.

The Trustees discussed at great length a proposed statement to the University Senate in reply to the several communications which have been received. A final draft of the statement will be prepared as soon as possible and transmitted to the Senate through Provost Waugh and for general distribution as indicated in the statement.

The Trustees' statement to the Senate will be made a matter of record in connection with these minutes.

In connection with the above communications, the President presented to the Board a letter addressed to him by Provost Waugh in which the general faculty situation was reviewed. A copy of this communication is made a matter of record in connection with these minutes.

The President presented to the Board of Trustees, a copy of a letter addressed to the staff by Provost Waugh. This letter is made a matter of record in connection with these minutes.

9. The President discussed with the Trustees the resolution adopted by the University Senate on February 8, 1960 regarding the appointment of a committee to study the relationship of the State Government to the University. The President advised the Trustees that Provost Waugh has already appointed the special committee of seven members covered in the Faculty Senate resolution.

10. The President presented to the Trustees a communication from Acting Comptroller J. M. Trail recommending resolutions to be adopted to implement the approved changes in the University's investment portfolio.

THE BOARD VOTED to approve the following resolutions:

(1) The Acting Comptroller of this institution is hereby authorized and directed to sell, assign and transfer the shares of stocks and bonds as listed below in the name of The University of Connecticut Endowment Fund, and to execute any and all instruments necessary, proper or desirable to accomplish this purpose.

(3) The Acting Comptroller of this institution is hereby authorized and directed to purchase in the name of The University of Connecticut Endowment Fund 25 shares of the $6 preference stock of Encyclopaedia Britannica, Inc.

This stock was donated by Mr. Benton to the Brien McMahon Lecture Series Fund, and receipts from this sale will be credited to this fund.

(4) The Acting Comptroller of this institution is hereby authorized and directed to sell 7 shares of the common stock of the International Paper Company, represented by certificate number No. 622816.

This stock was donated by Harold P. Farrington to create the Farrington Engineering Scholarship Fund, and receipts from this sale will be credited to that fund.

(5) The Acting Comptroller of this institution is hereby authorized and directed to sell, assign and transfer 109 shares of the common stock of the Addressograph-Multigraph Corp. represented by certificate numbers N64215 and NO123209.

This stock was donated by Richard Ahrens to finance research in the field of political science by Dr. Gerson, and receipts from this sale will be made available for this purpose.
11. The President presented to the Board of Trustees recommendations for promotion in rank in accordance with the University's policy on promotions. THE BOARD VOTED to approve the recommendations for promotion in rank as presented. The list of promotions is made a matter of record in connection with these minutes.

The Trustees were unanimous in the belief that communications from the Trustees should be addressed to faculty members in recognition of outstanding scholarly or research achievements, these letters to go out from the President's Office for the Board of Trustees.

12. The President presented tenure recommendations in accordance with the Trustees' policy on tenure. THE BOARD VOTED to approve the tenure recommendations as presented. A list of the tenure recommendations is made a matter of record in connection with these minutes.

The President discussed a letter addressed to him by Provost Waugh having to do with the tenure of one of those recommended to receive tenure. This communication was discussed principally as an example of the occasional difficulty encountered in securing objective and firm recommendations from those charged with the responsibility of evaluating the competence of staff members to support recommendations to the Provost and to the President in connection with granting tenure.

13. Mr. Watson, on behalf of the Finance Committee of the Board, reviewed the situation with respect to the Law School site.

THE BOARD VOTED to authorize the Finance Committee to pursue this matter with vigor because of the time factor involved with respect to continued accreditation.

14. The President discussed with the Trustees the nominations for the 1960-61 Student Union Board of Governors. The constitution of the Union Board states that the nominating committee shall submit at least twenty-four candidates and the President shall make appointments from the names submitted by the nominating committee and such other persons as the President of the University deems desirable. The President advised the Board that he has appointed the first twelve names as submitted by the nominating committee.

THE BOARD VOTED approval of the President's recommendations.
15. The President presented a summary of admissions for September of 1960, as of March 8, 1960.

16. The President read to the Trustees a communication he recently addressed to Mr. Waugh having to do with the immediate recruitment of new staff members to take care of the increased enrollment predicted for 1960-61. A copy of this letter is made a matter of record in connection with these minutes.

17. The President presented to each member of the Board a reprint of an article appearing in the February 13, 1960 issue of Saturday Evening Post.

18. The President presented salary adjustment recommendations for Professor John T. Stock to $8940 and for Donald E. Nelson to $7860, Mr. Nelson to be given the responsibility for directing the University's Radio and Television Center; both adjustments to be effective March 1, 1960.

THE BOARD VOTED to approve these salary adjustments.

19. The President presented to the Trustees a mimeographed summary of Dean Blandell's remarks to the Board on February 17, 1960.

20. THE BOARD VOTED to authorize the President to cancel the check for $35,000 intended for the purchase of the polo field contiguous to the Hartford Branch site; the purchase of this field to be reviewed later if the acquisition of this property becomes necessary. The $35,000 involved would become available for the purchase of the properties now being acquired at Storrs in connection with the location of the girls' South dormitory.

21. THE BOARD VOTED to approve appointments and salary increases as contained in the list presented for the signature of J., Ray Ryan, Secretary of the Board. This is in accordance with the request of the State Auditors.
22. The President advised the Board of a communication received from George J. Walker, State Personnel Director, to the effect that Form 14 No. 4253 was being processed for action. This had to do with the establishment of the position of Fiscal Vice-President and Director of Institutional Research.

23. The President advised the Board of Trustees that a communication had been received from George J. Walker, State Personnel Director, advising that the "salary ranges for the professional staff of the University of Connecticut, based on the schedule recently sent us, ... have been alphabetized and coded."

Mr. Walker asked for certain information which is being forwarded to the State Personnel Office having to do with the following:

(1) Certain title changes of employees now in certain classes.
(2) The word "Agricultural" to be eliminated from the following coded items: 0510, 0945, and 2277.
(3) Under code 3048, the word "Distinguished" to be replaced by the word "Special".
(4) The position of Provost to be continued and the salary range to be the same as for code 9116.
(5) The new salary schedule to become effective September 16 for all new appointments with the exception of the position of Fiscal Vice-President which is to be effective May 1, 1960.
(6) The salary schedule to be effective October 1 as it relates to bringing staff members below the new minimums up to the new minimums.

Special Note: Mr. Kelleher of the University's Personnel Office will reply to questions having to do with changes of University employees from old to new classes as indicated in the letter from Mr. Walker.

24. The President advised the Trustees that he would have copies of his speech presented at the Annual Meeting on Higher Education in Chicago distributed to the Trustees. The title of the speech was "What Should be the Relationship between the State Government and the Publicly Supported Institutions of Higher Education?"

25. The April meeting of the Board will be held on Wednesday, April 20, the regular meeting date for April,
26. The Trustees discussed the future development of the Branches and voted to give the University Branches greater autonomy than at present in order that the University Branches can better represent the branch area interests and needs. The Branch Supervisors would be directly responsible to the President and the Board of Trustees through the chief academic officer and chief fiscal officer of the University. This relationship would eliminate growing confusion and loss of time and effort operating through the University Extension Service, Deans, and the many departments of the College of Arts and Sciences. This change to greater autonomy will not alter (a) following precisely the same admission requirements as apply on the main campus for students admitted to the regular freshman and sophomore programs, and (b) following precisely the same courses for freshman and sophomore students as are prescribed for Storrs campus freshmen and sophomores.

The Supervisors of the Branches will continue to seek assistance in the selection of teaching staff and regarding course content for regular freshman and sophomore courses.

The University policy for financing all regular branch courses and courses by Extension will be consistent throughout.

27. Mr. Schneller, as Chairman of the Trustees' Liaison Committee, reported on his recent discussion with Chairman Horowitz of the State Board of Education. Mr. Schneller indicated that his meeting with Horowitz was scheduled in order to review the past work of the Liaison Committee and with specific reference to the present relevance of the printed report issued in 1957 as to the present programs of the state colleges. Mr. Schneller reported that there was a great deal of agreement evidenced so far as Chairman Horowitz and Mr. Schneller were concerned.

Mr. Schneller urged that a meeting of the Liaison Committee be scheduled on April 27 or 28. The President stated that he would contact the members of the Liaison Committee advising them of this meeting.

28. The President indicated to the Trustees that he planned to meet with Mr. Fuller in the near future for the purpose of reviewing the University's loan, scholarship, and financial aid programs. He also indicated that he desired to discuss with Mr. Fuller plans for securing money from private sources for the construction of

(a) a concert organ for the University Auditorium

(b) a teaching organ for the von der Mehden Recital Hall, and
28. Continued

(c) a bell tower or campanile.

He reminded the Trustees that the University owns a fine carrillon set valued at approximately $50,000 which for years has been housed in the community church.

29. The President reviewed the need for a survey of the University's library facilities, book accessions, staff, and library administration. The University secured the services of Dr. Keyes Metcalf, retired librarian of Harvard to make the survey. Dr. Metcalf was recommended for this assignment by the American Library Association and others. Copies of Dr. Metcalf's report will be mailed to the Trustees. Copies have already been forwarded to the State Building Commission, Commissioner Conkling and Deputy Commissioner Phillips.

30. The President advised Mr. Watson that he would forward to him information on the floor area requirements of the new Law School building. This information is needed by the Finance Committee of the Board in discussing possible new sites for the Law School building.

31. The President advised the Trustees that he was forwarding to the members of the Finance Committee of the Board copies of recent correspondence to Commissioner Conkling. This correspondence will be reviewed by the Finance Committee for later report to the Board.

32. The President presented to the Trustees a communication from John Gillespie, Secretary of the Board of Trustees of the University of Massachusetts, which was addressed to the Secretary of the University of Connecticut Board of Trustees. A copy of this communication is made a matter of record in connection with these minutes. The purpose of the resolution contained in the letter was to request the University of Connecticut Board of Trustees to support studies by the New England Board of Higher Education regarding the possible advantages to the Commonwealth of Massachusetts for a regional cooperative approach to instruction in agriculture at the undergraduate and graduate levels.

THE BOARD VOTED to support a study of a regional cooperative approach to instruction in agriculture at the undergraduate and graduate levels.

THE BOARD ALSO VOTED that this study be planned and carried out by the Presidents and the Deans of Agriculture of the six

New England Land-Grant State Universities and the Commissioners of Agriculture in the six New England states. Copies of the Board's decision will be sent to the New England Board of Higher Education and the Presidents of the six New England Land-Grant State Universities.

33. The Trustees met with Dean Torgersen of the School of Engineering following the Board meeting. Dean Torgersen gave a complete summary of the history, present status, and future needs of the School of Engineering in undergraduate and graduate teaching and research.

Respectfully submitted,
