MINUTES OF THE MEETING
of the
EXECUTIVE COMMITTEE
of the
BOARD OF TRUSTEES
of the
CONNECTICUT STATE COLLEGE
held in Hartford, May 24, 1935

Present:	Dr. Wood	Mr. Buckley
	Mr. Spencer	Dr. McCracken
	Mr. Hollister	Mr. Longley

On Tuesday, May 21, the president was notified that the Appropriations Committee had set up the college budget on the basis of personal service, contractual service, and supplies and materials, with this division carried down into the budget of each department. This set-up would have provided 24 different appropriations for the college. The Executive Committee was called to consider this matter.

Just before the meeting convened, Commissioner Hall notified the president that the set-up had been changed and that the appropriations now appeared in the same form as for the present biennium.

The Appropriations Committee on Tuesday, May 21, indicated also that all the contingent funds had been eliminated from the college budget. This amounts to \$32,305 for 1935-36 and \$32,615 for 1936-37.

The Executive Committee discussed these matters but there was no action taken.

A letter from Allen W. Manchester, Regional Director, Land Policy Section, A.A.A., was presented. The letter stated in substance that the plans for his work are so indefinite that it is impossible to make any specific arrangement for the accommodation of himself and staff at this time.
