(a) Items requiring Board discussion and approval:

(1) Memorandum of Agreement Between the University of Connecticut and the University of
Connecticut Chapter of the American Association of University Professors
On a motion by Mr. Martinez, seconded by Ms. Bailey, THE BOARD VOTED to approve the Memorandum of Agreement between the University of Connecticut and the University of Connecticut Chapter of the American Association of University Professors.

Trustee Napolitano asked if this agreement intended to limit layoffs, except in those cases where programmatic changes were deemed necessary.

President Austin said that this is the case and noted that the reasons for exclusion dealt with the budget and reallocation, such as for programmatic reasons or low enrollment.

Trustee Napolitano also asked if this agreement provided the flexibility needed for non-budgetary changes.

Chairman Gelfenbien responded that it provides for the elimination of programs consistent with the contractual agreements.

President Austin noted that the AAUP agreement has brought the University good will with the Governor and the Legislature. He noted that the faculty voted yesterday 4:1 in favor of the agreement. He noted that he and Vice President Aronson testified this morning before the State Appropriations Committee.

Chairman Gelfenbien congratulated President Austin for his efforts.

Trustee Gresczyk asked how many faculty made up the membership.

Vice President Aronson responded that the AAUP consists of 1,400 FTE or full-time equivalents.
