CONCERT

Paul Dufaut, the French tenor who comes to Storrs tomorrow night, sang in Willimantic before a large audience Wednesday evening, although the tickets sold at $1.50 each. The price of the local concert is fifty cents. This is an opportunity that no person on the Hill can afford to miss. Let us show the social committee that we appreciate their efforts in providing for an entertainment of the first rank. This done, more from this attractions will come. The regular Saturday night dance will follow the concert.

BENEFIT FOR NUTMEG
DEFICIT ON MAY 12

Saturday, May 12, is to be All-College Entertainment night, when each of the artistic organizations on the Hill will furnish one part of the evening’s entertainment. The Men’s and Girls’ Glee Clubs, College Quartet, Dramatic Club and Blackguards will be represented, the Blackguards making their debut of the year.

The musical talent will also be represented by several of the more talented students. This entertainment is being organized by the 1923 Nutmeg Board, and the proceeds are to go toward defraying the debt of last year’s varsity. Tickets will be on sale in a few days, and will be handled by the Nutmeg Board, who will canvas the entire student body.

“BEYOND THE HORIZON”
COMMENCEMENT PLAY

Try-out for Cast Will Be Posted on Bulletin Board

“Beyond the Horizon,” by Eugene O’Neill, has been chosen as the play which the Dramatic Club will present June 8. In choosing this play the committee made another radical departure from the line of production usually attempted. (Cont. on page 8 col. 1)

JUNIORS BEST FACULTY
AT NATIONAL GAME

STUDENTS PROVE SUPERIOR
AT WILLOW WIELDING

Junior Battery, Bamford and Donahue
—Brown Pitches for Faculty—Mahoney Catches—Score 4—2 Favoring the Juniors.

On Monday afternoon, after a lowering and overcast sky, the Junior class baseball nine handed the Faculty ball tossers a 4—2 defeat in the second lap of the interclass baseball series. "Stretch" Bamford, the elated Junior twirler, rated as one of the big finds in the Aggie baseball world, had the game well in hand, allowing his opponents only two scattered hits. "Slats" wicked curves and famous fade-away ball were gathered in by Ashman and Haggerty, and they were the smoothest working battery seen on the Aggie diamond this season.

From the Faculty's big string of pitchers, "Jimmy" Brown was selected to do the mound honors, and "Connie" Mahoney, the second member of the battery showed that he had played baseball before—at least he looked like a player in his baseball suit. The older Faculty members were conspicuous by their absence, for unlike in past years, the older members failed to appear on the diamond.

Juniors Score First

The Juniors took the lead in the first inning when Purple hit safely, was forced to second when Donahue walked, and came home on Bamford's long drive to center field.

In the third inning the Faculty evened things up with vengeance. Brown singled to left field and reached second as a wild pitch. Mahoney's single advanced Brown to third, and two wild throws allowed both Brown and Mathewson to score, giving the Juniors a 2—1 lead. The Juniors failed to score in this inning, and the Brenciks knocked a three bagger and reached home on an error, he was walked out for failing to touch second base.

Juniors Break Loose

The Junior willow wielders let loose in the fourth inning and added two more tallies to their score. Brown issued a free pass to Donahue. An error by Putnam allowed Cronin to reach the initial sack and Donahue advanced to third. Parker singled, driving in Donahue and tying the score. Metzger then connected for a Texas leaguer to center field and Cronin crossed the plate with the winning tally.

In the fifth and final inning, the Juniors added another tally when Purple crossed the plate on Donahue's two base hit deep into left. The Faculty failed to get a man to first base and the game ended with a 4—2 victory for the Juniors.

COAST GUARD ACADEMY SUCCUMBS
TO AGGIE ATTACK ON DIAMOND

UNINTERESTING GAME ENDS WITH NUTMEGGERS
SAFELY BEHIND A TWENTY TO ONE TALLY

White, Who Pitches Well, Replaced Five Strikeouts in Last Three Innings—Many Long Safe Hits.—Naval Men Show Great Spirit.

In a game too one-sided to be interesting, Connecticut ran away with the United States Coast Guard Academy of New London on Gardner Dow Field last Saturday, scoring twenty runs, while the sailors were able to collect only one tally. The Coast Guard nine had a strong following of both aces and sailors coming from the naval base at New London; forming a cheering section that far outshone the efforts of the Aggies, although "Patsy" Metzger did his best to rouse enthusiasm in the Connecticut ranks.

Raney, the first man up for the visitors, got on first when "Line" Mullane was unable to gather in Fitzgerald's low throw. Byrd sacrificed, sending Raney to second. That was as far as he got however, for "Grampy" White struck Murray out and Raney back down in order. White striking out two of them and making a put-out at first on Mullane's assist. Three more hits and four bases on balls, together with some slow fielding ran the Connecticut score up to eight in the last half of the inning. Forsyth, the first man up in the third inning umpired by the navy infield, hits by Byrd, Brown, and Brencik, and a base on balls, gave Connecticut a 12—0 lead.

The visitors' cheering created a wild out at first, in Connecticut's half of the inning the batters went out without getting a man to first base, the only inning in which they failed to get a hit. In the fourth, "Jimmy" Mullane made three put-outs at first, while no Coast Guard batter was able to get to the initial sack safely. Connecticut added three runs in the fourth. In the fifth inning the embryo attackers got their first, last and only run of the contest on an error by Fitzgerald, and a put-out by Forsyth, the first hit of the game for the Coast Guards. In the sixth the visitors got another hit, Murray doubling to left field. In the first half of the seventh Wells took White's place in the box, and for the rest of the game the Coast Guard batters went out in order, three hitting rollouts to the pitcher's box, and five striking out. Hits coupled with bases on balls and errors, gave Connecticut, four runs in the sixth inning, and five more in the eighth.

White, Fitzgerald, Makofski and Brandung were the leading hitters for Connecticut, the blind pitcher getting three safe bingles in four times at bat, "Fitty" getting four safe ones in four times at bat, "Mac" knocking out a triple and a double, while Bruncare got three safe hits in six times at plate.

The visitors' cheer leader created quite a laugh with his pirate costume, complete even to the sword. His hat didn't last very long.

Only nine men faced WII in the last three innings and the visitors' hurler figured in eight of the plays that retired them, striking out five men and making three assists.

Manager Obery has successfully arranged two meets for Coach Daly's tracksters. On May 5 the State runners will meet their old rivals, Mass. Aggies. Coach Daly has been working his men hard every day and by the time of the meet they will be in first class condition. In this meet we are putting a good deal of trust in some of our old stars and some very promising material in the freshman class. "Larry" Lawson, star javelin thrower, Carl Dossin, pole vaulter, Albert Rivers and other "Davy" Noble in the discus event, and also the services of Carl Brink in the quarter mile, the latter being very badly hurt a few days ago, during practice.

U. S. Coast Guard

Four days later the team meets the U. S. Coast Guard Academy of New London. By this time the two first places of each event will count toward the final score. The pole vault will be omitted in this meet. The two meets in a row will be a considerable task for both the coach and his men.

DIAMOND Dope

Once men faced Wells in the last three innings and the visitors' hurler figured in eight of the plays that retired them, striking out five men and making three assists.

The visitors' cheer leader created quite a laugh with his pirate costume, complete even to the sword. His hat didn't last very long.

Bolgot killed a hearty cheer when he batted for Metzler. "Petey" has the highest average on the team, he's batting for 1900, having been hit once and making one hit, a double at that.

Even though Connecticut was fourteen runs behind in the seventh, the stands saw fit to invoke the aid of the Goddess of Luck; but her Highness did not feel inclined to exert her influence, and the Aggies went scoreless in that frame, although two clean bingles were registered.

Q.—"What does a minister do for a living?"
A.—"He works to beat the devil."
NEW HAMPSHIRE AND COLBY NEXT ON SLATE
Colby Invades Hill on Friday While Connecticut Journeys to New Hampshire on Saturday.
Opposition for the Aegric ball tossers in the last home game until Junior Week will be furnished by the fast Colby nine Friday afternoon at four o'clock. Little information is at hand concerning the strength of the visitors but the Maine team usually has a high rating in intercollegiate track. Kennedy has several victories to its cred this year.
The Blue and White team has been hard at work during the past week, and the nine is showing marked improvement under the guidance of Coach C. R. Crim. Just who will take the mound against the invaders is a matter of conjecture as there are several possible hurlers who may start the contest.
On Saturday the Aggies will clash with the New Hampshire team at Durham. Last year the Durhamites came to the Hill and took a loosely played game from Connecticut, for which the Blue and White is out to take sweet revenge.

PHI EPSILON PI WINS POOL TOURNAMENT CUP
In a safely played game, "Al" Feldman, shooting for Phi Epsilon Pi, defeated George Hilldring, shooting for the Shakespearean Club. The game was marked by consistent shooting by Hilldring. Except for the first two racks, Feldman held a lead of twenty balls throughout the entire game. The first block ended with Feldman leading by twenty balls, score 50-30. The second half was only a repetition of the first, and although Hilldring shot a good game, he could not overcome Feldman's lead and Feldman ran out, leading by twenty-eight balls. The final score was Feldman 100, Hilldring 72. As this game was the final of the tournament, the cup will be presented to Phi Epsilon Pi at President's Hour next fall.

BLOCK AND BRIDLE CLUB AT ANNUAL BANQUET
Members of the Connecticut Chapter of the Block and Bridle Club, the national animal husbandry organization, held their third annual banquet at Dinner Hill last Thursday night.
The banquet was given the Club through the kindness of Professor H. L. Garrigus. Among the speakers introduced by Toastmaster Garrigus, were Professors S. M. Salisbury and C. W. Fawcett of the animal husbandry department at the Massachusetts Agricultural College. Twenty-nine members and guests were present at the banquet.

INTERCLASS TRACK MEET SATURDAY
ALL CLASSES HAVE GOOD MATERIAL FOR EVENTS
Varsity Letter Men Cannot Compete in Event in Which They Won Their Letter.

With the outdoor meets coming in a few weeks, Coach Daly's chargers have been burning up the track with their speed and to show their ability, and their class spirit, they are to stage an interclass track meet this Saturday afternoon on Gardner Dow Athletic Field.
This meet promises to be the best interclass athletic contest that will be held this year. The classes are evenly matched, each having men that are stars on the varsity track team. The events will be a 100 yard dash, 220 yard dash, a quarter mile, half mile, and mile run, hurdles, high jumping, pole vaulting, discuss throwing, javelin throwing, broad jump, hammer throw and the shot put. The frosh have the biggest delegation of track men who will represent them in this meet. Their best men are Chase, Squires, Hurley, Norman, Barry, Wardle, Lins, Lins, Brink, Cleland, Nelson, Schaefer, Gustafson and Kane. The sophomore stars are Slyz, Holdbridge, McCallister, Jacoby, Hutton, and Johnson. The Juniors best bets are Hankwitz, Law- son and Purple. The Senior team is composed of such stars as Capt. Stevens, Ashman and Dawson.
The classes will organize cheering sections so that there will also be some rivalry on the sidelines. Men who have won their track letter will not be allowed to compete in the event in which their letter was won.
Manager John Oberly has announced the following officials for the interclass meet: Referee, John Oberly; starter, Raymond Wing; clerk of the course, Francis Mahoney; field clerk, S. P. Hollister; assistant field clerk, George Snedman; field judge, A. W. Manchester; judges at the finish, David E. Warner, Louis Alexander, B. S. Jurarewicz; scorer, Anthony Grady; announcer, J. Bradford Ricketts; time- ers, Roy Guyer, S. Patterson, Steve Daly; measurers, Byrd Standish and Henry Backingham.

SENIORS TRIUMPH IN INTERCLASS BASEBALL
The Seniors defeated the Sophomores in the first of the interclass baseball series last Tuesday afternoon by a score of 13-11.
At the start of the game the seniors took a decided lead over the second year men but about half way thru the contest the sophs got wise to "Tex" Cavit's "batterning" curves and pok ed out a few hits. For a time it looked as if they might reverse the lead and carry off the honors. The battery for the sophomores consisted of Slyz, the sly moundman, and "Tex" Cavit's "batterning" curve.

ELECTIONS

Within the few remaining weeks of the college year will come the annual series of elections. It is at this time that the elections for the coming year are made and the leaders of the respective organizations chosen. Not that many new systems have been evolved, many new ideas put into action, and more systems and ideas are for looked for in the near future. This is the first time in the history of the college that there has been any limit to the number of activities that men of the college would be allowed to participate in. This fact is not to be ignored when the coming elections are considered. Each man is allowed to carry but seven activity credits at any one time and this must be taken into consideration when men go out for the various positions that will soon be open to the vast majority of the student body.

Pick the one or two activities that are most interesting or appealing to you and go after them strong. Specialize, is the style now; do not dabble lightly in everything on the campus.

The activity point system will do much good for the college if it is taken to heart and enforced by the student body. It will make more than one or two major activities and do the work evolved as it should be done. Plan now to do your part in college organization in the up-coming elections, and then see to it that your duties are fulfilled—fulfilled in a way that will make history for your Alma Mater.

OLIVER TWIST’ ENDS IN BLAZE OF GLORY

The movie production “Oliver Twist” shown in Hawley Armory on Saturday night was slightly altered, and, contrary to the story, ended in a blaze of glory which proved quite detrimental to the picture.

In the midst of the story, just after the police had captured Oliver, there was a melting scene and a slight flare about the scene, and for once Fagan and his gang were completely foiled in the plot against Oliver’s life. Their plans not having a ghost of a show to materialize after the film was through smoking.

About this time Mr. Skinner raised his hand and said, “On with the dance, the boys are unconfined,” whereupon the crowd began to disperse, and chairs were cleared from the floor. However, the dance did not go on for quite some time, because of the arrival of the firemen from the decomposed celluloid, which proved too strong for even such staunch enthusiasts as the C. A. C. students who were at the scene. Even the noted tenor, and his accompanists who appear here this weekend, before a large and enthusiastic crowd, had to sing a few minutes.

The Co-eds deserve much credit for the bravery and self-controlled they displayed at the occasion—not a single squeal was heard, and not one of them showed a sign of fear in the arms of their escorts.

The film was covered by insurance.

EX-SERVICE MEN’S CLUB TO GIVE INFORMAL PARTY

Dame Rumor has it that the members of the Ex-Service Men’s Club are about to have a quiet dinner and then, besides the buildings, nearly all out in the open air for a little music. The object is purely social and make debating an activity that is enjoyed by and for ex-service men. The purpose will be to get the men better acquainted with each other.

The dance did not go on for quite some time, because of the arrival of the firemen from the decomposed celluloid, which proved too strong for even such staunch enthusiasts as the C. A. C. students who were at the scene. Even the noted tenor, and his accompanists who appear here this weekend, before a large and enthusiastic crowd, had to sing a few minutes.

The Co-eds deserve much credit for the bravery and self-controlled they displayed at the occasion—not a single squeal was heard, and not one of them showed a sign of fear in the arms of their escorts.

The film was covered by insurance.

NEARBY RESIDENT HAS DISASTROUS FIRE

A barn and a shed owned by Timothy Costello of Englefield were destroyed by fire of unknown origin last Wednesday afternoon. Mr. Costello lost, besides the buildings, nearly all his and parts of contents, including one Ford automobile, one horse, two pigs a quantity of hay, some ice and two loads of grain. The loss is partly covered by insurance.

THE TRIANGULAR DEBATE

Dear Editor,

The attendance at the Connecticut College of the triangular debate was most disagreeable! Although the night was disagreeable, the affair warranted a much larger audience from this student body. No college of any real standing in the world of intellect would ever allow people so neglects debating as does Connecticut. If the type of debate practiced here is not to the liking of the students, it is up to them to change it. As most of us know, the Debate Club has had rather a difficult task in putting over the debates which it has had this year. The student body has shown so little interest that door receipts have at no time equalled expenses.

But Connecticut has managed to maintain her record of last year. The Triangle between Rhode Island, Massachusetts and this institution is still unequal. Let us not merely keep it equal, but put Connecticut in the lead.

From now on, let us band together and make debating an activity that we will be proud of—Debater.

President’s Hour this week marked a short session of song, with Dr. Denlinger leading. The singing started as usual with about half the student body joining in one or two songs, things were going stronger in that line than they ordinarily do except at games or in small groups, and then the songs were generally different.

The Alma Mater was sung better last Wednesday morning than it has been sung for a long time past. This was due merely to a few minutes of organized singing. If a few minutes once in a while will do it, why not have two or three times on the date book for next year. The student body as a whole certainly would benefit by such action. A live wire leader from outside might add to such an occasion.

This sort of thing is done as a regular practice in many places, and is always looked forward to by the students and those taking part, though much depends on the personality of the leader.

For More Spirit.

FORMER OWNER OF FLINTSTONE MODEL DIES

Mr. Frederick G. Crane, who donated Flintstone Model to the Animal Husbandry Department of this College, died at his home in Easton Saturday night. He was interred on Wednesday, March 13. Mr. Crane was a powerful factor in general livestock interests, and was a good friend of the college. Flintstone Farms, formerly owned by Mr. Crane, have been the scene of much of the work done on Animal Husbandry judging trips taken by A. Has. students of C. A. C.

STAGE IN HAWLEY ARMORY BEING ENLARGED

Other Improvements To Aid College Actors

Alterations and improvements now being made on the stage in Hawley Armory will bring about a number of new and important changes. "Lack of depth in the stage has always been more or less a handicap in presenting our plays," said President Hilldring, "and this year, steps are being taken to overcome this handicap. For some years past members of the organization have felt that the brick wall at the rear of the stage should be removed, and by this removal add two or three feet more depth to the stage. For various reasons we have been unable to have this done until this year, when Treasurer R. L. Longley of the College, in conference with a committee from the Dramatic Club, agreed to have this work be set in motion under way. Estimates for the cost of removing the entire wall were too high to allow the entire project to be completed this year; consequently only one section of the wall will be removed. This section, which is six feet long, in the middle of the rear wall, will add two or three feet to the depth of the stage, a great improvement, and at the same time it will provide a central door for scenery."

Mr. Hilldring explained that this opening in the wall will make is possible to give the scenery a firmer setting, a condition which has been lacking in previous productions. "In 'On the Lawn,'" the club's last production, some difficulty was experienced in manipulating the various curtains and props, due to the warped condition of the scenery. Correc­tion of these stalling of overhead grooves which will give strength and rigidity to the wings and other pieces of scenery. Additional braces on the sides will also help to overcome these difficulties."

The lighting effects of the stage are to receive attention also; several minor defects needing correction.

"With these improvements completed," said Mr. Hilldring, "the Dramatic Club will be able to carry on its work much more efficiently and in a manner that will add to the quality of its productions."

KAMPUS KLIPS

SO THE STORY RUNS

In a recent letter to the Breeder's Gazette, F. M. W. of L. County, Nebraska, got an auction sale and an account of a wedding mixed. The resulting article was as follows:

Married at home of the bride's township one mile north and two miles east of Mr. and Mrs. Jones. The groom, highly respected resident of Thursday, twenty-seven, Miss Ethel Drinkwater, by the Rev. J. Short, head of Short-horns consisting of four bridemaids dressed in pale blue and carrying calves by their sides. They had tulle veils sired by the noted Kentucky Jack Bombina 3rd. Also forty-six head of hogs including the groom's father from North Dakota, where he is engaged in missionary work and is immersed by the double process. The showtime are thrifty and all relatives of the bride and groom. They all gathered in the spacious dining room after the ceremony and partook of 300 bushels of seed oats, 100 bushels of corn and ten large sacks of millet and alfalfa. The bride is the youngest daughter of one trusty incubator, capacity of 600 eggs, one John Deere five room cottage and a truck after which they drew 10 percent interest from date. Free lunch at noon. The editor left town.

The man who thinks he knows it all is the one that believes wire worms live on barbed-wire fences.

Those freshmen who have the wandering spirit after the evening meal is over should attach cowbells to their necks that they may not disturb the "night league."

Dumb: "Is Lent over yet?"

Bell: "No, it has just started. My roommate borrowed five dollars this morning."  

Social Scandal!

Holeproof Hosery and Paris Garter have parted.

Don't tell me in mournful numbers Winter was an empty dream,

For departing it leaves with us
Thoughts of radiators without steam.

In Math

Post (in loud whisper): "What is he talking about?"

Oberly: "Pipe down. You keep us all awake."

Atlantic City may be famous for its board-walk, but none the less famous is Storrs for its "board" walks.

Professor in Agronomy to Class:

"Now here we have a piece of land which is grassy but not very fertile. What could we raise on it?"

Wise Led—after deliberation: "The only thing I could see possible to raise on this land would be H—-"

THE OPENING OF THE BASEBALL SEASON

The game opened with Molasses at the stick. Small Pox was catching. Cigar was in the box and had plenty of smoke. Horn was playing first base and Fiddle was playing second. Corn was in the field. Apple was umpire. When Axe came up to bat, he chopped one and made a Cake walk and Sawdust filled the bags. Song made a hit and Twenty made a score. Every foot of Ground kicked and they said Apple was rotten. Balloon was led to pitch but went up in the air. Then Cherry tried it but was wild. When Spider caught the fly the crowd cheered. Needle tried to umpire, he was sharp enough but only had one eye. Ice kept cool until he was hit by a pitched ball, then you should have heard ice cream. Cabbage had a good head and kept quiet. Grass covered a lot of ground in the field. Organ refused to play. Hornet stung the ball but it fell into the hands of Clock. Bread loafed around until they put him out. In the fifth inning Wind blew around what he could do and Hammer began to knock, then the Tyes began to leave. Knife was put out for cutting first base. The crowd roosted Peanuts all through the game and everybody kicked when they put light out. Then Meat was put out at the plate. The score was 1 to 0 and the game was over. Door said that if he had pitched he would have shut them out. There was a lot of betting on the game and Soap cleaned up but Eggs went broke.

ALPHA PHI FRATERNITY HOLDS ANNUAL BANQUET

On Saturday, April 21, the Alpha Phi Fraternity held their eleventh annual reception and banquet. Many prominent alumni were back on the Hill for the occasion, prominent among them being "Kuk" Johnson, '21, Irving Taylor, ex-24, "Butch" Callahan, '88, George Stumpf, '88, "Nemo" Boulanger, '22, Imert Follows, '16, George Ball, '17S, Carroll Wills, ex-19, Marshall Beebe, ex-23, Howard Dunham, '18S and "Winnie" Benham, ex-24. The banquet was held in the College Dining Hall. Lewis Richardson, '24, acted as toastmaster, and introduced William Baxter, '23, Maurice Daly, and Thomas Donahue, '24, as the principal speakers of the evening. The following menu was served:

Fruit Cocktail
Chicken Gumbo Creole
Oives Pickles
Boiled Salmon Dutchess Potatoes
Roast Duck Mashed Potatoes
Cranberry Sause
Asparagus Taps Drawn Butter
French Fruit Salad Mayonnaise
Cheese Fluffs
Apple Pie la Mode
Cafe Noir

Ten members of Professor J. N. Fitz's class in Machine Shop Practice left the Hill for an inspection trip to Hartford at eight this morning. While in the Capitol City the Engineers will visit the factories of Pratt & Whitney and the Colt Fire Arms Corporation.

CONNECTICUT DAY PLANS NEARING COMPLETION

Athletic Field Will Receive Greatest Attention.—Co-eds to Act as Water and Doughnut Carriers.—Baseball Game and Outdoor Luncheon Will Close Day.

The various committees have been hard at work during the past week and the plans for Connecticut Day are rapidly nearing completion. On Tuesday, May 8, the entire college will be on hand to carry out the plans that have been made. The various activities will be divided into three parts: the athletic field, the afternoon activities, and the evening program. The athletic field will be divided into sections for different events, and the afternoon activities will include games and contests. The evening program will be a concert and a dance. The entire day will be a celebration of Connecticut Day. The day will begin with the揭幕式, followed by the athletic events, and end with the concert and dance.

MONDAY will be the day for Seniors. TUESDAY for Juniors. WEDNESDAY for Sophomores. THURSDAY for Freshmen & Specials. FRIDAY will be the big day for College employees.—Adv.

W. A. WOOD, "21, WRITES HANDBOOK ON SHEEP

The Connecticut Sheep Breeders' Association has published a Handbook of Sheep, which was written by Walter F. Wood, C. A. C. '22, while he was taking Animal Husbandry work at this College. The handbook was dedicated by "Woody" to the Junior Sheep Club Workers to give them a guide to better sheep raising.

AGRICULTURE COMMITTEE PAYS COLLEGE A VISIT

Legislature Members Inspect Farm Plant.—Are Served Luncheon in the Dining Hall.

Members of the agriculture committee from the State Legislature visited the College on Friday of last week.

Lunch was served the committee in the College dining hall. After lunch President C. L. Beach and members of the faculty escorted the committee on a tour of inspection about the campus. The beef and dairy barns and the poultry plant were visited.

With the committee were Senator Clarence H. Child, chairman, Senator Wallace R. Pierson and Representative Albert H. Landon.

Dr. W. E. Britton, state entomologist with headquarters at the New Haven Experiment Station, gave a short talk on the importance of entomology, to the students in Zoology 2 last Tuesday.

(Part from page 1 col. 1)

"Beyond the Horizon" may be described as a grim tragedy of American life. Since it was written several years ago, it has been produced through the United States together with several other of Mr. O'Neill's plays, and has been successfully produced in England and France.

Michael Farrell has been given charge of the coaching of the play, and Mr. Christoph of the English department, has agreed to take charge of the staging of the play which is a difficult task in this production.

Try-outs for the cast will be posted on the bulletin board.

PUBLIC SALES
WE HAVE PURCHASED

There's lots of young fellows like yourself that long to get out on the open road with a motor cycle and enjoy big days of this regular out door sport.

COST? Less than that of an average show. Some of these fellows have investigated our easy pay-as-you-ride plan on new and rebuilt motorcycles. As soon as we told them how easy t was for them to own a motorcycle on this plan, it didn't take them long to pick out their motorcycle.

Come on over tonight. Here in this big stock of ours is your motorcycle. You can select your machine and begin to ride this week.
