BIG ATTRACTIONS FOR 1923 JUNIOR WEEK

GAME WITH RHODY TO PRECEDE DANCE

Junior-Senior Banquet Thursday.—Dr. Denlinger to Speak.—Roman-Fountain Orchestra for the Prom.

Junior Week, the greatest social event of the year at Connecticut, is only a few days away and the student body, as well as the alumni, are looking forward to one of the largest and best programs ever held during this event. The Juniors will appear around the campus dressed in the traditional Junior habit—white flannel—blue coat and cane.

On Wednesday the baseball team will start the list of events when it plays the northeastern Y. M. C. A. College of Boston. On Thursday the 1923 Nutmeg is scheduled to be distributed, but on account of delays in printing and binding, it is doubtful whether the book can be distributed on this day. However, the editors are trying their best to get the book for that date. At 7:30 in the evening the Juniors will uphold the old Connecticut tradition by having the annual Junior-Senior Banquet. The speakers will be Dr. Denlinger, the Junior class advisor, and among the other speakers will be President Bench, Professor G. H. Lamson and others.

Friday will be the biggest day of the week. At 10:00 a.m. the three companies that comprise the R. T. C. will have a competition drill and the company selected by the judges as the best drilling and the neatest in appearance will be awarded the Army Cup. At 3:00 the baseball team plays its old rivals Rhode Island State College. This will be the last game that the team will play during the week and it is hoped that the team will be victorious in both games.

Eight thirty o'clock will mark the start of the Junior Promenade—the most anticipated event of the week. The armory will be decorated as usual by the various fraternities on the Hill. The dancers will dance to the harmony of the Roman-Fountain Orchestra of Middletown.

Saturday, the last day, also carried a heavy program. At 1:30 the annual tree dedication will take place. This (Cont. on page 8 col. 1)

TAP DAY MAY 18

The Druids have designated Friday in Junior Week, May 18, as Tap Day. On this day seven Juniors will be tapped for membership in The Druids, the Senior Secret Fraternity.
AGGIES LOSE CLOSE CONTEST AT TUFTS
MEDFORD HITTERS SCORE SIX RUNS IN FIFTH

Aggies Hit Kroog Hard in Last Few Innings

The Connecticut Aggies lost to Tufts Wednesday afternoon at Medford 5 to 2. The Tufts batters got to the offerings of the Aggies twirler, "Gramp" White, only in the fifth inning, when they scored six runs on the same number of hits before Lord relieved the Maine hurler. The Aggies nine played the best game they have displayed this season, the only error of the game being O'Brien's bungled of a hard hit ball in the unlucky fifth.

The field was soggy from the morning's rain and as play started it was misting, but in the third inning the sun came out and stayed out until the end of the game.

"Gramp" White started in the box for Connecticut and was effective until the fourth batted in the fifth. The Medford batters got to his offerings hard in that inning, and six runs were scored before Lord relieved him with nobody out. The next three batters went out in order, two flying out to Billy O'Brien and the third hitting a grounder to Jake Ahern. The Tufts nine scored again in the sixth when they got two hits coupled with a walk, but only one man reached first base after that inning.

Connecticut will aim at the first to score when they pushed one across the plate in the fourth. They added two more in the fifth, and one in the eighth and another in the last inning. It looked as though the Aggies were going to tie the score in the last inning when Metelli reached first on an error, going to second on a wild peg. Laubscher then singled in three and Brundage was put on by Innings to score the last run of the game. The Summary of Tufts.

CONNECTICUT TRACK TEAM TAKES CLOSE MEET FROM M ASS. AGGIE

TUMEY OF MASS. WITH 13 POINTS IS HIGHER SCORER. JACOBY AND JOHNSON EACH WIN TWO FIRST

Nine First Places in Fourteen Events Secured by Connecticut.—Fourth Consecutive Victory on the Outdoor Track.

Connecticut Aggie opened its outdoor track season against Massachusetts Aggie here Saturday. Time 4:17 1/5 and won 68--58 in a close meet which was in doubt until the last event, the high jump, had been decided. Carl Donlin set a new Connecticut Aggie record in the pole vault, clearing the bar at 10 feet, 6 inches.

Tumey of Massachusetts was the high scorer of the afternoon, with thirteen points to his credit, the result of first place in the shot put and broad jump, and second in the discus throw. He was closely followed by Johnson and Jacoby of Connecticut, who scored two first places apiece.

Jacoby won both the mile and two mile in handy fashion, although Stevevins gave him a good race in the latter event. Johnson took both the high and low hurdles easily.

The Storrs outfit flashed into the lead in the start when Slyz, the crack blue and white sprinter, took the hundred-yard dash in 10 3-5 seconds, followed closely by two of his teammates, Cledan and Quigley. In the next event Connecticut increased its total to seventeen points; Captain Paul Steere and Velhage placing first and second in the half mile. The Bay Staters scored their first point when Irish placed third.

Massachusetts came back strongly, however, and the remainder of the meet was fairly close, though the Nuthants were not able to overtake Metelli, who led Connecticut. He made the best play of the day when Metelli batted first on an error, going to second on a wild peg. Laubscher then singled in three and Brundage was put on by Innings to score the last run of the game.

The Results

The Aggies had a fine day Saturday, winning two out of four. They had a bad day in the field however. Kirby was the leading Rhode Island hitter, getting two of the four hits made by his team.

Baxter played well at first base, making fifteen putouts without a bungle. O'Brien also put up a good game at short stop. "Soco" Metelli made the best play of the day, with only one out, the bases were loaded. The batter attempted to bunt and the ball landed just in front of the plate. The ball looked as though it was going foul, but "Soco" grabbed it, touched home plate for a forceout, and threw first base catching the runner at second.

RHODE ISLAND BEATS AGGIES AT KINGSTON

NEW INFIELD COMBINATION WORKS SMOOTHER

Laubscher and Fitzgerald Hit Well.— Rhode Island Gets but Four Hits.

Rhode Island was able to defeat Connecticut two to one in a high scoring affair Saturday by scoring two runs in the eighth and one in the ninth with two out. Laubscher, pitching for Connecticut, twisted a great game, allowing Coach Keaney's men only four hits. Errors at inopportune times enabled Rhode Island to score the necessary runs. Connecticut had her big inning in the seventh when they drove Edwards from the box, scoring three runs on clean hitting. Both Laubscher and Edwards twisted air-tight ball for the first four innings, and neither side was able to score until the fifth, when Rhode Island pushed one across the platter. They added another in the sixth. In the seventh, the Connecticut heavy artillery got going, and before Edwards was taken out Makofski and Ahern had crossed the plate tying the score. At the seventh, Edwards fell to fool Bob Laubscher, who drove O'Brien in with the third run. In the last half of the eighth inning the Aggies were able to make another bitter out to Brundage for what would have been the third run of the inning. It looked as though Brundage was going to make an easy catch, but the high wind carried the ball so that although Brundage was able to get his hands on it, he failed to hold it, one run scoring on the play. Before the last man was out Rhode Island managed to chalk up another tally, tying the score. Connecticut failed to annex a tally in their half of the ninth, and again both teams were unable to score as the ball to second base. Fitzgerald came in to get the ball, but just before it hit his hands it struck someone in the infield and bounced high over Fitzy's head, the winning run scoring.

Bob Laubscher, besides pitching a fine game, was the leading hitter of the game. Bob was up to bat four times and got three hits, one of them a double. Fitzgerald also hit well, getting two out of four. He had a bad day in the field however. Kirby was the leading Rhode Island hitter, getting two of the four hits made by his team.

Baxter played well at first base, making fifteen putouts without a bungle. O'Brien also put up a good game at short stop. "Soco" Metelli made the best play of the day, with only one out, the bases were loaded. The batter attempted to bunt and the ball landed just in front of the plate. The ball looked as though it was going foul, but "Soco" grabbed it, touched home plate for a forceout, and threw first base catching the runner at second.

Score by Innings

Connecticut 0 0 0 0 3 1 0 4
Rhode Island 0 0 0 1 0 2 1 5

(CONT. ON PAGE 3 COL. 2)
DIAMOND DOPE

That new infield looks pretty good. O'Brien put up a wonderful game at short against Rhode Island, and Baxter went after everything at first, making good fifteen chances without a mishap.

CCC

Alexander is about ready to step into the Aggie lineup at second base. He surely looks good with the stick.

CCC

With the sure fielding of last year and the hitting power the team has this year, the Aggies would be second to none in the baseball world.

CCC

The team is eluding the ball this year all right.

CCC

Coach Grim's broken thumb bothers him quite a little. He had the misfortune to stick his hand in front of a drive from "Snappy" Ganem's bat up at Springfield last week.

CCC

"Gramp" White seems to be able to care for the right field pasture as well as take his turn on the mound.

TO THE COLLEGE
This issue is the first published under the direction of the new board. Several men of the old staff will be lost by graduation and it is to them that much of the success of the paper in the past may be accredited. With the advent of another board the natural tendency is to take up the slack and carry on with an aim toward improvement if possible. With this purpose to the fore, the newly elected "Campus" staff makes the assertion, that in the year to come, the good work of the past will be continued and that we are ready at all times to render service to the student body. Suggestions for improvement will be gladly received and all complaints promptly attended to.

TO THE FORMER EDITOR
An editor of a college paper comes in for a lot of abuse if anything in his publications does not suit. But seldom is he praised when everything goes right. When work has been well done credit should be given where it is due.

So the "Campus" takes this opportunity of extending the laurel branch to the past editor, Byrd E. Standish. Byrd has been one of the most active men in the publications line during his four years on the Hill and the "Campus" for the past year has shown the results of his faithful work. Handicapped by a lack of experienced men, Standish took charge at the beginning of the year and has guided the paper over the shoals to one of the most successful years in its history. According to the printer (who has seen them all and ought to know more about what a grade) the paper has been in excellent condition throughout the year and due largely to the efforts of the retiring editor.

"BEYOND THE HORIZON" IS COMMENCEMENT PLAY
LEADING ROLE TAKEN BY GEORGE HILLDRING
Play Was Awarded Pulitzer Prize in 1929.—Had an Excellent Run on American Stage.

The cast for the Commencement Play to be given by the Dramatic Club on June 9 was picked last Thursday night, and rehearsals have already been held.

George Hilldring was chosen for the leading role of Robert Mayo, son of a typical New England farmer. He has for his leading lady, Miss Laura Kittner, as Mrs. Atkins. Mr. Hilldring makes his last appearance on the Connecticut Aggie stage in this play, and Miss Kittner makes her first appearance in a leading role.

"Beyond the Horizon" is a tragedy of American life, and is perhaps the best American drama yet produced. It was written by Eugene O'Neill, author of "Anna Christie," "The Hairy Ape," "The First Man," and others. In 1929 it was awarded the Pulitzer prize for the best piece of American literature produced during that year.

During the four years since it was written, the play has gained the most favorable criticism from every source and it has had one of the best runs of any play in America.

In presenting the production of this drama, the Dramatic Club is taking a big step forward in the dramatic line, as the play requires exceedingly difficult characterization.

Michael Farrell has charge of the play and Charles Christoph has agreed to take charge of the staging of the drama, which requires several difficult outdoor settings.

The cast is as follows:

James Mayo ........... Thomas Donahue
Kate Mayo ............. Marie Bronson
Robert Mayo .......... Ronald Mayo
George Bunting ....... Andrew Mayo ...
Donald Bassett ....... Ralph Atkins
Laura Kittner .......... Laura Kittner
Mrs. Atkins ............ Pauline Girard
Capt. Dick Scott ....... Martin O'Neill
Doctor Fawcett .......... Milton Moore

MEN'S GLEE CLUB SING
IN OUTDOOR CONCERT
An informal, outdoor concert given by the Men's Glee Club from the porch at the home of Dr. H. D. Newton last Monday evening gave the College their first opportunity to hear the Club this year.

A gathering of faculty, townspeople and students were present. In addition to the several numbers by the club, there were solos by Messrs. E. G. Ashman, D. B. Bassett, and a violin solo by J. R. Jacoby. A quartet number added to the variety of the program. The concert closed with the singing of the Alma Mater.

Be Careful When and Where You Walk When You Study Nature

In spite of the weather, Spring is here. For proof of this we do not turn to the weather man's report but to local signs. Evidences are positive: the drywilly springtime atmosphere has pervaded the farther reaches of the out-of-doors, so that soft snoozes come easier and at more regular intervals than in the past. The telephone line to Holcomb Hall is beginning to work on a pre-war basis, and pails of water issue from a seeming nowhere onto unsuspecting passers-by on the walks in front of Koons and Storrs Halls.

The surest sign of Spring however is the increasing patronage of the little walks with nature on the campus and an increased interest on the part of the most popular being the Cemente and the road to Gurleyville. Of these first is the automatically out of use ever since the snows and occasional intrusions by stray bullets from the rifle range. The bullets are too artificial to coincide with real honest-to-goodness nature study, and aren't a bit particular how or where they land.

For the benefit of a few possible few uninitiated we refer to the Nutmeg of 1922, which contains an excellent guide for outlandish nature walks or spring promenades.

The peculiar part of it all is that a large number of Non-students at Storrs, just fifty percent are College students; the other fifty percent being Co-eds. We suggest, however, that in the study of nature, most of Co-eds, the indomitable weather be taken into consideration. Do not keep the Co-ed out in a real hard rain, and, if for dipping into a stream, don't so much as do your subject as to be impervious to the presence of other beings in the vicinity—it may be that the matrons are out studying nature too.

WORK COMMENTED ON
NEXT YEAR'S HANDBOOK
Frederick W. Metzger, editor of the Connecticut Handbook, states that the publication is well under way and the contract ready for the signature of the freshman class. The business manager, Lawrence V. Castellgo, is accumulating the ads for the cover. Among other features the book will have a cover of unique design.
May we suggest in chronological order a few of the crazes which have swept over America recently?
1. Einstein
2. Cone
3. Tutankhamen
4. Continuous dancing.

And the "last is the worst of all the game."

"Steve" Daley has had great success with his track team, but Steve wishes that all the insanities were transported far hence. According to this, if the menace of Holcomb Hall were non-existent, Steve would probably turn out a team that would cop the American Intercollegiates.

Well, didn't we always maintain that the co-eds were useless,—to track stars?

Notice that Val Johnson and Jake steer clear of the species.

Storrs Farm Sch., Tolland Co., Conn.
May 6, 1923.

Dear Dad:
I went to see the track meet yesterday. We beat the Amherst farm sch., rather bad. They had one guy named Tuney who was a crack though. He scored 13 pts. But I guess that's why they lost. Steve Daley (he's the guy that goes around nights and keeps the athletes away from the bookstore and H. Hall) was happy. He swallowed his stub at one gulp and said, "I don't care about them co-eds, we can win just the same."

Now day the reason I am writing is that I have no money. And the Prom is coming. Now you wouldn't realize what the prom is, so I shant explain. I tried to get a co-ed to go with me to the pr., but they all said No emphatically. So the boys in my Fraternity got me a girl (they call it a "broad") from Willimantic. I dont know what she looks like but I'm like you dad I believe in taking a chance.

Come across day a guy has to eat and rush the women.
Sincerely yrs.,
B. V. D.

"Tell him," said the voice at the other end, "that Mrs. Williams has a gynakhana (sports meeting) coming on, and she wants to know if he can do anything for it?"

SENIORS DEFEAT FACULTY

On Monday afternoon the world's revered Senior classless baseball nine made their second appearance of the season, besting the Faculty ball-tossers in a "comedy of errors" and free tickets. Moore was pitched from the mound but Dickens while issuing seven passes, managing to depose the opposing sluggers easily at times. The Faculty ball-tossers made a game fight, coming from behind and leading the Seniors twice, but were unable to keep them in hitting in the last inning. The upperclassmen had an all-star lineup including such widely known stars as Alexander, "Skinner" Lord, "Whit" Cohen, "Speed" Dickens, and "Mo" Daly; while the Faculty had such notables as "Combe" Mahoney, "Whiz-bang" Gayer, "Sam" Putnam and "Petey" Balock, but lacked the services of "Benny" Brown in the pitcher's box.

The "Profs" secured two runs in the first inning on an error and three free tickets issued by Dickens. In their third inning the freshmen had a near track meet, seven runners crossing the home plate. Patterson reached the initial sack on an error, Moore walked Dickens, Daly and Cohen, forcing Patterson in, followed by "Sam" Patnam and "Jake" Dunn, who contributed to their rally. Caviot scored the lone tally for the Seniors on a fielder's choice and a wild pass thru second base by one of "Combe's" leaguers.

The "Profs" made a desperate attempt to start another rampage in the fourth inning and scored two more runs from a pass, an error and hits by Gayer and Dunn. But the Seniors decided to make good their "prep's" as "All-Stars" so smashed in the necessary two runs, winning the game 10 to 9. As the last call for mess had been sounded the Faculty passed the bacon over and the melee ended.

Saturday, the last day, also carries it looks as though the juniors who have been occupying the cellar in interclass athletics have come to life. If nothing happens, they ought to win out in the baseball series. The only strong opponents are the seniors unless the freshmen develop unexpected strength in the box and at bat.

Attention is called to the change in the Bus schedule on page seven.
ACROSS THE ROAD

Co-ed Maypole Carnival, May 26

MUCH WORK DONE BY CO-EDS CONNECTICUT DAY

Altho the Co-eds cannot claim all the credit in the success of Connecticut Day, May 8, their services, both actual and otherwise, proved very valuable. The doughnut girls, who began their tour early, about ten o'clock, offered inspiration as well as fulfillment, to the workers. At noon the dining hall was a scene of hungry 'boys and much excited girls in "Hoo-ver" aprons. Whether "seconds" were given or not, is still a question, but it is reported that no china was broken. The supper on the A. A. field at 5:30 was a "free for all" and the girls assigned to the job of serving were not to be envied. The climax of the day was reached after supper when the All-Star Co-ed baseball team challenged a daring but rather handicapped team of the opposite sex. To say the girls won would be putting it mildly; so it would be best to say the opposites lost. One accomplishment which has not been mentioned is the curtains for the Trophy Room—they are said to be very good looking and will undoubtedly add to the appearance of the room.

SOPHS TRIM JUNIORS IN NATIONAL PASTIME

The first co-ed baseball game of the season was played between the sophomores and juniors, the sophomores being the victors 14-10. It was a lively game from start to finish, with Miss Teeter as the star player for the juniors and with Miss Clark doing excellent batting for the sophomores. The line-up was as follows:

Sophomores—Juniors
Clarke        p  Ferriars
Cook          e  Hall
Bronson       2b  Teeter
Hubbard       1b  Eggleston
Slanetz       3b  Palmer
Cappola       ss  Fuller
Kittner       1f  Moddell
McMeneny      cf  Hamilton
Bailey        rf  Pierpont
Runs: Teeter 5, Eggleston 1, Hall 2, Ferriars 2, Fuller 1, Moddell 1, Clarke 3, Cooke 1, Hubbard 1, Slanetz 2, Kittner 1. Final score 14—10.

EXHIBITION OF SARGENT'S WORK AT HOLCOMB

Last Sunday afternoon and evening Holcomb Hall was the rendez vous for all those interested in art and especially in that of John Singer Sargent, the American portrait painter. About eighty copies of his picture were artistically placed about the room which was decorated with pergas and flowers. As the exhibition was judged a success by all who came, it is hoped that more will follow in the near future.

GLEE CLUB PICNICS AT PINEGRAF LODGE

Sunday, May 6, was a red letter day for the members of the Glee Club and their guests. With Mr. and Mrs. Farrell as chaperones they left Holcomb Hall at two o'clock for a three and a half mile hike to Wormwood Hill. When they arrived at Pinegraf Lodge, which was kindly offered by the Messrs. Cantors, a delightful scene greeted everyone. Many hammocks were seen swinging in the breezes and various doors of the cabin were opened wide to welcome the party. Miss Dorothy Stellenwerf, who made a gracious hostess in her usual manner, was responsible for the artistic appearance of the cabin.

Musical selections were played on the victrola, songs were rendered by the hungry crowd in buffet style. Hot dogs, rolls, coffee and doughnut were served promptly to welcome the party. Miss Dorothy Stellenwerf, who made a gracious hostess in her usual manner, was responsible for the artistic appearance of the cabin.

The supper on the A. A. field at 5:30 was a "free for all" and the girls assigned to the job of serving were not to be envied. Thirty-five Plants Have Samples Analyzed and Tested by College Experts.

Friday, April 25, was ice cream day at Storrs. An educational ice cream scoring was held at which thirty-five commercial concerns of New England submitted samples of their products to be scored for flavor, body, texture, butter fat, total solids content, bacteria, package and color. St. Elmo’s H. D. Dennis and Professor R. C. Fisher and two commercial men were the judges. All bacterial counts were made by the college bacteriological department.

In order to get an opinion as to what the consuming public likes best, about thirty faculty members, stenographers and students were invited to judge the various samples. Several representatives of commercial ice cream plants visited the college for the day and attended the banquet in the evening, which was the ending of the Short Course in Market Milk and Ice Cream.
