CO-EDS MAY BE ELIGIBLE FOR DEBATING CLUB

TRYOUT DEBATE HELD

Intercollegiate Debates for Year Being Arranged—Club Discussing Admissibility of Admitting Co-eds

Shall co-eds take part in the debating activity at this college? That is a mooted question with members of the debating club, who are going over the topic thoroughly in making definite action on the matter.

At the present time the sentiment of the members seems to be strongly in favor of admitting co-eds into the society, with the idea of ultimately having them represented on intercollegiate debating teams. A committee consisting of B. J. Collins, '24, and L. A. Loeb, '26, is working on the matter. They suggested that co-eds should be invited to the meeting to express their own personal opinion on the subject.

At a meeting held Wednesday night only two co-eds were present, but these two girls stated that they believed more of the co-eds would be out next Wednesday evening if sufficient notice was given them beforehand. Accordingly the whole question will probably be decided largely on how many co-eds turn out for next Wednesday's meeting, which will be held at 8:00 p.m. in Gulley 13.

Seven Freshmen and one junior were voted into the debating club as a result of a lively tryout debate held in Gulley 13 Wednesday evening. The question debated was: "Resolved, (Cont. on page 5 col. 2)

FACULTY MEMBERS WILL ADDRESS AG. CLUB

All Ag. Students Urged to Attend—Membership Drive will be Held Soon

The opening meeting of the Ag Club which was planned for the 11th of October had to be abandoned, owing to some confusion regarding the meetings of other organizations. The new date schedule recently issued by the Student Senate, has cleared this up, however, and the members of the Ag Club are now set to meet in motion next Thursday evening.

President Beach will deliver an address, followed by Dr. Sinnott, Dean of the Division of Agricultural Science and Prof. Dodge of the School of Agriculture.

The intense interest shown by the members of the faculty as well as the upperclassmen, augurs well for the future of the Club, it is hoped that EVERY student enrolled in the Division of Agriculture will be on hand next Thursday to share in the enthusiasm.
SPRINGFIELD AND CONN. FROST IN SCORELESS TIE
ANDREW RUNS 65 YARDS

Aggie Yearlings Again Play Great Game.—Minus Two Regulars Hold Strong Springfield Freshmen Scoreless.

Although outweighed, Coach Alexander's yearling gridders held the powerful Springfield freshman eleven to a 0 to 0 score last Saturday on Dow Field. From the kick off the game was a desperate fight on both sides, the Aggies holding grimly at the crucial moments of the game. Several times the Bay Staters brought the ball far in the Aggie territory, but met a stonewall that they were unable to remove.

The game opened with Andrew kicking off to Springfield. Merriman, the maroon and white quarterback, picked up the ball and ran it up 25 yards. The Physical Directors failed to keep the ball for Andrews scooped it up on a fumble and ran it up 65 yards to be tackled on the 25 yard line by Smith of Springfield. From then on the game was fairly even with the odds slightly in Springfield's favor.

Drop-Kicks Fail
Andrews tried several drop kicks during the first half but failed to make any of them good. Merriman of Springfield also tried to dropkick in the second quarter with no more luck than the home team. The half ended with no score.

The second half was also an even struggle, both teams failing to gain any long distances and contenting themselves with kicking on the fourth down. Once Springfield brought the ball to the Aggie 5 yard line only to lose it on downs. In the quarter the local team took a march down the field, gaining four successive first downs, but failing to score on a drop-kick by Andrews just as the final whistle blew.

The outstanding players of the game were Andrews of Connecticut and Merriman of Springfield. Both (Cont. on page 7 col. 2)

NEW HAMPSHIRE AND NEW BRITAIN TODAY

POWERFUL MAINE ELEVEN FORCED TO LIMIT IN BEATING AGGIES 7-0

SWEM STARS, MAKING TWO BRILLIANT SPRINTS

Captain Ken Small of Maine and Captain Red O'Neil of Connecticut Also Shine.—Blue and White Puts up Stiff Battle Against Heavier, More Experienced Team.

Maine's steam roller struck a snag late Saturday when it invaded Storrs to take on the Connecticut eleven. The advance dope was knocked sky high and Connecticut's light team held the heavy Maine machine to a 7-0 score.

Swem took the ball out of danger twice by sensational runs. He was easily the star of both teams.

Storrs Line Holds
Things looked blue for the Aggies at the start, when Maine, receiving the ball well in her own territory on the kickoff, surged steadily down the field to the Storrs one-yard line, where the orange line held and Connecticut took the ball on downs. Maine flashed a varied attack during this advance, alternating a deceptive pass which worked twice for a total of 35 yards, with off-tackle slashes and line-backs.

Swem Picks up Fumble
Getting the ball on the one-yard stripe, Moreland kicked to his 30 yard line from behind his own goal. A Maine back fumbled the pigskin and darting from the mass of players, Swem scooped it up and tore down a clear field to the Pine Tree team's 35 yard line, where he was nailed from behind.

The team was now in position to score, but after line thrusts and passes had failed, Maxon Eddy attempted a drop-kick, which fell short.

Swem Cuts Loose Again
The most brilliant play of the game came during the second quarter. Receiving a kick from the toes of Capt. Ken Small of Maine almost on his goal line, Tracy Swem shook off two tacklers close to the sidelines who apparently had boxed him in, reversed his field, and tore 65 yards up the gridiron through the whole Maine team. He was almost clear when finally brought to earth close to the sidelines again.

Petey Balock slid around his left end for 14 yards, and once again the local outfit was in a position to score. Moreland stepped back and essayed a drop-kick, but the attempt was hurried and the ball dropped in front of the posts. (Cont. on page 7 col. 1)

YEARLINGS TACKLE NEW BRITAIN HIGH TODAY

HARD WORK THRU WEEK

Schofield Back at Quarter Will Direct Attack.—Injured Leg May Withdraw Andrew.

The third game of the season for the Aggie Freshmen will be played Saturday when Coach Alexander's football warriors will invade New Britain to battle with the High School team of that city. The yearling team has been going through stiff workouts each day this week and the frosh are planning to administer the Hardware City lads a severe drubbing.

"Billy" Schofield will be back at his old position at quarterback after having been out of the game for two weeks with injuries. Ryan, who was injured in a practice game last week, has recovered and will fill his position in the line at left tackle. However, the team will be handicapped by the loss of Gronberg who was injured in the game with Springfield last Saturday. His place at left halfback will probably be taken by Palmer, who has been showing up well in practice the past two weeks. There is also a possibility of Sam Andrew not playing in Saturday's game. Andrew who has been doing stellar work at right halfback for the Freshmen received an injury to his leg in the game with Springfield and Coach Alexander does not wish to use him unless it is necessary. The absence of Andrew will be keenly felt by the team as he has been a big factor in both previous games. With Andrew out of the game the burden of kicking will be borne by Palmer. "Cooky" Reeves, who has been going in great style in both of the previous games will be at his old position as fullback.

In the line "Dada" Daly, who played a stellar game against New Britain last year while with Hartford High, will be in his position at center. The guard positions will be taken care of by Reynolds and Lorentzen, with Clark ready to go into the game at any time. The positions of tackle will (Cont. on page 7 col. 2)
AGGIE TRACK MEN
LEAD AT STAFFORD
TAKE THREE FIRST PLACES

Steere, Last Year’s Captain, Also Wins a First, Taking the Quarter Mile in Fast Time.

Steve Daley’s track men continued their great record on the cinderpaths when Daley coached men took four first places in eight events at the Stafford fair athletic games last Friday.

Jacoby, crack Aggie distance runner, placed first in the mile and second in the half-mile. Jake’s specialty, the two-mile, was not included in the program.

Capt. Val Johnson took first in the broad jump with a leap of 20 feet, 2 inches. Squires topped the string at 5 feet, 7 inches to win the high jump. Brockett finished third in the mile.

Many former Aggie track men showed up well in the meet. Captain Paul L. Steere, ’23, of last year’s team who is now doing graduate work in New York, placed first in the half-mile. Jake’s specialty, the two-mile, was not included in the program.

Capt. John Johnson Wins Broad Jump
Captain Val Johnson took first in the broad jump with a leap of 20 feet, 2 inches. Squires topped the string at 5 feet, 7 inches to win the high jump. Brockett finished third in the mile.

Arrangement is being made for transportation.

FRESHMAN SPIRIT

The freshman class is a likely looking group. For this reason, everyone naturally thought that they would start in with a will to do what they could for Connecticut. And the majority played the game in the right way and are showing that they have the old Connecticut spirit in them. It is not for these men that this article is written but for the minority who have NOT played the game.

In the first place it is very hard to get freshmen who might possibly know a little more than he does—such things have been known to happen.

But this is not all—the freshman team and the varsity played at home Saturday. How many freshmen were on hand to see the games? It is granted that several may have had legitimate excuses to leave the hill but in every case those who left had no real reason at all. The teams work for the college and the least that any student can do is to get out and give these promising students his moral support if nothing more.

The members of the upperclasses do not wish to "crab" the whole freshman class for the things that a few of its members are responsible for, but it is exceedingly irksome and disheartening to see old customs and old spirit laid low by new men. It is largely up to the freshman class, as a whole, to do their best to get all their men in the right line. If you will and for the present it's up to you.

DR. SOPER SPEAKS AT PRESIDENT'S HOUR

At the college assembly Wednesday, the baseball certificates and letters for last year were present by Professors Denlinger. Those receiving them were Captain Brundage, Capt.-Eleict Malaski, O'Brien, Metelli, Bomont, Ganem, White, and Fitzgerald. McCarthy led the cheering for each player and also a regular Connecticut was given for Capt. Crim who played in the critical season and coached the team through a successful season.

The speaker for the day was Rev. Dr. Soper, pastor of the First Presbyterian Church of Stamford. His topic was reviewing the improvement of a man's character and he gave three rules to follow. First: "Listen to the warning of a friend," for any true friend will point out your faults and you may profit by his advice. Second: "Listen to the criticism of an enemy," for though no doubt it is false, there are some grounds for criticism. Third: "Note the character of your intimates," for each man is judged by the company he keeps, and if your friends have good virtues, by constant association you'll probably have them too.

For bettering yourself in the future he gave three rules also. First: "Note the experiences of others and profit by them," for the experience of a human heart in making or unmaking character are the same. The second is the answer given to the question, "What do you want to do most?" Wishes are forerunners of character, and if you do not aspire to high things you will not get far. Third: "When you wish to become like someone else who wishes you wish to become like?" Everyone has someone for a hero all through life. The chances are that you are a hero to someone so you should aim high and make your influence count for good.

ALUMNI ASSOCIATION COLLECTS NEARLY $1,000

Indications are that Campaign to Raise $1600 for Work of Association will be Successful.

At the present time the amount received in the budget campaign of the College Alumni Association is $985.50 according to Prof. Charles A. Wheeler, treasurer of the Association. The campaign is being carried on by leading men of the alumni and is being conducted by Field Secretary Robert H. Mathewson of Storrs.

Indications are that final reckoning, after all collections have been turned in by locals, will bring the fund well up toward the goal of $1600. Hartford, New Haven and New York are being counted on to swell the purse considerably when their final clearings are reported.

Analyzing the total collection of $985.50 into amounts turned in by local clubs brings the following result: Litchfield $125.50, Danielson $4, Willimantic $3, Hartford $290, Watertown $178, Storrs $169, New Haven $65, New London $5, N. Y. City $32, Bridgeport $86, General $115.

That the Middletown and New London areas are still good possibilities for potential funds is indicated by the preceding list and local teams in these sections may be expected to contribute materially to the final reckoning. Donations from alumni scattered through the country are also expected to swell the fund and these will come filter in even up till the end of the year.

COLLEGE NEWS TO STATE THROUGH PRESS CLUB

President Papers and A.P. get Sports and Activity Stories from Student Writers.

Newspapers in these parts are beginning to recognize the fact that the news from the Connecticut Agricultural College rates space in their columns. The alumni sections, all connected with the editorial department of the college, are working with the Student Press Club, in an effort to send out college news nationally.

The Hartford Courant, The Hartford Times, The Meriden Record, and the Waterbury Republican, all have regular correspondents at the college now. Arrangements are being made to cover most of the state newspapers and several out of state papers.

The Springfield Union has intimated that it can use sports news. The Waterbury Republican sports department writes that it feels Storrs has been neglected in the past and requests the sporting news from a regular student correspondent. The Associated Press has asked for papers asking for scores of home games.

Publicity problems have more angles than are superficially apparent and the work of building up an efficient Press Club is still in its infancy, but in addition to the publicity which the college has always secured through trade magazines and other periodicals, we are beginning to launch crafts into the channels of newspaper publicity.

SAFETY VALVE

To the Editor of the Campus:

In answer to the column published in the Campus entitled "A Freshman's Viewpoint," I wish to say that it is by no means the attitude taken by the whole freshman class. We have voiced their disapproval of it and want it understood that they have not such poor spirit as to attempt to change college traditions. This is not a tradition, and if we had had any cooperation we should have gotten together and had secret practices. If the "frosh" worked together they could always have a fair chance in the rope pull. Instead of that they come from some high school where they have had their own way and get the same thing in college. We realize that we are "green" and, as a rule, as "fresh" as our name implies. The freshman activities are to belong to this freshness and start all the newcomers on an equal basis.

G. B. C. finds fault with the ruling about "no-room" and realizes that his first and greatest duty as a freshman is to study and study hard. The sophomores made this ruling for our own good and not to avoid any rivalry which might take place with the arrival of so many handsome young students, as G. B. C. may think.

Upperclassmen, remember that what is written here expresses the feeling of the majority of our class. We may be "green" but we are not "crabbers."
You Freshmen Probably Can't Answer This—

"What is the best milk producing feed?"—so we'll tell you; then when your Prof asks the same question you'll have a correct reply all ready and waiting.

Here it is: "Protein is the part of a feed that produces most of the milk." DIAMOND CORN GLUTEN MEAL has 40% protein (often more) available for milk production. DIAMOND'S cost is such that every dollar invested gets you more real milk-making protein than you can get from a dollar's worth of any other feed. Therefore DIAMOND leads the list."—Q. E. D.

Tell that to your Prof and get an "A."

(If any old grads are reading this we apologize for boring them with facts they've known for years.)

(CONNIE SAYS

"Gallows", rubber boots and rub­ bers are in the store and await pros­pective purchasers. These are the famous Reverse make, finest quality, and the prices are right. The weather man predicts a hard winter so get ready for it now while the supply is plentiful.

Sleep warm during the cold months. A few army blankets left which will be closed out at $2.50 apiece or $4.50 the pair.

Know the time. Have you ever been in the position when you would give a lot to know the correct time? And you wouldn't want it to happen again, so invest now in an Ingersoll, big assortment to choose from.

For the co-eds. Keep those silken locks safe from the harsh fall winds. Fultone double mesh hair nets ten cents each or three for a quarter.

Be collegiate and own a slicker and also insure yourself a dry passage wherever you may wish to go on a stormy day. As an introductory offer on the Hill the original "Slicker" will be for sale in a few days at the exceedingly remarkable price of five dollars.

The Summary

A total of 30 Maine players got in the game, and Ryan, who is one of the strongest men in the game, had to be placed back on the line for the majority of the game that came around his side of the line. Captain Reilly of the Aggies played a great game in the line throughout the contest. Connecticut failed to complete a pass in six tries.

The Score

M. Eddy 14, Maine 7.
