CONN. ENGINEERS ON
INSPECTION TOUR

ELEVEN MEN MAKE TRIP

Engineers in Charge of Mr. Dressner Visit Points of Technical Interest in New York.—Party Conducted About Harbor on Mine Layer.

Reaching New York, the center of engineering feats of the world, on Tuesday morning of last week, the Connecticut engineers began their three day tour of inspection with the Metropolitan Building, later visiting the Hell Gate power generating station, the Edison Lamps Works at Harrison, New Jersey, points of technical interest about New York lighting, and the steamship Aquitania.

The inspection of the Metropolitan Building on Tuesday morning was personally conducted by Chief Engineer Joseph Carman, who showed the students through the engine room, the power plant, the dairy and ice cream plant, and numerous other features of the structure, explaining in detail the workings and construction of the building. The party was entertained for luncheon in the Metropolitan Building.

In the afternoon the Hell Gate power station, which is the largest power generating station in the country, was visited. Here the engineers had the opportunity of seeing in practice the highly efficient steam turbine used for electric power generation.

On Wednesday the party went to Harrison, New Jersey, for an inspection of the Edison Lamps Works, where they saw the manufacture of inaudible light bulbs. Also at the

S. S. Aquitania Inspected by Aggie Engineers

Edison plant they were given two lectures, one by a Mr. Turner on the subject of new lighting theories, and another on the subject of the measurement of light. Experiments with light on revolving eye charts were demonstrated. Again the party was entertained.

BIDS TO SEVENTEEN
GIVEN BY MEDIATOR

THIRTEEN MEN ACCEPT

Invitation to Membership in Fraternities Extended by Mediator on Second Pledge Day of Year.

Invitation to membership in fraternities was accepted by thirteen men last Friday, the date of the second semester pledge day designated by the Mediator.

Bids were extended to seventeen men, but four returned them unsigned. Of the number who accepted bids, twelve were freshmen and one a sophomore. The rules regulating the first semester rushing period were not held in force during the second semester period inasmuch as the number of bids is small, and the fraternities know the men well enough so that competition for men is less.

Those who accepted bids are:

- College Shakespearean Club
- James B. Saxe
- Clarence Way
- Eta Lambda Sigma
- James F. Dunlevy
- Phi Mu Delta
- Herman Gauger
- Alpha Phi
- Carle Ahejo
- Francis E. Leland
- Walter Ryan
- Phi Epsilon Pi
- Nathaniel L. Holstein
- Edward Worum
- Sigma Phi Gamma
- Charles D. Anderson
- Charles A. Clark
- Edwin Lfundberg
- Ronald Mason

INTERFRATERNITY DANCE AND SENIOR "SATIRES" FOR WEEK-END ACTIVITIES

PEERLESS ORCHESTRA

Grand March at Eight.—Lead by Valdemar Johnson.—Program of Sixteen Dances.

Arrangements for the second Interfraternity Dance in Hawley Armory this evening, are completed.

The committee from the Mediator consisting of Valdemar Johnson, Phi Mu Delta, chairman, Maxon Eddy, Eta Lambda Sigma, and Raymond Keeler, Alpha Gamma Rho, have drawn up a program of fourteen dances and two extras, the fourth, tenth and first extra being moonlight. The Peerless Orchestra of seven pieces, of Williams, will keep the rhythm from eight until eleven o'clock.

The patrons and contributors are Dr. and Mrs. E. W. Sinnott, Dr. and Mrs. H. D. Newton, and Prof. and Mrs. G. S. Torrey. The committee plans to keep the deurbans simply, probably using nothing but the banners of the various fraternities on the Hill. Programs are especially attractive.

BUILD ADDITION TO HEATING PLANT PLAN

HEADQUARTERS FOR DEPT.

New Building Will Contain Office, Store Room and Work Shops.—Completes Department Building Plan.

By taking advantage of an open winter, Superintendent L. B. Tenney of the Buildings Department, has nearly completed the headquarters building at the heating plant. This new building for which the State Legislature appropriated $2200 last year, completes a building plan to form an enclosed yard at the heating plant.

The two story brick building is 42 feet wide and 72 feet long, has a modern steel framing and will have a flat tar-gravel roof. A flat roof means a saving of $3,000 as compared to an angle roof. The second floor will be of reinforced concrete.

The first floor calls for a department office, a store room, a plumbing and steam-fitters shop in the rear. Space on the second floor will be devoted to store rooms and a carpenter shop. Superintendent Tenney expects to have the building enclosed in another week, and will then change his office there from the building near Swan Locks.

This building is the final part of the plan for the building department's headquarters. Facing to the center of the yard from the west, the power plant, Edmund Haverty.

MANY NOTABLES IN CAST

Famous Campus Scenes Depicted in Mirth Provoking Comedy in Hawley Armory.

Final rehearsals have been held for the big Nutmeg Benefit Play, the "Satires" of 1924, which will be held at the Armory on Saturday, March 22, at 7:45 p.m.

The first act, which is a travesty on romance, is called Adolescent Love, and features Miss Ruth Cowdell as the ideal co-ed. Miss Cowdell is a talented actress and is supported by a strong cast. Incidental musical numbers will include "Love's Formula" and "When an Aggie Falls for a Co-ed."

The College Barber Shop, with its broken down chair, its odious barber, its unwilling victim, and its mirth seeking bystanders, furnishes the subject for the second act. Mr. Lawrence Virgil Castiglione portrays the difficult role of "Casty, the barber" with amazing skill while Frank Gangi lives up to expectations as the victim in the chair. The College Comedy Quartette, appearing in this scene, render several touching numbers, ending with "In the Barber Chair," an original version.

No effort to depict the life at Connecticut would be worth while without at least one scene in a typical college room. "In Red O'Neill's Room," as the title suggests, shows in a brief space of time a day's happening at that center of culture, Room 1, Sherril Hall. Besides the genial Martin, who is a pleasing host, we find such notables as "Pete" Baley, "Duke" Longo, Oscar D'Espo, "Coqy" Reeves, and Milton Moore.

Mrs. Smith, the haughty matron, played by Marie Bronson, accompanied by her son Harold, the new student, as created by Francis O'Connor, provoked much laughter, while "Tony" Grady and "Ken" Little score in a short skit. In the closing scene, Robert Lacey takes a difficult role in a manner which should please the most critical. Casual entrants who render solos are "Rosy" Ryan, "Billie" O'Brien, and Mr. Michael Farrell, who while something new in banjo music will be given by Mr. Needham, who will render Misere from Il Trovatore, a real accomplishment.

Dancing which follows the performance will last until 11:30 p.m., which should guarantee a full evening's enjoyment.

Two thousand students, alumni, faculty and friends attended the recent opening of Boston University's new gymnasium.
FRESHMEN FIVE HAS SUCCESSFUL SEASON
WIN SEVEN GAMES

Coach Alexander develops strong aggregation Altho hindered by illness and Scholarship. Freshmen Score 270 Points in Ten Games.

Connecticut's Freshman basketball team wound up its season last Saturday night when they journeyed to Kingston and dropped a hard fought game to the veteran team of Rhode Island State College. Considering the material with which Coach Alexander had to make a team and the set backs the squad received, the season can be looked upon as a successful one. Playing a schedule of ten games, the frosh are credited with seven victories and three losses. At the beginning of the season only four men of previous basketball experience were found in the large squad of green material that reported.

Scofield, a former Crosby High guard, started the year in the guard position with the yearlings but later was shifted to a forward berth where he played an outstanding game. Scofield is responsible for 128 of the 279 points scored by the yearling five. Because of scholastic difficulties, Capt. Palm did not participate in all the games. Palmer played forward and was running mate to Scofield. He stood second to Scofield in the scoring column.

Andrew, a former Naugatuck High player, was one of the mainstays of the team until he was forced to withdraw from college because of appendicitis. The fourth experienced man on the team was Barson, who was coming to college, had played with Hartford High and the Y. M. H. A. team of that city.

Lane, Daly, Reeves, and Shields were the basketball experience who were developed by Coach Alexander, and who won positions on the team. Lane at center played a hard game. His showing and passing was a source of trouble to opposing teams at all times. Daly at anchor guard, put up a hard fight in every game in which he played. He was many times responsible for keeping the score of opposing teams down. All three Shields and Reeves did not win regular berths, their hard and fast playing makes them worthy of commendation.

The first game of the year was played at Watertown against the Taft School. The freshman easily defeated the prep school boys by a 26 to 10 score. The remaining week the team journeyed to Hanover and met defeat at the hands of the Dartmouth freshmen by a score of 27 to 16. The next game a thrilling victory for the yearlings, Collegiate Prep, being amounded by a 50 to 11 score. The first year men from Mass. Aggie were met and defeated by a 28 to 18 score.

The next team to fall before the freshman five was the Harvard yearling five, who met defeat in Cambridge by a score of 31 to 22. Springfield Y. M. C. A. '27 was the next team to be defeated. (Cont. on page 8 col. 2)

BLUE AND WHITE QUINTETTE CLOSES SUCCESSFUL INDOOR COURT SEASON

UNPREPARED CONDITIONS FACE COACH AT START

With the playing of the Brown game at Providence on March 12, the final curtain was run down on basketball at Connecticut for 1921, and the season met a post mortem, which help bridge the gap between basketball and baseball are at the present time the recipient of much attention.

A schedule of fourteen games was played, five of which were won and the remaining nine lost. Teams defeated were Trinity (twice), Rhode Island, Clark University and St. Michaels, while the teams who won games placed Captain Baleck and guard, Halford, position with the Freshmen Basketball of that year.

The fourth experience man on the team was Barson with the smoothest combination used. Of the first six games, four were won and the remaining two lost.

The lineup used in the last few games placed Captain Baleck at guard, O'Brien at forward and Mass. Aggie at center. The off season at guard, was easily won by the count of 22-9. Portland was not extended in winning her contest and the score of this game was 34-10. Chapman showed his power by rolling up 32 points to its opponents 12.

The second round was opened by Windham defeating East Hartford 39-25. Woodstock, having won by forfeit from Glastonbury, clashed with Portland and was ousted by 14 points, the score being 33-19.

In the first round Windham downed Stonington, Portland defeated Putnam and Chapman triumphed over Torrrelotte. Windham with second string men managed to break away in the second half and easily won by the count of 29-9. Portland was not extended in winning her contest and the score of this game was 34-10. Chapman showed its strength by making the score 29-12.

In the second round was Windham defeating East Hartford 39-25. Woodstock, having won by forfeit from Glastonbury, clashed with Portland and was ousted by 14 points, the score being 33-19.

In the first round Windham downed Stonington, Portland defeated Putnam and Chapman triumphed over Torrrelotte.

The teams were about evenly matched and an overtime period was necessary to decide the winner, which proved to be East Hartford at the long end of a 32-29 score.

In the remaining games of the first round Windham downs Stonington, Portland defeated Putnam and Chapman triumphed over Torrrelotte. Windham with second string men managed to break away in the second half and easily won by the count of 29-9. Portland was not extended in winning her contest and the score of this game was 34-10. Chapman showed its power by rolling up 32 points to its opponents 12.

The second round was opened by Windham defeating East Hartford 39-25. Woodstock, having won by forfeit from Glastonbury, clashed with Portland and was ousted by 14 points, the score being 33-19.

AGGIE CUBS LOSE LAST GAME TO KINGSTON '27

Long Shot During Last Minute of Play Gives Rhode Island Two Point Advantage on Final Score.

The Aggie cubs lost their last game of the season when they were defeated at Kingston by the R. I. State freshman by a score of 26 to 24, after one of the hardest battles the cubs have put up this year.

The R. I. team started the scoring when Nigus dropped in a free try. At the end of the first quarter the R. I. cubs were leading 7 to 2, five of these points being gathered from free tries.

In the second quarter the Aggie team came back and at the end of this period were leading 9 to 8. During the second half the lead changed hands several times until Scodell dropped in a field goal, tying the score at 23. All and only three minutes to play.

Neither team scored during the next two minutes but with only one minute to play Asher caged one from the center of the floor giving R. I. the lead.

In the last 30 seconds of play, Connecticut missed three easy shots, and thereby lost the game.

Lane and Scodell played well for the cubs, "Billy" netting 3 field goals.

The lineup:

Conn. R. I.
Palm. Donald
Scodell Bolstein
Lane Shields
Daily Shields
Baron Hayden
Field goals: Scodell 5, Braley 4, Asher 3, Lane 2, Palmer 2, Baron, Donald, Nigus. Foul goals: Palmer 4, Nigus 4, Donald 2, Asher, Braley. Referee: Coody.

PLAY FROM FAMOUS BURNS POEM COMING TO STORRS

"The Cotter's Saturday Night," a musical and dramatic production by a cast from the White Entertainment Bureau will be given in Hawley Armory on Tuesday evening, April 1.

This musical one act play taken from the poem of the same name by Robert Burns is enacted by six Scottish singers. Many of the familiar Scottish songs will be sung during the play.

During the Hate Week at the Georgia School of Technology all freshmen are required to walk backwards while in the dormitory, ask for daily paddling and receive numerous other services which the sophomores gladly furnish.

Sam had left home when quite young, bent upon working his way through college. However, he found it rather difficult to make all ends meet, so regularly would write to his thrifty Scotch father asking for financial help.

The father wrote to Sam: "I don't want to hear another appeal for help from you."

The next month this letter came: "Dear Dad: This isn't an appeal. I only want to report to you that I have no pants."—Adv.

FORTY FROSH ANSWER CALL FOR BASEBALL

Eight Games With Two Home Contests Is Schedule for Aggie First Year Nine.

Frosh first year men have reported to Coach L. A. Alexander as candidates for the freshman baseball team.

Frosh practice is handicapped by the fact that the Varsity has the use of the Armory at 4:00 until weather conditions enable it to use the diamond. At present the yearlings are working out during free periods. Competition for berths should be good because of the number of men trying out. As yet no one has reported who has had much experience at twirling, which means that Coach Alexander will have to develop pitchers.

The freshman schedule consists of seven games and one open date. Only two of the games will be played at Storrs. The schedule is as follows:

Saturday—April 26—

College Prep. at Storrs

Saturday—May 3—Open

Wednesday—May 7—

Williston at East Hampton, Mass.

Saturday—May 10—

Rockville at Cheshire.

Wednesday—May 14—

Suffield at Suffield

Monday—May 15—

R. I. Frosh at Storrs

Saturday—May 24—

Springfield Frosh at Storrs

Tuesday—May 27—

Norwich Free Academy at Norwich

SHORER RUSHING SEASON

Altogether, with its problems appears to be a very minute spot on the horizon of the future, it is by no means too early to advocate certain changes in student affairs which appear to be necessary. One of these is the proposition of providing a shorter rushing season for the coming year.

If such a change is decided upon, it can only be made possible by proper legislative measures by the Mediator this year. It is obvious that such a change can only come after much deliberation and discussion and the time is none too great in which to accomplish this. Therefore, it would seem as the steps along this line should be taken as soon as possible.

A shorter rushing season should be in order at Connecticut because the present system has clearly proved itself a detriment to the student body in a number of ways. The explanation of these would require much space and time but they are at once apparent to the members of the student body and may be summarized as follows. New men spend too many hours at different fraternity rooms and houses, upper-classmen occupy a great amount of their time in discussing new men and as a consequence, studies and activities both suffer.

It is believed that a rushing season at least six weeks longer would diminish these faults, and at the same time, allow sufficient time to new men and fraternities in making up their minds concerning bids. Certainly the present situation can be improved upon and the proper time to start such improvement is NOW.

SATIRES OF 1924

A new and original idea will be inaugurated on the Hill tomorrow night when an entire Connecticut production will be given on the Haywre Armory stage. The play is the result of hard and concentrated effort to the satisfaction of both playwrights and authors and well deserving of Aggie patronage. In addition, it is to be given for the benefit of the 1926 Nutmeg which should insure the presence of every student at Connecticut.

Great things have small beginnings and who can tell but what this first Connecticut play may become a tradition on the Hill and an annual feature. The famous "Tech" show had such a start twenty-eight years ago and is now recognized as the greatest amateur production in the country. It is for the students of Connecticut to make the first "Satirers" a success by attending.

THE BASKETBALL SEASON

The basketball season which has just closed may be considered a success, judging from the variety standpoint still more so from the freshman aspect. With only two letter men upon which to build a team, Coach Doyle, stated a big proposition and carried it through in the best manner possible. A hard fighting Connecticut five was welded together which played almost to win. Five victories were annexed by the Blue and White and several games were lost by the margin of a single basket. In addition, some of the regulars will be lost by graduation, so Connecticut may look with confidence to next year when a veteran five with much court experience, will take the floor and bring honors to the Hill.

The freshman quintet, under the guidance of Coach Louis A. Alexander, maintained the same enviable record which the football team cut out for itself. While not being able to continue the perfect record, the first time only three games and two of these defeats would certainly never have happened had the playing conditions been equal to those at Connecticut. Despite the loss of several men thru probation and injury, the team, under the indomitable spirit of their coach, fought Connecticut men fight and their record is a true witness to their success.

NEW WATER MAIN WILL BE Laid

For the spring, a young man's fancy turns to rubber boots and galoshes.

Just for the sake of novelty, why not stop cringing long enough to appreciate what is really good? For instance, the work of the Assembly Committee.

The Alma Mater should not be sung like a funeral dirge.

The spring, a young man's fancy turns to rubber boots and galoshes.

—CP—

Love, like other forms of intoxication, leaves a terrible hangover.

Speaking of barometers, each time one of the Philosopher's roommates falls for a new co-ed, he starts shin­
g his shoes twice a day. We have already bought three boxes of Shinola this month.

HEATING PLANT TO HAVE CONCRETE POCKET

A concrete, steel reinforced coal pocket will be constructed on the site of the present wooden structure at the rear of the heating plant by the Buildings Department in the near future.

Appropriations for the new construction work were made by the State Legislature last year and are now awaiting the action of the Board of Trustees. When the rear of the new pocket will permit easy unloading and chutes will be used to slide the coal to the plant below. Considerable coal has been lost at various times because of spontaneous combustion, and it is expected that the new coal pocket will prevent further loss.

NEW WATER MAIN WILL AID FIRE PROTECTION

The new line will extend along the north side of the road to a point within 200 feet of the Main Building, near the road running in front of Student Hall. An eight-inch line will run to the Main Building, while at a future date another branch will extend between Student Hall and the Horticulture Building, towards Faculty Row. Sub-divisions will lead to the heating plant, down Faculty Row, and up Whitney Road.
SILK MAKING IS SHOWN IN EDUCATIONAL MOVIES

A series of interesting pictures illustrating the process of silk making was shown at the educational movies given in the Armory on March 18.

The development of the cocoon was represented in minute detail and also the steps of spinning, weaving and printing the cloth. The block printing was an especially emphasized process. The folding and shipping of the silk was interesting and instructive.

LITTLE THEATRE GROUP PLAYS AT FARMINGTON

Members of the Little Theatre group produced three of their most prominent one-act plays before the Orange at Farmington, last Friday evening.

After entertaining a full house, the cast spent the remainder of the evening in scoring. The party returned to the Hill that night. The plays enacted were the following: "The Trysting Place," "Suppressed Desires," and "How He Lied to Her Husband." This will probably be the last trip by the Little Theater Players before Easter.

High school basketball teams of New Hampshire were at the University of New Hampshire last week end to settle the state high school championship in the annual tournament held at the University.

CAPTAIN "PETEY" BALOCC OF THE BLUES QUINQUET

Captain "Petey" Balock of the Blue and White quintet lead the team in scoring in the season just over with a total of 103 points. "Bill" O'Brien was second with 84. Of the total of 337 points annexed during the season 264 were the result of field goals while 73 came from free throws.

Individual scores for the season:

F.G. Fous Tot. 37 29 103
Balock 37 29 103
O'Brien 31 22 84
Eddy 21 8 50
Seymour 13 1 27
Dunn 11 4 26
Allard 7 8 22
Greer 4 3 11
Biggood 2 3 7
Radomsky 1 2 4
Swen 1 1

"What's the use of it?"

Michael Faraday saw the real beginning of the age of electricity nearly a century ago when he thrust a bar magnet into a coil of wire connected with a galvanometer and made the needle swing.

Gladstone, watching Faraday at work in his laboratory, asked, "What's the use of it?" The experimenter jestingly replied, "There is every probability that you will soon be able to tax it." The world-wide use of electricity that has followed the Faraday discovery abundantly justifies the retort to Gladstone.

Faraday's theory of lines of force is constantly applied in the Research Laboratories of the General Electric Company in devising new electrical apparatus of which Faraday never dreamed. Every generator and motor is an elaboration of the simple instruments with which he first discovered and explained induction.

John Hancock Said:—

(IN 1774)

I HAVE ever considered it as the indispensable duty of every member of society to promote, as far as in him lies, the prosperity of every individual, but more especially of the community in which he belongs.

Life insurance is inseparably bound up with the prosperity of every individual, family and community. It is a secure and prosperous business and satisfactory to the salesman in every way.

The John Hancock would like to interest a few ambitious men who graduate this year to make John Hancock selling their life work.

Statistics on college graduates who have entered life insurance place it at the very top as a source of income. Before making a decision as to your career it would be well to make inquiries of the "Agency Department."

"THE BEST NEGRO QUARTETTE IN AMERICA"

COLLEGE CHAPLAIN IS SPEAKER AT ASSEMBLY

"Big Game Hunting in the Wilds of Cerebrum," was the subject of the talk given by the Rev. Marshall Dawson at President's Hour, Wednesday. The subject was divided into two parts, the first dealing with 'small game' or working for the sole purpose of making money, while the second part was the 'big game' of working for an ideal. An example of the 'small game' was razor selling, while Galileo and Mendell were cited as men who contributed to the world something which will never die, thus sacrificing a great deal on their part. Before concluding, Reverend Dawson stated that the greater percent of the American public belongs in the 'moron stage', and like Rip Van Winkle, they are asleep.

The world's record mark for the 100 yard dash in an indoor meet was broken by John Hopkins' star sprinter, Louis Clarke.

Dr. J. H. McCurdy may be the new football coach at Springfield College if arrangements can be made to release him from some of his other duties. He coached at Springfield several years ago.

A four page rotogravure pictorial section formed part of a recent issue of the Rocky Mountain Collegian published by Colorado State College.

Guests from all sections of the country attended Rutgers College Junior Prom.

Dr. Sinnott: "Since cows eat grass, why is butter yellow instead of green?"

Seymour: "The chlorophyll is killed by indigestion."

At the Saturday Evening Ball Causty: "Do you love dancing, Effie?"

Effie: "Oh, are we dancing? I thought we were staging a track meet.

Longfellow Again

Jack: "Have you been reading Longfellow?"

Spratt: "Naw, 'bout fifteen minutes.

Buffet Lunch

"Duke" Longo: "I could live on dried herring alone."

"Red" O'Neill: "You've got to!"

AGGIE CO-EDS DEFEAT MAINE IN FAST GAME

Charlotte Wood High Point-Getter for Blue and White Outfit.—Return Game at Storrs Next Year.

In the first co-ed basketball game played between the two institutions, the Connecticut sextette defeated the University of Maine co-eds at Orono last Saturday by a score of 22-17. The game was hard fought throughout and it was only through the superior team work displayed by the Nutmeg outfit that they took the game. Charlotte Wood, with 4 baskets from the floor and 4 from the foul line, was the high scorer for Connecticut.

Next year Maine will play a return game here at Storrs.

The lineup:

Conn. Wood Norton Hall Teeter rf lf c sg
Maine Crockett Hurst Hughes Clark EF Perkins Moddell mg F. eld

Foul shots: Maine, Crockett 3; Connecticut, Wood 4.
Final score 22 - 17.
Substitutions: Maine, Eton for Clark, O'Leary for Eton, Clark for Hunt; Connecticut, Grant for Ellis.

CO-EDS CLOSE SEASON WITH Y. W. C. A. GAME

Sextette Has Record of Seven Wins and Two Defeats.—Wood is High Scorer for Aggie Outfit.

On Saturday, March 22, the co-ed sextette will complete their season of basketball by playing a return game with the Hartford Y. W. C. A. in Hartford. Through the efforts of Captain Teeter, and because of good team-work the girls have succeeded in making this season the best Connecticut co-eds have ever known. Seven games have been played so far, with but two defeats. A record of the games played with scores included is as follows:

Conn. 129---Howe Marot School 19
Conn. 31~Windham High School 17
Conn. 36-Hartford Y.W.C.A. 22
Conn. 18 - Rhode Island State 48
Conn. 21--Maine University 17

A total of 187 points were made by Connecticut and 175 points by opposing teams. Charlotte Wood, who has done excellent work as forward, shot 46 field goals and 33 foul goals, and the creditable work of Lucille Norton helped raise the scores by 25 field goals.

The team for next year will be severely crippled by the loss of their captain, Florence Teeter, who played remarkably well as running center. A number of other senior girls, including Isabell Moddell, Elizabeth Parker, Margaret Hall and Charlotte Wood, all of whom deserve much credit for the success of the team this year are graduating.

Thus far there are four girls eligible for their letters, with possibly one or two more, this being determined largely by the last game on Saturday.
ALPHA PHI WINS SEMI FINALS IN BOWLING

REEVES HIGH IN MATCH

Sigma Phi Gamma Eliminated in the Bowling Tournament.—Alwyn High for Losers.

Alpha Phi defeated Sigma Phi Gamma in the semi-final elimination match in the interfraternity bowling tournament by the score of 255 to 259 and 244 to 232.

Alpha Phi won the match very easily, taking the first two strings by a large margin. The team representing the winners was composed of: Brandage, Longo and Reeves, the latter being the high man for the evening with a score of 116 in one string.

Those who bowled for Sigma Phi Gamma were Alwyn Hitchcock and Breneis. Alwyn was high man for Sigma Phi Gamma with a score of 85.

The score by strings is as follows:

(Twenty-five candidates respond for Baseball)

First game three weeks away.—Batting practice will begin when weather permits.

Coach Sumner A. Dale's first call for baseball brought twenty-five candidates out for the Connecticut "Aggie" varsity nine.

Only three letter men left from last year's team means that practically a new nine will represent Connecticut on the diamond this spring. "Bob" Laubscher, on whom the burden of pitching would fall this year, is confined to the College infirmary. He will not be able to do uniform until late in the season and his loss will be keenly felt, as he was a good hitter as well as a pitcher.

Daily practice is in order as the first game of the season with Harvard University, is less than three weeks away. Batting practice will not begin until the weather permits the squad to practice outdoors.

The candidates for the varsity include the following: White, O'Brien, Brandage, Wells, Dickens, Hamford, Hill, Gilbert, Speers, Enigh, H. Aberle, Purple, J. Ahern, Seymour, Donovan, Eddy, Minnum, Babcock, Radomski, Rankowitz, Swem, Lawson, Allard, Donahue, Giroudard and Saymon.

(Continued from page 2 col. 1)

feasted, by the score of 18 to 16. The following week the team traveled to Providence and received their second set-back of the season, the Brown cubs defeating the Aggies by 21 to 13 score. The next game was an overwhelming victory over the Trinity junior varsity, the score being 34 to 9. In the last home game of the year, Roxbury Prep. was defeated by a score of 41 to 17. The last game was played at Kingston when the team lost a hard fought game to the Rhode Island State yearlings, the score being 26 to 24.

Much credit goes to Coach Alexander for turning out a winning team from green material. In his ability to whip a fast five together under adverse conditions, "Louis" Alexander is considered by Aggie dopessters to be as good a coach as he was a player in his student days.
