LARGEST REGISTRATION IN HISTORY OF STATE COLLEGE COMPLETED WEDNESDAY
FRESHMAN DORMITORY MORE THAN FULL
Two Hundred and Seventy-Five Underclassmen and One Hundred and Seventy-Five Freshmen Enroll for College Year 1924-25.

With nearly 500 students in the total registration, approximately 17% of whom are freshmen, the largest registration in the history of the college was practically completed Wednesday.

Some of the old fellows returned last week to be on hand for work and to watch the early practices of the football squad. On Sunday the real return of the Aggies began. The campus lost its appearance of being deserted except for an individual here and there—groups formed on the lawn in front of Koons Hall where an exchange of greetings was in progress. All day Monday and Tuesday morning the liveliness of the campus increased until by Tuesday noon the old bunch was present with a considerable addition, inasmuch as the seniors of 1924, who numbered about 50, were replaced by a freshman class of about 200 members.

Storrs Hall, reserved for a freshman dormitory, was more than filled, the barracks in the rear of Storrs Hall were utilized, the “Campus” office in the barracks was commandeered by College officials to house the newcomers, and some of them found their way even into Koons Hall, the almost exclusive domain of the three upper classes.

The freshman girls numbering about 45 have caused considerable change in Holcombe Hall. Miss E. Sprague, Dean of Women, has changed the Practice House, located in the rear of the Valentine House, to a dormitory.

PRESCIDENT’S RECEP|ON TAKES PLACE SATURDAY
Everyone Invited
Saturday, Sept. 27, is the date set for the President’s annual reception for the freshmen. The affair is scheduled to begin at 8 o’clock and everyone is invited. Music will be furnished by the Peerless Orchestra of Willimantic.

FRESHMEN NOTICE!
All candidates who would like to try out for the Campus band to try out for the band.

FRESHMAN REARS RECEIVE TRADITIONAL CHASTISEMENT ON EVE OF PEERADE
INITIATION IS ORDERLY
Frosh Have Time of Their Lives.—No Casualties.—Sophomores Control Large Class With Ease.—Pres. Johnson of Student Senate Gives Talk on “Pond” Tradition.

On the eve of registration day, according to the traditions of Connecticut, the class of 1926 made its initial appearance, when the class of 1927 exhibited their youthful charges to the community in the annual pajama parade.

Immediately after the distribution of the Frosh hats and handbooks by the men of ’27, the very obedient yearlings were called from their rooms dressed in the customary attire for the sacred rites of the evening. Most of the men conformed strictly to the rules of the best of society by appearing in pajamas, however there were a few of the unfortunates who made their appearance clothed under the folds of grandfather’s nightshirt, and more than one blundered by donning a well known make of underwear. The scrubs were lined up in the best military style capable of freshmen and inspected by the commanding officer of ’27 and his men. The roll was called and each new man faintly responded when his name was sounded.

The preliminaries being over, the freshmen were lined up in single file and the parade started. The young men were escorted over their rocky way by the lusty sophomores who encouraged them with hoarse voices and the very effective wands which were subscribed to the Campus and Nutmeg.

The reserved freshmen were turned over to the Aggies who began the return of the Aggies began. The young men and women went in and out of the pine grove where the yearlings were given much assistance over the uncertain ground by the sophomores. After the rocks had been scraped—and possibly a few shins—the frosh were lead along the shores of Swan Lake, around the campus, and thence to Valentine House where they were halted in front of the reviewing stand, which for the most part was composed of the fair occupants of Holcombe Hall. During their march to the Valentine House the freshmen sang that well-known melody, “How Green We Are,” in a way that only freshmen can.

FRESHMAN RULES HAVE MANY NEW ADDITIONS
Willy Sophs “Do the Boys Right” —“Mammonious Concession” is Feature of Rules.—Will March to A. A. Field in Lockstep.—Koons Hall Front Taboo.

The Freshmen Rules compiled by the Sophs this year are “bigger and better” than ever before. The poor things have a hard row in front of them. Following is the proclamation complete:

YE SHALL
1. Show proper respect to all members of the faculty, and to all members of the upper classes.
2. Respond willingly and immediately to all requests of upper classmen, A. A. managers, etc.
3. Attend all athletic contests on the Campus; sit in the cheering section, and cheer.
4. Attend all Student Organization, A. A., and Mass Meetings, and be present at all Freshman labor work.
5. Join the Athletic Association, and subscribe to the Campus and Nutmeg.
6. Greet everyone with a cheery “Hello.”
7. Wear coats and ties to all meals and to all classes throughout the year.
8. Carry a box of matches at all times during the year, and respond willingly to all requests for their use.
9. Wear the prescribed identification tag during the first two weeks of the year.
10. Assemble in front of Storrs Hall 15 minutes before each home football game, and then march in lockstep to the A. A. field under direction of a committee from the Sophomore Class.
11. In the matter of your empty heads when passing any member of the faculty, as long as you wear the Freshmen caps.
12. Address all Proctors as “Sir,” and obey them as you have your mothers.
13. Write all Freshman rules in your feeble intellects, and learn all college songs and cheers. This you must do within two weeks of your intangible arrival.

FRESHMAN ROLLS OF SUMMER MARRIAGES
ONE STUDENT WEDDING
Miss Gladys Wheeler weds Capt. Caspar R. Crim.—Miss Gladys I. Scharfenstein becomes bride of Clarence I. Hendrickson.—Miss Anne Larsen and Louis A. Alexander, Miss Cecilia Morin and Connie Mahoney, and Miss Helen Downes and Milton Moore figure in Summer Marriages at Storrs.

One of the outstanding features of the past summer was the extraordinary number of marriages which took place.

Miss Gladys C. Wheeler, secretary to the registrar, and Captain Caspar R. Crim, professor of Military Science were married at Miss Wheeler’s home on Faculty Row on September 13. Dr. Henry K. Denlinger, professor of History at C. A. C., performed the ceremony. The music was furnished by Miss Isabelle Monteith, daughter of Henry Ruthven Monteith, former Professor Emeritus here, and Mrs. H. D. Newton, wife of Dr. Newton head of the Chemistry Department. Captain and Mrs. Crim are living in Storrs.

Miss Gladys I. Scharfenstein, professor of Home Economics, and Clarence I. Hendrickson of the Economics Department, were married in Rockford, Ill., early in August. Both Mr. and Mrs. Hendrickson are continuing their work here.

“Connie” Mahoney ’20 and Miss Cecilia Morin, were married in Willimantic in June. Miss Morin is a graduate of Brown University and has been teaching in the Windham High School. They are living in Storrs.

Louis A. Alexander ’23 and Anne H. Larsen ’21 were married in Hartford. They are living in Storrs where Mr. Alexander is serving this year in the dual capacity of Alumni Field Secretary and Freshman Coach.

Milton A. Moore ’26 and Helen R. Smith ’26 were married in Hartford. They are living in Storrs.

Tickets for the Mass. Aggie game at Amherst Saturday Sept. 27 may be purchased at the coach’s office for $5.50 any afternoon. At the gate the tickets will cost $1.00.

FRESHMEN NOTICE!
All candidates who would like to try out for the Campus band to try out for the band.

GRIDIRON WARRIORS SET FOR MASS. AGGIE COMBAT

CAPT. O'NEIL ON DECK

Practice Called September 15.—Coach Doyle Pleased with Material and Workouts.—"Bill" Makofske Returns to Aggie Fold.—Brinks Injury will Not Keep Him Out of the Game.

Twenty-five men answered the call for football practice which got under way Monday Sept. 15. Hard workouts have been held daily on Gardner Dow Field under the direction of varsity coach Summer A. Doyle assisted by freshman coach Alexander. The program for the past week was about the same as last year with light workouts in the morning, regular practice in the afternoon and blackbrow talks in the evening.

Among the letter men who are back are: Capt. "Red" O'Neill, "Little Cheese" Eddy, "Wallie" Moreland, "Carlos" Brink, "Petey" Baylock, "Raby" Filmer, Paul Bitgood, Tracy Swen, "Kid" Fieneman, Oscar Nan- foldt, and "Bill" Makofske. In addition to these regulars there are several varsity subs and members of last year's freshman team of whom a great deal is expected. Those included in this array are: Longo, Thompson, Eyre, Kielwasser, Allard, Hohn, Quigley, Baker, Zollin, Daly, Lundberg, Reeves and Lorentzm.

"Bill" Makofske's return to the hill after a year's absence is a promise of a great deal of added strength to the Aggie offense for the upper classmen will remember how "Moe" could rip through the line.

The line will be strengthened by the return of Carl Brink, star end on last year's eleven. Brink's return to the game this year was doubted very much on account of an injury received while polo vaulting last spring, but things turned out for the best and "Carlos" will be in the lineup.

Fieneman, another crackerjack end, who was ill, is feeling better and is back to claim his old position.

Between now and Saturday Coach Doyle must pick eleven men to crash with Mass. Aggie, a team never beaten by a Connecticut eleven until this coming year. In order that the right men are picked, scrimmages are being held daily to give each man a chance to show what position he is best qualified to fill.

There will be no training table this year due to several reasons, but common sense training rules have been drawn up and will be enforced by Trainer Daly.

Freshmen coach Alexander calls the first practice Wednesday, Sept. 24. He has very little to say about the coming season except that he expects to have a large squad and good material. The Freshmen schedule has been made harder by the addition of Pomfret Prep, a strong team.

ON THE SIDELINES

The onlooker cannot help but feel that the Football squad this year will fill his fondest expectations.

There is plenty of snap and "Pep" to the whole squad.

Capt. O'Neill is showing the same "Pep" in the backfield, that has always characterized his playing in the line.

Twelve letter men are back this season (Cont. on page 3 col. 1)

CHANGES IN FOOTBALL RULES

Following are the new changes in the football rules printed for the benefit of those who may wish to brush up on them before the first big game of the year:

1. Abolition of all mud or artificial kicking tees.
2. Advancement of the kick-off from the 40 to the 50-yard line.
3. Decision to place the ball on the 3-yard line for an attempt to score point after touchdown.
4. Granting of power to referee to refuse to take time out when delaying of game is apparent.
5. Increasing in penalty for more than three times out in each half from two to five yards.
6. Recommendation that gun shall be fired at end of each quarter.
7. Clarification of rule against on-side kick.
8. Warning to players forming passive interference for screen pass.
10. General tendency toward speeding-up the play and encouragement of running of run or pass to convert point after touchdown.

"Her laugh was a succession of short sobs such as are sometimes given out by a bearing in need of oil."

NEW ATHLETIC FIELD PROJECT TO CONTINUE

MANCHESTER, CHAIRMAN

Ardent Need of more Athletic Space.— Student Labor will be Pledged.— Girls Athletic Field Given Over to Freshmen Squad.

The need of more space at Connecticut for athletics has long been felt, but doubly so since the Freshman Rule came into force. Only those who were on the Campus can realize how difficult it was and under what disadvantages our coaches worked last year during football and baseball seasons while they attempted to coach two large squads on the same small field. Furthermore, soccer and baseball for the class teams and free play has been necessarily neglected because of the lack of space.

The Girls' Field

The girls, now numbering over one hundred, are playing field hockey, baseball and doing track work, so last spring on Connecticut Day a very satisfactory field was made for them just across the road from Valentine House. This will be given up by the girls this fall to Coach Alexander for his Freshman football squad. It is scarcely large enough, but it will be very much better than being crowded on the Varsity field.

Need is Urgent

For at least five years we have been planning and money has been promised by the State Finance Committee for the development of a new field, but it has not yet materialized. The need has now become so urgent that President Beach and the Athletic Council, with the help of the students, are going to find some way of making a new field this fall. Indeed, a beginning was made last Connecticut Day when a large number of students and faculty laid out the field and removed all the trees and stumps. The real work will begin as soon as school opens. Tools have already been purchased and other plans are being made. Of course, this is going to take some money, we scarcely know how much, or where it is coming from. By rigid economy in team equipment, the Athletic Association hopes to be

</table>
year, which bids well for Connecticut's success.

Also the squad is further strengthened with some of the last year's Freshmen team.

"Wally" Moreland, last year's quarterback is showing his usual efficient manner.

Makofski, a veteran two years ago, is back, and is bidding high for a berth in the backfield.

"Cooky" Reeves, Freshmen halfback last year, is showing up well in fast company.

"Du-Du" Daly, is working hard to obtain a berth as center.

Coach Alexander has some fine material for his Freshman team. A large class has made this possible, and we are looking forward to another undefeated Freshmen team this year.

The team needs encouragement of the right kind from the sidelines. Let's get out there every night and give them a little help.

With 53 candidates for the freshman squad it looks like another banner year for Coach Alexander.

Six freshmen are still on the waiting lists for football suits.

The Eddy family seems to run toward football players.

able to contribute from five to eight hundred dollars while five hundred more has been added to the Physical Education budget for this purpose.

Student Labor
It is planned to call a meeting of the students and ask them to pledge themselves to put in about two hours per week from now until Christmas vacation.

Near Present Field
The new field will lie south of the old field on the rise above the tennis courts and will extend almost to Whitney Road, leaving just about one hundred feet for a parking place between the field and the street.

General Development
When this field is complete further athletic field development will take place. Eight or nine tennis courts are to be built between the Armory and Whitney Road immediately back of President Beach's home. Then, what is now thought to be the best for a Varsity field, will be made between the above mentioned new tennis courts and the field now being built. It will take in all of the present tennis courts, and extend to Whitney Road. The grading will necessitate quite a large terrace between these two fields which will no doubt be taken advantage of for a natural grandstand.

Connecticut is growing rapidly and we need this field space if athletics are to hold the high place that they should.

"What a whale of a difference just a few cents make!"

— all the difference between just an ordinary cigarette and—FATIMA, the most skillful blend in cigarette history.
Starting Right

No freshman can afford to play the "gay college sport" in his first year. No matter how earnestly a freshman craves to impress his comrades of his unassuming sophistication, he should pause, throw his vagrant yearnings in the ash can, and grab a text book.

"Rosey" New faces and old greeted us when we returned to our Alma Mater, but among the throng a once familiar face was not to be seen. "Rosey" Ryan, one of the most popular and respected men on the Campus was killed this summer by accident at Revere Beach. Mere words cannot adequately express the sorrow which Connecticut feels in the loss of her son whose insipiration and good fellowship endeared him to everyone of us. Though he is gone in body, his spirit will still be with us for he was the ideal type of Connecticut man, one who gave promise of being one of the leaders of the college in his senior year. Not only are we going to miss his prowess on the athletic field but it is in the classroom and on the campus that we will miss that cheery smile which once we knew so well.

Our New Pastor

The Reverend Alling has come here with an understanding of the past and a plan for the future. He, perhaps, more than any other Connecticut clergyman has followed the recent discussion on our church affairs with sympathy and an earnest desire to help us. We all know what the trouble has been in past years. Reverend Alling will attempt to remedy this and it is for us to cooperate in every way with him. His position is a hard one and his task can be materially lightened by our whole-hearted support.

This Sunday Reverend Alling will preach at the Community Church. Everyone who can should attend.

Library Improvements

Basement is Renovated to Hold Research Work Bulletins. The basement of the Library is being altered to serve as a depository for Government documents, especially those concerned with the Department of Agriculture. The new basement will be fitted with steel stacks and new tables and chairs. Approximately ten thousand volumes will be available for those engaged in this work. This part of the Library, which according to present plans will be ready about January 1, 1925, will close at six p.m. The removal from the main floor of the Library of the first four stacks will result in the enlargement of the reading room and the availability of much-needed air, space, and light.

Library Rules to Be Enforced This Year

Certain rules and regulations of the Library are published in this issue of the Campus in order to give each student his own copy of the same. The capacity of the library is small, and the number of books being used is comparatively large. This makes it necessary for each one to know and obey as far as possible these few regulations.

Students who willfully and persistently disregard these rules must be deprived of library privileges.

1. Talking or visiting in the library is forbidden.

2. Reference books may be taken out when the library is closed and kept only until the library opens.

3. Encyclopedias, bulletins, current periodicals, bound volumes of periodicals, and certain books of reference are not to be taken from the library.

4. A fine of two cents a day must be paid for all books kept out over two weeks.

5. Students, with the exception of seniors, are not allowed in the stacks, evenings.

6. Students will not be permitted to remain in the library after regular hours, nor shall they be permitted to enter out of regular hours except by permission of the librarians.

7. By General Statutes No. 6,221 misuses of library books or periodicals is forbidden under penalty of the law.

Students are requested to drop their fiction as far as possible during the day rather than at night.

The library hours are as follows:

Week Days except Saturdays

4. New Instructors Added to Faculty Ranks

New Graduate Nurse

Miss Elizabeth Hamilton is a graduate of the Connecticut Agricultural College, class of 1924, when she received a B. S. degree in Home Economics. Miss Hamilton will instruct in House Care, and assist in Cooking and Textiles.

Miss Marion B. Gardner, instructor in Costume Design, and Interior Decoration, comes to Storrs from the Iowa State College at Ames, Ia. She is a graduate of Pratt Institute at Brooklyn, and the Chicago Art Institute.

Miss Nellie L. Peck is the new Resident Nurse. She comes to Storrs after service with the New Haven Visiting Nurses' Association. She is a graduate of the Nurses' School of the New Haven Hospital.

FOUR NEW INSTRUCTORS ADDED TO FACULTY RANKS

Four new instructors, and a new Graduate Nurse were added to the personnel of the college staff since school closed last June. Two instructors have been added to the English department; from the places left open by Instructors Sweet and Christoph, and two instructors have been added to the Home Economics department.

Worthinitch, a graduate of Franklin College in the class of 1923, where he secured a B. A. degree. He comes to C. A. C. as an instructor in English.

George Brandon Saul is a graduate of the University of Pennsylvania, in the class of 1923, where he secured a B. A. degree. He was an assistant in the English Department of the University of Pennsylvania in 1922-1923; engaged in the insurance business in Philadelphia in 1923-1924; and comes to Connecticut as an instructor in English in 1924.

Miss Elizabeth Hamilton is a graduate of the Connecticut Agricultural College, class of 1924, when she received a B. S. degree in Home Economics. Miss Hamilton will instruct in House Care, and assist in Cooking and Textiles.

Miss Marion B. Gardner, instructor in Costume Design, and Interior Decoration, comes to Storrs from the Iowa State College at Ames, Ia. She is a graduate of Pratt Institute at Brooklyn, and the Chicago Art Institute.

Miss Nellie L. Peck is the new Resident Nurse. She comes to Storrs after service with the New Haven Visiting Nurses’ Association. She is a graduate of the Nurses’ School of the New Haven Hospital.
If father did the washing just once!

If every father did the family washing next Monday there would be an electric washing machine in every home before next Saturday night.

For fathers are used to figuring costs. They'd say: "The electricity for a week's washing costs less than a cake of soap. Human time and strength are too precious for work which a machine can do so cheaply and well."

CONNECTICUT 4-H CLUB ATTENDS EXPOSITION

TWELVE MEMBERS CHOSEN FOR THEIR GOOD WORK

Part of Eastern States Exhibition at Springfield, Conn., Camp Vail.
Proposes to Train Future Extension Workers.—"Log Cabin" Poultry House of Clarence Pierce Feature of Exhibit.

Twelve farm boys and girls, members of the 4-H Clubs under the direction of the Extension Service of the College representing Connecticut at the Eastern States Exhibition last week at Springfield in Camp Vail, because of the good work they had done in their home clubs, with all expenses paid by the Exposition, to demonstrate the better practices they have learned in their work at home.

The Connecticut delegation was chosen by the Extension Service and came from Fairfield, New Haven, Middlesex, and New London Counties, and included the following:

Grace Abercrombie.
Helen Reed.
Harold MacDonald.
James Blakemore.
M. Hayden.
L. Strong.
Kate Roberts.
Holt.
Russell Anderson.
Russel Norstrum.
John Hoffman.

These young folk were accompanied by three local leaders:

Mrs. W. Ellis Hughes of East Hampton,
Clothing; A. Ernest Otte of Durham,
Poultry, and County Agents James R. Case of Fairfield,
Raymond T. James of Hartford,
and Elise Trubus and A. J. Brumfield
from the Extension Office.

"We've had the time of our life," was the attitude expressed by the young folks as they started home last Saturday, and they were undoubtedly right, as few young people have this unusual opportunity.

It is interesting to note that three of last year's seniors who graduated with distinctions in their courses were 4-H Club members and attended Camp Vail. They are Maxon Eggleson, '24, Russell A. Palen, '24 and Elizabeth Parker, '25.

The Eastern States Exposition brings twelve farm boys from Camp Vail eighteen young folks from each of the New England States, Pennsylvania, Delaware, Maryland, Virginia, and West Virginia for a week of training, competition and fun. These young folks in turn go back home and do better work there.

A very unusual group of young people attend Camp Vail as they are among the most outstanding club members in their respective states and are the folks to whom we must look for our agricultural leadership within the next few years.

Camp Vail was named after the late Theodore N. Vail, President of the American Telephone and Telegraph Co. The camp itself is more than the name implies as it comprises not only an encampment, but also an exhibit exemplifying 4-H Club work together with team demonstrations and judging work. Besides this, it brings together a group of the country's most promising rural young people upon whom we must rely to help solve our problems, and give them enthusiasm and inspiration and encouragement in their work.

The Poultry Club work received special attention in the exhibit this year, and showed many phases of the work from the incubation of the eggs to the way to make palatable chicken sandwiches. One of the features of this exhibit was the "log cabin" poultry house of Clarence Pierce of Roxbury, Connecticut, who after four years of continuous effort, got his hens to lay 100 eggs per bird, in a house that most poultrymen would regard as impossible. Clarence by "making the most of what he had." "This, by the way, was Roosevelt's recipe for success. Not only was his log cabin on display with the kind of stock he started with, but also a photograph taken in the course since September 1923 of his new house, with some of his Hollywood White Leghorns as he recently obtained. Clarence was on hand to tell how it had been done. The tale of his exhibit was from the log cabin to the white house, his good stock being housed in this colored house.

Another part of the exhibit supplied from Connecticut was put on by the Out-to-Win Poultry Club of Cromwell under the leadership of Edmund Peterson, who plans to enter C. A. C. in the fall of 1925.

Altogether, the week at Camp Vail of the Eastern States Exhibition with the camp life, exhibits and team contests along with the unusual opportunity afforded by the Exposition for instruction and entertainment does in reality give all the young folks attending a good basis for saying we've had the time of our lives.

The Exposition is to be commended for their policy of giving every possible encouragement to the farm boys and girls.

PROFESSOR WHEELER ENTERTAINS SURVEYORS

Professor C. A. Wheeler gave a party at his home Monday evening to the members of the surveying course, Math. 7. The "surveyors" have been working in the course since September 2. During the first part of the evening Professor Wheeler entertained with a stereopticon lecture on his trip to London. The lecture was followed by music and dancing. Refreshments were served during intermission.

Already the Frosh are learning to pick up a loose ball.

The use of the freshman field is in front of Holcomb Hall saves considerable congestion on the varsity A. A. field back of the Armory.

There are chances for a good cross-country team this year. Freshmen are eligible as cross-country is not a major sport.

CONN. R. O. T. C. UNIT SHOWING IS CREDITABLE

LEADS RIFLE COMPETITION

Unit Gets Third in Pistol Competition.—Jacoby Wins the Two Mile in Track Meet.—Hutton Places in Mile.—Two Day Hike and Sham Battle Featured Field Training.

With only five men attending the 1924 R. O. T. C. Camp at Camp Devens, Mass., Connecticut made an outstanding showing against the eleven "New England colleges and universities and six outside colleges and military schools represented. When the dust of the six strenuous weeks had cleared Connecticut led the field in the rifle competition with every man allowed to shoot qualified. In the pistol the College stood third and would have again headed the list but for the hard luck of one man who failed to qualify less than one per cent.

The general Camp competition which included contests in the rifle, pistol, baseball, track, dramatics, swimming and student publications, was won by the University of Vermont (Infantry) to the satisfaction of all the other Infantry units.

Against a fast field of track stars Connecticut entered two men, Jacoby came in first after a prettily contested two miles and Hutton placed third in the mile. The six points thus gained put Connecticut ahead of some of her oldest rivals.

The Camp (June 14-July 26) covered practical work in a majority of the subjects taught by the Department of Military Science, with the opportunity to comm gnd troops in the field and to see nearly all branches of the Regular Army at work under service conditions.

Except during range and potato whittling practice work was over at 3:30 p. m., and at noon Saturday Baseball, swimming, riding, movies and exploring occupied time off duty. Boston, only thirty-nine miles away, and the beaches attracted many over the week-ends.

A two day manoeuvre and hike was one of the features of the field training. On the first day the Infantry units forced a crossing over the Nassau River, assisted by the Yale and Harvard Artillery and the Massachusetts Tech Engineers and chased the Massachusetts Aggie and Culver Cavalry all over the map. Long practice on the Connecticut hills and in headlights from Poultry to Armory in ten minutes showed its results. Every Connecticut man came in on his feet and in good condition.

A two day manoeuvre and hike was one of the features of the field training. On the first day the Infantry units forced a crossing over the Nassau River, assisted by the Yale and Harvard Artillery and the Massachusetts Tech Engineers and chased the Massachusetts Aggie and Culver Cavalry all over the map. Long practice on the Connecticut hills and in headlights from Poultry to Armory in ten minutes showed its results. Every Connecticut man came in on his feet and in good condition.

John Beers, '21, was married to Miss Kathryn Wells, Wednesday afternoon, September 3, at the home of the bride's parents in Bethleham, Conn. The ceremony was performed by Reverend Gilmore of Easton, N. J., an uncle of the bride, and took place out of doors. The bridegroom, '21, is making a circuit of the Fairs in the State this fall. He is in charge of the exhibit of the Connecticut Dairy and Food Council. 'Art' Weinstein, '22, attended the Washington Fair on August 29, and served on the Sherpe and Swine Committee. "Mitch" reports progress in his recent spectacular milk products at the Mitchell Dairy Company at Bridgeport.

Russell Harris, '17, with his wife and two children, returned to their new home at Quaker Hill, just outside of New London.

"Brad" Ricketts, '21, is working at the Washington Fair for the Motorway Tours Company, located at 65 Wall St., New York City.

"Sunny" Wooster, '22, resigned his position as Poultry Instructor at the University of Georgia and is now Sales Manager for a large poultry farm in Americus, Ga.

"Doc" Griswold, '22, has received his M. D. at Yale, and is now serving as an intern in the New Haven Hospital.

"Scoop" Mawraring, '22, has returned to the Hart & Hegeman Manufacturing Co., of Hartford, in the Middle West with headquarters at Cinncinati.

"Mac" Maguire, '22, is in the dairy business in Pennsylvania for the Pennsylvania Railroad.

"Ike" Collins, '22, is working as a reporter for the Meriden Morning Record, in the Wallingford office.

"Scoop" Mason, '19, is in the feed business with headquarters at Farmington, Conn.

"Art" Weinstein, '21, is studying for his Doctor's degree in Botany and Genetics at the University of Wisconsin, Madison, Wis.

"Len" Dickinson, '22, has a close call a few days ago. While filling his gas tank a spark from his cigarette started the gasoline burning which set fire to the car and Len's clothing. Luckily the filling station had a fire extinguishing handy which put out the blaze before any serious damage resulted.

Walter B. Smith, '22, is serving his second year as salesman for the Boston Molasses Company.

Gladyis Wheeler, 'ex-21', daughter of Professor Charles A. Wheeler, was married to Capt. Charles R. Taylor on Saturday, September 13, at the home of the bride here at Storrs. Dr. Henry K. Denlinger, Professor of History, performed the marriage ceremony.

"Dave" Radinsky, 'ex-23', known better as "Finnegan" graduated from New York University in June. After passing State Bar examinations, he started practicing law in New York City.

"Walt" Clark, '18, has purchased a home at Gales Ferry where he will soon take his family.

"Kid" Brundage, '21, is coaching and teaching at Danielson High School at Danielson, Conn.

George Hollister, '02, besides his duties as Superintendent of Keneey Park, Hartford, is now in charge of the maintenance of all other city parks. Keeney Park was only recently turned over to the city.

"Edie" Ryan, '18, a native in the region, formerly stationed at Camp Meade, Md., will take a course in engineering at Worcester Tech in the fall.

"Fred" Newberry, '22S, is located at Torrington, Conn., where he has been successful in the poultry business. He is also sales agent for the western section of the Connecticut Egg Marketing Association.

Ralph Chafee, '22, has been appointed Assistant Live Stock Superintendent at the Connecticut State Fair and Assistant Sheep and Swine Superintendent at the Eastern States Exposition.

Thomas F. Donahue, '24, has secured the position of Physical Director and Coach at the New York Institute of Applied Agriculture, Farmingdale, L. I.

"Limber" Fellows, '16, and wife, recently returned from a week's vacation at Lake George to their home in Northwictham.

"Rube" Gleason, '22, is married and located in Los Angeles, Cal. "Rube" is managing a dairy herd for some wealthy man in that locality.

George Goodheart, '22, is head of the Poultry Department at Montana State College, Bozeman, Mont.

"Rip" Blevins, '21, is now working for the Motorway Tours Company, located at 65 Wall St., New York City.

"Sunny" Wooster, '22, resigned his position as Poultry Instructor at the University of Georgia and is now Sales Manager for a large poultry farm in Americus, Ga.

"Doc" Griswold, '22, has received his M. D. at Yale, and is now serving as an intern in the New Haven Hospital.
International 4-H School Visits College

A. J. Brundage and Miss Elsie Trabue on Staff

The members of the Second International 4H Training School, financed by Horace A. Moses, President of the Strathmore Paper Co., visited the College on September 8 and 9. The Training School was made up of two 4H club members from each of the thirteen eastern and southern states. They were chosen because of the good home work they had done and the characteristics of leadership they showed.

The Training School is in reality a part of Camp Vail of the Eastern States Exposition starting a week prior to the Exposition and continuing through it. The first week is given over to the study of principles underlying successful 4H Club Work and how it may be done. Visits are also made to farms, factories, the Federal Land Bank and Philip’s Publishing houses and the like. During the second week the training school representatives assisted with the conduct of Camp Vail, thus giving them experience and training that will enable them to serve more at home.

The Connecticut delegates were Sherman Ives, ’24, and Marion Eggleston, ’23 both from Litchfield County.

While at Storrs, the group was met by President Beach, Director Ellis, Director Slate, and Walter Stemmons. After enjoying the pool, the young folks returned to Springfield.

The course was under the direction of A. J. Brundage, of the Extension Service, Elsie Trabue, also of the Extension Service, and Raymond A. Turner, State Club Leader of Michigan.

The school will probably become an annual event and should play an important part in the training of leaders to help carry on the type of work which the Extension Service is doing.

(Cont. from page i. col. 2)

Ye Shall Not:
1. CRAB.
2. Smoke anything but a corn-cob pipe outside of the dormitories until after Christmas vacation.
3. Throw refuse of any kind upon the campus.
4. Enter the Dining Hall except at the prescribed hours during the year.
5. Escort any female connected with the college within a radius of five miles of the Main Building, until after the Christmas vacation.
6. Venture forth upon the Campus during the first semester without the badges of your ignorance, your skillets.
7. Wear numerals, letters, or insignia of any institution.
8. Take from the hithermost recesses of your carpet-bag knickers of the national 4H Training Director Ellis, ’23 and Wm. E. Beach, ’23.

Any sort until after the first semester, or white pants until after Junior Week.

9. Interrupt our communions when ye witness us in mutual converse.
10. Take the liberty of loitering or placing your pedal extremities upon our fair Campus lawns.
11. Allow your scarlet forms to be seen on the walk in front of Koons Hall during the first semester—which implies that ye shall enter Koons Hall by the rear door.
12. Ever absent yourselves from Freshman class meetings.
13. Adorn your baby faces with any ornaments of hair.

To all who show neither anger nor resentment, but obey these rules with resentment, but obey these rules with

To all who heed not our words, we solemnly deliver this sinister warning: Beware of the just and mighty wrath of

Magnanimous concession:

If ye be winners of the pig roast, ye shall be allowed to discard your Freshman caps. If ye be losers, ye shall carry a can attached to your persons by means of a string three feet long. This ye shall do for three days after your defeat.
