ATTENTION ALUMNI!

This is a good time to hand in your subscription for the Campus if you have not already done so. In spite of an urgent letter requesting the subscriptions of the alumni, the "Campus" has had very few responses. At the present rate, we certainly will not be able to pay the running expenses of this publication. How about a little action, alumni?

O'Neill Stands Out

Captain "Red" O'Neill, who has played for the Aggies since he came to college, and who has led the eleven for two years will play his last game for Connecticut, as he will receive his sheepskin in the spring. He has played a wonderful game at fullback all fall and is counted upon to wreck Connecticut.

Captain O'Neil Leads Scoring With Three Touchdowns.—Merchant, Trinity Fallback, Breaks Leg.—Aggie Defense Spells Downfall for Blue and Gold.—Connecticut Outsiders Rivals.

Connecticut won its fifth game of the season and its third consecutive victory over Trinity last Saturday when the fighting Aggie team smothered the Hartford collegians under a. 26 to 0 score. Trinity was unable to gain through the Connecticut line and her backs were thrown for losses time after time. The Blue and Gold defense was no match for the Aggie team and the Connecticut backs ripped through for consistent first downs.

Captain "Red" O'Neill was responsible for three of the four touchdowns. In the second period after the Aggies had passed and plunged their way to the Trinity five yard line, "Red" smashed through center for the first touchdown. His next two scores came in the third period when he again plunged his way over the Hilltoppers goal line. A few minutes later O'Neill got down under "Cheese" Eddy's sixty yard punt and scooped the oval up after Riley had fumbled and placed it over the line for the third touchdown. "Petey" Balock carried the ball over for the fourth touchdown when he caught a pass from "Billy" Schofield in the final period. At no time during the game did the Becker coached team threaten to score.

Nanfeldt kicked off to Trinity, McKnight received the ball on his five yard line and running it back five yards before he was downed. Trinity failed to gain and Terrell punted to Moreland who brought the ball to the forty-yard. In a series of line plunges Connecticut brought the pigskin to the fifteen yard line where "Cheese" was called back to stop kick. Terrell broke through and blocked the kick, which was recovered by "Carlos" Brink. For the only time during the game Trinity was able to hold the Aggies and the ball was lost on downs.

The Hartford team failed to advance and Terrell punted to Schofield. Balock made fifteen yards on a pass from Schofield. Line plunges by "Cooky" Reeves and "Red" O'Neill put the ball at the two yard line. On the next play O'Neill took the ball over. "Cheese" missed the try for the extra point.

(Cont. on page 3 col. 1)

ON THE SIDELINES

The team did Trinity right for the third successive time.

Reports have it that Trinity is not anxious to play Connecticut on the gridiron next fall. We wonder why?

Connecticut not only outplayed Trinity, but also outcheered them. Nearly the whole college was in to see the "Hilltoppers" walloped.

There were cries from the Trinity side to "stop that Red-head." The "Red-head" made three touchdowns and the entire Trinity team couldn't stop him.

Trinity received a tough break when "Bill" Merchant broke his leg. It looked as if Harry McKnight were playing for us again when the Aggies chased him back about ten yards. The Trinity line was no match for the "Fighting Aggies."

With the wind to hold him "Cheese" booted the oval for considerable yardage.

Coach Dole used nearly every man on the squad.

As in each previous game Connecticut played a much better game in the second half.

RHODE ISLAND AND MASS. AGGIES HUMBLED

Willy High only Team to Score.—Second Unbeaten Season for Coach Alexander.—Fresh Score 137 Points to Their Opponents 7.

Saturday at Kingston R. L. the Aggie fresh eleven won their fifth straight game by whitewashing the Rhody yearlings 29 to 0. It was a hard fought contest, but the superior teamwork and fighting spirit of the Aggies outclassed Rhody from the start. Three touchdowns were made. Two of the result of passes to Keller and Even, and the other on a recovery of a fumble by Hayes. The poor condition of the field and the tendency of the Rhody players to resort to unnecessary roughness undoubtedly prevented the Aggies from further scoring.

Williams was a consistent ground gainer, and Eddy's forward passing was of high order.

On Wednesday Alexander's charges went to Amherst and administered a 19 to 0 drubbing to the Mass. Aggie seconds for their last and sixth victory of the season. The first half of the game was an evenly matched affair, but in the second half, the Aggie offense opened up and put the skids under the Massachusetts farmers. Williams, the stellar fullback of the Aggie made two touchdowns, and Captain Logan made the other on a pretty recovery of a fumble.

The fresh scored 137 points to their opponents 7. Wilby was the only team to score.

Trinity gave the Aggie roosters the chance to give her Fros to the once over. We'll say that our Fros look better.

"Rabbit" Filmer threw a jump into the Trinity supporters when he ran through nearly the whole Trinity team after catching one of Terrell's punts.

The Freshmen started the ball rolling when they whitewashed the "Rhody" yearlings at Kingston.

"Louie's" team has been going at a great pace and should come through the season clean.

The powers have ruled against a game with Middletown and the curtain falls on Aggie football this Saturday when the big game with Rhode Island is played on Gardner Dow Field.

Watch for a hard game Saturday.

Everybody follows the band in the big parade before the game. After the game — ? ? ?

BEAT RHODE ISLAND!!
The second half opened with Nanfeldt kicking to Sampers. Trinity was forced to punt after her backs had been forced back about ten yards by the on-rushing Aggies. Connecticut worked the ball to the Trinity twenty-yard line where "Cheese" attempted a placement kick, but missed and the ball rolled a few feet where Noble fell on it. Trinity then tried her last resort, an aerial attack, but her attempts were smothered when Schofield intercepted a forward and ran the ball back ten yards. "Swemmy" made twenty yards on a pass from "Schof." In four line plunges Connecticut scored again, O'Neill carrying the ball. Trinity kicked off to Schofield who ran the ball back fifteen yards. Eddy punted for sixty yards, the ball going to Riley who fumbled. The Aggie captain was down with the ball to the Trinity twenty where "Cheese" juggled the oval. Eddy punted for sixty yards, the ball landed "Swemmy" and Noble gained twenty-five yards and tried to gain by launching an aerial attack, but her attempt was smothered when intercepting a forward and running the ball twenty yards on a pass from Schofield. The game in their restless way.

TO THE FORMER AGGIE FOOTBALL PLAYERS WHO'LL WATCH
THE 1924 VARSITY PLAX RHODE ISLAND SATURDAY

They're out there hitting the line today, The fellows you used to be; Playing the game in their restless way, Earning a white felt "C." They're knifing the line and cutting through, Finding a hole as good plungers do, With never a thought of such as you, Who used to force the play.

So here's to the man you used to be, Before the years took toll— Now, you face in a bigger game, A stern guard for you. But you'll never find in the later years— Beset by doubts and hopes and tears, Laughing while others give way to tears— The cheers that used to roll.

Here's a toast to the man you used to be, Before the years took toll, When you played the game for an Aggie "C." And surged to Rhody's goal! By E. J. ("The") Collins, ex-'25.

The desire to get out of bed is inversely proportional to the need.

OFFICIAL PROGRAM FOR RHODE ISLAND GAME

An official program will make its first appearance this year at the Rhode Island tilt, Saturday. The program will be in the form of a sixteen-page booklet containing pictures of the squad, individual players, coaches, statistics, and information of a like character.

WAIT FOR THE SENIORS
All members of the lower classes are not strictly adhering to the old and well-established custom of allowing the seniors to walk out of their seats first at assembly.

All lower classmen are requested to wait for Seniors and then file out in the order of classes as originally intended.

THE PIG ROAST
The Pig Roast is a Connecticut tradition which will soon take the center of the "Azgeye" stage. Criticism has been showered on the affair but it will still take place in the old manner plus a few changes made by the Student Senate which were deemed advisable.

By determining the exact hours within which the assembly will open, the Senate expects that the contest will be one round of spirited happenings. There is every reason to predict that the bands of opposing forces will make the old Mansfield hills ring with their battle cries.

The Pig Roast offers a splendid opportunity for strategy, tactics, and individual exploits; as well as far showing up such qualities as courage, co-operation, and class spirit. Another point, which has been stressed before, concerns the friendships which the contest encourages and promotes. No man will ever forget the companion with whom he chaced in the shadows of some Mansfield vale awaiting the approach of a rival detachment; or will time ever erase the strong kindred feeling which arises between two men after an exchange of a few hearty buffets. Dozens of big and little incidents of the Pig Roast can combine to make up one of the most memorable pages in the diary of any soph or freshman.

In order to insure success, the two conflicting classes should get into the real spirit of the affair. It should be conducted in the manner of a group and momentous enterprise. All plans, maneuvers, and attacks, should be carefully worked out, Ruses, spy systems, terrain studies, choice of leaders of real ability and all similar matters, should be thrashed out long before the period begins. It is well to remember that the Pig Roast is more a battle of wits than a battle of brawn.

No rivalries should be conducted on anything but a sportsmanlike basis. The feeling should always be tempered with judgment but, on the other hand, we never have a good football game with a half-hearted team. The enthusiasm should be at a fever heat and the vision of the "grand prize" railroad or not roasted, should be before the eyes of the two classes as if their very life depended on the issue. Only with whole-hearted enthusiasm and ardent co-operation of the two classes involved, can the Pig Roast tradition add to that thing the football team is striving so valiantly to promote—COLLEGE SPIRIT.

THE FLYING APPLE
There has been no fall sport more enthusiastically supported, it seems, than the throwing of apples through dormitory windows. When a man has attempted to stick his head out of a window it is too often a signal for a barrage of flying apples.

There is not only the expense involved, and we all need to economize these days, but the time and labor of the works department could be better placed on other needed repairs. There are two remedies which we present: (1) Removal of all apple trees in the vicinity of Storrs and Koons or (2) a strong feeling on the part of the Student Body against this thoughtless and unnecessary pastime. We strongly urge the latter measure.

OCCUPATIONS OF ALUMNI AND FORMER STUDENTS

The directory of the Alumni contains the names of 2,172 male students and 365 women a total of 2,530. Occupations of 1,054 male students are known, of which 65 or 6% are listed Agriculture, and 366 or 37% non-agriculture.

Of the total number of male students, 90 or 4.5% are deceased; 1912 or 47% failed to respond to letters requesting information regarding occupation. From 1912-1923, the college gra 271 male students of whom 229 or 81% are engaged in Agricultural occupations.

DR. LANDAUER OCCUPIES NEW FELLOWSHIP

Asst. Dr. Dunn in Genetical Research Work.

Dr. Walter Landauer has come to Connecticut from Heidelberg Germany to occupy the new fellowship established in the Experiment Station by Mr. Slate. Dr. Lan­ dauer graduated at Karlsruhe in 1914, and from 1914 to 1917 he was with the German Red Cross in Russia and China. From 1917 to 1919 he was stationed at the central office of the Red Cross at Karlsruhe where he was concerned with the organization of finances. He graduated from the University of Heidelberg in 1921 and remained there until 1924 as assistant in Zoology. He also studied one semester at the University of Frankfurt.

Dr. Landauer has done considerable research work on marine animals, and he has published several papers on tannins and the mechanism of enzyme production in fungi. He is also interested in the development of hybrid animals. At present he is working under Dr. Dunn on the anatomy of remotepeas and studying the anatomical variations of the genetic variations in fowls.

Slides to Add Interest.—Lecture Given With Success in Various Parts of Country.—Last Entertainment Before Ag Club Fair.

"Botanizing in Australia" is the subject of a science lecture to be given by Dr. Sinnott on Thursday night, Nov. 20. Dr. Sinnott spent a year studying and collecting botanical specimens in Australia and New Zealand and in connection with that work he has a set of slides which he will show during the lecture.

This lecture has been given with success in various parts of the country and is of interest not only to botanists, but to students in every branch of learning as well. It is to be given under the auspices of the Ag Club and will be the last program they will offer until after the Ag Club Fair on Dec. 12 and 13th.

"ENTER THE HERO" GIVEN BY FROSH

Home Economics Faculty and Co-eds Attend Third Playlet Tryout.

"Enter the Hero," the play given by the third group of Freshmen co-eds was enacted at Holcomb Hall, Monday night, Nov. 5. One end of the large reception room was very artistically arranged as an informal living room, thus forming the stage. The home faculty and the girls made up the audience. The cast was composed of the Hill, Henrietta Castle ... Ann Carey Lillian Ainsley ..... The Hero Sophie Hubey ... Ruth, Ann's sister and Ethel Mondr ... Mrs. Carey

The next play by the third group with Jane Rankin, Chairman, will be given sometime within the next two weeks.

PROF. FISHER HEADS RED CROSS ENROLLMENT

Student Body Asked to Respond 100 Per Cent.—President Coolidge Makes Letter Public.—Armistice Day Opens Drive.

President Coolidge as head of the Red Cross recently made public through its headquarters in Washington, D. C., the following letter, in connection with the Annual Red Cross Roll Call:

"The American Red Cross has become an intimate part of our National life. Under Unical Charter it is a semi-official agent of the Government, but it belongs nevertheless to the people. It is the instrument of the people in giving expression to lofty, unselfish humanitarianism, the practical idealism, characteristic of this Nation from its humble beginnings.

The American Red Cross has been tested in war and the aftermath of war; in fire, flood and famine, and in the emergencies of peace. It has been proved an indispensable instrument, and has proved an instrument of the alleviation for suffering and the betterment of human life in our own and other lands. We should not rest until we make unmistakably clear our faith in this instrument we have created for rendering service. As individuals it is our duty and privilege to be part of the organization.

Yearly, from Armistice Day to Thanksgiving Day, the American Red Cross invited all the people to enter. Its ranks. It enrols them for service. As President of the United States and as President of the American Red Cross I urge universal acceptance of the invitation to join. The Red Cross needs and deserves your generous support. Let its good works become your good works."

Professor Fisher is in charge of the Roll-Call for the community at Storrs and the town of Mansfield at large. A group of forty men and women are co-operating in giving each and every opportunity to every individual in the town this year the community responded 85 per cent and this year the goal is set for 100 per cent membership.

The student body is asked to take part in the enrollment and student representatives will offer the opportunity to join through the various clubs, fraternities and other organizations. 100 per cent is entitled to a banner, which proclaims in large letters, "We belong 100 per cent."

(Cont. from page 1 col. 3) the hill has ever seen, it is hoped everybody will be out to make it a big success. Just put on your glad rags and follow the crowd to the Rotary.

Hoopity larup, boys! Looks like a whale of a game ahead. Wonder where the old hearse is. We may need it Saturday.

The C. P. is tempted to diverge from his so-called philosophy and sling the "side-line" dope a bit, but he hews to an abler pen than his. Let the sports writer reign!

"Gird thy loins, Achilles O'Neill!" We would thus howl in days of ancient Troy when Hector carried a chip on his shoulder. Now, however, we are wont to scream in the vernacular: "Do your stuff, "Red!"

—CP—

If old Jupé Fluvius does us dirt! Wow!

—CP—

For the first time this year one could not be blamed for dozing in assembly. The C. P., not having anything better to do, grouped facial expressions which met his gaze in the two aisles near him. Out of thirty-five physiognoms, five registered calm resignation, eight looked as if they suffered, seven registered impatient endurance, five registered distant thought, and ten (mostly co-eds) did not register.

The Storrs Navy has responded nobly to the call for subscriptions. Over fifty per cent have already subscribed. We appreciate it immensely.

A girl's a funny thing. She worries and worries about getting a bid to a dance and when that dance is over she begins the same process over again until the next "hoof fiesta". Life to the gay young Holcomb Hall deb is composed chiefly of worrying for a bid. The only happy damsel is the one who can't dance and looks sensible.

(Cont. from page 1, col. 1)

cut has hurled four of its strongest teams against the Kingston eleven; teams that on paper and by all the law of the "dope" should have won each one instead of only two. Last year we came through with a victory that made us feel that the odds were not all against us.

Tomorrow we face our rivals once more. Behind us we have an undefeated season, Rhode Island a string of defeats. Capt. "Red" O'Neill says, we will be there, and so we will. On the strength of all dope we can muster, the team should win tomorrow but we must remember that Rhode Island has a habit of spoiling the dope. She always has a fast, tricky team that plays football every minute. So climb into the stands and root your lungs out for the team. A victory over Rhode Island is the biggest event of the college year.

H. A. E.

Rhody's line on the offense and his deadly tackling ability on the defense. "Red's" shift to a back field position has strengthened the Aggies offense considerably. It has also accounted for the Blue and White's score.

Other seniors who have been playing a strong game for the Aggies and who will play their last game for Connecticut Saturday, are Balock, Swem, Eddy, and "Herb" Eyre. Other seniors who will perhaps get in the fray are McAllister and Thompson.

Balock has been playing a fine game in a half back position and has been the receiver of many forwards. With him will be "Swemmey." "Swemmey",

(Cont. from page 1 col. 4) Mulligan and Capt. Jacoby, who finished first and second respectively, ran exceptionally good races, but the remainder of the Aggie team did not show their true form. Hutton of C. A. C., who finished ninth, did so with a bruised right foot.

At the three-mile mark the men were pretty well bunched, but in the last two miles they began to fall back. Mulligan and Jacoby, however, still led, with the Mass. Aggie boys coming next, and the rest of the Aggies last.

The score:

- Mulligan and Bartlett
- Jacoby and Crooks
- Goodrich and Tobey
- Hutton and Howes
- Mulligan and Smith

Totals: 34-24

Won by Mulligan—C. A. C.
Time—28 min. 19 1-2 sec.
Winning team—M. A. C.

Eddy

Our midget halfback, has caused our opponents much worry, getting away for long runs and receiving many forwards.

Eddy, left tackle, has played a hard game throughout the season and has done the punting for Connecticut. It is expected that Eddy's punting ability will give us an edge on R. I. in that department of the game.

Herb Eyre, guard, has played a wonderful game all fall. His defensive work is of the highest quality and many times he smothered plays before they were started.

CO-ED BASKETBALL
FORECAST IS PROVINCING

FROSH COME OUT

Sophomores Working in for Assistant Managers.—Completed Schedule of Games to be Published.

Slowly but inevitably the winter sports are coming into the limelight. Basketball practice for the girls is now in full swing. That this is going to be a bigger and better year than ever before can easily be seen by the great number turning out for practice.

On the first night twenty-eight girls reported, the greater part of this number being Freshmen. It is reported that there is some real good material in the class.

It has been scheduled that practice take place every Tuesday and Thursday nights from seven to eight. In so far as can be seen at present this arrangement is permanent.

The basketball practices are under the direction of Mr. R. J. Guyer, Physical Director and Irene Ellis, ’26, captain.

Those girls in competition for manager are Flora Kaplan, ’27, and “Ded” Hughes, ’27. The team is under the management of Kay Manchester, ’26, and assistant manager Peggy Hutton, ’26.

Up to the present date the schedule for games to be played is not entirely completed. In the near future, however, this information will be ready for publication.

It is not too late for any girl desiring to go out for practice to do so now regardless of whether or not she has signed up.

CO-ED HOCKEY GAME
FAVORS SOPHOMORES

The Sophomores Co-eds won their first victory in interclass field hockey in a battle with the Seniors on Friday, November 7. The final score was 6-0.

Notwithstanding the fact hat no points were made by the seniors, the game was a hard-fought one from start to finish. The schedule includes several more games which will have to be played before the season for hockey will close.

Show your college colors by wearing a chrysanthemum tied with a blue ribbon, at the game, Saturday.

The Co-eds will be on hand with small white ones for the men, and large white ones for the women, both will be tied with blue ribbon.

The proceeds will go into the co-ed’s fund for better social equipment at Holcomb Hall.

DOLLARS AND SENSE.

The value of a dollar depends not so much upon the cents of which it is composed as upon the sense with which it is invested. Baldwin apples are Baldwin apples, but there is a handsome difference in their quality at different places, even though their price be the same.

The same thing is true of Coats: of course a Coat is a Coat, but there is a great difference in Coats, even at the same price. May we show you the kind of Coats we sell at $25.00 and at $50.00 in order that you may compare their value with others at the same price?
