Total points: 183
Games played: 16
Victories: Rhode Island 8
Connecticut 6, Tie 2

The game tomorrow closes the finest season that any Connecticut team has ever enjoyed. This success has not been due to any one man, but instead is the logical culmination of the efforts of a hard-plugging team, working under an able coach and mentor.

As we watch tomorrow's game, the seventh game of a football series which has been running with occasional lapses for twenty-seven years, let us then feel confident that old "Rhody" will meet the Aggies with the biggest handicap that she has ever bad in any game of this series. For Connecticut is there to duplicate last year's victory.

If we study the above history, we can see at once that "Rhody" has had the edge on us every year since 1904 with the exception, of course, of 1919 and last year. Since 1919 Connecticut has not been able to pay the running expenses of this publication. How about a little action, alumnae?

STUDENT SENATE STATES RULES FOR PIG ROAST

AREA AND TIME LIMIT REDUCED BY STRICT RULES

Annual Classic set for Noon Dec. 3rd to Noon Dec. 5th. Senate to Act as Judge. Roast Must be Accomplished During 48 Hour Period. Both Classes Must be Present at President's Hour Starting Day.

In last week's issue of "The Campus," it was stated that the Pig Roast would be held at usual, but the rules would be somewhat stricter. A glance at the following list drawn up by the Student Senate will show that its members have done their part in carrying out the above policy.

Pig Roast Rules:
1. The Pig Roast shall be held at any time during a period of 48 hours, the dates of which shall be fixed each year by the Student Senate and posted on the bulletin board, together with a copy of these rules, at least 30 days before the beginning of the period.
2. A pig weighing at least 50 pounds (dressed weight—subject to change by Student Senate if entering class is small) shall be provided by the Freshmen. Should the roast be judged a success for the Freshmen, the Sophomore class treasurer shall forfeit to the Freshmen the pig, within thirty days an amount equal to the initial cost of the pig.
3. The affair shall be limited to the male members of the two under classes. There shall be no interference on the part of upperclassmen or others persons connected with the college.
4. The pig shall be roasted over a wood fire in the open air, within 2 miles of the Main Building, as further provided in Rule 5.
5. The pig may be partially roasted beforehand, but to be judged a success it must be roasted over a wood fire for one hour at the designated spot where it is to be eaten, in the presence of at least 50% of the members of the Freshman class, plus the class president; or in his absence, in the presence of a total of 70% of the members of the class.
6. The President of the Student Senate will act as judge, his decision being subject to ratification by the other members of the Senate. He shall be notified in advance when and (Cont. on page 5 col. 1)

STAGE DANCE AFTER RHODE ISLAND GAME

CO-EDS ARRANGING EVENT

Money Raised to be Used for Equipment.

Cinderella Hall—"Cinderella Orchestra" to Furnish Jazz. Mr. and Mrs. Hendrickson, Miss Sprague and Miss Rose to act as Chaperones. It is only suitable that the Rhode Island game should culminate in an affair which everyone may participate. Such an affair will be the dance given by the Co-eds in Hasley Armory by the evening of the game, November 15th. Plans have been completed to make the evening one which will adequately celebrate the hoped-for victory. In order that the whole college may attend, the dance will be entirely informal, to be explicit—a "slag" affair, tax seventy-five cents for men and fifty cents for girls.

If the outlook holds true, everyone, students, faculty, and alumni alike, will be steeped with excitement and out for a good time. What better way is there to celebrate than to have a dance where everyone who attends or ever attended the college may be present? And when the music is going to be snappy, the crowd poppy, and the dance lively, who will want to stay away? The Cinderella Orchestra of Hartford, with Milt Katz as its leader, will supply the music for dancing from eight o'clock to eleven forty-five. Banners, bunting, and palm leaves will be used to decorate the usual drab Armory. Punch will be served during the evening.

The money raised is to go for better social equipment and facilities at Holcomb Hall: something that the entire college will benefit by. Mr. and Mrs. Hendrickson, Miss Sprague, and Miss Rose have been asked to chaperone the dance. As the affair immediately follows the last and biggest game of the season, a game which will be the last one for some of the best football men (Cont. on page 4 col. 4)

HARTFORD COLLEGIANS CRUSHED BY POWERFUL CONNECTICUT MACHINE

WHITESTASH PROVES AGGIE STRENGTH

Captain O'Neil Leads Scoring With Three Touchdowns.—Merchant, Trinity Fallback, Breaks Leg.—Aggie Defense Spells Downfall for Blue and Gold.—Connecticut Outsiders Rivals.

Connecticut won its fifth game of the season and its third consecutive victory over Trinity last Saturday when the fighting Aggie team smothered the Hartford collegians under a 26 to 0 score. Trinity was unable to gain through the Connecticut line and her backs were thrown for losses time after time. The Blue and Gold defense was no match for the Aggie team and the Connecticut backs ripped through for consistent first downs.

Captain "Red" O'Neil was responsible for three of the four touchdowns. In the second period after the Aggies had passed and plunged their way to the Trinity five yard line, "Red" smashed through center for the first touchdown. His next two scores came in the third period when he again plunged his way over the Hilltoppers' goal line. A few minutes later O'Neil got down under "Cheese" Eddy's sixty yard punt and scooped the oval up after Riley had fumbled and placed it over the line for the third touchdown. "Petey" Balock carried the ball over for the fourth touchdown when he caught a pass from "Billy" Schofield in the final period. At no time during the game did the Becker coached team threaten.

Nanfeldt kicked off to Trinity. McKniff received the ball on his five yard line and running it back five yards before he was downed. Trinity failed to gain and Terrell putted to Moreland who brought the ball to the forty yard. In a series of line plunges Connecticut brought the pigskin to the fifteen yard line where "Cheese" was called back to stop kick. Terrell broke through and blocked the kick which was recovered by "Carlos" Brink. For the only time during the game Trinity was able to hold the Aggies and the ball was lost on downs.

The Hartford team failed to advance and Terrell putted to Schofield. Balock made fifteen yards on a pass from Schofield. Line plunges by "Cooky" Reeves and "Red" O'Neil put the ball on the five yard line. On the next play O'Neil took the ball over. "Cheese" missed the try for the extra point.

Trinity received a tough break when "Bill" Merchant broke his leg. It looked as if Harry McKniff were playing for us again when the Aggies chased him back about ten yards. The Trinity line was no match for the "Fighting Aggies."

With the wind to hold him "Cheese" booted the oval for considerable yardage. Coach Dole used nearly every man on the squad.

As in each previous game Connecticut played a much better game in the second half.

(Cont. on page 5 col. 1)

ON THE SIDELINES

The team did Trinity right for the third successive time.

Reports have it that Trinity is not anxious to play Connecticut on the gridiron next fall. We wonder why?

Connecticut not only outplayed Trinity, but also outcheered them. Nearly the whole college was in to see the "Hilltoppers" walloped.

There were eeries from the Trinity side to "stop that Red-head." The "Red-head" made three touchdowns and the entire Trinity team couldn't stop him.

RHODE ISLAND AND MASS. AGGIES HUMBLED

Willy High only Team to Score.—Second Undefeated Season for Coach Alexander.—Frosh Score 137 Points to Their Opponents 7.

Saturday at Kingston R. I., the Aggie frosh eleven won their fifth straight game by whitewashing the Rhody yearlings 29 to 0. It was a hard fought contest, but the superior teamwork and fighting spirit of the Aggies outclassed Rhody from the start. Three touchdowns were made. Two as the result of passes to Heller and Even, and the other on a recovery of a fumble by Hayes. The poor condition of the field and the tendency of the Rhody players to resort to unnecessary roughness undoubtedly prevented the Aggies from further scoring.

Williams was a consistent ground gainer, and Eddy's forward passing was of high order.

On Wednesday, Alexander's chargers went to Amherst and administered a 19 to 0 drubbing to the Mass. Aggie seconds for their last and sixth victory of the season. The first half of the game was an evenly matched affair, but in the second half, the Aggie offense opened up and put the skids under the Massachusetts farmers. Williams, the stellar fullback of the frosh made two touchdowns, and Captain Logan made the other on a pretty recovery of a fumble.

The frosh scored 137 points to their opponents 7. Wilby was the only team to score.

Trinity gave the Aggie roosters the chance to give her Frosh the once over. We'll say that our Frosh look better.

"Rabbit" Filmer threw a jump into the Trinity supporters when he ran through nearly the whole Trinity team after catching one of Terrell's punts.

The Freshmen started the ball rolling when they whitewashed the "Rhody" yearlings at Kingston.

"Louie's" team has been going at a great pace and should come through the season clean.

The powers have ruled against a game with Middletown and the curtain falls on Aggie football this Saturday when the big game with Rhode Island is played on Gardner Dow Field.

Watch for a hard game Saturday.

Everybody follows the band in the big parade before the game. After the game——?

BEAT RHODE ISLAND!!!
CAPT. M. L. O'NEILL

The second half opened with Nanfeldt kicking to Sampers. Trinity was forced to punt after her backs had been forced back about ten yards by the on-rushing Aggies. Connecticut worked the ball to the Trinity twenty yard line where "Cheese" attempted a placement kick, but missed and the ball rolled a few feet where Noble fell on it. Trinity then tried her last resort, an aerial attack, but her attempts were smeared when Schofield intercepted a forward and ran the ball back ten yards. "Swemmy" made twenty yards on a pass from "Schof." In four line plunges Connecticut scored again, O'Neill carrying the ball. Trinity kicked off to Schofield who ran the ball back fifteen yards. Eddy punted for sixty yards, the ball going to Riley who fumbled. The Aggie captain was down with the ball to meet Riley, and when the Trinity back juggled the oval "Red" picked it up and placed it behind the line for the third touchdown. "Cheese" made good his try for the extra point.

Eddy punt ed for sixty yards, the ball going to Riley who fumbled. The Aggie captain was down with the ball to meet Riley, and when the Trinity back juggled the oval "Red" picked it up and placed it behind the line for the third touchdown. "Cheese" made good his try for the extra point.

Trinity kicked off to Balock. Connecticut gained twenty-five yards and then lost the ball when McNally intercepted a pass. The Hilltoppers attempted to gain by launching an aerial attack which was cut short when "Rabbie" Flimmer intercepted one of Sampers passes. The Aggies made it first down on line plunges and Balock scored the fourth touchdown when he pulled a pass from Schofield and took it across the line. Eddy's kick brought the score to 20-0.

Despite the score the game was hard fought, the Blue and Gold team fighting its hardest to keep down the Aggie score, while Coach Dole's team was out to give the Hartford collegians a severe drubbing as possible. Several injuries were suffered none of which were severe except that sustained by "Bill" Merchant, Trinity's fullback, who received a broken leg in the first quarter. "Swemmy" was taken from the game in a dazed condition in the third period when three Trinity tacklers landed on him.

Captain O'Neill, playing his last game against Trinity, played a stellar game and was the outstanding player of either team. Schofield and Moreland were there at quarter, Bitgood and Nanfeldt played a great game at guard. For Trinity Captain Terrell and Noble were the outstanding players.

WAIT FOR THE SENIORS

All members of the lower classes are not strictly adhering to the old and well-established custom of allowing the seniors to walk out of their seats first at assembly.

All lower classmen are requested to wait for Seniors and then file out in the order of classes as originally intended.

THE PIG ROAST

The Pig Roast is a Connecticut tradition which will soon take the center of the "Azgaye" stage. Criticism has been showered on the affair but it will still take place in the old manner plus a few changes made by the Student Senate which were deemed advisable.

By determining the exact time within four or eight hours the Student Senate hopes that the contest will be one round of spirited happenings. There is every reason to predict that the bands of opposing forces will make the old Mansfield hills ring with their battle cries.

The Pig Roast offers a splendid opportunity for strategy, tactics, and individual exploits; as well as far showing up such qualities as courage, co-operation, and class spirit. Another point, which has been stressed before, concerns the friendships which the contest encourages and promotes. No man will ever forget the companions with whom he crowded in the shadows of some Mansfield vale awaiting the approach of a rival detachment; or will time ever erase the strong kindred feeling which arises between two men after an exchange of a few hearty huffets. Dozens of big and little incidents of the Pig Roast can combine to make up one of the most memorable pages in the diary of any soph or freshman.

In order to insure success, the two conflicting classes should get into the real spirit of the affair. It should be conducted in the manner of a great and momentous enterprise. All plans, maneuvers, and attacks, should be carefully worked out. Ruses, spy systems, terrain studies, choice of leaders of real ability and all similar matters, should be threshed out long before the period begins. It is well to remember that the Pig Roast is more a battle of wits than a battle of brawn.

No rivalities should be conducted on anything but a sportsmanlike basis. The feeling should always be tempered with judgment but, on the other hand, we never have a good football game with a half-hearted team. The enthusiasm should be at a fever height and the vision of the "grand prize" roaded or not roaded, should be before the eyes of the two classes as if their very life depended on the issue.

Only with whole-hearted enthusiasm and ardent co-operation of the two classes involved, can the Pig Roast tradition add to that thing the football team is striving so valiantly to promote—COLLEGE SPIRIT.

THE FLYING APPLE

There has been no fall sport more enthusiastically supported, it seems, than the throwing of apples through dormitory windows. When a man happens to stick his head out of a window it is too often a signal for a barrage of flying apples.

There is not only the expense involved, and we all need to economize these days, but the time and labor of the works department could be better placed on other needed repairs. There are two remedies which we present: (1) A removal of all apple trees in the vicinity of Storrs and Koons or (2) A strong feeling on the part of the Student Body against this thoughtless and unnecessary pastime. We strongly urge the latter measure.

OCCUPATIONS OF ALUMNI AND FORMER STUDENTS

The directory of the Alumni contains the names of 2,172 male students and 365 women a total of 2,538. Occupations of 1,054 male students are given, of which 660 to 68% are listed Agriculture, and 385 or 37% non-agriculture.

Of the total number of male students, 90 or 4.5% are deceased, 1912 or 47% failed to respond to letters requesting information regarding occupation. From 1912-1923, the college granted 271 male students of whom 229 or 82% are engaged in Agricultural occupations.

DR. LANDAUER OCCUPIES NEW FELLOWSHIP

Assisting Dr. Dunn in Genetic Research Work.

Dr. Walter Landauer has come to Connecticut from Heidelberg Germany to occupy the new fellowship which was established in the Experiment Station by Mr. Slate. Dr. Landauer graduated at Karlsruhe in 1914, and from 1914 to 1917 he was with the German Red Cross in Russia and Austria. From 1917 to 1918 he was stationed at the central office of the Red Cross at Karlsruhe where he was concerned with the organization of finances. He graduated from the University of Heidelberg in 1921 and remained there until 1924 as assistant in Zoology. He also studied one semester at the University of Frankfurt.

Dr. Landauer has done considerable research work on marine animals, and he has published several papers on the poisonous chemical agents on the early development of hybrid animals.

At present he is working under Dr. Dunn on the anatomy of rough-chested chickens and studying the anatomical and experimental aspects of the genetic variations in fowls.

DR. SINNOTT TO ADDRESS AG CLUB

Slides to Add Interest.—Lecture Given With Success in Various Parts of Country.—Last Entertainment Before Ag Club Fair.

"Botanizing in Australia" is the subject of a science lecture to be given by Dr. Sinnott on Thursday night, Nov. 29. Dr. Sinnott spent a year studying and collecting botanical specimens in Australia and New Zealand and in connection with that work he has a set of slides which he will show during the lecture.

This lecture has been given with success in various parts of the country and is of interest not only to botanists, but to students in every branch of learning as well. It is to be given under the auspices of the Ag Club and will be the last program they will offer until after the Ag Club Fair on Dec. 12 and 13th.

"Enter the Hero," the play given by the third group of Froshmen co-eds was enacted at Holmes Hall, Monday night, Nov. 5. One end of the large reception room was very artistically arranged as an informal living room, thus forming the stage. The women faculty and the girls made up the audience. The cast was announced as Henrietta Castle ....... Ann Carey Lillian Ainsley ........ Sophy Huhhey ........ Ruth, Ann's sister Ethal Monrad .......... Mrs. Carey George Wa,rek

The next play by the third group with Jane Rankin, Chairman, will be given sometime within the next two weeks.

PROF. FISHER HEADS RED CROSS ENROLLMENT

Student Body Asked to Respond 100 Per Cent.—President Coolidge Makes Letter Public.—Armistice Day Opens Drive.

President Coolidge as head of the Red Cross recently made public through its headquarters in Washington, D. C., the following letter, in connection with the Annual Red Cross Roll Call:

"The American Red Cross has become an intimate part of our National life. Our Charter it is a semi-official agent of the Government, but it belongs nevertheless to the people. It is the instrument of the people in giving expression to lofty, unselfish humanitarianism, the practical idealism, characteristic of this Nation from its humble beginnings.

The American Red Cross has been tested in war and the aftermath of war; in fire, flood and famine, and in the emergencies of peace. It has been proved an indispensable instrument proved absolutely a veritable instrument for the alleviation of suffering and the betterment of human life in our own and other lands.

We should not take it for granted that a good work becomes automatically a good work.

Professor Fisher is in charge of the Roll-Call for the community at Storrs and the town of Mansfield at large. A group of forty men and women are co-operating in giving each and every student a real picture of the work of the Red Cross and the year the community responded 85 per cent and this year the goal is set for 100 per cent membership.

The student body is asked to take part in the enrollment and student representatives will offer the opportunity to join through the various clubs, fraternities and other organizations. Each one who gives his 100 per cent is entitled to a banner, which proclaims in large letters, "We belong 100 per cent."

For the first time this year one could not be blamed for dozing in assembly. The C. P., not having anything better to do, grouped facial expressions which met his gaze in the two aisles near him. Out of thirty-five physiognosies, five registered calm resignation, eight looked as if they suffered, seven register impatient endurance, five registered distant thought, and ten (mostly co-eds) did not register.

eat has hurled four of its strongest teams against the Kingston eleven; teams that on paper and by all the law the "dope" should have won each one instead of only two. Last year we came through with a victory that made us feel that the odds were not all against us.

Tomorrow we face our rivals once more. Behind us we have an undefeated season, Rhode Island a string of defeats. Capt. "Red" O'Neill says, we will be there, and so we will. On the strength of all dope we can muster, the team should win tomorrow but we must remember that Rhode Island has a habit of spoiling the dope. She always has a fast, tricky team that plays football every minute. So climb into the stands and root your lungs out for the team. A victory over Rhode Island is the biggest event of the college year.

MULLIGAN TAKES FIRST
Team Loses to Visitors in Last Half of Race.—New Course Used for Meet.—Capt. Jacoby Finishes in Second Place.

With victory seemingly in their grasp as they passed the half way mark, the Aggie cross-country team lost their only home meet of the season to the strong Mass. Aggie team last Saturday, 24-34. The intensive training of the week, and the hard race against Wesleyan on the previous Saturday, showed their marks on Coach Daly’s men, in the manner in which they weakened during the last stages of the race.

“Pit” Mulligan and Capt. Jacoby, who finished first and second respectively, ran exceptionally good races, but the remainder of the Aggie team did not show their true form. Hutton of C. A. C., who finished ninth, did so with a bruised right foot.

At the three-mile mark the men were pretty well bunched, but in the last two miles they began to fall back. Mulligan and Jacoby, however, still led, with the Mass. Aggie boys coming next, and the rest of the Aggies last.

The score:

C. A. C. M. A. C.
Jacoby (Capt.) 2 Slower 3
Goodrich 9 Nottabaert 4
Hutton — 10 Wheeler —
Mulligan 1 Bartlett 5

Rhody’s line on the offense and his deadly tackling ability on the defense. “Red’s” shift to a back field position has strengthened the Aggies offense considerably. It has also accounted for the Blue and White’s score.

Other seniors who have been playing a strong game for the Aggies and who will play their last game for Connecticut Saturday, are Balock, Swem, Eddy, and “Herb” Eyre. Other seniors who will perhaps get in the fray are McAllister and Thompson.

Balock has been playing a fine game in a half back position and has been the receiver of many forwards. With him will be “Sweeney.” “Sweeney”

Eddy

our midget halfback, has caused our opponents much worry, getting away for long runs and receiving many forwards.

Eddy, left tackle, has played a hard game throughout the season and has done the punting for Connecticut. It is expected that Eddy’s punting ability will give us an edge on R. I. in that department of the game.

Herb Eyre, guard, has played a wonderful game all fall. His defensive work is of the highest quality and many times he snarled plays before they were started.

Truthful Waiter—Don’t know sir, I’ve only been here two weeks.

Alumni and football team to banquet in college dining hall at 5 o’clock, Saturday, after the Rhode Island game. All students are invited to be present at six o’clock to listen to the addresses which will be delivered at that time by President Beach, Mr. G. H. Hollister, President of the Alumni Association, Mr. Allen Manchester, Mr. George H. Lamson, Coach Dole, and “Red” O’Neill.

Rhody’s line on the offense and his deadly tackling ability on the defense. “Red’s” shift to a back field position has strengthened the Aggies offense considerably. It has also accounted for the Blue and White’s score.

Other seniors who have been playing a strong game for the Aggies and who will play their last game for Connecticut Saturday, are Balock, Swem, Eddy, and “Herb” Eyre. Other seniors who will perhaps get in the fray are McAllister and Thompson.

Balock has been playing a fine game in a half back position and has been the receiver of many forwards. With him will be “Sweeney.” “Sweeney”,

Eddy

our midget halfback, has caused our opponents much worry, getting away for long runs and receiving many forwards.

Eddy, left tackle, has played a hard game throughout the season and has done the punting for Connecticut. It is expected that Eddy’s punting ability will give us an edge on R. I. in that department of the game.

Herb Eyre, guard, has played a wonderful game all fall. His defensive work is of the highest quality and many times he snarled plays before they were started.

to name the specifications which he believes an ideal protein concentrate for dairy rations should have. Then see how nearly his reply fits in with these:

- 43% Protein
- 2% Fat
- 2% Fibre
- 43% Carbohydrates
- 1680 lbs. digestible nutrients per ton, or 84%.

Those are the actual specifications, as shown by 15 samples analyzed at Massachusetts Agricultural Experiment Station, of Diamond Corn Gluten Meal, a protein concentrate as near the ideal as it is possible to make.

CO-ED BASKETBALL FORECAST IS PROVINCING

FROSH COME OUT

Sophomores Working in for Assistant Managers.—Completed Schedule of Games to be Published.

Slowly but inevitably the winter sports are coming into the limelight. Basketball practice for the girls is now in full swing. That this is going to be a bigger and better year than ever before can easily be seen by the great number turning out for practice.

On the first night twenty-eight girls reported, the greater part of this number turning out for practice.

Of the six tennis games scheduled, five have been played, with the results that the Sophs have won a game from each of the other three classes. The Juniors won from the Seniors, and the Seniors from the Freshmen. A Junior-Freshmen game will be played this week.

The girls who play for the various classes are as follows: Pauline Graf for the Seniors; Helen Grant for Juniors; Flora Kaplan for Sophs, and Madelyn Wheeler and Lillian Ainsley for the Freshmen.

CO-ED HOCKEY GAME FAVORS SOPHOMORES

The Sophomores Co-eds won their first victory in interclass field hockey in a battle with the Seniors on Friday, November 7. The final score was 6-0.

Notwithstanding the fact that no points were made by the seniors, the game was a hard-fought one from start to finish. The schedule includes several more games which will have to be played before the season for hockey will close.

Show your college colors by wearing a chrysanthemum tied with a blue ribbon, at the game, Saturday.

The Co-eds will be on hand with small white ones for the men, and large white ones for the women, both will be tied with blue ribbon.

The proceeds will go into the co-ed's fund for better social equipment at Holcomb Hall.

DOLLARS AND SENSE.

The value of a dollar depends not so much upon the cents of which it is composed as upon the sense with which it is invested. Baldwin apples are Baldwin apples, but there is a handsome difference in their quality at different places, even though their price be the same.

The same thing is true of Coats: of course a Coat is a Coat, but there is a great difference in Coats, even at the same price.

May we show you the kind of Coats we sell at $25.00 and at $50.00 in order that you may compare their value with others at the same prices?
