THE FINAL GAME OF SEASON WILL BE PLAYED IN HAWLEY ARMYORY TONIGHT

FOOTBALL HOP HOLDS CENTER OF AGGIE STAGE

Worthington-Hill Orchestra of Hartford Furnishes Music.—Paul McCarron and Miss Elizabeth Service Lead Grand March.—Program of Sixteen Regular and Two Extra Dances.—Five Moonlight.—Hawley Armyory Being Rejuvenated.

The phenomenal success of our football season will be fittingly celebrated tonight at a Football Hop, the first formal dance of the season. The hard unyielding surface of Gardner Dow field will be forgotten and head-gears, shoulder pads and other paraphernalia will be laid aside when the Aggy dons his "Tux" and steps out to strut his stuff on the polished floor of Hawley Armyory.

When the doors open, Paul J. McCarron, chairman of the Hop committee, said "Everyone agrees that we've had the most successful football season in the history of the college, and after Friday night everyone will agree that the 1924 Football Hop was as successful as our team on the gridiron."

The Worthington-Hills orchestra, that renowned team of syncopators from Hartford, has with much difficulty been secured to furnish the music. From eight to eight-thirty o'clock they will render a concert. Promptly at eight-thirty, the Grand March will start. Paul McCarron, with Elizabeth C. Service of Norwich, will lead the faultlessly attired escorts, with their partners around the Armyory to the receiving line, where they will be welcomed by President Charles Lewis Beach, Mr. and Mrs. Summer A. Dole, Mr. and Mrs. Allen W. Manchester, Mr. and Mrs. Roy J. Goyer, Mr. and Mrs. Louis A. Alexander, and Stephen Daly.

At nine o'clock the dancing will start and continue until two a.m. A program of sixteen regular and two extra dances has been arranged. In the program are interspersed five moon-light dances, when the lights will be dimmed and the shimmering rays of the harvest moon will steal over the throng of graceful dancers and lend enchantment to the final game of the season—the toughest game of all.

Captain O’Neill Leads Scoring With Three Touchdowns.—Merchant, Trinity

Captain O’Neill Leads Scoring With Three Touchdowns.—Merchant, Trinity Fullback, Breaks Leg.—Aggie Defense Spells Downfall for Blue and Gold.—Connecticut Outcheers Rivals.

Connecticut won its fifth game of the season and its third consecutive victory over Trinity last Saturday when the fighting Aggie team smothered the Hartford collegians under a 26 to 0 score. Trinity was unable to gain through the Connecticut line and her backs were thrown for losses time after time. The Blue and Gold defense was no match for the Aggie team and the Connecticut backs ripped through for consistent first downs. Captain "Red" O’Neill was responsible for three of the four touchdowns. In the second period after the Aggies had passed and plunged their way to the Trinity five yard line, "Red" smashed through center for the first touch down. His next two scores came in the third period when he again plunged his way over the Hilltoppers goal line. A few minutes later O’Neill got down under “Cheese” Eddy’s sixty yard punt and scooped the oval up after Riley had fumbled and placed it over the line for the third touchdown. "Petey" Balock carried the ball over for the fourth touchdown when he caught a pass from "Billy" Schofield in the final period. At no time during the game did the Becker coached team threaten to score.

Failed kicked off to Trinity, McNiff received the ball on his five yard line and running it back five yards before he was downed. Trinity failed to gain and Terrell punted to Moreland who brought the ball to the forty yard. In a series of line plunges Connecticut brought the pigskin to the fifteen yard line where "Cheese" was called back to drop kick. Terrell broke through and blocked the kick which was recovered by "Carlos" Brink. For the only time during the game Trinity was able to hold the Aggies and the ball was lost on downs. The Hartford team failed to advance and Terrell punted to Schofield. Block made fifteen yards on a pass from Schofield. Line plunges by "Cooky" Reeves and "Red" O’Neill put the ball on the five yard line. On the next play O’Neill took the ball over. "Cheese" missed the try for the extra point.

Rhody’s” brightest spot was her punting, but even that was not on par with the great exhibition of booting given by "Cheese" Eddy.

It is seldom that in small college football player punts the oval from one end of the field to the other. Eddy’s punt of seventy-five yards, with an additional roll of twenty-five yards, was the best seen on Gardner Dow field in many a moon.

Playing his last college football game, “Red” O’Neill put up a great battle and was a source of much trouble to the invaders of Storrs.

Fate dealt “Sweezy” a hard blow at the start of the game. It sure is a tough break to be injured in the first play of your last game, especially so when that game is against Rhode Island.

Rhode Island and Mass. Aggies Humbled

Willy High only Team to Score.—Second Undefeated Season for Coach Alexander.—Fresh Scored 137 Points to Their Opponents 7.

Saturday at Kingston R. l., the Aggie fresh eleven won their fifth straight game by whitewashing the Rhody yearlings 20 to 0. It was a hard fought contest, but the superior teamwork and fighting spirit of the Aggies outclassed Rhody from the start. Three touchdowns were made. Two as the result of passes to Heller and Even, and the other on a recovery of a fumble by Hayes. The poor condition of the field and the tendency of the Rhody players to resort to unnecessary roughness undoubtedly prevented the Aggies from further scoring. Williams was a consistent ground gainer, and Eddy’s forward passing was of high order.

On Wednesday, Alexander’s charges went to Amherst and administered a 19 to 0 drubbing to the Mass. Aggie second team for their last and sixth victory of the season. The first half of the game was an evenly matched affair, but in the second half, the Aggie offense opened up and put the skids under the Massachusetts farmers. Williams, the stellar fullback of the frosh made two touchdowns, and Captain Logan made the other on a pretty recovery of a fumble.

The fresh scored 137 points to their opponents 7. Willy was the only team to score.

Nigger, did yuh come by dat derby honestly? I come to it honestly, but das all.

If two can sleep alone, why can’t one sleep together.
ing its hardest to keep down the Aggie score, while Coach O'Day's team was out to give the Hartford collegians as severe a drubbing as possible. Several injuries were suffered none of which

CAPT. M. L. O'NEILL

The second half opened with Nanfeldt kicking to Sampers. Trinity was forced to punt after her backs had been forced back about ten yards by the on-rushing Aggies. Connecticut worked the ball to the Trinity twenty-yard line where "Cheese" attempted a placement kick, but missed and the ball rolled a few feet where Noble fell on it. Trinity then tried her last resort, an aerial attack, but her attempts were smeared when Schofield intercepted a forward and ran the ball back ten yards. "Swemy" made twenty yards on a pass from "Schof." In four line plunges Connecticut scored again, O'Neill carrying the ball. Trinity kicked off to Schofield.

were severe except that sustained by "Bill" Merchant, Trinity's fullback, who received a broken leg in the first quarter. "Swemy" was taken from the game in a dazed condition in the third period when three Trinity tacklers landed on him.

Captain O'Neill, playing his last game against Trinity, played a stellar game and was the outstanding player of either team. Schofield and Moreland were there at quarter, Bitgood and Nanfeldt played a great game at guard. For Trinity Captain Terrell and Noble were the outstanding players.

TO THE FORMER AGGIE FOOTBALL PLAYERS WHO WATCHED
THE 1924 VARSITY BEAT RHODE ISLAND SATURDAY

They're out there hitting the line today,
The fellows you used to be;
Playing the game in their restless way,
Earning a white felt "C",
They're knitting the line and cutting through,
Finding a hole as good plunders do,
With never a thought of such as you,
Who used to force the play.

So here's to the man you used to be,
Before the years took toll—
Now, you face, in a bigger game,
A sterner guarded goal.
But you'll never find in the later years—
Beset by doubts and hopes and fears,
Laughing while others give way to tears—
The cheers that used to roll.

Here's a toast to the man you used to be,
Before the years took toll,
When you played the game for an Aggie "C"
And surged to Rhody's goal!

THE 1921 FOOTBALL SEASON

No editorial can add much to the just praise already heaped on our undefeated team. At best, we can but faintly echo the written word, the inspiration of the grandstand, and that which is clear to every loyal Connecticut man and woman. The sports writer has handled the technical commendations that are left for us to sum up only the bigger things which the football team has accomplished.

From the standpoint of athletics, there can be no question but what we have created a bit of a sensation in New England. In the annals of the New England Conference, we will go down, not only as having an undefeated team but one exceptionally well-schooled in the highest type of sportsmanship. Our athletics, therefore, have gained a prominent place and have achieved for us something besides exaltation.

From the publicity, which has been running in the various newspapers of Connecticut and the adjacent states, we have obtained a lot of much-needed advertising. Comparatively few people know just what kind of a college exists here at Storrs. We have a number of excellent merits but only a few, like the egg-laying contest and poultry in general, have come before the public to any great extent. In the past too it has been hard to get any real publicity about our college for its present good and future development. Through the substantial publicity given the college, people have become interested; they will ask questions, and, ultimately, they will find out who we are and what we need.

Where has the team accomplished? It has added much to the college spirit, that much-talked about and important element in our college life. It has helped to foster a stronger bond between students, a healthier co-operation, and a livelier interest in college activities. The spirit which the team exemplified on the gridiron has been imbibed by the Student Body.

But we have mentioned, adequately to be sure, some things which the team has done, what are not on the surface. Brawn, dent; or in his absence, in the presence of a half-hearted team. The enthusiasm should be at a fever heat and the vision of the "grand prix," roasted or not roasted, should be before the eyes of the two classes as if a part of character with fight. His goal was a far nobler one than the production of a winning outfit, because he instilled in his men the essential qualities which make for victory in any phase of human endeavor, it is not surprising that he came through with such a successful season.

It is difficult here to work a sufficient eulogy of our espair, "Red" O'Neill. He has been a natural leader and a mighty factor in many a one-sided contest and we would not have taken without taking away any credit from our team-mates. The names of these team-mates, their captains, and their coach, should be inscribed in the book of our memory, if nowhere else, never to be erased and remembered as the actors in some of the most vivid events of our college days.

THE PIG ROAST

The Pig Roast is a Connecticut tradition which will soon take the center of the "Aggy-eze" stage. Criticism has been showered on the affair but it will still take place in the old manner plus a few changes made by the Student Senate which were deemed advisable. By concentrating the excitement within forty-eight hours, the Student Senate hopes that the contest will be one round of spirited happenings. There is every reason to presume that the hands of the forceful forces will make the old Mansfield hills ring with their battle cries.

The Pig Roast offers a splendid opportunity for strategy, tactics, and individual exploits; as well as for showing up such qualities as courage, cooperation, and class spirit. Another point, which has been stressed before, concerns the friendships which the contest encourages and promotes. No man will ever forget the companionship with whom he crouched in the boughs of some Mansfield hillside watching the approach of a rival detachment; or will time ever erase the strong kindred feeling which arises between two men and opposing forces of a few healthy buffets. Dozens of big and little incidents of the Pig Roast can combine to make up one of the most memorable aspects of the diary of any soph or freshman.

In order to prevent further complications due to the interference or overlapping of one meeting with another, the Student Senate has worked out a schedule for weekly meetings of the organizations on the hill. This is presented herewith and each organization is asked to adhere to it. If there is any interference the Senate should know about it immediately.

Senators are requested to wait for seniors and then file out in the order of classes as originally intended.

Meetings Arranged to Prevent Conflicts.

In order to prevent further complications due to the interference or overlapping of one meeting with another, the Student Senate has worked out a schedule for weekly meetings of the organizations on the hill. This is presented herewith and each organization is asked to adhere to it. If there is any interference the Senate should know about it immediately.

(cont. from page 1, col. 2)

It is to be stated in the presence of at least 50% of the members of the Freshman class, plus the class president; or in his absence, in the presence of a total of 70% of the members of the class.

6. The President of the Student Senate will act as judge, his decision being subject to ratification by the other members of the Senate. He shall be notified in advance when and where the roast is to take place and also as to the identity of the Freshman class.

7. No member of either class shall be held in confinement by the other class for more than five consecutive hours, nor shall any man be held by the other class more than once. If any sophomore is held in violation of these rules the roast shall be judged a failure, and any Freshman held in violation shall be counted present at the affair, whether he succeeded in attending or not. No student may be taken outside of the two mile radius.

9. The Freshmen must secure the consent of the owner of the land upon which the roast is held.

10. All damage to property will be paid for by the class whose members are responsible therefor.

1. The use of motor vehicles by either class is prohibited.

12. The carrying of weapons of any sort is prohibited.

13. All Freshman rules are suspended during the period of the pig roast.

14. No removal of clothing from members of either class is permitted.

15. A Freshman shall be counted as present once for each additional five hours he is held over the first five hours.

16. All members of the Freshman and Sophomore classes MUST BE in the Pig Roast Hour. December 3, 1924 in order to be eligible to participate in the pig roast.

17. All questions which may arise regarding any interpretation of these rules will be decided by the Student Senate.

Two small boys, says the "Argonaut," one halted before a brass plate fixed on the front of a house whereupon was inscribed in bold letters the word Chiropodist.

"Chiropodist?" remarked one of them perplexed. "What's that?"

"Why," replied his companion, "a chiroprapist is a chap who teaches a canaries to whistle."

YEARLINGS MAKE IT AN UNDEFEATED SEASON

Only One Team Able to Score—Victory is in Sight for Varsity Next Year.—Coach Alexander's Second Undefeated Season.

The freshman eleven wound up its season Wednesday by trouncing the Mass. Aggie Two Year men 19-0. Another undefeated freshman team breathes a truce with the forward varsity, and Coach Alexander deserves much credit for his faithful and untiring efforts in producing such a powerful and successful team.

The first game of the season was with Norwich Free Academy. The Aggie fash had little trouble in taking a 31 to 0 decision. Frequent fumbling marred an exhibition of good football on the part of both teams. The next game was with the much touted W new high school team, and although they did not score a touchdown against us the score at the end of the game stood 39 to 7 in our favor. The third game was with a Porter school team. The first half of this game of this season was an evenly matched affair, but in the second half, the Aggies backed up and scored five touchdowns for a 34-0 victory. The next victim on the schedule was the Trinity '38 team, which was likewise subjected to a whitewashing 38-0.

The fifth game was with the Springfield College yarning team, and while our varsity was doing baile wet, the Springfield varsity Orr yarning team was scored against us over the Springfield fros. The won- derful defensive play of the Springfield team held us to two touchdowns; we held them scoreless.

The next game was played with our arch rivals, Rhode Island, who showed plenty of fight but were helpless against the smashing attack presented to them. The poor defense of the field prevented the Aggie fash from scoring more than three touchdowns, so the final score was 20-0.

The next game to be beaten was the Mass. Aggie seconds. The score was 19-0. Fair enough!

On the freshman team there are several prospects as varsity candi- dates next year. Eddy and Williams are a backfield combination hard to beat, and are sure to give the varsity backs a run for their money next September. Eddy is a triple threat man, and kick to a high degree of perfection. Williams is a man feared for his line plugging and deadly tackling. Captain Logan, Wilkinson, Wilbur, Dur- ham and Rogen were the ones who opened the holes for the Aggie backs, and who smeared their opponent's plays time after time. Bligh and Sullivan alternated at quarter- back and each showed good judgment at critical times. Evins and Heller always seemed to get their men and their passes were accurate pass- es. Hayes at center played a consistent game and was a world of strength on the defense. Merricks and Downes were forced to quit the game because of injuries received. Havestar, Berg-...
Wherefore, having lit a Lucky in October: in a hurry—met me, and suggested one?—But 'luck perished, which is an in the halcyon day (they seem like that already) don the cap and bells and strut their stuff again.

I protested, contending that I was earning my living in the newspaper disease (it's a lifelong malady once it grips you) and therefore could not have nothing to write that would possibly interest the public.—How's that one?—But Tuck persisted, which is an affliction he's noted for, and after extolling the praise that he'd get such boys as Lew Richardson, Matty (king of them all), Brub Dow, and other subtle wits to take a shot at the proposition, I caved in.—CP—

Wherefore, having lit a Lucky hitched up my chair in The Morning Record Sanetum in the borough of Wallingford, and made a mental vow not to hit the co-eds (as I used to be wont to do) in this return to the old Philosopher's column, I started in. Or rather, I'm trying to start. What'll be the best approach? Now, let's see—have we to keep our eye on the faculty, student affairs committee, and the co-eds, and the dining hall, lest we offend.—CP—

Well here's one that ought to bring down the house. When I was pounding pavements for The Sentinel in Stamford last spring, Richardson sprung one in the Philosopher's column, that, to my mind, hit the beating heart of it. It was to this effect:

"Love, like forms of intoxication, leaves a terrible hangover."

Be yourself, upperclassmen, who remember a certain episode last January; the writer means nothing personal.—CP—

It just occurs to me that I've been using the personal "I" rather than the impersonal and editorial "we" in this epistle. Well, I intend to sign it anyway, so what difference does it make?—CP—

The finest headline of the year appeared in The Hartford Courant late in October:

"STORIS SMASHES INTO FOOTBALL '40' CLASS."—CP—

And when Heywood Broun revamped the sacred Rutgers utterance into, "I'd die for dear old Connecticut State College of Agriculture," I hailed his "It Seems to Me" column in The World as the most enlightened writing appearing in the prints.—CP—

This parody on one of Edna St. Vincent Millay's sonnets has the frankness, the beautiful language—in fact, everything but the rhythm and rhyme of Miss Millay's, "What lips my lips have kissed." It is undoubt-
end for 15 yds. more. A forward to Balock netted 8 yds. Connecticut was then held on downs, however, and R. I. again punted out of danger. Eddy again punted and when R. I. tried to return it, Fienneman, the blue and white star end, blocked the punt, and a Connecticut man fell on the ball on Rhode Island's 10 yd. line. A pass to Balock netted the Aggies their first touchdown, Eddy kicking the goal.

Rhode Island worked an onside kick on the next kick off getting the ball on Connecticut's 30 yd. line. A forward pass by the visitors was intercepted, the Nutmeggers immediately punting out of danger. Rhody returned the punt to Moreland. In the next play Reeves went through center for 20 yds. Eddy, the stalwart tackle, then kicked a field goal, the oval cutting the breeze for some 35 yards.

On the next kick off Connecticut recovered an onside kick marching down the field for 30 yds. before Rhody could stop the Aggie machine. The R. I. punt was blocked and the Aggies threw the Rhody kicker for a safety.

In the second half R. I. opened up with an aerial attack and marched to the Aggies 20 yd. line where they lost the ball on downs. The rest of the quarter was turned over to a punting contest.

In the third quarter the Aggies started another march which resulted in a touchdown made by Captain "Red" O'Neill. This victory gives the 1924 eleven the honor of being the first undefeated team ever turned out by the Aggies.

Much of the success of the team has been due to the great playing of Capt. O'Neill. "Red" has been playing full back all season and has been a big cog in the eleven. Although he is leaving in the spring he will long be remember by the Aggies as a great player and a great leader.

Other Seniors who have helped to put Connecticut on the map in the athletic world are, "Pete" Balock, "Cheese" Eddy, "Herb" Eyre, "Swem- my," and "Red" Thompson. All these men played great games throughout the year and will be missed when the 1925 season rolls around.

Steinmetz

The spirit of Dr. Steinmetz kept his frail body alive. It clothed him with surpassing power; he tamed the lightning and discharged the first artificial thunderbolt.

Great honors came to him, yet he will be remembered not for what he received, but for what he gave. Humanity will share forever in the profit of his research. This is the reward of the scientist, this is enduring glory.

**Emerson**

Emerson tells how the mass of men worry themselves into nameless graves, while now and then a great, selfless soul forgets himself into immor-tality. One of the most inspiring influences in the life of a modern corporation is the selfless work of the scientists in the laboratories, which it provides for their research.

With victory seemingly in their grasp as they passed the half way mark, the Aggie cross-country team lost their only home meet of the season to the strong Mass. Aggie team last Saturday, 24-34. The intensive training of the week, and the hard race against Wesleyan on the previous Saturday, showed their marks on Coach Daly’s men, in the manner in which they weakened during the last stages of the race.

“Pat” Mulligan and Capt. Jacoby, who finished first and second respectively, ran exceptionally good races, but the remainder of the Aggie team did not show their true form. Hutton of C. A. C., who finished ninth, led, with the Mass. Aggie boys coming next, and the rest of the Aggie team

“Peter” Balock never played a better game for Connecticut than the one he played last Saturday. Many times he did what seemed impossible when he pulled forward after forward out of the air.

“Herb” Eyre put up a powerful game at guard and was always in the way of any “Rhody” back who tried to get through him.

Two touchdowns, two field goals, two goals after touchdowns, and a safety made the score for Connecticut.

“Frog” Reeves jumped and plunged his way through the “Rhody” line for considerable gains.

DR. LANDAUER OCCUPIES NEW FELLOWSHIP
Assisting Dr. Dunn in Genetical Research Work.

Dr. Walter Landauer has come to Connecticut from Heidelberg Germany to occupy the new fellowship which was established in the Experiment Station by Mr. Slate. Dr. Landauer graduated at Karlsruhe in 1914, and from 1914 to 1917 he was with the German Red Cross in Russia and France. From 1917 to 1918 he was stationed at the central office of the Red Cross at Karlsruhe where he was concerned with the organization of finances. He graduated from the University of Heidelberg in 1921 and remained there until 1924 as assistant in Zoology. At present he is working under Dr. Dunn on the anatomy of rumpless chickens and studying the anatomical basis of some of the genetic variations in fowls.

THE WORST IS YET TO COME
If you require any further evidence that winter is on the way and due to arrive in the near future you will surely get it. If you require any additional articles of clothing to bring your physical condition up to par, we urge you to make a call at this little store where merchandise is as good as it looks and a little bit better than it is advertised.

Many a chill wind will blow between now and Fourth of July: make your purchases Early and get the good of them while the getting is good.
