Copies of the report had been sent to all Trustees. Mr. Budds and President Babbidge commented on the fact that the report is still inconclusive. The President stated that he had sought further information on costs as soon as the report became available to him, and that he had received some partial and preliminary figures last night which he would submit to the Board in executive session. THE BOARD VOTED to make public the report of Chas. A. Currier & Associates.

7. Mr. Budds thanked Dean Hopkins for his hospitality in entertaining the Board. In response, Dean Hopkins welcomed the Board, and spoke briefly on recent developments of and future plans of the School of Law. His interesting and informative remarks stimulated many questions from members of the Board.

8. President Babbidge informed the Board that the Student Senate has requested changes in the Board's policy on solicitation of funds on University property. The President is asking a committee to consider the matter with a view to a later report to the Board.

9. Mr. Watson reported that the Student Senate has proposed an amendment in their Constitution concerning a Student Judiciary. On his recommendation, THE BOARD VOTED to refer the matter to Mr. Watson's committee for study and report to the Board.

10. On recommendation of Provost Waugh, THE BOARD VOTED to establish a rate of $4000 per year for graduate assistants who have completed all work for the doctorate with the exception of the dissertation. This will supplement two rates approved on July 15, 1964, as follows:
10. Continued

a.) For beginning graduate assistants with the bachelor's degree - - $3200.

b.) For graduate assistants with the master's degree or its equivalent - - $3400.

All three of these rates are for 12 months of service. Most graduate assistants are employed for 9 months and will receive three quarters of the amounts indicated.

11. Provost Waugh pointed out that the Board had approved at its meeting of July 15, 1964, new salary scales for members of the professional staff and had specified that they were to become effective on October 1, 1965. (See pg. 3309 of these Minutes.) On his recommendation THE BOARD VOTED to bring present members of the staff who are below the new minima up to the new minima on October 1, 1965, but to authorize the employment of new staff who will be starting with the beginning of the new academic year in September, 1965, at salaries which are on step on the new salary scale. This will ordinarily mean that new staff members employed for eleven months of service will start on the new salary scale when their appointments become effective on September 1, 1965; while new staff members employed for nine months of service will start on the new salary scale when their appointments become effective on September 16, 1965.

12. THE BOARD VOTED to go into executive session. While in executive session the Board took the following actions:

g.) President Babbidge commented on the reports which had been received on the Waterford site. He and Mr. Evans presented certain preliminary estimates of cost of land and of improvements. There was considerable discussion of many factors involved. During this discussion Messrs. Watson, Bishop, and Maxcy gave very helpful advice and information concerning proposals currently under consideration by the special Commission on Higher Education. In view of various questions which had been raised on costs at the Waterford site, THE BOARD VOTED to alter the procedures which it had approved at its meeting of May 20, 1964 (see pg. 3292 of these Minutes) and to table further consideration of the Waterford site until a comparative study has been made of the so-called "Poquotonuck site" in Preston.

13. No other business appearing, the meeting adjourned at 12:51 p.m. After adjournment the Board members were the fortunate luncheon guests of Mrs. Bailey in her home, where they unwittingly also celebrated the birthday of Mr. Holt.

Respectfully submitted:
