6. THE BOARD VOTED to receive the resolutions of the Faculty of Arts and Sciences on the retirement of the following staff members:

Nicholas Golub
George S. Torrey
Max White

Attention was called to a previous action of the Board of Trustees to the effect that resolutions on the retirement of University members should be presented to and filed with the minutes of the appropriate schools and colleges.

7. THE BOARD VOTED to refund the grant of $15,000 from the American Poultry and Hatchery Federation in order to expedite a special research program to be conducted by the University for the American Poultry and Hatchery Federation, funds for the research to be provided by the Federation to cover the research project. In refunding the $15,000, the American Poultry and Hatchery Federation will then purchase a special type building and erect it on the University grounds. The nature of the research requires a special type of fabricated building. This building would then be given to the University.

8. THE BOARD VOTED to approve the recommendations of the Provost, the dean of the College of Arts and Sciences, and the Department of History with respect to an agreement between the Maritime Historical Association, Inc., and the University for the offering of a summer course in American Maritime History to be given at the Mystic Seaport which is a maritime museum under the aegis of the Frank C. Munson Institute of American Maritime History.

9. The President called the Trustees' attention to a request regarding the staging of one of the weekly TV programs sponsored by the Chrysler Corporation (the Plymouth program) called the "Ray Anthony Show." It was agreed that the President would contact the sponsors of the show to indicate that the University is willing to explore the situation.
10. Mrs. Mahoney presented the report of the Special Committee of the Board on the medical and dental school. She presented the report as chairman of the Special Committee.

THE BOARD VOTED to approve the report subject to minor editorial changes.

11. The President discussed with the Board of Trustees the effect on the Federal retirement status, as well as franking privileges, of Cooperative Extension employees resulting from the amendment of Public Law 854 by the 84th Congress.

Dean W. B. Young of the College of Agriculture made the following recommendations which were approved:

(1) If possible, a payroll deduction plan be instigated effective July 1, 1957.

(2) Staff members appointed to extension positions not be required to participate in the federal retirement plan but that it continue to be optional with them.

(3) Any extension employee now holding a cooperative appointment be given the opportunity on an optional basis according to his own wishes.

After a discussion of the effects of the amended Civil Service Retirement Act as it applies to agricultural extension employees, it was agreed that the President would discuss the matter with the State Commissioner of Finance and the Governor.

12. Mr. Shippee, Chairman of the Board, presented, as the Chairman, the report of the Liaison Committee. After a clear analysis of the report by Mr. Shippee, THE BOARD VOTED to approve it subject to such minor changes as may be necessary following the action of the State Board of Education.

13. Mr. Shippee, as Chairman of the Governor's Committee on Post-Secondary Education, presented the report as it was approved by that Committee.

14. A report on the naming of the women's residence halls was presented. THE BOARD VOTED to follow the same policy as for the naming of the West Quadrangle group (men):

(a) Each building to be named by the Board of Trustees.

(b) Sections of each building to be named for the occupying student group upon approval by the Division of Student Personnel.

After considerable discussion of many proposed names, IT WAS VOTED to approve the following names for the seven women's
