INFORMATION AND POLICY

10. The President reported receiving a letter from Mrs. Arthur Tilton, realtor
in Hartford, who had several properties in the vicinity of the Law
School Building on Woodland Street available for purchase.

11. THE BOARD VOTED to accept the gift of twenty thousand dollars ($20,000)
from the Connecticut State Grange in accordance with an agreement dated
January 10, 1944 covering the acceptance and use of Grange contributions
for the purpose of building a Grange Cooperative House.

12. The President discussed Yale's invitation to play football in 1948 and 1949.
The offer indicated the University would receive twenty thousand dollars
($20,000) per game or forty per cent of the gate receipts, whichever amount
is the larger. It was the sense of the meeting that the invitation should
be accepted by the Division of Physical Education. The President expressed
some concern regarding possible "public relations" difficulties that might
arise from football contests with Yale. It was reported that beginning
in 1948 Yale and Connecticut will play home and home games in basketball
and baseball and will compete in soccer, tennis, golf and track.

THE BOARD VOTED to approve an exception to the established policy
prohibiting post-season athletic contests in order that the University
might accept an invitation to play in the NCAA tournament.

13. The President reported that a Dining Hall Survey had been completed by
the American Hotels Corporation and the report presented to the University.
THE BOARD VOTED to accept the report and place it on file. The adminis-
tration of the University will do everything possible to carry out such
specific recommendations as were made and which can be financed within
the funds available to the University.

14. The President reported that the Faculty Senate voted two to one against
mandatory salary increases for members of the professional staff. A
complete report of the Special Committee of the Faculty Senate on Salaries
will be mailed to the trustees before the next meeting of the Board. The
report was not ready for this meeting.
5. THE BOARD VOTED to approve the following transfer:

(1) Douglas Fay, Instructor in Engineering, from Fort Trumbull to campus, effective February 1, 1947.

6. THE BOARD VOTED to approve the following changes in rank or title:

(1) Samuel C. McMillan, Assistant Professor of Marketing to Assistant Dean of the School of Business Administration and Assistant Professor of Marketing, effective February 1, 1947.

(2) Warren A. Schmidt, from Assistant Professor of Rural Sociology to Assistant State Club Leader, Olver Youth, effective March 1, 1947.

7. THE BOARD VOTED to approve the following increases in salary:

(1) Samuel C. McMillan, Assistant Dean of the School of Business Administration and Assistant Professor of Marketing, from $3780 to $4440, effective February 1, 1947.

(2) George Crowther, Assistant Professor of Agricultural Engineering, from $3660 to $4020, effective February 1, 1947.

(3) Noile Terrell, Assistant Instructor in Animal Diseases, from $2100 to $2400, effective February 1, 1947.

(4) Douglas Fay, Instructor in Engineering, from $2640 for nine months of service to $2760 for ten months of service, effective February 1, 1947.

(5) Raymond A. Ross, Assistant Professor of Accounting, from $3540 to $4200, effective March 1, 1947.

8. THE BOARD VOTED to accept the following scholarships and gifts and instructed the President to write appropriate letters of appreciation to the donors:

(1) The Roger and Pierce Brundage Memorial Scholarship - $125 to be awarded annually from a fund established by Connecticut 4-H Club poultry members to a junior or senior majoring in poultry husbandry. Recipient to be selected on the basis of character, leadership, scholarship and need. Preference may be given to a student who has been a 4-H Club member.

(2) The Bessie L. Berkman Memorial Scholarship - $1000 presented by the Berkman Grain and Coal Company of North Franklin to be used in providing a $200 scholarship annually for the next five years, effective September 1947, for a student majoring in poultry production, preference to be given to students from Windham and New London Counties. Award to be made on basis of need and scholastic standing.

(3) The Hood Scholarships - Two scholarships of $100 each, available to students in the Ratcliffe Hicks School who are entering second year of livestock production.

(4) Emily C. Coates, Librarian, Travelers Insurance Company - Gift of twenty-five volumes of New York Insurance Reports to College of Insurance.

February 19, 1947

15. The President discussed the distribution of Flannaga-Hope Funds (federal) for the further endowment of Experiment Stations. Because of a communication filed with the Director of the United States Office of Experiment Stations, Federal funds for Experiment Station work in Connecticut are divided on a 50-50 basis. Associate Director Slate advised Dean and Director Young that this arbitrary method should not be applied particularly in the distribution of Flannagan-Hope Funds since 75% of the work to be expended under Flannagan-Hope Funds is located at Storrs. The Board Voted to authorize the President to communicate with Director Trillinger of the United States Office of Experiment Stations to ask that funds be divided hereafter between the two stations on the basis of the activities located at the two stations.

16. The President discussed his analysis of the recommended budget for the University for the biennium 1947-1949. The Board Voted to authorize the President to present revised budget requests as submitted. The revised requests call for an increase of $54,000 per year in the annual recurring expenditures budget; $40,000 for personal services, $6000 for contractual service and $8000 for supplies and materials. The revised request calls for an annual increase of $26,000 per year for libraries, $90,000 per year for laboratory equipment, $5000 a year for office equipment and $5000 a year for motor vehicles and equipment.

The entire legislative program was reviewed and it was agreed that every effort should be made to secure the passage of:

a. H. B. 353 - Authorizing the issuance of $41 million of self-liquidating bonds for permanent student housing, faculty housing and for a gymnasium addition to the field house.

b. H. B. 326 - An appropriation of $250,000 for a University infirmary.

c. H. B. 245 - An appropriation of $25,000 for sidewalks and curbing.

The following were also discussed as representing minimum needs:

a. An appropriation of $25,000 for central stores and supplies building.
b. $25,000 to remodel the old heating plant into a central garage and fire control station.
c. $25,000 to close areaways between laboratory wings of the Engineering Building to provide needed mechanical engineering laboratories.
d. $75,000 each to remodel Storrs and Koos Halls (dormitories) to provide permanent inexpensive class rooms and offices. Each building could be remodelled to provide twenty-six class rooms and twenty-four offices.
e. $75,000 to place corrugated metal roof and corrugated metal side walls for the ROTC drill shed.

17. The President discussed difficulties in connection with the printing of University catalogs, Experiment Station and Extension bulletins. The President advised the Board that he had written to Comptroller Zeller asking for a reconsideration of the present plan of printing.

18. The President advised the Board that he may be required to pay income taxes from 1942 for use of the President’s residence. All Resident Counsellors in all dormitories and House Mothers in University-owned fraternity and sorority houses may also be required to pay income taxes for the same period. All Resident Counsellors, House Mothers and the
President are required to reside on the campus and are on call twenty-four hours each day. An attempt is being made by several state officials to straighten out this matter with the Internal Revenue officials. If the matter is not satisfactorily resolved, it will be presented to the Board of Trustees at a later meeting.

19. THE BOARD VOTED to appoint the following committee to serve as a Special Committee of the Board in discussing the relationships of the two Experiment Stations:

Mr. Hook, Mr. Shippee
Dr. Barker
Mr. Spencer, ex officio

20. The Trustees discussed the advisability of printing a letter to be addressed to the parents of students and friends of the University outlining the program of the institution and the problems which concern it. THE BOARD VOTED to instruct the President to revise the letter which was presented and to have the trustees sign the letter. A copy of the letter is made a part of these minutes.

Respectfully submitted,

A. N. Jorgensen
