Johnson, Chairman of the Faculty Committee on Loans and Scholarships, prepared a report which revealed serious shortcomings in the University's scholarship program. The Board members indicated an understanding of the problem and expressed an interest in helping to improve the situation. The President was asked to prepare a report for the next meeting of the Board of Trustees. This report is to outline suggestions for securing funds from both private and public sources. It was indicated that Mr. Johnson would be asked to prepare this material.
 8. It was expected that a proposal would be presented by a State-wide Committee requesting the University to provide training of Physical and Occupational Therapists. This matter was not discussed since the report did not arrive in time for the meeting.
 9. The President reviewed with the Board the approach made to securing a successor to Dean Gentry. A ballot form was developed which was sent to all members of the faculty. The returns on these ballots indicated an overwhelming preference for appointing someone from our own staff and a substantial majority favored the appointment of Albert E. Waugh, present Dean of the College of Arts and Sciences.

THE BOARD VOTED to approve the appointment of Albert E. Waugh to succeed Mr. Gentry, effective September 1, 1950. IT WAS FURTHER VOTED to appoint Mr. Waugh with the title of Provost and to cancel the title of Dean of Administration. The duties of the new position will be the same as those for the Dean of the University, as stated on pages 7-8 of the Laws and By-laws of the Board of Trustees.
 10. The President reviewed with the Trustees the action of the Board taken on July 21, 1948 regarding discrimination. This action appears on page 1648 of the minutes. Subsequent to that action, the students of the University supported by referendum the following resolution:

"No organization or group, whether it be political, social, honorary,

or fraternal, shall discriminate against or exclude a person because of race, religion or national origin on that land owned by the people of this State, and known as the University of Connecticut, nor shall such discriminatory groups have the use of University-owned buildings or property."

All sorority and fraternity chapters on campus also supported this resolution without exception.

Following the student referendum, the President released a statement to the press indicating the University's position in the matter. A copy of this statement was forwarded to each Trustee.

The revised Laws and By-laws of the Board of Trustees issued in December 1949 includes a By-law on page 32 which incorporates the language of the resolution stated above. THE BOARD, after considerable discussion, VOTED that it was the intent and is now the intent that the By-law as stated represents the policy of the Board on the matter of discrimination on the basis of race, color, creed, and national origin.

11. The President reviewed with the Board of Trustees the action taken by the Board on June 24, 1942 as indicated on page 1087 of the minutes, having to do with the appointment of religious counselors.

On recommendation of the President, THE BOARD VOTED to eliminate the title of "University Chaplain" as being consistent with the action of June 24, 1942 approving the appointment of religious counselors.

THE BOARD VOTED to approve elimination of traffic on the road or roads on which construction is under way or will be under way, in order to eliminate hazards to automobile occupants and pedestrians and so as not to interfere with construction.
 15. The President presented offers from Everett T. McKinney for sale of "Upper Hanks Pond" area consisting of five acres to the University, and also thirty acres of land bordering "Valentine Meadow" presently owned by A. Ostrofsky.  16. The President discussed with the Board the use of University facilities by community children and others not enrolled in the University or employed by the University. The Board was unanimous in the belief that there should be no discrimination in favor of any particular outside group of children (faculty) or adults (faculty) in connection with the use of University recreational facilities. The President was asked to confer with the Director of the School of Physical Education and to develop a fair and reasonable plan.
 17. The President presented a request for increasing live stock quotas. The Board was reminded that live stock quotas have been determined by the Board of Trustees, therefore only the Board of Trustees can change the established quotas.  18. The President presented a request from the State Finance Commissioner for advance details on travel to be covered by State funds. The President explained the difficulties in providing "advance details on travel" and stated that all the University could do would be to give the best estimates possible regarding the number of trips, the type of trips and the amount of funds involved.
 19. The President presented the nominations for honorary recognition prepared by the Committee on Honorary Recognition. THE BOARD VOTED, in accordance with established policy, to approve the recognition of:

The awards are to be made on the final day of Farm and Home Week, August 9.

20. The President presented to the Board a communication from the Secretary of the Student Senate regarding the transfer of student activity funds from the Fort Trumbull Branch of the University of Connecticut (to be closed June 30, 1950) to the Student Senate treasury on the Storrs campus.

THE BOARD VOTED to approve the following resolution adopted by the Fort Trumbull Student Council on April 25, 1950:

"That all money belonging to the Student Association of the Fort Trumbull Branch of the University of Connecticut, after all accounts payable have been settled, be transferred to the Student Activities Fund of the Student Senate at Storrs.

"That this money be used, when the Student Senate deems it advisable, for either one or both of the following funds:

1. Scholarship Fund - permanent if possible and with the name "Fort Trumbull" attached to it.
2. Student Loan Fund

"It is further recommended that the Student Senate at Storrs pass a motion accepting the above stipulations to validify this motion as the second party to this transfer of funds."

These recommendations were approved by the Board with the understanding that the Scholarship and/or Student Loan Funds created by this action will be administered by the appropriate University committee, and in accordance with policies established by this committee.

23. The President discussed the presentation of the biennial budget requests which must be ready for presentation to the

Governor sometime after October 1, 1950 and for presentation to the General Assembly sometime after January 6, 1951. The Board approved the following suggestions made by the President that
