5. THE BOARD VOTED to accept the request for retirement of Nicholas Golub, Assistant Professor of Foreign Languages, effective December 1, 1956. Mr. Golub has reached mandatory retirement age after ten years of service. The President was requested to initiate the appropriate forms and also to express to Mr. Golub, on behalf of the Board of Trustees, sincere appreciation for the service he has rendered to the University and to the State.

6. THE BOARD VOTED to approve the following change in term of service:

(1) Karl W. Punzak, Professor of Law, School of Law, period of service reduced from eleven months to nine months per year, effective October 5, 1956. Salary unchanged.

7. THE BOARD VOTED to approve emeritus status for Max R. White who retired on February 1, 1956.

(18) Gift of Experimental Digital Computer Kit from International Business Machines Corporation to Electrical Engineering Department.

9. THE BOARD VOTED to approve the following research projects to be carried on by the University and financed by the agency indicated:

(1) $1,017.34 Frederick Gardner Cottrell grant to support research by Earl C. Spaeth of Chemistry Department.

(2) $1,993 Frederick Gardner Cottrell grant to support research by Lewis Katz of Chemistry Department.

10. The report of the special Faculty-Senate Committee with respect to the sabbatic leave policy was removed from the table and discussed in the light of Provost Waugh's comments which were mailed to the Trustees following the March 21, 1956 meeting.

IT WAS VOTED to request Provost Waugh to prepare a redraft of the sabbatic leave policy incorporating, in principle, the comments made by Provost Waugh with reference to

(1) "Sabbatic leave is a privilege"

(2) Confining the sabbatic leave privilege to resident teachers, experiment station and extension staff workers, the intent being to restrict and to clarify

(3) Clarification of the "relation between receipt of outside grants and the award of sabbatic leaves"

(4) Safeguards against the withdrawing of courses "only for purposes of making leave possible"

(5) Clarification of the meaning of "professional staff directly responsible to the President"

(6) Fixing responsibility for absences for longer periods than ten days, relieving the President and the Board of Trustees from this responsibility

(7) A review of the Committee's recommendation that a special fund be established to finance leaves.

The redraft of the policy is to be mailed to the Trustees in advance of the next meeting, preparatory to action at the next meeting.

11. The President requested the Board of Trustees to approve the sale of the Mary Kumpf property for $32,500, the funds from the sale of this property to be set up in the form of a
11. Continued

scholarship fund in accordance with the terms of the Will of
Mary Kumpf.

12. The President presented data on the candidates for degrees.
As of the date of the Board meeting, the complete list of
candidates was as follows:

College of Agriculture 62
College of Arts and Sciences 424
School of Business Administration 248
School of Education 84
School of Engineering 127
School of Home Economics 41
School of Law 56
College of Insurance 5
School of Nursing 41
School of Pharmacy 54
School of Physical Education 20
School of Physical Therapy 30
School of Agriculture - One Year 2
School of Agriculture - Two Years 50
Graduate School:
   Master's 337
   Doctor's 28 1609

THE BOARD VOTED to approve the list of candidates for degrees
with the provision that the Registrar, the appropriate dean,
and the Provost may withhold the name or names of any candidates
who fail to meet all graduation requirements on or before
graduation day.

It was agreed that each Trustee would receive a printed copy
of the Commencement Program which carries the final listing
of all candidates for degrees by name, degree, school, or
college, and special area training.

13. THE BOARD VOTED to approve an annual operating budget for
1956-57 in accordance with the budget adopted for the first
year of the biennium which provided for (a) transferring
the following costs from the State General Fund to the
Revolving Fund resulting in a return to the General Fund
of these amounts:

   Summer Sessions $60,000
   Resident Counselors 65,000
   Student Health Service 50,000
   Total $175,000

and (b) reflecting such adjustments as were approved during
the present fiscal year and for the fiscal year 1956-57 in
accordance with the authority granted by the General Assembly.
14. THE BOARD VOTED to approve an increase to $20.00 per credit hour for courses to be offered to qualified students leading to a Master's degree in Business Administration. This per credit hour fee will apply to courses offered to qualified in-service employees enrolled as part-time students.

15. THE BOARD VOTED to approve a per credit hour course fee of $30.00 for an in-service Master's program for employed engineers, this program to be offered as a part of the University's extension program. The increase in fee is necessary in order to meet costs of the service.

16. The President presented to the Trustees a recommendation from the Division of Intercollegiate Athletics for the establishment of new classifications, that of coach and assistant coach, and that the employees in this classification be on the faculty but not eligible for tenure, and that the salary range from the minimum of Instructor to the maximum of Assistant Professor. The establishment of this new classification would in no way affect the salaries, the titles, or the tenure of men in the Division of Intercollegiate Athletics who coach and who have already achieved tenure. Additional sports must be added to the Intercollegiate Athletic program. It may become necessary to employ temporary or part-time coaches.

The above recommendation has the endorsement of the staff in Intercollegiate Athletics.

THE BOARD VOTED to approve the establishment of the new classification.

17. The President presented to the Board a recommendation from Comptroller L. C. Riccio that

(1) the Board approve the coordinating of self-supporting activities funds accounts on a performance budget basis. This recommendation has the approval of the University's Business Office and the State Budget Department. At this time, IT WAS VOTED that all Trustees' scholarships and financial aid funds and such funds as carry over should be grouped and placed in a "restricted funds account." Arrangements will be made to implement this adjustment.

(2) All research project accounts, including agricultural research grants, be transferred to the Research Foundation Fund. Such a transfer will in no way result in loss of control by the Dean of Agriculture over agricultural research accounts or accounts of other specific schools and colleges since all accounts will be specifically labelled and can be maintained in separate groups subject to the control of the deans concerned.

These two changes will then result in the self-supporting activities account containing only those accounts which reflect those given in payment of specific services.

THE BOARD VOTED to approve these two recommendations.
18. The President again discussed the compulsory attendance action voted by the Board of Trustees at the meeting of February 15, 1956. He discussed the suggested plan for implementing the Board's decision, as prepared and forwarded by Dr. Arwood S. Northby, Director of the Division of Student Personnel. It was the sense of the discussion that a Trustee committee of three should meet with Dr. Northby and others of his selection to review the Board's action regarding compulsory attendance and the most simple way of implementing the policy. The President was asked to arrange a meeting convenient for Dr. Northby, his colleagues and three members of the Board of Trustees.

19. The President advised the Board of Trustees of a grant recently obtained from the Fund for the Advancement of Education (Ford) for the purpose of conducting a pilot study at the University of Connecticut on the improvement of teaching, with specific reference to use of teaching aids and other devices to suggest ways and means of alleviating the anticipated shortage of college teachers.

20. The President advised the Trustees of a grant in the amount of $125,000 from the Fund for the Advancement of Education (Ford) for the purpose of studying the relationship of state universities and land-grant colleges and universities and State governments.

21. The President advised the Trustees of a study recently completed by a special committee of the Faculty Senate on "University salaries." The President will forward a copy of this study to each Trustee with the minutes of the May meeting.

22. The President advised the Trustees of a statement which was recently prepared on "The Role of the State University." Copies of this statement will also be mailed to the Trustees with the minutes of the May meeting.

23. Mr. Watson discussed with the Trustees meetings between the special committee of the Board of Trustees and representatives of the student body on the matter of student fees and other matters of interest to the students. By consensus, Mr. Watson will communicate with the students with reference to a request for increasing the student activity fee.

24. Mr. Shippee, Chairman of the Board and also Chairman of the Liaison Committee appointed by resolution of the General Assembly to study post-secondary education, made a comprehensive report to the Trustees of the work of the Liaison Committee representing the Board of Trustees and the State Board of Education. He also identified certain areas of agreement and also identified several problems yet to be resolved. His report indicated that a great deal of time and effort has gone into the study of the relationship of the State university and the State Department of Education including the teachers colleges, and the complex problem related to future increases in college enrollments.

The Trustees expressed deep and sincere appreciation for the effort.

and time devoted to the above matters by the Trustee members of the Liaison Committee.

25. Several reports were postponed until the next regular meeting of the Board. However, the President did agree to communicate with the representatives of the Women's Student Government to ask for comments or additions to a list of names from which will be selected names for seven women's dormitories that presently are not named.

Respectfully submitted,

-ss- J. Ray Ryan
